DISTRICT GOVERNOR COLUMN

Greetings to the Lions of District 25 B.

I just returned from Mid-Winter Conference, and I believe that those who did not attend it you missed some very good training sessions.

So good that I have asked two of them to come and share with us. One at the District Convention on March 16, 2024, at 5 C Farms Event Barn. It is located at 1261 N 300 E, Albion, IN, United States, Indiana, It is straight South of Skinner Lake (3 miles east of Albion and then south about a 1.5 miles. Registration will be at 8:30 a.m. Meeting will start at 9:15 a.m.

I have also asked Lion Wendy Seaman to come to our May's Cabinet meeting to talk to us about Cubs and Leos. So I hope you put these events on your calendars.

At Mid-Winter Convention, on Friday night's dinner we were entertained by a magician who I would describe as very funny and entertaining with his act. Saturday was spent in seminars that were very informative. Many items were brought in for the silent auction which raised about \$1,500 dollars. Also, many items were brought in for the care kits that were put together and once they were assemble were divided among the district. FVDG Jim Bush was kind enough to haul those home and we will be distributing them around the district. But we need your help in doing it, by either picking some up and taking them to the shelters in your area or making some suggestion.

The District Convention will be here before you know it and I need the club officers to promote it and turn out for the convention. This is your convention. So let's show our guest (PID Don Noland from Missouri) how proud we are of District 25 B, and how much we support it with our presence.

Continued on page 2

We are over half way done with our Lions year and there are still many clubs who have not booked a date for me (your Governor) to make an official visit. If you don't contact me don't be surprised if I just show up at a meeting.

Kudo's to those clubs who have added new members this year and please keep it up. The goal is 1.5 Million members by the year 2028. My goal for the District is at least two new members per club by June 15, 2024 and then I am sure that FVDB Jim Bush will have a goal for next year. We have a long way to go to get our numbers up to 1250, which is where we should be. Are we looking around and asking ourselves if our neighbor would be a good Lion? What about the person we go to church with? Or the new teachers in the school our children attend? I feel that everyone wants a chance to Change the World. We can do it one member at a time, affecting one person at a time. We may start small but look what a little ant can do. They can move mountains and so can we.

Until next time keep on serving to change our world.

DG Terry L. Marker

Hello LIONS of 25B,

Just a few thoughts following the Mid-Winter Conference. If you didn't make it this year, please consider attending next year. Approximately 200 Lions attended and participated in informative seminars, fellowship and FUN! Don't worry though, there are still many opportunities to come together as a group this year, so get your calendars out and make plans to attend them all, you won't be disappointed.

Please plan to attend the district 25B convention, there will be entertaining and educational sessions, a keynote speaker and FUN! If you ever wanted to know more about Lions and our district this is a great way to engage without investing a lot of time or money. Please join us and share in the fun. Details about the venue can be found on Facebook by looking up the 5C Farms Event Barn, 1261 N. 300 E Albion IN.

Indiana State Lions Convention will be held in Noblesville at the Embassy Suites from April 26 – 28. Past International President Frank Moore III will be the keynote speaker. The State convention schedule and registration information can be found at the link below. As an additional note, 25B first time state convention attendees and those who haven't attended a state convention for more than 10 years will be entered into a drawing for \$500.00 if they register and attend the convention. Even if you don't plan to stay, this is a great event to attend to learn, network with fellow Lions and have fun.

I can't emphasize the significance of this great opportunity enough. This year, the USA/Canada Forum will be held in LOUISVILLE KENTUCKY, it's right in our back yard. There will be opportunities to learn about Global Causes, hear the Current and Past International Presidents speak, and learn how other clubs and districts are serving across North America. Numerous forums, meals, entertainment and seminars make this an excellent opportunity to up your Lions game

without having to step on a plane. I hope to see you there. More information, including registration info can be found by clicking the link below:

There are so many opportunities for us to learn and grow, let's take full advantage and grow 25B into the Best District we can B.

I look forward to seeing you at one or all of these events.

LCIF FOUNDATION

Why LCIF? Because through LCIF Grants we are truly accomplishing big things right here in Indiana! I know the common perception is that all our LCIF donations are shipped out of the country, but the truth is that LCIF awards a lot of grants right here in the US, in fact, more than 3 dollars are returned for every dollar donated in the US. Recently Indiana Clubs have received \$150,000 to build a new cabin from a 3:1 matching grant for Diabetes at Camp Until There's a Cure. This camp provides children with Diabetes with the skills they need to manage their diabetes in everyday life. One club or district in Indiana could not have accomplished this goal without help from YOU and LCIF. Westfield Lions received a \$2,250 grant from a partnership between LCIF and Elevance Health Foundation to help with Food Insecurity, distributing food to 219 children in WESTFIELD INDIANA every week, an example of how LCIF is supporting Hoosier Families.

I know I keep asking you for support for LCIF, true, here's a little of my "WHY". There are so many causes around the world that are worth supporting, and if you or I try to support all of them, we'll make ourselves crazy. LCIF's Global Causes are Vision, Youth, Disaster Relief, Humanitarian assistance, Diabetes, Childhood Cancer, The Environment, and Hunger. All of them are just that, GLOBAL and relevant right in our own back yard. Next, when you are choosing where to send your money, you may want to ask how much actually makes it to the point of need. 100% of LCIF Donations reach the point of need. I think if you do a little digging, there are few, if any other causes or groups that even come close to that percentage, I know, I've looked, and while I'm not going to name them here, there are some funds that I will not support, many make regular appearances on my television. Most of the charities on television ask you for around \$20.00 a month, and while that may work for them, by comparison, \$3.00 isn't much, however if able, please consider giving a little more.

One more thought is holding an LCIF fundraising event. What do you like to do? Host a frisbee golf tournament, cornhole tournament, mini golf tournament, bowling tournament, or whatever you like with proceeds going to LCIF, have some fun with it! This year to be a Model Club, the club needs to make an LCIF donation of 5.00 per member, but individual donations count toward that number.

Finally, the reason I support LCIF is I'm a Lion and it's OUR FOUNDATION. I am convinced that we are serving more people than any other organization in the world and we're reaching them where they live. I used to have a career that had an ambiguous title, but when people asked me what I did, my response was "I'm a LIFE CHANGER". You and I as LIONS are LIFE CHANGERS, not just in our communities, but around our state, our country and world. In fact, between [July 2022](#) and [June 2023](#) WE changed 539 million lives around the world, by helping with Your contributions to LCIF allow us to change lives everywhere, every day. Thank you for supporting LCIF and being LIFE CHANGERS.

Serving a world in need,
Lion Jim
