### DISTRICT GOVERNOR COLUMN

#### THE KEYCHAIN, THE MUG, AND THEN THE (READ & FIND OUT)

By: DG Sandy Zeigler

District 25B Lions,  
You, Lions, are doing it!

I am thrilled that I have been giving away the keychains and the mugs that I designed. Being a Lions Club member should excite you, so that you feel that you want others to know about it.

Well, Lions, I'm not meaning to be bragging, BUT...I HAD to order MORE keychains. I have some MORE new Lions Club members to install in some meetings that are coming up, and I was almost out of keychains.

Do you know that I have a couple of Lions Club members who have already brought in two new Lions Club members this year and have earned both a keychain AND a mug? That is RIGHT! These Lions have already brought in TWO new Lions Club members. What happens when they bring in another Lions Club member?

This means that I have a NEW problem! How do I encourage those members who have already earned both a keychain and mug to keep asking people to become Lions Club members, so they will bring in another member or two or even more new members, then what should they get? What incentive would entice them to bring in the most new members? More than anyone else!

I had created another problem. It's a good problem, but still, what's the solution?

My wheels were turning AGAIN. I wanted this to be something extra special that couldn't be purchased in a store, but something that had to be earned. Oh, my, what could be, would be, that extra special? Then it hit me, a TROPHY! Only

Continued on previous page

one! Only one Lions Club member will win the with a white marble base, with an inscription engraved on a gold plate, and it had to have a DOMINO. Well, I knew what I wanted, so I designed it! I am SO excited to now share this new trophy.

I've not weighed it, but the shipping information said that it weighed 2 pounds. It's not plastic! It was wrapped in bubble wrap to protect it when it was shipped to my home. Someone in District 25 B will earn this trophy. The trophy will be earned by the Lions □ Club member who brings in the MOST NEW LIONS □ CLUB members for this Lions fiscal year. I'll have this trophy at the next cabinet meeting which will be held on November 12th at the Seminary Church on 285 Seminary Street in Roanoke.

One more time, "How can you get that 5 1/2" tall, gold trophy with the gold domino on top?" You've got to do what?

Bring in the most new Lions □ Club members! The most what? "The MOST NEW Lions Club MEMBERS!" So you need to ask, ask, ask, and ask some more!

How many people have you asked today? How many said, "Yes?" Why should they become new Lions Club members? Did you tell them how much fun it is? How cool the meetings are? What happens at your Lions Club meetings? The Lion Clubs together make up the largest service club in the whole world. What does your Lions Club do that would be the enticer to convince others to become a Lion like you?

## **CELEBRATING 75 YEARS OF SERVICE**

By: District Governor Sandy Zeigler

The Bluffton Lions Club is inviting the public to share in an evening of celebration on November 15<sup>th</sup>. The Bluffton Lions Club is celebrating 75 years of service to Bluffton and the surrounding area. Most known is the eye care offered starting with screening nursery and preschools that are offered without charge to the collection of used eye glasses throughout the community.

This idea of using these collected used eye glasses for third world countries was the innovation of Bluffton's own, the late Lion Past District Governor William (Bill) Trubey. As reported in the News-Banner article from May 25, 2000, "Dr. Trubey participated in the Volunteer Optometric Service for Humanity, a medical missionary service in at least 23 medical missions delivering "medical care to at least seven countries including Dominican Republic, Honduras, Mexico, Guatemala, El Salvador, Nicaragua, and Tanzania."

Lion PDG Dr. William (Bill) Trubey was the first Bluffton Lions Club member to go through all of the local offices and then the state positions to become the first District Governor from the Bluffton Lions Club. Since then two additional Bluffton Lions Club members have also obtained that status. The last two District 25B District Governors are members of the Bluffton Lions Club, Lion PCC Jerry Zeigler and currently Lion DG Sandy Zeigler.

