MUSINGS OF THE DISTRICT GOVERNOR

We are now in our new Lion year. This year will bring its own challenges and rewards. The balance of these depend on how we look at our opportunities.

Some of the challenges we face in the District deals with leadership and membership. On the membership side we need Lions to step up to be the 1VDG, state project trustees, Zone Chairs and committee chairs. On the membership side we need to get back up to or even above the 1250 mark in membership. Now these are not insurmountable challenges. As far as membership, well there are a few new things coming soon from the Multiple District that I think will help us grow. However, membership really boils down to each Lion showing pride in being a Lion, letting the public know what we are doing locally, nationally and internationally. Then showing each person we ask to join how it will benefit both themselves and their community.

This being the first news letter the of the new Lion year, there are some other items to discuss. As you may already know several events have been cancelled. The International Convention, the USA/Canada Forum, the State Fair and several other events and projects due to the concern over the pandemic. This means we will have to be innovative in how we conduct our meetings, fund raisers and projects.

Along the lines of meetings, I need each club to contact me and schedule their Official Visit. We do have the first cabinet meeting scheduled for August 15th in Kendallville, then the following Saturday the Banner Night in Ossian. We encourage every club to have at least one representative at the cabinet meeting and would like every club

Continued on Page 2

Continued from page 1

to bring their banner and help celebrate the passing of the guard at the Banner Night.

A note about the first cabinet meeting. We will be taking nominations from the floor for 1VDG, along with trustees for Cancer Control, Vision First (Eye Bank) and ISBVI. We do have a nominee for 2VDG, who we will vote for.

DG Roger Cash
