

## Lions Helping Others Serve

My motto is "Helping Lions Serve." The idea was that we strengthened each club and its members to be engaged, productive, and feel that each is making a difference.

When we set up our newsletter format, PCC Ross Drapalik suggested that we use "Helping Others Serve." That was a good idea, and we are using it at the bottom of each page of the newsletter. The idea is that we help each other serve.

This month, I want to take it one step further. "Lions Helping Others Serve." This is acknowledging that so many Lions Clubs are the driving force for various community service projects.

Often a Lions Club will hold planning meetings, staff committees, maintain and store equipment and supplies that help the local community volunteers serve alongside of the Lions. Lions develop a network of supporters.

How many town festivals are led by Lions? Several towns have Lions' meeting rooms, parks, etc. These all have many non-Lion volunteers who help. The Lions Club gives the structure. I hope each Lion will recognize and thank all our non-Lion partners.

On another subject, COVID has again changed how we can do things. I missed the Mid-Winter Conference and our Council of Governors' meeting due to COVID. We are doing well at home, but I am still symptomatic.

We will work on contingent plans for our district convention if needed. Our convention site has robust Wi-Fi. I would like someone to help run a Zoom broadcast. Please step up and help.

DG Jim

## Happy February, Lions of 25C!

1<sup>st</sup> VDG Bob Hrdy, Lion  
Vicki, and Leaderdog Finn

First, I hope you all are staying toasty warm in these winter months.

Wishing DG Jim and his wife Carolyn are feeling better. We missed them at Mid-Winter Conference.

If you weren't able to attend, it was an opportunity to learn new information from a variety of state and international speakers. Lion Vicki and I enjoyed meeting new friends and seeing old friends from around the state. I encourage you all to put this on your calendar for next year!

February is the beginning of district and state convention 'season'. I encourage all of you, if possible, to register for our District C Convention Saturday, February 26th to be held in Lafayette. If you are able, you might check out other district conventions to see what is happening in other areas of the state. Unfortunately, Lion Vicki & I will have to attend our District C Convention via Zoom – as we will be in New Hampshire awaiting the arrival of our 3rd grandchild – the first Grandson.

Time flies by and before you know it the State Convention in Indy will be here- April 29-May 1. I hope to see you there – be sure to ask to see pictures of our latest addition – I may have a few (if not then I'm sure Grandma will have plenty 😊)

Now for a commercial interruption – If you want to learn more about Lion Leadership, check out the Lions International website, on the Lions Learning page there are many topics and opportunities to learn what Lion Leadership is all about.

From my family to yours,

**Happy Valentine's Day**

VDG Bob

### A Further Word from 1<sup>st</sup> VDG Bob

One of the best ways to get to know about lions and their programs at the club, district, state and international levels is to get involved in one of the twenty-three (23) state committees as a District C representative. Now more than ever we need good, interested and enthusiastic Lions to fill these positions. For all the years that I have been involved, most of these positions have been filled with “warm bodies”. If you are the kind of person that has some “move forward” ideas and a passion to see them through, then consider stepping up for one of the positions listed below: If done right, these committees should meet no more than once or twice a year.

- Audit
- Budget & Finance
- Constitution & By-laws
- Credentials
- Diabetes
- Emergency Preparedness
- Environmental
- Eyeglass Recycling
- Information & Technology
- Law Camp
- Liberty Day
- Nomination & Elections
- Parliamentary
- Protocol
- Public Relations
- Reading Action Program
- Rules & Resolutions
- Sergeant-at-Arms
- Special Olympics
- Vision Services
- Vision Screening KidSight

These are strictly volunteer and are obtained by appointment by the incoming DG. There is usually no contest for these positions.

The process:

You need to indicate an interest. A short telephone call will fill you in on what the committee does (or is supposed to do). If you would like to move forward on one of the positions, then the incoming District Governor will be notified and he will make the appointment. Once he is in office you will officially become a member of the committee at midnight June 30<sup>th</sup>. How often and where you will meet is up to the chair of each committee who is chosen at the Pre-Council meeting in June before the new DGs take office. These positions are up for “grabs” every year.

In addition to the above, there are six state projects where there is a representative from District C elected every year for a three-year term.

**PS: the incoming Governor will probably start “looking” for people  
in early February! Step up now.**

Gigi Giralte came to every Zionsville Lions meeting 2 times a month for years, with her mother Lion Louanne Giralte. When old enough she joined the Zionsville Alpha Leo Club and became its president. At 18 she joined the ZLC, Leo to Lion. After her high school graduation she was off to Tucson, attending University of Arizona and majoring in Atmospheric Sciences and Hydrology, minoring in French. January 2, 2022 Gigi flew to Nice, France, where she will be living (south of France in Antibes) for the next 5 months while studying abroad. Through email she was introduced to our own PID Nick Xinopoulos and Lion Gretchen, in hopes they could help her meet some fellow Lions while she's there. Gigi is a great volunteer and has true Leadership skills. We wish her a wonderful time in France. (Contributed by Lion Gail Robbins)

Our Indiana Lions joined in with the Lions of Kentucky and a group from Pennsylvania to unload 2 semi-trucks full of needed supplies from Pennsylvania.

International President Douglas Alexander came down to join them in unloading the semis.