Once again, the public is invited to join us as the Bluffton Lions Club celebrates 75 years of service, of putting into practice the Lions motto of "to serve." This exciting evening of celebration will take place at the Lighted Gardens Reception Hall on November 15<sup>th</sup> with the social time starting at 6:00, and the sit down meal following at 6:30. The meal will consist of an entrée choice of baked ham steak topped with a pineapple glaze or broiled cod with a herbed butter sauce, plus a garden green salad with assorted dressings, an Idaho baked potato with butter and/or sour cream, California blend veggies, and iced carrot sheet cake for dessert. Your entertainment for the evening will be Bluffton vocalist, Susie Wood. Your reservations with entrée choice and \$20 each, must be submitted by November 8<sup>th</sup> to: VP Lion Don Smith, 4097 Woodfield Run, New Haven, 46774. We are looking forward to you joining us November 15th for this night of celebration. Dress for the evening is business casual.

## **FIRST VICE DISTRICT GOVERNOR**

By: FVDG Terry Marker.

Boy how time flies. We are through one third of the year already and the holiday season is coming quickly. Schedules may already be busy and they will get even busier.

As a district and as a club it should be time to ask ourselves how we are coming on the goals that have been set. District Governor Sandy has set goals for the district and I'm sure she is sharing those with you as she travels around the district.

There are two I am concerned about. The first is membership. Our district is way below where they should be in membership. It means that each club should have a membership team made up of those who are successful in getting new members and sharing with others how they can go about getting new members. Set a goal for the year and then have check points throughout the year as to how you are doing. Lets working on getting our membership above that 1250 mark. We have done it before and we can do it again. It may mean we have to change some of our thinking, but nothing ever remains the same in this world.

The other thing I want to talk to you about is LCIF. First of all congratulations to our district in the job they did for the campaign. We and the world wide organization exceeded the goal. So thank you.

Now, how do we keep up with the grants, disaster relief efforts and all the projects we support. The goal that is set on our membership for 2022-2023 is \$22,140.00. That is a lot of money but if each member would be willing to donate \$26.00 each for the year. That is just over \$2.66 per member per month. So if you want to figure up what it would mean for your club and have a fund raiser. Or use it as a way of working towards your Melvin Jones Fellowship.

The need is there and seems to be growing, let's show the world we really do want to serve.

## CELEBRATING 100 YEARS

By: DG Sandy Zeigler

The Anderson Lions Club 100th Anniversary evening started with fabulous, yummy appetizers, followed by the most delicious hot meal.

Our evening speaker was really why we were there. Kentucky Lion Judge Shea Nickell warmed our hearts again as he spoke.

Then he surprised us as he called up my husband, PCC Jerry. At Jerry's District Convention, Shea had awarded PCC Jerry the "Duke of Paducah Award." At the 100th Convention of the Anderson Lions Club, others were going to also be honored with a "Duke" or "Dutchess" award.

PCC Jerry was obviously touched by the kind sentiments that he received from PDG Kathy Lozier and PID Shea.

DG Eric Schuman had some kind words that he shared.

## MAYFIELD IS STILL RECOVERING

By: DG Sandy Zeigler

On October 22, husband, Lion PCC Jerry Zeigler, and I took our pick-up truck and trailer full of medical equipment down to Paducah, Kentucky. This was Lion PCC Jerry's fourth trip down, and my third trip.

Lion Elder Pastor Ron Lytle, president of the McMillen Park Lions Club, found out that the American Legion in Waynedale, Indiana, had all kinds of medical equipment, that they wanted to donate to Mayfield, Kentucky.

As you probably recall, Mayfield had been hit last December by a really nasty tornado. That tornado had been down for over 100 miles in a trail of destruction. The tornado had taken 77 lives. The hardest hit area was the small town of Mayfield, Kentucky.

Last January at the Indiana Lions Mid-Winter Conference, Lions from all over Indiana had rallied together to donate socks, shoes, coats, and all kinds of clothes in an statewide effort called "Sock It to Them." Their next problem was that they needed volunteers with pick-up trucks or vans that could transport these volunteered items to Mayfield.

At this same time, I had my own problem going on. I had opted not to go to the Lions Mid-Winter Conference, because I was working with our insurance company trying to get them to approve more MRIs that our doctor needed to determine why I was having new, additional shoulder pain. I was also talking with them to extend their coverage to include new stronger pain patches. Without the insurance's coverage, the cost would be over \$300 for ten patches.

