DISTRICT GOVERNOR COLUMN

Greetings from DG Terry Marker.

By the time you receive this Halloween will be over and we will be on our way to Thanksgiving and then the Holiday season. Which will have everyone very busy.

But to be honest, the Lions are busy anyway. Many in our District have stayed busy screening school kid's eyes all over the district. They are a very dedicated group of people who are making a difference in the lives of children and their families and helping teachers educate those children. The great thing is there is always room for more screeners. It is not hard, and you can be trained very quickly. We screen schools in every county of our district. So clubs ask yourself why you aren't doing this?

While at the Council Meeting on Oct. 7 the Special Olympics' Committee shared another opportunity. When they came to the Council Meeting maybe eight years ago they had asked for \$10,000 dollars from the Multiple District to help put on a winter Olympics Winter games for Indiana and surrounding States. We have met the goal for a few years and made a difference in some very special kids. They are now asking us to split our goal of \$10,000 between the Winter Special Olympics and a new category that we are very familiar with. That is Corn Hole Special Olympics. From the information that was passed around there are three teams in our area. One in Allen County, one in Dekalb County, and one in Noble County and I can envision it growing to our other counties. Since there are not facilities for clients in some counties they maybe attend corn hole events in the counties that are currently hosting corn hole tournament.

Continued on page 2

Stop and ask yourself how we can help make a difference. There were many ways mentioned at the meeting from building the boards to working at a local event and yes fund raising to support Special Olympics. We all know a family who has one of these special needs individuals. We may even have some in our family. Let's help them live life to the fullest.

Many clubs are adding new members and I thank them for their hard work to do this. Keep up your efforts. Many have not and I encourage you to get out there and ask someone. Now might be the right time for them to hear the call to serve their community.

Make sure your club is letting your community know what your club is doing that is helping your community or a child's life who you helped get a pair of glasses.

That is not the only way you help others. You give to LCIF each year to make a difference not just in the world but right here at home, MD 25 B has received over \$581,000 dollars in grant money to make a difference in our communities. So please every member consider making a contribution to LCIF, and each club continue your contribution because the need grows bigger every year.

While speaking of LCIF I notice that there are 28 clubs that have enough in their LCIF account to award a Melvin Jones Fellowship. There are a number of them that could award multiple Melvin Jones Fellowships. I encourage you to pick a deserving individual and honor them with one of these Fellowship.

Information will become available soon about the Indiana Lions Speech and Hearing Holiday dinner on December 3, at the Indiana School for the Deaf. I would encourage you to consider going to this and experience the joy of giving out over \$50,000 in scholarships and grants to help students and faculty that are working to make our live better. You might even get to meet Dr. Miyamoto. The Doctor whose name the Miyamoto Fellowship is named after. He helped to develop the Cochlear implant. A device that is changing

hearing impaired peoples lives.

May you all have a very happy thanksgiving and a prosperous season of selling holiday fruit.

PS: If your club has not book my visit to your club please do so immediately.

Your servant,

DG Terry L. Marker

FROM THE DESK OF 1ST VDG

Submitted by 1st Vice District Governor Jim Bush

So, I'm e-mailing, texting, and talking to this guy all day, and finally, at about 9:00 pm he texts "call me". I call him and he says "I think there's a window that will work in the morning", we'll meet at 7:00 am and go. I realize that it's getting late and it's a bit of a drive to get there, so I say "good night, I'll see you in the morning". I'm totally excited, and can hardly sleep after all the communication through the day and the anticipation for the following morning.

Morning comes, and Peggy and I get up and ready and hit the door running. We jump the car and drive to the rendezvous point, grab our rain gear, cooler and rush to the dock. There's not a lot of activity at the marina, so we quickly identify our charter Captain, exchange pleasantries, and then I tell him "I hate fishing". You should have seen the puzzled look on his face, without a word, he was saying to me "then why on earth would you charter a fishing trip"? My next words were, "we want to catch fish". He chuckled, and we communicated what our ideal fishing day might look like and he said he thought he could put that together for us. Our Captain determined what we were looking for, put us on the fish, gave us the right rig to catch the fish, and showed us how to set the hook and land the fish in the boat.

