C How We Serve District 25C

From the Desk of DG Bob Hrdy

Happy Springtime to Team C. They say "April showers bring May flowers" I am really really hoping that is true! My wife Lion Vicky saw a Meme about mother nature that sums up Indiana weather – It's like Mother Nature is calling out PowerBall numbers: 38; 45 ; 72; 20

April was a busy month for us personally and as Lions. We spent a week in the Dominican Republic with our entire family for vacation. Returning we hit the road visiting Brazil for a joint visit with Brazil Lions and the Poland Lions Club. Later in the month we visited the Morgantown Lions and the Clay City Lions.

I would like to express my appreciation to all the Lions for the warm reception and hospitality we experienced on my visits. (tho I know it's more about Finn than me 😊)

The last weekend of the month we were honored to travel to Clinton to help the Clinton Lions club celebrate their 80 yrs of service.

As we head into May, I hope to see many of you at the Lions State Convention in Bloomington May 12th-14th. I am excited to hear from President Brian Scheehan our Keynote speaker Saturday 5/13.

Our 4th Cabinet meeting will be during the Caucus time at the Convention.

Hope everyone will come and support DGE Patti Fox and 1VDGE John Waymire as they prepare to embark on their continued journey in Lionism

Reminders:

- enter your new officers in LCI by the 1st week of June as LCI prepares to move to Salesforce a more user-friendly web system
- Secretaries – let's get as close as we can to getting 100% on Membership and Service Reports – I know we can do it!
- Let's continue to invite new members to join our Clubs to make our organization bigger and better!
- Remember that TEAMWORK will drive these goals

It's hard to believe this will be my 11th article, the year has flown by! As we near the end of this Lions year, I want to encourage everyone to continue to serve your communities, grow your membership and don't forget to have some fun!

See you in Bloomington!

Yours in Lionism,
DG Bob Hrdy 25C

Indiana Cyber Lions

Lion Edi Short (yes, PDG Charlie's mother) works hard collecting pill bottles at her retirement home as an environmental project - this keeps them out of landfills. She is a member of the Indiana Cyber Lions Club. The club recycles these pill bottles through Matthew Ministries which sends them to other countries - many in Africa. Oh, another of Lion Edi's service projects is the resurrection of other people's almost dead orchids - these are a few with a new lease on life ready to be returned to their owners. Edi Short - a 93 year-old great Lion!

Poland Community Lions

The Poland Community Lions Club wants to thank the Indiana Lions Foundation for a matching grant for The Poland Community Lions Park, Basketball Court Leveling Project which included leveling of the court and the two 12 foot basketball goals, as well as the addition of an 8 foot goal for younger children. Matching funds were obtained from a community fundraising dinner, at which a signed Damon Bailey basketball was raffled, from contributions of community members and a sizable discount, given by Pro Concrete Levelling, the business that leveled the basketball court.

Spencer Lions

A huge THANK YOU to the Neff family, Jim Query, and the rest of the Spencer Lions Club for their donations for new boys and girls basketball uniforms for next season!

The Lions Club donated \$500.00 and the Neff family matched it for a total of \$1,000.00. We also have another \$1,000.00 pledge and are just \$4,000.00 away from our goal!

The typical "shelf-life" of a uniform is around 4 seasons and our current ones just finished their 4th season at OVMS. OVMS AD Justin Lowry is looking to purchase brand-new, reversible, sublimated jerseys for both boys and girls on the 7th/8th grade teams this fall. The total cost is just over \$6,000.00 for all of them.

The Spencer Lions Club is challenging anyone interested to match their \$500.00 donation in hopes of helping us reach our goal.

It was cold but we had a good turn out on our Annual Easter Egg Hunt at the Prairie Creek Park on April 1. We had about 25 little hunters that hunted for eggs in different age groups, ages 2-11. Here are some happy faces from the Egg Hunt!

Indiana Lions Foundation State Fair Project Needs a Golf Cart

If you have worked for the Indiana Lions Foundation at the Indiana State Fair in recent years, you know that our project team members use golf carts to transport volunteers around the fairgrounds. In recent years, the State Fair provided a 6-passenger cart and a 4-passenger cart. This week, we were notified that the State Fair will be able to provide us with only a 6-passenger golf cart this year. Consequently, we hope to find someone who will donate the use of a 4-passenger golf cart for our use during the Indiana State Fair. If you know an individual or organization that might be willing to donate the use of a 4-passenger golf cart or rent a cart for a nominal fee, please make the initial contact with the potential

donor to confirm they are willing to work with us, then contact Lion Rose Russell (RoseWRussell@gmail.com or 574-250-0125) with the donor's contact information.