My pain management doctor had prescribed these stronger pain patches that he thought would more effectively deal with my intense pain. At that time, without additional MRIs, it was anyone's guess as to what was causing my new pain.

I insisted that my husband, Lion PCC Jerry, go to the Mid-Winter Conference in Indianapolis. After attending the conference, a few of the Lions were going to take the conference's collected socks, gloves, hats, and coats down to Mayfield, Kentucky. Since Lion PCC Jerry was already in Indy, it made sense for him to go down to Kentucky. This was Lion PCC Jerry's first trip down, and the only one that Lion PCC Jerry took without me.

On [October 22](#), the three guys vowed that they would get it all unloaded as they joined forces of 3 working together with 1 common goal.

Continued on next page

## MAYFIELD IS STILL RECOVERING

Kentucky Lion PID Judge Shea and his cousin Nick worked together and removed the donated walkers, some with and some without wheels. While Indiana Lion PCC Jerry and I worked on unloading something else.

Lion PCC Jerry and Lion PID Shea checked out the electric wheelchair that Lion PCC Jerry had unwrapped and moved to the back edge of the truck.

Here the guys were with the unloaded bags of clothes donated by residents of Bluffton, Indiana, and the manual wheelchairs donated by the Waynedale, Indiana, American Legion.

Together Lion PID Kentucky Judge Shea Nickell with his cousin Nick checked out an unloaded manual wheelchair.

Lion PID Judge Shea's foot was needing a rest. He was still wearing a surgical support boot on his foot from a recent foot surgery.

Continued on next page

## MAYFIELD IS STILL RECOVERING

Nick, a cousin of Kentucky's Lion PID Judge Shea Nickell, carried a bag full of clothes. Lion PID Shea smiled at me, as I snapped another photo of PID Lion Shea and Nick hard at work.

The guys looked at the last wheelchair that still remained and needed to be removed from our pick-up truck. Being an electric wheelchair, it was extra heavy.

Lion PCC Jerry offered some suggestions to the other two guys.

Lion PID Judge Shea and Lion PCC Jerry, with the cap on, tried to decide the best way to remove the heavy electric wheelchair still on the pick-up truck. That wheelchair had been donated by the church where the Angola Lions Club meet.

From left to right: Lion PCC Jerry Zeigler, Lion PID Judge Shea Nickell, and Shea's Cousin Nick, looked out across their [Saturday](#) afternoon's accomplishment of the unloaded medical supplies that had been loaded on the trailer and the pick-up. For now, everything would be stored in Lion PID Judge Shea's storage building in Paducah, Kentucky, until they were ready for it in Mayfield.

As the saying goes, "When there's a need, there's a Lion." Well, here we are 3 Lions joined together to help the people of Mayfield, Kentucky. From the left: Lion PID Judge Shea Nickell, Lion DG Sandy Zeigler, and Lion PCC Jerry Zeigler.

## NOVEMBER REFLECTIONS

By: DG Sandy Zeigler

I must admit that I love this time of the year. I love autumn. My husband, PCC Jerry, and I both enjoy the fall colors, as the leaves change from the various shades of the green found in the deciduous trees. When we leave in the late afternoons to go to one of my official evening visits, it is so much fun seeing the autumn hues of the different trees.

November 11th is fast approaching. It is a day set aside to honor American veterans. A simple service project would be to write a note of thanks to someone who has served or is serving in the United States military. Or even easier when you see someone wearing a cap denoting loyalty to one of the military branches, tell that person thank you. That's all it takes is a "thank you."

Thanksgiving Day is another American creation. In 1789, President George Washington proclaimed November 26th to be the first official holiday. It is a day set aside to be thankful, remembering those who have done for us. Thanksgiving Day is a day to celebrate our thankfulness for the thoughtfulness of friends and family. As Lions, we can also use this time to reach out to others. Again, a card or note in the mail does not take that much time, but those little gestures are greatly appreciated.

Have a happy, healthy, safe November reflecting on the past, and all the while, reaching out to the future, just like those two lions on our Lions pins.

May God Continue to Bless You,
