DISTRICT GOVERNOR COLUMN

Greetings Lions of District 25 B

Well, I'm breathing a sigh of relief since the District Convention is over with. I want to thank all who attended and made it a great Convention. I know it was different in many ways. From what I have heard so far, many people really liked Lion Jeff Kozicki's workshop "All you Need is Love: Exploring Lionism through the music of the Beatles."

Past International President (PIP) Brian Sheehan said over and over that our meetings should be fun. I think everyone had fun in that session remembering songs of the past and naming them. Some were better at it than others. I know that for our younger Lions the music may have been unfamiliar, maybe the songs bring back memories of music their parents listen to.

Well, enough of my rambling. Back to things in the district. Our membership is on the plus side by one member. We need to hit the pavement and invite, invite, invite. Invite them to a meeting and volunteer to pick them up. Invite to work alongside you as you serve in your community. Help them see all the good things Lions are doing in their community. Lions are more than just a organization that has something to do with eyeglasses. Indiana Lions support Indiana Lions for the Indiana School for the Blind & Visually Impaired (ILSBV) Indiana Lions Speech & Hearing, Inc. (ILS&H), Indiana Leader Dog, Inc. (ILLD), Lions Cancer Control Fund of Indiana, Inc. (LCC), Indiana Lions Eye Bank/Vision First (ILEB), Indiana Lions Foundation, Inc. (ILF). Those are just the State Projects supported in Indiana, not including the Special Olympics and many others.

Continued on page 2

Then there are the international projects we support through donations to Lions Clubs International Foundation (LCIF). Vision First, Youth, Disaster Relief, Humanitarian causes, Diabetes, Hunger, Childhood Cancer, and Environment. I mention these because it is coming near the end of the year, and I hope every club in the district will find a way to support these causes through your generosity. I would also like to see each club make some sort of a donation to LCIF. Let's be a district that supports LCIF 100 %.

Have you got next year's slate of your club officers yet? If not, time is running out to elect them and get their names to LCI before the deadline, which is the first part of May.

The incoming District Governor Elect (DGE) needs the information to complete his directory on time.

So lots is happening as we come close to Indiana Lions State which is being held at the Embassy Suites in Noblesville, IN. Hope to see some or all of you there that week-end. It is a good time to meet old friends, develop news friends and learn more about the great Organization we call LIONS INTERNATIONAL.

There is still time to add members, so we grow from 1.4 to 1.5 Million members.