We have less than 100 days until Opening Day of the 2023 Indiana State Fair. If you have not already signed up to work, please do so today at <http://IndianaLionsFoundationMD25.org/>.

Zionsville Lions

"If Words Could Talk" is one of the fun activities for preschoolers through fourth graders on June 9th at Zionsville Lions Park.

The second annual Stories in the Park, organized by the Zionsville Lions Club, is Friday morning, June 9th from 10 a.m. to noon. Activities include a puppet show; a visit from Clover, the dog that digs books; storytelling; several crafts; Creek Stomper touch table; Brick Street Poetry activity; an introduction to Braille; performing short plays; and books read aloud. Our goal is to foster a lifelong love of reading." commented Ruth Kelly, chair of the Lions Club's Reading Action Committee: ruthkelly1949@gmail.com

A Message from 1st Vice District Governor Patti Foxx

Are you ready!!! For spring flowers and Lions roaring!! Roaring for the State Convention and year end wrap ups. It's been 11 months of being First Vice District Governor visiting clubs, helping DG Bob and Lion Finn (I'm good with tummy rubs) and Lion Vicky. Hope everyone will be attending the State Convention, it be fun, filled and roaring day!!

I'm still looking for few more lions to filled my District Governor Directory. I am needing Zone Chair 4 which cover the clubs of Eminence, Martinsville Evening, Martinsville Noon, Monrovia, Mooresville, Morgantown, Paragon and Plainfield. I am also looking for Law Camp and Leo Club Committee.

Friendly reminder gets in touch with me with your newly elected Lions officers so we can make the directory as perfect as one can be.

Serving with a Smile,

1VDG Patti Foxx

A Message from 2nd Vice District Governor John Waymire

Hello Fellow Lions of 25 C,

It is May and Spring has Sprung! I love the warmer weather, the flowers popping up, planting my garden, and puttering around the yard. I hate going to gyms (A gym bod I have not and never did!) but working in my garden and yard is my exercise program. I can exercise and actually see the results of my efforts. Remember being a kid and trying to build muscle or height and looking in the mirror and hoping those biceps would pop up.

Spring also means the state convention. This year, Indiana has the distinct privilege of host our International Lions President Brian Sheehan and Lion Lori. President Brian will be the keynote speaker at the Saturday night banquet as well as leading a couple of Saturday afternoon seminars. The convention is a great time to see old friends and make new friends. See you in Bloomington May 12 – 14.

It is also the time to prepare for the Lions International website upgrade coming mid-July, a more user-friendly website built by Salesforce. Our district directory is only as good as the information that goes into it. Secretaries, please make sure all of your members' data, name, physical address, web address, phone, email, birthday, etc. is entered correctly. Also, please enter 2023-2024 club officers by June 1st. Any Lion who accesses the website needs their own distinct email address. If you need help reach out to our District Administrator Lion Gretchen Xinopoulos. The old Lions website shuts down June 15th and the new website goes active in mid-July.

Lions Club secretaries please report MMR (which only takes a couple of clicks in MyLCI) and SAR (which takes a few more clicks in MyLion) by June 15th as well. This is the primary DG Bob can demonstrate the effectiveness of Lion's projects in District C.

A Message from District GST

Serve Each Other

A man died and was transported to hell.

He was surprised to find hell a beautiful place, except that all the people there were emaciated. He went to the dining hall and saw that even though the food was plentiful, everyone's health was bad.

His curiosity piqued; he wracked his brain for a clue to solve this riddle. He then found that the inhabitants were given long-handled ladles to use while eating. This was such a difficult and awkward way to eat that hardly any food reached their mouths. As a result, they were starving.

After several meals in hell, the man was suddenly transported to heaven. At first, he was overjoyed. Then, he went to the dining hall and was dismayed to find that the same ladles were used there. However, everyone looked happy, healthy, and well-fed. Then he noticed that instead of trying to feed themselves, the inhabitants were serving each other conveniently with the ladles.

