## ***WHAT A GREAT DAY TO BE A LION***

April is here and so are the robins, daffodils, blooming magnolia trees and a promise that Spring is here and life goes on. Our District D Convention is now behind us. We do have a promise for a great future in our District with such outstanding leaders willing to lead us into the next 100 years of Lionism. DGE Steve and Lion Katherine are very capable and dedicated Lions. I give them my support and wish for them a Lion's year filled with laughter, friendship and service. 1<sup>st</sup> VDGE Cindy and Lion Rick Wright have been very hard working Lions for years and know how to "get a job done" using dignity and harmony. Let us give them the respect and assistance that they so richly deserve. I am very proud that Lion Isabel Atcheson stepped up to the 2<sup>nd</sup> VDGE position. She will serve us well. With her knowledge of service and understanding of helping others, she is a real asset to this District.

The Convention at the beautiful Officer's Club at the Military Museum in Anderson was a real treat. Not only did we have a wonderful setting for the meetings, but the added attraction of a tour of the Military Museum was like icing on the cake. I give many thanks to Director Candy and John Kreig for arranging such a great day. The Anderson Noon Lions Club members were the best hosts one could ask for. They greeted Lions as they arrived and helped wherever needed. The Pendleton and Markleville Clubs, of which I am member and associate member respectively, have been very supportive of this DG this year and made the day with assisting my coordinator, Lion Lorraine Doty, wherever needed. The VFW Honor Guard put on a spectacular show with the Posting of Colors and with the program of the 13<sup>th</sup> Fold of the American Flag. (Two of the VFW veterans became Lions in the afternoon session). Lion Rick Wright honored us with explaining the Remembrance Table for fallen soldiers. Miss Mikaela Smith brought tears to eyes as she shared her beautiful voice during the opening ceremonies and during the Necrology Service. Thank you 1<sup>st</sup> VDG Robin Smith of District A for sharing your day and your daughter with District D. A donation will be sent to Indiana Lions Foundation in Mikaela's name. District Chaplain Sam Weist, assisted by John Kreig, led us in a very moving memorial service for Lions that have departed this life but certainly not forgotten.

The best part of the Convention weekend was International Director Kembra Smith and Lion Bill Lowe from Georgia. From the time I first met them at the airport I knew they were the best International had to offer and that's why they were sent to the best District! They wanted to take part in a service project and work side by side with our Lions. Upland invited us to participate in their Back Pack Program. Not only did we fill bags with food for the weekend, but we were honored with being able to distribute the bags to the children. The Friday night casual dinner was held at Anderson Perkins restaurant. All enjoyed the fellowship and the talk given by Lion Bill, who not only educated but entertained!

What did the Lions in District 25D gain from such a delightful weekend? ID Kembra inducted two new members into the Markleville Club and one returning member into the Anderson Noon Club. Anderson Noon also has a signed application and check from Michelle, the owner of Perkins Restaurant. We elected the best of the leaders for our future and elected dedicated Lions to serve as Trustees to our projects.

I thank PID Doug Lozier for emceeding the Convention and to IPDG Kathy for accompanying Jack and me on a wonderful day Friday with ID Kembra and Lion Bill. Our ID had never had a breaded tenderloin so we treated them to Ivanhoe's in Upland.

Three Lions were presented with the 4<sup>th</sup> highest honor from International President Yamada and they are: Lion Dick Creger of the Pendleton LC, DGE Steve Holtzleiter of Anderson Noon LC, and Cabinet Secretary Dan Richison of the Hamilton Township LC.

Our work for this year is not yet complete. There will still be club visitations to make. Also GLT Steve Marsh has arranged for a spectacular Leadership workshop that will be held on April 23<sup>rd</sup> at the Conservation Building in Pendleton. Clubs can help themselves grow and prosper by encouraging members to enjoy a day of leadership training and then move into leadership roles so our District will continue to flourish. We will have a membership drive in late May and try to form a new Lions Club.