Where am I going with this story? October (which is nearly over as I write this) is Leo and Lion Membership month, and we're fishing for new members. How's your fishing trip going? Have you had some success? failure? Do you know if anyone has added members to their basket? How did they do it? What's working, and can that work for your club? We all face challenges, and LCI has a lot of suggestions of ways to plan and execute your growth strategy. In the meantime, maybe just follow the words of Roanoke Club President Jon Perkins "people join because of their relationships". He's not wrong, all we need to do is ask a friend. If you've asked your friends and they didn't give you an "absolutely not ever" ask them again, maybe the timing is better now than the last time you asked.

Have you got a membership chair in your club? We all need to grow for a lot of reasons, but many hands make light work. Does your club have a plan for recruiting new members? If not there are a lot of great tools from LCI to help you put one together. I'll put a couple links below.

So now you have someone interested, what's next? I know, swear them in and have them sit through some meetings, that'll get them excited! NO! Invite them to a service project or fund raiser and put them to work. It won't take long for them to experience the joy and reward of serving their community. Point is, we not only need to find new members, but set the hook and get them all the way into the boat.

I really meant to have some fun with this article and I think I've probably said too much already. LCI has a lot of tools, I'll paste a link below, use it as you see fit. Most of all, if you're doing something that works, keep doing that! I don't have all the answers and if there was a magic formula we could apply to guarantee a new member, we'd all be following it. Thank you for inviting people to become Lions, and sharing your stories, and fellowship, without that, none of us would be Lions. So go out and have some fun! Lions, great people doing great things and having FUN!

ISP/LIONS LAW CAMP

The 2023 Law Camps were very successful. Lions were able to give each camper a “welcome” bag as they registered. And they received a Lions/ISP hat from the Lions. These campers are students entering the 6 th, 7 th and 8 th grade. In their 4-day camp they look at law enforcement through field trips, exciting demonstrations and motivating programs. There are physical activities that take place during their stay along with hands on programs.

Lions help with a couple of meals during the camp and an Ice Cream Social is very special to the kids. We also provide water and snacks for the kids.

We won't know the dates of the 2024 camps until late January. We would be excited if Clubs would be willing to provide a meal, ice cream social, snacks and water to either the Columbus or the Anderson Camps.

The welcome bags contain such things as hotel size soap, shampoo, lotion, pencil, pen, small note pad, toothbrush, toothpaste, deodorant, and anything else you can get someone to donate. Our supply of items for the bags is depleted so we are in need of your help for the coming year.

The Anderson Director likes us to supply Squirt guns, but we don't put them in the welcome bags. They are saved and they have a special evening when the kids get to have a water game: campers vs. troopers.

It's nice to have a Leader dog visit and we try to do eye screenings.

We do provide help with scholarships for families that need assistance.

LCIF FOUNDATION

Hello Lions of District 25B,

To start, I'd like to say thank you for supporting OUR Foundation LCIF. As of the end of September we are a little over 11% of yearly goal, and our district raised contributed more money to LCIF than all other districts in MD25. Way to Go!

Thank you, thank you, thank you.

There is a lot happening in the world today, natural disasters continue to occur, we are watching the situation in Israel develop, and we are entering a time of year where disasters hit hardest. Remember, LCIF is there, and needs our ongoing support. Please keep this in mind as you continue your generous giving. This month is the month our my favorite holiday, Thanksgiving. Not because there's any big family memory associated or anything like that, only because it is a time to gather with friends and loved ones and reflect on all the things I have to be thankful for. At the moment, my needs are few, unfortunately not everyone can say that. With that in mind, ask yourself and your club how you can do a little extra between now and the end of the year. Whether it's adopting families for the holidays, raising some money for the Salvation Army, giving away free hot dogs, or donating a little spare change to LCIF, there is SOMETHING that you can do that very well may change a person's life.