The selfishness of those in hell had warped their thinking to only focus on themselves, and the generosity of those in heaven had enabled them to think of each other and in so doing, save each other.

If you need help getting "ladles", for your service projects, don't forget to reach out to Indiana Lions Foundation. There are grants available and people to help you fill out the grant application. Email the foundation trustees and/or have them come to your club so they can better explain what is available. This would also be a good opportunity to invite non-members to the meeting so they can hear more about what the Lions are involved in.

The Trustees for District C, are: PDG Bill Penn, Delphi, bpenn@remconline.net, John Wilkins, Zionsville, jw6222@earthlink.net, and Paul Scheetz, Lucerne, paulcz10@yahoo.com.

A Message from Cancer Control Project

Cancer Control Project Expanding to Address Childhood Cancer

For more than 75 years, Indiana Lions have supported cancer treatment, research, and education through our partnership between the Lions Cancer Control Fund of Indiana, Inc. and the Department of Radiation Oncology at the Indiana University Medical Center campus in Indianapolis. The department serves cancer patients of all ages, but the vast majority of the patients are adults.

In order to better serve pediatric cancer patients in Indiana, the Board of Trustees of the Lions Cancer Control Fund of Indiana, Inc. has voted unanimously to establish a partnership with the pediatric oncology programs at Riley Hospital for Children. We will kick off this partnership with a \$25,000 commitment to support ongoing research by Dr. Jennifer Belsky and her team at Riley to address severe neuropathy experienced by more than 50 percent of the children undergoing chemotherapy.

We look forward to this new partnership with Riley Hospital for Children, even as we continue our long-standing relationship with the Department of Radiation Oncology.

If you would like to learn more about the Lions Cancer Control Fund of Indiana, Inc., please contact one of your district's Cancer Control Fund trustees. Their names and contact information are listed below.

A Message from Indiana Disaster Assistance Committee

Lions of Indiana are a part of a disaster relief network of volunteer organizations in Indiana. The purpose of this network is to coordinate disaster relief efforts and avoid duplication. Through that network earlier today, I learned in my role as chairman of our Lions of Indiana Disaster Assistance Committee that the Morgan County Emergency Management Agency is requesting relief supplies such as roof tarps for damaged homes. The exact location was not specified. I also learned that there may be needs in Owen County but received no specifics. I am sending this request to club secretaries in Owen and Morgan counties to 1) determine from clubs more precisely what the needs may be, 2) to determine how many people have been impacted by these recent storms and 3) to determine if our District Governor should submit an LCIF disaster assistance grant request for District C. LCIF disaster assistance grants are available only if more than 100 people have been impacted across the district.

A Message From State Convention Co-Chairs PDG Mark Clark & PDG Gary Ochs

TOGETHER WE WILL (IN BLOOMINGTON IN MAY, 11-14, 2023)

PDG Gary Ochs and I want to give EVERY Lion a personal invitation to attend the 102nd 2023 Indiana Lions State Convention in Bloomington, Indiana on May 11-14 -2023. All Lions will have a great opportunity to meet other Lions, hear great speakers, attend wonderful seminars and learn what wonderful things that the Lions are doing across the State of Indiana. But for one especial reason to come to the convention, you will have the opportunity to meet one particular Lion, OUR INTERNATIONAL PRESIDENT BRIAN SHEEHAN. President Brian and his wife, Lion

Lori, will be the special guests of Indiana Lions and will be traveling to Indiana just TO MEET YOU, HEAR FROM YOU, AND TO GET YOUR INPUT FOR THE BETTERMENT OF LIONS.

The convention will start on Friday, May 12, 2023. You can come into Bloomington and stay at either the Courtyard at the Monroe County Convention Center or at the Hyatt Place on Kirkwood. Both of those hotels have blocks of rooms reserved for the Lions at rates that you will not want to pass up. See the registration form for the specific details to register with the block reserved from the Lions.

On Friday morning, there will be a presentation in the Monroe County Convention Center on the limestone industry of Lawrence and Monroe Counties. This industry has in the past provided the limestone for major monuments and buildings in Washington DC as well as in numerous states and countries. We will have a special speaker from Bloomington to make this presentation to the Lions. This will be given on Friday morning at 9:00 am, so you will want to plan to attend this event.