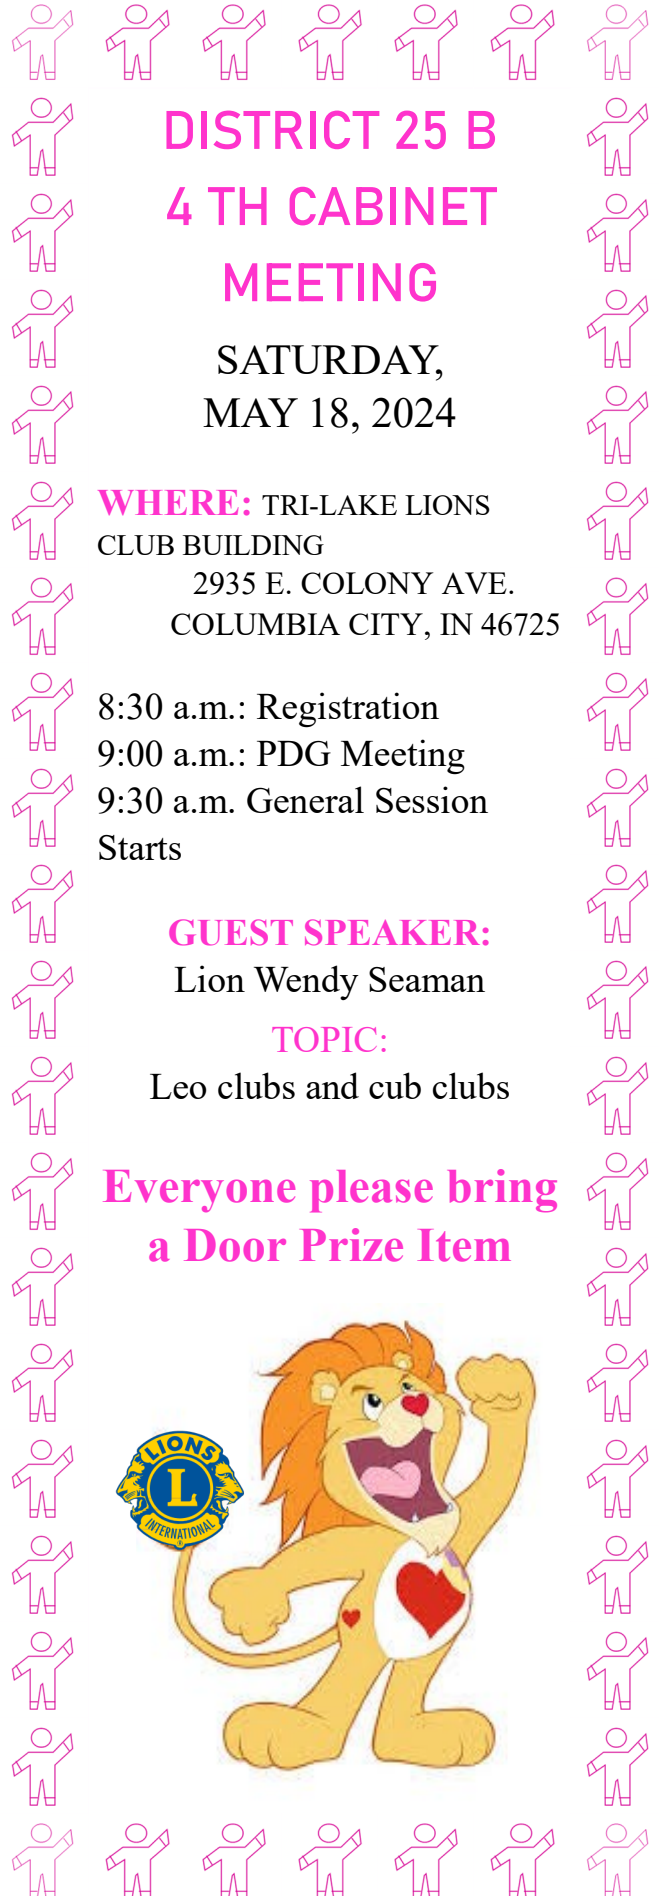

Don't forget to put on your calendar our last Cabinet Meeting of the year. May 18, 2024 at the Tri-Lakes Lions Club building, 2935 E. Colony Ave., Columbia City, IN 46725. Registration starts at 8:30 a.m.

Happy April Lions!

We're just coming out of the 25B District Convention and I'm excited to tell you that we had double the attendance we've seen in recent years. Thank you to all those who showed up, and a huge thank you to the Albion club for planning and making it all happen! This was a great way to celebrate the great year we have going! It was great to have PID Don Noland from Missouri as our guest, inspiring us to go out and do more service and add Lions to our pride. It is my hope that you'll put March 1-2, 2025 on your calendar and plan to attend our convention next year.

Officer Elections

It's that time again, time to elect our club officers for 2024-2025. It's an exciting time, but the election is only the start of the process. Once officers have been elected, the next important step is to report officers to LCI and finally complete officer training. Training can be completed either online or in person. Keep your eyes open, Officer training should occur sometime in May or June, before the new Lions year. Notification should be coming in the newsletter, e-mails to club secretaries and on the District 25B FB page.

Service Projects

We Serve! 'Tis the season for planning service projects and the weather is cooperating, keeping us inside. This year, how about trying something you haven't done before? There are a whole lot of ideas for new service projects, if you need some ideas, check out LCI's Member Resource Center <https://www.lionsclubs.org/en/start-our-approach/service-journey/service-project-planners> and use the tools that have been developed for service project planning. Need some more ideas? Try approaching you community leaders and organizations to see what they need help with. Whatever approach you take, I'm excited to hear about the projects you decide to take on this year. Remember to promote your projects before, during and after you do them, and remember to report them using the MyLion app (for now).

Mission 1.5 - Current Membership

I know you probably know all about it by now, but Mission 1.5's goal is to have 1.5 Million Lions worldwide by July 1, 2027. Why? So we can serve more people. Are we going to get them all in 25B?

Continued on next column

Continued from previous column

I don't think so, but we're going to do our best to get our share. You've all done a great job getting new Lions this year, DG Terry's goal was to add a new member for every club this year, and I'm happy to report that we have added 50 Lions in 25B this year, and that's great! Combined with 51 Lions lost, our net total so far this year is -1. Current membership in 25B is 1011, and we have a few months left before the end of the year, let's finish the year strong and level up our pride.

If you'd like to make an event of adding Lions, worldwide induction day is coming on April 27th. A planning guide for Worldwide Induction day can be found at :

<https://www.lionsclubs.org/en/search-results?keys=Lions+Worldwide+Induction+Day+Club+and+District+Planning+Guide>

If you have some people you've been meaning to ask, maybe a club induction event is just the reason you've been looking for.

Peace poster Contest

This year's Peace Poster/Peace Essay theme is "Peace Without Limits". If your Club hasn't sponsored a contest, consider doing it this year. The contest is open to 11-13 year olds and the entries are incredible. This is a great opportunity to recognize talented students in your community. The earlier you start, the more likely you'll get participation in the contest. Start early and Promote, Promote, Promote. International winners receive a \$5,000.00 first place prize and 23 merit award winners will receive \$500.00 prized. Kits for the peace poster/essay contest are inexpensive and its an easy way to build interest in Lions while supporting our local students.