Not necessarily LCIF related, but there's a simple service project you or your club can do. The Red Cross is saying there is a critical blood shortage at the moment. The truth is, there's always a critical blood shortage. It was only a matter of time until I asked for blood in addition to your LCIF donation. This is the time. I'd ask that if you are eligible and able, please consider a blood donation, you could literally save a life. It's easy, quick and truly needed. Not able to donate? I'm sure the Red Cross would love it if you could host a local blood drive. You may even be able to collaborate with organizations in your community to arrange a facility if yours isn't large enough. Either way, please help if you are able.

There is a lot to tell about LCIF, and a lot of effort has gone into communications, Links can be found

below to the latest newsletters. Also, when you get a chance, the Hoosier Lion has an interesting article about the grant for a new building awarded to the Martinsville club for their application. In the newsletter, there is information about the International President's LCIF giving award pins. There are 3 levels, \$50.00 bronze, \$100.00 silver, and \$200.00 gold. As I understand it, these are awarded for 1 time gifts exceeding those levels and are not cumulative. More to come on the pins as I get details.

News from our LCIF Chairperson IPP Brian Sheahan can be found at:

There is also an opportunity coming up in District 11D on June 1, 2024. IPP Brian Sheehan and his wife Lori will be attending an LCIF fundraising event and present Progressive Melvin Jones Fellowship Awards to those attending. Detailed information can be found at this link.

<https://www.lionsclubs.org/en/discover-our-foundation/mission>

Finally I'd like to quickly talk about Legacy giving. LCIF does recognition for several planned giving options. These donations can be now, or designated from part of your estate. If you'd like to consider making a legacy donation to LCIF, please let your club LCIF chairperson know and we can provide more details. This is a great way to make an impact that will be remembered into the future. More information on planned giving options can be found at:

<https://lcif.myplannedgift.org>

In conclusion, on behalf of LCIF, I'd like to thank you for all you are doing to support OUR Foundation! Lives around the world are being changed every day with your support. Please continue to support LCIF and share the story of what Lions are doing around the world.

We Serve,
Jim

PLEASANT LAKE LIONS CLUB

The Pleasant Lake Lions Club welcomes new members. From left: Bill Lindich, Tawnie Cisneros and Carolyn Powers. This marks the first time in the 93 year history of the club that there have been women members.

COMING SOON: INDIANA LIONS MID-WINTER CONFERENCE

The 35th annual Indiana Lions Mid-Winter Conference will be held on Saturday, January 20, 2024 at the Crowne Plaza Indianapolis Airport Hotel.

Some Indiana Lions say the Mid-Winter Conference is “the best place for learning” about leadership, service, and all aspects of Lionism. We offer seminars on club administration, community service, fundraising, and membership recruitment and retention, as well as opportunities for service, fellowship with Lions from around the state, and plain old everyday Lions fun.

The Early Bird registration fee – until November 30th - is only \$40 - \$5 less than last year - and includes informative seminars, on-site service projects, coffee and pastries in the morning, lunch at noon with a motivational speaker, and fellowship with other Lions.

The keynote speaker at the Saturday luncheon had not yet been announced when this article was written.

The conference will be preceded by a dinner on Friday evening. There is a separate fee of \$30 for this event. The after-dinner entertainment will be provided by magician Daniel Lusk. He has performed across the United States, overseas, for celebrities, national sports teams, and on national T.V. His magic has not only been seen by millions but Daniel also lectures at conventions for other magicians teaching his trade. Conference attendees will be offered the opportunity to participate in two on-site service projects. After dinner on Friday evening, attendees will have the opportunity to participate in the Care-ing Cases project, using clean recycled hard eyeglass cases to assemble first aid kits and toiletry kits. Conference attendees are also encouraged to donate new socks, gloves, mittens, scarves, knit hats, and blankets to the Sock It To Me project. Collection boxes for these items will be available on Friday and Saturday. Our District Governors will share all items created/collected by these projects with those in need in their districts.

For more information about the conference and a registration form, visit the Indiana Lions website at indianalions.org and click on the link labelled “Printable Forms”. The list of available forms includes a registration form with seminar descriptions and hotel information.

We hope to see you at the 2024 Indiana Lions Mid-Winter Conference.
