District 25C Newsletter

From the Desk of DG John Waymire

Hello Fellow Lions of 25 C,

As I continue to visit Lions Clubs around the district I am amazed with the amount of dedication and effort Lions Club members put into supporting their communities and neighborhoods. You are making a difference in so many ways for so many people. So many clubs are conducting vision screening, KidSight programs, books to pre-schoolers, dictionaries to 3rd graders, scholarships to graduating seniors, funding school field trips and student school lunch accounts, building ramps and beds, and so many other things. I often wonder how many of our smaller Indiana communities would survive without the support of Lions Clubs. One of my favorite projects concerns a military veteran, and Lion, who bought an old church and remodeled it into the Hope Community Center for the use of military people and their families for events, counseling and meetings, and the community to use for weddings, birthdays, Lions Club meetings, and other events. Our communities need the Lions Club and the service only they can provide.

One great PR/Recruitment strategy is to create a Lions Club brochure that highlights your club's service projects, your service project events, your club meeting dates, your club officers, membership contact information and the Lions Code of Ethics. Let your communities know what you do, when you do it, and how they can be a part of it as well. Your club brochure might ask the simple question, "Why become a Lion?"

Remember the three New Year's Resolution I suggested all clubs make?

Start a new Project;
Induct a new Member;
Have fun being a Lion.

How is your club coming completing those resolutions? I know many, many clubs have gone way past those simple resolutions by adding new members and creating new service projects. Thank you.

In other great district news, a recent contribution by the Jamestown Community Lions Club put District 25C at the \$10,000.00 donation level for the Riley Children's Hospital Cancer Challenge. This amount will be matched dollar-for-dollar from the Welker Foundation. That means that \$20,000.00 will go to Riley Children's Hospital Child Cancer Research. This addresses two of my favorite causes: kids and cancer. A huge "Thank You" to Lion Gail Robbins for organizing the silent auction at our recent District Convention and thank you to all convention attendees who contributed to the silent auction. District 25C is the service leader in west central Indiana.

Thank you for allowing me to serve as your District Governor.

Thank you for all you do for the Lions and your communities.

John Waymire,

District Meeting Timelines

The **4th District Meeting of the year** will be at the **District C Caucus** as part of the 104th Indiana Lions State Convention on Saturday, April 26, 2025, in Shipshewana. The main topics of discussion will be a 2024/2025 year wrap up by DG John Waymire and a 2025/2026-year preview by DGE Paul Scheetz. This is your district, let Paul and me know your concerns and thoughts, let's make 25C the best district ever.

The **District Meeting scheduled for May 10**, in Brownsburg will be devoted to officer training. This will include Zone Chairs, Presidents and Vice Presidents, Secretaries and treasurers. By early May, most officer elections will have been held and **ELECTION RESULTS REPORTED TO LCI IN THE PORTAL** so that new officers have an opportunity to understand their duties as club leaders and ask questions about policies, procedures or expectations.

District Goals 2024-2025

To increase reporting of District 25C clubs Service Activity Report (SAR). As of today, only 65% of District C clubs have reported a service activity. Please report to LCI and the local media what Lions are doing. We are the best kept secret. Let your communities hear your LION roar. District GST chair Lion Cindy Russell or District Administrator Lion Gretchen Xinopoulos can assist you in promoting and reporting service activities.

To increase our membership by the end of June 30, 2025. Currently we have 1163 Lions in District C but we are a MINUS 26 in membership. One simple technique to recruit new members is simply to ASK them to join. Remember this simple formula: **More Members = More Hands = More Service.** Contact GMT Tom Robbins for help in recruiting new members. It can be as easy as just asking a friend to help at a service project. I have New Member packets if you need them.

To increase attendance at 25 C District Meetings and District Convention and State Convention. All meetings and all conventions are open to all District C Lions. District meetings are where district business is conducted, and decisions made. Come be a part of the decision-making process and see how your dues money is being spent.

Provide Officer and Zone Chair Training. Officer training is scheduled for May 10th in Brownsburg. A PowerPoint presentation on president's leadership responsibilities is available from GLT John Wilkins. There are You Tube videos available on the Portal about using the Portal and leadership training.

Keep the District 25 C Calendar up to date. District C website is: www.e-district.org/sites/25c/. Check it out. Email me any items you would like posted. Let the rest of the district know when and where activities and service projects are happening.

Establish longer and Actionable PDG meetings. The PDGs will meet as part of the District C Caucus during the State Convention in Shipshewana.

A Message from DGE—Paul Scheetz

Greetings Lions,

Spring is finally here, so the weather is starting to warm up. With the warmer weather we are getting outside more and that is the perfect time for that outside spring cleaning. As our club has started to get our Lion's Park ready for the new year. The basketball court is ready, the picnic tables are out, and the playground equipment is ready for the children. This is one of our community service projects. You could do something similar as a service project in your community. You do not have to have your own park to do spring cleanup. Maybe there is someone in the community that could use some help cleaning up their yard after the recent winds. There are many different service activities that can be done this spring.

I would like to thank the clubs that have submitted their officer election results for the upcoming Lions year. Keep up the fine work. Please keep submitting your election results to me at paulcz10@yahoo.com.

DGE Paul Scheetz

Lions All,

DGE Paul Scheetz has a guide to help you with your trips to and through the portal. For those of us who dread turning on computer, this handy little item will help! You will find this on the next page.

