

## What is a Club?

There is a lot of talk about what it means to be a Lion. This month I want to talk about what it means to be a club. I hope that every club is a group of friendly Lions who do great service.

We come together to do great service. By working beside each other we become friends who care and look out for each other. Without that friendliness it is almost impossible to get great service done. It is friendship that helps me work on your favorite project and for you to work on my favorite project. A healthy club is the foundation of Lionism.

It is the friendships that the club member has outside the club that helps their club find needs and to find volunteers to help with the club’s projects to meet those needs. Without this openness with others, a club will turn inward and eventually die off.

Friendship within the club helps all members serve. It means helping out with club activities, and yes even club duties. Will you consider helping your Lion friends in your club by taking an office or a task that the club needs?

## “Team C” is Ready on the Pit Wall

1<sup>st</sup> VDG Bob Hrdy  
and Lion Vicki

Hopefully you were able to make it to this year’s state convention.

I know I was glad to be able to see 😊 everyone in person and share ideas. The last two years we have found ways to keep in touch with Zoom meetings, but that’s not as energizing as in person.

In the spirit of May in Indiana, here’s hoping we can accelerate into turn 1 – the beginning of the new Lions year!

Hopefully all the Clubs are electing officers as we move into the season of new officer training -times and dates will be forth coming. We are hoping to have 3 training sessions – 1 in the north end; middle and south ends of the district.

Even if you are not new to your office, I encourage you to attend. It is a great opportunity to meet Lions from other clubs, you never know what you might learn from someone else.

The District Leadership Team – or as I like to call us “Team C”, is like any Champion Pit Crew, standing at The Pit Wall, ready to jump into action, get us back on the Track and into The Lead.

Like a good race team, we are ready to provide our cars (your clubs) with all the tools and knowledge needed for success.

I am looking forward to attending the International Lions Convention in Montreal and sharing my experiences with you as I travel to your clubs next year.

## It's May

It's May which means spring flowers and My Birthday Month!!! Lol. I figured I get to celebrate the whole month at my age. May means Mother's Day, Memorial Day and then my birthday (May 31st).

My time is almost over being your 2VDG and soon to be 1VDG. I have enjoyed my time and can't wait to see what the next year will bring. I'll be working on my committees so let me know if you still want to be on the same committee or not. Yes, I am one of those that plan ahead of the schedule.

Hopefully we all survived the State Convention weekend. Remember to get your slate of officers for 2022-2023 to LCI on the PU101 so DGE Bob Hrды can access to get his District Directory done in a timely fashion.

Serving with a Smile,

Patti Foxx

## Campaign 100 Update

LCIF Campaign 100 is speeding ahead to a STRONG FINISH! I wasn't able to send out the weekly update last week because I was attending the MD25 State Convention, but it was thrilling to learn we were within \$10 million of our goal.

However, it is even more thrilling to see, that as of today, May 6, 2022, we are within \$6.3 million of the \$300 Million Goal!

TODAY'S TOTAL IS: \$293,613,936

Keep on doing just what you are doing! Many Clubs have contacted us about becoming Model Clubs and Legacy Gifts are really catching on.

If you have any questions, please let us know!

Thank you one and all,

PID Linda Tincher

LCIF Vice Area Chair, IL, IN, KY & MI

## **Campaign 100 – District 25C**

District C has raised \$157,961.69 and has three Model Clubs. However only slightly more than 50% of our clubs have made a donation to Lions Clubs International Campaign 100 this Lion's year. For several years we were 100% clubs, meaning that all 54 clubs in District made a donation to LCIF. We would certainly like to obtain this goal in the next two months.

If your club has not made a donation this year, please consider making one. We know that COVID-19 had an impact on club fundraising, but if each of your members just ponied up a few dollars to insure our district is a 100% club, that would be wonderful.

Club members can also make an individual donation either by mail or online at [www.lionsclubs.org](http://www.lionsclubs.org) and clicking on the "donate" button. You can also click in "LCIF" and see some of the work your dollars are doing. There is a button that takes you to the UKRAINE Disaster fund. These donations are also MJF credit eligible. Let's reach that 100% goal again this Lions year.

Karen McKellar, District C, LCIF Coordinator.

*P.S. Many District C Clubs are carrying unused credits for Melvin Jones Fellowship recognitions. Now is a good time to recognize a member or a community member. Contact me at [kadica@tds.net](mailto:kadica@tds.net) for specific information about your club's credits.*

**There is still time to register for the biggest event of the Lion year—the 104th Lions Clubs International Convention in Montreal.** Canada, our host nation, has opened its borders and is ready to keep visitors safe while enjoying the beauty of this historic city.

I am looking forward to visiting the many beautiful churches—including Notre-Dame Basilica, touring Montmorency Falls—they are higher than the Niagara Falls, and tasting the wonderful food.

So go to <https://lcicon.lionsclubs.org/> to **Register** and find out more information about **Entry Requirements** and other travel information.

There will be sessions with great opportunities to learn more about Lions — ideas to take home to your clubs and communities. There will also be multiple service events to do what we do best—Serve. Then there will be the International Show with Smokey Robinson and my favorite — the Parade of Nations.

