Indiana Lions State Office Building – Brick Plaza Update

Thank you to all Lions that have supported this project!

Construction of the Brick Plaza at the Indiana Lions State Office Building is complete. The Plaza was dedicated last June with 150 Lions in attendance. Over 300 Engraved Bricks have been purchased and placed in the Plaza.

It is not too late to purchase a Brick. Over 225 clubs have already been represented. Additionally, over 75 past officers and individual Lions have made purchases. The cost per Engraved Brick is \$100.00; a double brick is \$250.00. Club Bricks or District Officer Bricks will be placed within the District they reside. Brick applications are available at the Indiana Lions Foundation website, www.Indianalionsfoundation.com.

Please consider supporting the Indiana Lions State Office Building by purchasing an Engraved Brick for this very worthwhile showcase of Indiana Lions. Bricks may be purchased for your Lions Club, a Lions organization or an individual Lion. Any Brick purchased prior to May 2015 will be placed during the summer of 2015.

If you have any questions do not hesitate to contact any one of the Indiana Lions Foundation Trustees.

Yours in Lionism,