Friday night the Ellettsville Lions will be sponsoring a bar-b-q dinner with the High Sierra band performing at the Monroe County Fairgrounds. This will take place prior to the first general business session of the convention at the convention center. The dinner will be sure to be a good time to catch up with old friends and make new friends over great food and music. The first business session will be the official beginning of the convention.

(continued on next page)

Indiana Lions State Convention News

(continued from previous page)

Saturday is filled with the district caucuses, vendors, exhibits, the second general business session, seminars, and the ALL STATE BANQUET. See the full schedule of events for the convention at www.indianalionsconvention.org. Not only will we have the keynote address from IP Brian, but he will lead a seminar at 1:30 in the afternoon and his wife, Lion Lori, will lead a seminar at 2:30 pm. But make sure to plan to attend the All State Banquet to enjoy the presentation from the INDIANA SINGING HOOSIERS that will perform during our dinner meal. This will be a great performance given just for the Indiana Lions.

Sunday will be a special day of remembrance for those Lions whom we have lost in the past year. PDG Newell Clifton and his wife Lion Judy, will lead the memorial service and help us remember those we cherish for their past service. The brunch will fill you up and we will conclude the convention with the third business session. At the end of the third business session all the ladies will receive a gift for attending the convention on Mother's Day.

All in all, the convention will be a busy and exciting time for the Lions of Indiana. Make plans now to attend in Bloomington and have a great experience being a Lion. We both look forward to seeing you in May.

See you then,

PDG Mark Clark & PDG Gary Ochs.

Donations Wanted for Silent Auction!

The Indiana Lions State Convention is quickly approaching. The Convention Committee is asking for silent auction items to help achieve our mission of providing relief to those in need. We can use items unique to your geographic locations. Perhaps there are very talented members in your local clubs that love to craft. And...who can't use a spa/relaxation treatment, or maybe a movie night would interest people. Please bring your auction items to the Convention Center. If you know in advance what you are bringing, contact me and I will prepare a bid sheet for each item.

Thank you in advance. If you have any questions, please contact Lion Cheri Faulkner at 317-271-3314, via text or voicemail or you can email me at clermontlionlady58@yahoo.com.

He was a huge part of the Little Italy Festival each year and he and his wife Mary served as our Re and Regina of the 2003 festival. Hello District 25-c and friends. Thank you for putting your faith and confidence in me to send out a timely and informative newsletter.

Thank you so much for submitting your clubs news articles and photos. They are greatly appreciated and I will do my best to include each and every one. Keep them coming!! I kindly ask that you have a brief description of what the photo depicts and perhaps the names of anyone in the photo. I also like to give credit to those behind the lens—the photographer!

Also, if there is anything you would like to see added or removed from the newsletter, please share that as well.

Another full month of fun Lion's meetings as well as Hrdy family get-togethers. I know Bob is the Governor, but I think I am being spoilt by everyone.....friends and family alike. It's a grand life being a Lion and a Leader Dog.

Month started out fast and furious with a trip to 25A's Convention in Merrillville. I know I am supposed to protect Bob, but driving through a mini-tornado on the way to the hotel scared the fleas off me to be sure. And then we had no power in the hotel. Of course, Bob and I did better than anyone, as neither of us needed light to get around. A great convention, but could have done without the storm.

Then I had a vacation with Maddie, daughter of one of our friends talk about being seriously pampered, while Bob/Vicky were in the Dominican Republic with family members.

Many of your clubs did Easter Egg Hunts....well I got to go on one too this year. Think we should start Easter Egg Hunts for dogs..... but instead of eggs, let's hide treats!

Then it was back to work with trips to visit the Brazil, Morgantown and Clay City Lions Clubs. Always fun and hearing about club activities is awesome - as are my treats.

Hope many of you are planning on attending our State Convention in Bloomington in mid-May. From what I hear it will be a blast and worth barking about. If nothing else come to see our International President Brian and get an injection of his energy and drive to help others. Of course, another benefit is that you will get to see me and we will be friends I promise.

A big bark to all of the clubs for putting out the welcome mat for DG and me. You make us feel special as I am sure you do those helped by your service projects. Thank you.

Yes, I'm ready for spring! So please let DG Bob know of your upcoming service and fundraiser projects. We'd love to come, join you and help. And I am a draw too!