Make sure to purchase your new **BLUE** Indiana Lions parade shirt if you plan to attend.

Will be sending out more information as it becomes available concerning the Indiana Lions Dinner and the Midwest Breakfast.

See you in Montreal!

Hello Lion Presidents, Secretaries and Peace Poster Chairpersons,

It's PDG Tom Robbins here and it's been some time since I have written to many of you, but as your Past District Governor, I've added a new project to my list.

I am the 2022-2023 International Peace Poster Contest coordinator for District C. I'd like to make sure that every club, every school and every child who qualifies, has the opportunity to enter this art class-based contest. Many Lions Clubs in our district have entered from time to time but I'd like to renew the effort with Covid 19 somewhat behind us and not affecting school classes so greatly.

So, here's the drill. Most club Secretaries know who is in charge of what in their club and you know how to order supplies from the Club Supplies Sales Department in Oakbrook.

I've attached the most important pages of the Peace Poster Contest and the "RULES" are included in every kit that you order.

If your club doesn't have a Peace Poster Contest leader, please consider recruiting someone. I'd sure like to see many entries from District C this year and I know District Governor Elect Bob Hrdy would be delighted.

All of the specific information regarding this contest is available by going to Lion Clubs International web site and entering Peace Poster Rules or click the link below:

<https://www.lionsclubs.org/en/start-our-approach/youth/peace-poster#contest>

The kits are on sale now at LCI Supply Store and art class teachers like to have this material for day one of the next school year, so I'm suggesting that you order now, beat the rush and have supplies when school begins after summer break. Please make contact with your school(s) and see if the art department teacher will support this effort. Let's put the Peace Poster Contest back on the map for District C.

Don't hesitate to reach out to me if there are questions.

Yours in Service,

PDG Tom Robbins

Lafayette Lions combined a project with fun. A large bag of donated pill bottles was displayed. For \$1, each member got to guess how many pill bottles in the bag with winner to receive the pot. If your club collects pill bottles for recycling, please hand them off to members of the Cyber Club or Lafayette Lions when you see them next. And have some fun! (Pic by PDG Pat Short)

Spencer Lions Club may have the only evergreen that stays up all year. (Some may say it's due to laziness but finding a place to store it and sweeping up artificial needles putting it up and taking it down have determined that it's just easier to leave it up and decorate it to celebrate the month!) April saw the tree decked out in sparkling Easter eggs, spring flowers, twinkling lights and a snappy bonnet! Spencer Lions also helped sponsor the 4-H Fishing Club's Annual Easter Egg Hunt. Lafayette Lion Larry Fisher (Delphi deckhand) shared knowledge with the club about canals around the world. Did you know there is a canal in Delphi, Indiana? Normally this picture would be cropped to zoom in on the people in the pic, but we wanted to show the sizes of the rocks being moved! The Oxford Lions Club had their annual TRASH BASH on April 9th where they picked up trash along the Dan Patch Hwy. (Hwy 352 from Michigan Street in the Town of Oxford to Hwy 52.) The group picked up 37+ bags of trash!! Along with the usual pop cans, adult beverage bottles and cans, fast food containers, etc, some of the unusual items this year were large car parts, a very large piece of blue concrete, a kitchen spoon, a penny, and a bag of dog poo (that was not picked up!) (Pic provided by Lion Gigi Sims)

Oxford Lions Club also cooperated with the Easter Bunny. Larah and Eli Noble are this year's winners of the 2nd Annual Oxford Lions Club Golden Egg Hunt. The \$50 cash prize was claimed by Larah. (Photo sent by Lion Gigi Sims)

Lafayette Lion Anna Wilson was recognized by her retirement community (Westminster Village) at its annual Volunteer Banquet for contributing over 100+ hours of volunteerism. But more importantly Lion Anna received its Prestigious Resident Council "Outside-the-Village" Volunteer Award. Her main "outside-the-village" efforts focused on Lions Vision Screenings were recognized specifically. Anna organizes screenings for the Lafayette-West Lafayette-Tippecanoe County schools, as well as for other area schools. In addition to her Lions efforts, Anna volunteers with the Purdue Women's Club, the National Chemical Society, and serves on several Westminster committees. While some Lions at state convention were attending seminars, doing the Strides Walk, browsing projects or bidding at the Silent Auction, others put together 1001 Caring-Cases and 183 hygiene bags. The Hygiene Bags and Caring -Cases were divided among the 7 District Governors, to be used in their communities. Co-Chairs PDG Kathy Lozier, Lion Gail Robbins & PDG Tom Robbins organized the event. Clinton Lions Club President Bob Spence (left) congratulated Lions Jerry Spurr and Bob Vermillion for 10 years of service, Jeff Williamson for 15 years of service, Charles Rutan for 35 years of service and Shawn Wilson for 15 years of service. Yes, that is your Cabinet Secretary/Newsletter Editor looking a bit apprehensive as she waits next to her son, Council Chair Jim P.M.
