DISTRICT GOVERNOR COLUMN

I trust everyone will have had a Happy Thanksgiving by now. So now it is time to get ready for Christmas and the holiday parties. May your season be highly blessed.

I am writing this from North Carolina where Nikki and I are visiting our son and daughter-in-law, and our grandson and his wife and two great-grandchildren.

My congratulations to the Albion Lions Club who inducted a new member via a Zoom meeting. Dr. Patti Hill's says "Changing the World, is a journey. There is no middle and no end. There is only a beginning—and it starts with us. It happens through the many small choices and acts of kindness we make every day. Together the sum of our efforts makes the world a better place, one life, one relationship and one community at a time."

The Albion Club did this by doing something we all dislike doing. They made a change in the way they do something in order to reach a new member, and who knows where it may lead them. We live in a time when change is happening all around us and we have a decision to make. Are we open to change and moving forward, or are we unwilling to change and slowly fading away.

We are about to move into a new year. You might say it is a chance at a new beginning. So, it is time to look at your club and ask are there ways we can reach new people. Are the activities we have always done really working or is it time to lay them to rest and try something new. I know many of the clubs I have attended are made up of the older generation and it is getting harder and harder to work your activities. So maybe it is time to ask for some help from the younger population

Continued on page 2

of your communities. You might be surprised what happens.

There are many new projects we can accomplish, from planting a tree for the environment to raising money for childhood cancer research. From partnering with the Diabetes Association to put on a diabetes screening in your community. These are only a few ideas--there are many more out there.

Many activities are coming up, but for me one of the high lights is the Indiana Lions Speech and Hearing, Inc. Holiday dinner, where they award scholarships and grants to Ball State University, Indiana University, Indiana State University and Purdue University's Audiology Departments.

Remember one of the big goals this year is membership and new clubs. Get out and ask. If you don't ask you will never know if they want to be a LION.

Have a Merry Christmas and a Happy New Year.

DG Terry L. Marker

Hello Lions of 25B!

I encourage you to attend as many of these events as you are able to, they are educational and entertaining. With the state convention in Noblesville this year, it should be pretty easy to get there, even if it's just for the day. As a reminder, there will be a drawing for \$500.00 for first time State Convention attendees, or those that haven't attended in the last 10 years.

A quick word on membership. Thank you for your efforts to bring new members into the

district. Our District Governor Terry Marker's goal is one new Lion per club. You're doing a good job of bringing new Lions in, keep up the good work and don't let up on your efforts, It's a hard thing to get new members, and we're losing Lions at the same time, so don't stop at one. The work is never finished. I'm confident we can do it.

In conclusion, time is flying by and we are coming into a busy time of the Lion's year. Please consider attending as many events as you can. THANK YOU for all of your Service, I truly appreciate everything each and every one of you do to serve your community and the world.

As December comes, spend some time with your family and friends and reflect on the service you've provided and the lives you've impacted. You are all truly doing great things for a world in need. Have a great holiday season and

Happy New Year.

Yours in Service,

Jim

LCIF FOUNDATION

Hello, and Happy December.

This year it seems like half the world is upside down, the wars in the Ukraine and Gaza are raging on and millions of people are unsure of their futures. Because of your support of LCIF, many of those people have a hope that may not exist otherwise.

While there isn't much information to report on Gaza yet, here is a quick update on Ukraine Relief Grants

LCIF is awarding grants to Lions supporting Ukrainian refugees who have crossed their borders. Lions in Ukraine have also received LCIF grants to address the critical needs of people who remain in the country. Grant funding will enable Lions to cover a broad spectrum of refugee needs, including immediate survival needs, transitional needs for mid- or long-term settlement, and support for services to help refugees integrate into their new community.

Grants awarded – 85 LCIF grants totaling US\$5,478,475 have been awarded as of November 2023.

Applying for grants – Lions districts in Europe who are directly serving refugees may qualify for grant assistance. Please contact LCIF at EUROPEGlobalGrants@lionsclubs.org for more information and to request an application form.

Refugees and Displaced Persons Fund – LCIF is actively collecting donations to its Refugees and Displaced Persons fund, which will help ensure that Lions are there to help them find the safety and security they desperately need. All donations – 100% – benefit grants and programs and qualify for limited-edition Campaign 100 recognition and Melvin Jones Fellowship (MJF) or Progressive MJF. Donations made to this fund are not eligible to receive District and Club Community Impact Grants.

CONSTITUTION AND BY-LAWS NEWS

Submitted by PDG Roger Cash

There are a number of amendments to the multiple district constitution and by laws that have been proposed.

One of the proposed amendments is to allow the Council to appointed an assistant comptroller.

Other amendments deal with times of registration and voting, who and why a special convention can be called and there is one to bring the appointment of the Council Chair more in line with the international constitution and by-laws.

Please remember that all Lions clubs, districts and multiple districts with annual gross receipts less than US\$50,000 that are not required to file Forms 990 or 990-EZ must file the e-Postcard (also known as the 990-N). Please be advised this filing relates specifically to the 501 (c)(4). If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.

Please review the Annual Tax Filing information below. Thank you!