Also, please remember to send any corrections to e-mails, names of officers, etc. directly to him at paulcz10@yahoo.com.

(It is also time to elect officers for your club and having the secretary send the results to Lions International before April 15. Failure to do so means the District Governor will not be able to get the correct information for your club for next year's directory and not have up-to-date information.)

A Message from Indiana Lions Foundation

Indiana Lions Foundation Indiana State Fair Project

We may be shoveling snow from the sidewalk and scraping ice from the car windows now, but it's not too early to start thinking about fun and fellowship with other Indiana Lions at the 2025 Indiana State Fair. This is the Foundation's single largest fundraiser. Proceeds support the operation of the Indiana Lions State Office Building and provide funds for the Foundation's new Community Service Grants.

We have spoken to our contact at the Indiana State Fair and do not anticipate any major changes for the 2025 State Fair. The Fair will be held in Indianapolis, August 1-17, 2025, and we will need volunteers to work at six gates during the Fair.

Scan the QR code above to go to <https://indianalionsfoundationmd25.org/what-we-do/indiana-state-fair-volunteer/> and sign up to work for the Foundation at the 2025 Indiana State Fair.

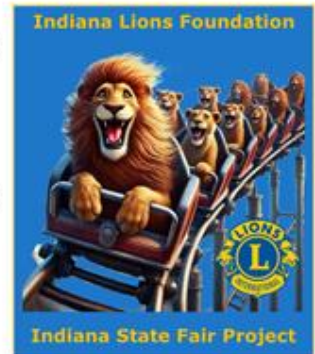

If you liked our ferris wheel and carousel pins, you'll love our new roller coaster pin. The proposed design is shown here. The only way to get one of these pins is to work for the Foundation at the Indiana State Fair.

When you work for the Indiana Lions Foundation at the Indiana State Fair, you receive W.P. Woods Fellowship credits. Work a morning shift and receive 1 credit; work an afternoon shift and receive 2 credits. You may redeem 10 credits for a W.P. Woods Fellowship for yourself or another individual.

This past July, the board of trustees of the Indiana Lions Foundation approved a proposal to allow State Fair volunteers to redeem W.P. Woods Fellowship credits for Community Service Grants to benefit Indiana Lions clubs, Indiana Lions districts, Indiana Lions state projects, or LCIF. For more information about Community Service Grants, visit the Indiana Lions Foundation website at <https://indianalionsfoundationmd25.org/>.

If you need assistance signing up for this project, please contact Lion Rose Russell at 574-250-0125 or RoseWRussell@gmail.com.

If you have question about the Foundation, please contact one of the Foundation trustees in your district.

A Message from ISBVI

Your 25C Trustees want to thank all of our 25C Clubs who continue to donate to this amazing, meaningful State Project to assist those children who are blind or visually impaired in our counties and State. You are absolutely awesome..... at our last Trustee meeting on March 22, it was noted that 25C through February 28, had already donated \$\$\$ equal to 76% of our district's total giving last year. When comparing our giving to that of all other districts through February 28, District 25C has provided \$1980 more in support or close to 27% of our State's support to date. **YOU ARE AWESOME!**

So how are these funds used? Well at our meeting we agreed to consider providing **\$15,000 to install a playground** at one of the schools being used during the construction of the new combined ISBVI and School for the Deaf which likely won't be completed until 2028.

In addition, we also discussed implementation of our former pledge to assist with the funding of a proposed **new telephone system for the ISBVI campus** to ensure safety and accessibility for the students and staff. The current outdated system falls short – especially for emergencies. This initiative will meet the unique needs of the students who rely on sound rather than sight through the provision of audible alerts, inclusive communication with features like screen readers and tactile navigation -- it will create a communication system that is not only modern, but safe and inclusive for the ISBVI community. Combining the new phone system with its WI-FI system will improve safety and allow better connections to other equipment used by staff and students.

The entire cost of the project is close to \$50,000 and **our pledge is \$25,000**. Our MD25 Lions support will enable the school to fund the rest and move forward without delay. ISBVI Superintendent, James Michael thanked the Lions: *"We are appreciative of the Lions Clubs' pledge for this essential project. Together we can make a profound difference at ISBVI".*

None of these projects could come to fruition without your club's support.

Eight Lions from three districts were joined by four community members in participating in a day-long disaster case management training workshop at the **Zionsville Lions** Clubhouse on March 1st. Following the training, each participant was awarded a certificate of completion authorizing them to serve as disaster case managers assigned to survivors of upcoming state disasters. The case manager will assist each assigned client in obtaining the necessary resources to rebuild their lost or damaged home and possessions so that they can resume their lives in a safe, sanitary and functional home. The training was organized by the state **Emergency Preparedness and Disaster Assistance Committee Chair, Lion John Wilkins**. The instructor was Jane Crady of Catholic Charities, the Chair of the Board of the Indiana Volunteer Organizations Active in Disaster (INVOAD), of which the Lions of Indiana is a member. Please contact Lion John at jw6222@earthlink.net (<mailto:jw6222@earthlink.net>) if you would like to attend a future disaster case management training workshop.

The local Atchley Farm (Lion Nick Atchley/Frankfort LC) recently set up a Sugar Shack to house its maple syrup evaporator on the grounds and thanks to the efforts of Frankfort Lions Nick Atchley and Chuck Tedrick and others, Camp Cullom now houses and runs it's very own maple syrup operation, collecting sap from around the 90-acre property.