Newsletter Input

This is your newsletter, and I'm encouraging all of you to submit articles from your clubs. Tell us what's happening, upcoming events and stories of your service. Be sure to include some pictures of Lions in action!

HELLO 25B LCIF SUPPORTERS!

I'd like to start by thanking you for supporting LCIF. Our foundation continues to make a difference to people's lives EVERY DAY around the world. Our global causes, Childhood Cancer, Environment, Vision, Humanitarian Service, Diabetes, Hunger, Youth and Disaster Relief continue to impact people around the globe, and I think most of us can relate to many of those causes through personal experience and our relationships with friends and family. This month I'd like to invite you to look at our Stories of Pride by opening <https://lcifpride.org> and see how we're making an impact every day.

These stories wouldn't be possible without your support of our foundation LCIF. By contributing a small amount to LCIF we are able to be a part of these global wins. Keep in mind that 100% of your donation to LCIF goes toward these causes, there is NO administrative overhead taken out of your donation. I challenge you to find another charitable organization that can make that claim. Please consider a one time, monthly, or planned giving donation to LCIF today, and help YOUR foundation change a world in need.

Thank you again for your support. As of March 22, District 25B is 65% of the way to our 2024 goal of \$27,324. I know there are Clubs that still haven't made their contribution yet this year and some individuals that are still waiting to donate. If you normally make a contribution, or are thinking about it, there's no time like today. I know that most people don't wake up and say "I'm going to start contributing to LCIF today" but if you did, great, there's nothing left but to do it. If you're already giving, please consider leveling up and doing a little more.

If you need a little motivation, or affirmation, I encourage you to check out the following link and the stories there, I'm sure you'll be moved by what you find there. <https://lcifpride.org>

Thanks again for your support of LCIF, through your donations you are truly Changing a World in Need.

Global Membership Approach (GMA) for Clubs

Jeff Kozicki, Noblesville Lions, 25-D Global Membership Coordinator

The Global Membership Approach is a proven method to lead your club into greater recruiting, more new members, and membership retention. After using SWOT analysis (strengths, weaknesses, opportunities, and threats) of your club, club members select strategies to accomplish the membership goals. This session will go through this analysis of a club.

2024 NEW Charity Gaming Rules

Mark Mason, Assistant Director, Indiana State Gaming Commission

Will your Lions Club be conducting raffles, bingo, or other gaming activities as fundraisers to support your charitable contributions to humanitarian needs? If so, you need to attend this session on the updated and newly enacted laws and regulations in 2024 governing charity gaming in Indiana. This session will help you stay on top of these laws and how they affect your club, what forms and fees that you need to complete, and other requirements that may even involve modifying your club's constitution and by-laws.

LCIF: A Celebration of Impact in MD-25 and Legacy Gifting

Robert Kanonik, Lions Clubs International Foundation

The dedicated service and humanitarian spirit of the Lions of MD-25 (Indiana) continues to help change lives for the better. Throughout this presentation you will hear about the impact LCIF-funded Lions' service has made throughout MD-25 and worldwide. A special focus on the recently introduced Lions Legacy Society where you can make a difference by leaving a tax-free gift to Lions Clubs International Foundation upon your passing. As there are many options available, IRS regulations, and legal requirements to do this, Mr. Kanonik, an attorney and estate planner, will discuss the options and how you can leave your gift of all or a portion of your estate to LCIF. Giving to LCIF will demonstrate what we can accomplish when we unite for good and ensure that whenever there is a need, there will always be a Lion.

Parliamentary Procedure for Lions Clubs

PDG Patrick Rodriguez, Sr., District 25-A Parliamentarian

The Indiana Lions 2024 Convention will once again be having a Silent Auction. It will only be successful with your help. INDIANA LIONS 2024 CONVENTION COMMITTEE

Dear Friend of the Indiana Lions,

The Lions of Indiana have a mission to improve health and well-being, strengthen communities and support those in need through humanitarian services and grants that impact lives globally and locally. For more than one hundred years, Lions have embodied our motto of 'We Serve' by supporting life-changing research at the IU Med Center in vision and hearing and by a multitude of projects in 331 cities and towns across the state of Indiana. Our 8500 members are the glue holding communities together by providing leadership and service supporting those in need.

In April 2024, the Lions of Indiana will be gathering for the 103rd state convention in Noblesville to celebrate the many great works accomplished by Lions and Lions Clubs across the state. We anticipate 400 members will join us at the Embassy Suites over the three days of the convention to learn and have fun while serving.

As a friend of the Indiana Lions, we hope that you would consider sponsoring or advertising at our event. The details for sponsorship and advertising are shown on the next page. All sponsorship and ad information must be submitted by March 15, 2024 to meet our publication deadline. Please know that your support will allow our members and clubs to pour more into their communities, supporting the Hoosiers we know and love.

In appreciation,
The 2024 Indiana State Lions Committee