*"Helping people is fun. And anytime you can get together with more than one person, it makes it even more fun."*

*DG Betty*

Hello Lions of 25D,

WOW! What an outstanding District Convention Governor Betty presided over on March 19<sup>th</sup> at the Military Museum Officers' Club in Anderson. A crowd of over 80 attendees enjoyed a wonderful meal and fellowship with a great message from ID Kembra Smith of Georgia and much more. Thank you to all the many Lions who worked so hard to make the convention a success. I, and all the candidates on the ballot elected, thank you for your support.

Now onward to finish the year with even more success. Let's all work on membership and leadership. We are having a Leadership Workshop on April 23<sup>rd</sup> in Pendleton. Please encourage your club officers in developing new leaders to attend by sending them to receive this important training. The future of your club and district's success will be the reward.

On a personal note, I wish to humbly thank you for electing me as your District Governor-Elect and Lion Katherine as a Trustee for the Indiana School for the Blind and Visually Impaired. We promise to work hard for those whom "We serve".

As a reminder to our current club presidents and secretaries, please send in the names and information of who your new officers will be for 2016-2017 by May 15<sup>th</sup>.

Humbly, DGE Steve Holtzleiter.

## Be Proud!!

It is getting to be that time of year again when you will see Lions Clubs from all over the area at the different fairs, carnivals, picnics, etc., selling their delicious food and treats to raise funds for their clubs. It is a very busy time of the year for all the clubs. Even though your vending trailers may have your club name or the Lions emblem on it, you need to wear something to tell people that you are a Lion. It does not matter if you wear your Lions hat, a Lions shirt, a Lions apron, or just your Lion name tag, your customers will know that you are a devoted Lion. They will know that you believe in the Code of Ethics and the Lions International Purpose. When they see you in some type of Lions gear, they will know that you are the one they can ask questions about Lions, the purpose of Lions, and maybe even how to become a member. And if you choose to strike up the conversation with the customer, they will understand why you are talking to them about membership.

I assisted with two Easter Egg Hunts involving Lions Clubs in my area. At both events, I heard conversations about membership to Lions. The more your club is out in the public and you engage in friendly conversation, the more the public will become interested in what the Lions do. Don't hesitate to brag about the service projects and the "fun"d raisers your club does. It is not easy to get the word out as to events your Lions Club participates in. So...you have to be the person that "passes the word around." It might not even be a bad idea to have posters on your trailers with pictures of your service projects and fund raisers. Watch to see if people are studying your posters. This will open the door for conversation about Lionism. Hoping this raises interest, be sure to have brochures about your club and a membership applications in your trailer. Be ready at all times to spread the word of the work that Lions do and be ready to talk about membership. And...BE PROUD!!...to wear your Lions gear to let people know that you are PROUD to be a Lion!!

Lion Cindy Wright  
1<sup>st</sup> VDGE - District 25D

### BACKPACK PROJECT

International Director Kembra asked to help with a club's project rather than tour the state projects. 25-D provided that request by having her and her husband, Lion Bill Lowe, help with the Upland Lions backpack project. Each sack was filled with enough items to provide meals for each student until they return to school. The filled sacks were transported to the school and distributed to the students followed by a trip to Ivanhoes. They don't have breaded tenderloins in Georgia.

My Dear Fellow Lions,

Many years ago Helen Keller challenged Lions "...Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness? I thank you. " Lions answered emphatically, "Yes!"

The Indiana Lions for the Indiana School for the Blind and Visually Impaired State Project will again sponsor a work day at ISBVI in Indianapolis on Saturday, May 21, 2016. The huge campus of the ISBVI consists of 31 buildings located on 63 acres; and our work day provides the Lions of Indiana an excellent opportunity to put our "We Serve" motto into action as we contribute to campus beautification and improvement.

The morning work session will consist of outside jobs and the afternoon work session will be inside jobs. Lunch will be provided by the school. After lunch there will be a tour of the school for those interested.

The schedule for the day will be:

8:30 am: Registration and donuts

9:00 – 1:00: Morning work Session

1:00 pm: Lunch
