I had my full-knee replacement in the right leg one month ago. I cannot believe the outpouring of cards, e-mails, post to Facebook, prayers and love which have come my way during this time of recuperation and rehabilitation. Even the offers of assistance to run errands or do whatever we need done, have just been amazing. These "BLESSINGS" are greatly appreciated and "FROM THE BOTTOM OF MY HEART, I SAY THANK YOU TO EVERYONE THAT SENT GET-WELL WISHES (you know who you are) AND THE WONDERFUL WORDS OF ENCOURAGEMENT"!!

All of this leads me to better understand how thankful the people are that we as Lions help not only during the holidays, but every day of the year. As we work together within our own Lions Clubs, with other Clubs in our District, with other organizations within our town or community, even with other Clubs around the Multiple District – we all get to share in the pleasure and that "warm, fuzzy feeling" which comes from helping others. Over the years I have had many chances to hear the stories of how thankful the recipients are of our help. I am now a recipient of that "help" No, I wasn't in need of food to feed my family, or help with utility bills, or help with other work around my home – many of the ways in which Lions help those in need. However, my Lions Family supported me with Love and Compassion! Oh, yes, the traditional ways in which we help those in need are in fact, founded with Love and Compassion. We as Lions are so "Blessed" that we get to share the passion, the love and the compassion which we have deep inside of us with the less fortunate people of the world and with each other. This is what helps make us a family and to my way of thinking it "Strengthens the Pride" all over the World! I pray we will continue to share that Love and Compassion and someday maybe we can reach – "Peace thru Service"

Until next time – May God Bless Each and Every One of You!
