

Find Strength to Continue

The last two years have forced us all to rediscover what is meaningful and important. For many the meaning of Christmas has become clearer as we deal with limitations both legal and health related on how we celebrate.

Many Lions are going through the Holidays with a heavy heart. Family and friends have died, are very ill, or unable to gather with us. COVID still puts a damper on many gatherings that helped support us this time of year.

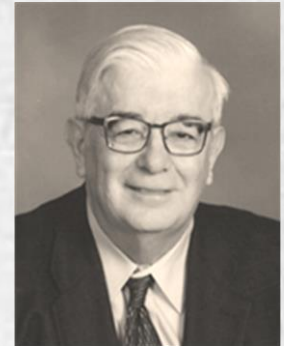

December has the longest night of the year. But then the light begins to grow. For Christians this is remembering what happened in Bethlehem. Our prayers go out to all as they walk through the darkness that they may again be bathed in the Light.

Our Lions Clubs have been going through the darkness as well. Mourning the loss of members and friends, but also limitations on how we can fundraise and serve. Some clubs have reduced their meetings or gone to Zoom meetings. The fellowship in serving together has been strained. Clubs have found what is important to the community, club, and its members. Having to deal with these changes has led many clubs to new kinds of services to meet the needs that they see.

Our Lions Clubs can make New Year Resolutions to help refocus on what is important to us and to those we serve.

I pray that you enjoy the Holy Holidays and find strength to continue in these trying times.

Season's Greetings Fellow Lions!

1st VDG Bob Hrdy
and Lion Vicki

First, my wife Vicky and I along with the rest of our family would like to wish you all a very Merry Christmas and Happy Holiday Season!

As we move past Thanksgiving and into the season of giving with all the hustle and bustle it brings, I would encourage you to take time, slow down and think about the positive things that are in your lives instead of the negative.

As Lions, I know We Serve/Give all year long, as that is who we are. But I would ask you to, if possible, serve/ give a little more during this season to your fellow citizens and community.

Simple gestures can bring joy to others. A smile or kind word for the harried cashier; a gift of your time for a lonely friend or neighbor; an offer to babysit for the busy parents who can't get shopping/wrapping done; a pair of gloves or a bag of pet food in a collection box or ringing a bell for a collection kettle.

It does not take a lot of time, money, or energy to brighten someone's day.

Here's hoping all the positive things in your life are multiplied and the New Year finds you healthy and happy!

Hope to see you at Mid-Winter Conference January 22, 2022 (so get that reservation in!)

Yours in Lionism,

VDG Bob and Lion Vicky, Lion LD Finn & Team Hrdy

Merry Christmas!!!

HO, HO, HO! Merry Christmas to everyone!!! Hope everyone had a nice Thanksgiving.

The year is almost over, and what a year it's been. Our club has grown to 20 members. We're looking forward to see what the upcoming year will bring. We tried a new fundraiser this year which had good results. We are expanding our service project which is called "Pen Pals" for the local assistance living in our area. Trying different ideas is always a good way of getting outside the box. Fresh ideas are not a bad thing; they make you look at what you have been doing and improve the weak areas into a stronger idea.

I hope everyone had a nice Thanksgiving and didn't eat too much. (But I did....lol)

Getting ready for Christmas with family and friends. Don't forget those fur babies too.

Merry Christmas,

Serving with a Smile,

Patti Foxx

Lions Clubs International

The coronavirus (COVID-19) pandemic continues to impact the work of Lions and communities around the world, creating challenges for our clubs and the people we care for. Throughout this global crisis, Lions have continued to safely serve because the needs have been so great.

To help ensure that clubs are able to meet the growing needs in our communities, the International Board of Directors passed another resolution to make it easier to invite new members to serve with us.

Here is an overview of the new resolution approved by the Board of Directors:

- **Charter and entrance fees waiver** – We have waived all charter and entrance fees from January 1 through June 30, 2022. Charter and entrance fees are also currently waived through December 31, 2021.

Please note that clubs should pay any outstanding balances right away to stay in good standing and avoid being placed on financial suspension on November 15.

We know that every member matters, to our clubs, to our communities and to the lives we touch as Lions. For more than a century, Lions have taken on the greatest challenges facing humanity, and together, we will overcome this.

Thank you for sharing the joy of being a Lion, and for your outstanding service and commitment to our communities and the world.

Yours in Service,

Douglas X. Alexander
International President

Zionsville Lions gave away 2 1/2 pickups full of pumpkins at their Pumpkins and Hayrides. They raised at least 1,000 pie pumpkins at Watch Us Farm this year. What to do with the leftovers? Here Mike Zeller is unloading pumpkins into Watch Us Farm's barn, to feed the pigs. Tom & Gail Robbins and Alex Agarwal also helped with unloading the truck. Janice Agarwal educated us regarding the seeds in the pumpkins. The seeds are fed to the chickens as a natural dewormer. Who knew? (Pic by Lion Gail Robbins)

Free vision screenings were provided by the Plainfield Lions Club at several preschools throughout Hendricks County. The Lions screened 309 children at 8 preschools in Plainfield, Clayton, Avon and Danville. 21 children received a recommendation for further evaluation performed by a professional eye examiner, such as an optometrist or an ophthalmologist. Each participating child also received the opportunity to choose their own free, age-appropriate book to keep and read. Christmas is just around the corner and visions of a Gingerbread House and yummy gingerbread cookies are nearly ready to go into our 50+ Head Start children's classrooms. Lion Marvel, who is the official gingerbread baking 'marvel' of our Frankfort club is constructing this house with all the candy decorations to carry into each classroom. Children, ages 3-6, will hear Lions Peggy and Pam read the *Christmas Mouse* adventure of a little mouse finding warmth and love within a gingerbread house. Each child will be able to see the actual Gingerbread house, hear the story, and take the book home all the while crunching on a sweet frosted gingerbread cookie of their own. Through our RAP program this year we will have over 32 reading sessions and distribute over 300 books to our Head Start children. And at the end of each reading program, we all come away with smiles. Merry Christmas! (Submitted by Lion Mike Nichols)

The Zionsville Lions Club was pleased to present a check for \$10,900 to the Zionsville Food Pantry's campaign "Raise the Roof". The Food Pantry has been in operation for over 30 years out of two class rooms including the hallway at the Presbyterian Church. The pantry has outgrown its current space, and they are planning on breaking ground in 2022 to build a 5400 square foot building on the church property. The Zionsville Lions Club check will fund their needs for the purchase of a pallet jack and pallets for their new building. The Lafayette Lions recently screened children at Hershey Elementary School. The following are some of the thank-you cards received from the students. This is what it's all about - helping children see and also teaching them about helping others in their community. One student said "I didn't know what you guys did til we made out these cards. Your club does amazing things. Without your club, bad things would be bad. But everything is good because of your club. So thank you for everything" On the inside of the card he states "ps don't eat the banana. I looked at it and it's fake!" LOL (Provided by PDG Pat Short)
