Hello, Lions All!

A farmer is in the field harvesting his bean crop for the year. From all the whispers, the crops have done well this season. I thought, "Farmers and Lions are alike." The farmer produces food for our tables, and Lions serve the humanitarian side of our communities. Our communities depend on Lions Clubs to help with programs that benefit the residents. Without the Lions who would fulfill these needs? And without our farmers and other industries, it might be a tough world!

Lion Shelia has been accompanying me on club visits. We both are enjoying the visits and are happy to meet more Lions and see what all the clubs do. This past weekend the Council held a meeting on October 20<sup>th</sup>, and DG Alan Arnold held his banner night in the evening. A good time was had by all.

We need more Lions to get involved at the district and state meetings. With our District and State conventions approaching, the need for more Lions' support at the conventions is needed. Now is the time to plan for these events. Our mid-winter conference has been moved back to January in hopes of getting more to attend. I hope it's not asking too much for Lions to give one Saturday every quarter to come and support Lions state wide.

THIS WE CAN DO, ATTEND AND LEARN.

The women's symposium set for April 13, 2019, will feature Lion Diana Corlew from Tennessee. This event will take place at the Zionsville Lions Den. Yes... men are invited also! Keep looking for more in the coming months.

With the weather changing be safe in your travels. I still need club visit dates! Thanks for all you do as Lions. Please keep up the good work!

DG Doug

Hello Lions,

The 'Harvest' is coming in and early reports are that the Bean and Corn yields are very good and for many of our Lions that is good news.

Harvest time is also a time when we look for or hear about opportunities to share the harvest with others. Yes, Thanksgiving is right around the corner and it all started with the "sharing" of the Harvest.

Who or what group in your area could use a bit of a lift this Thanksgiving? It might just be a service opportunity for your club and it will surely brighten someone's day.

Fast forward, there are a lot of meetings on the calendar. Let's start with Zone meetings (Nov. 15 for Zone 3), you should really try to attend and participate as info share is what these meetings are all about.

We have our next Cabinet meeting November 17 and all are welcome and encouraged to attend the District meetings. Come, have some input into what is happening in your District.

Training! Many training sessions are offered for Lion Presidents, Treasurers, and Secretaries, etc. I know, it easy to say "I'm the secretary, and I've been doing it for 2 years or more." Well, things are changing and the way we report and the systems used today by LCI are changing too, so it is important to stay up to date. Please attend when offered, you will benefit and learn from these sessions.

Next, a Great big THANK YOU, to all the clubs in 25-C. We are the only district in the country that submits MMR and SAR reports, for all clubs, each month. Take a bow and please don't be annoyed when one of us calls with a reminder when we near the end each month.

That's it for now and I look forward to seeing you all.

Service from the Heart,

Lion Tom

Sight Night. How many people have heard of Sight Night? What is Sight Night you ask? It's a rather simple project that can be a LOT of fun. Sight Night takes place on Halloween night, and simply you pick a spot, set up a table, and collect eyeglasses, hearing aids, and old keys. In Spencer we set up right in front of our building, and we also give away candy, some small toys, and glow-in-the-dark bracelets to keep each child safe. Throw in a few adventurous Lions that like to dress up and you have the makings of one wild and crazy night! O.K. Maybe not so wild and crazy, but fun nevertheless!

We also take things one step further by giving all of the elementary students in our 4 schools a bag to go trick or treating with. In some places that may not be possible, but our county is relatively small and we only give out approximately 1500 bags. We place a sticker on each stating "Compliments of Spencer Lions Club," so every elementary student AND their parents see the Lions Name and Logo. Below this article you will see a picture of Governor Doug Eversole helping us this year in affixing the labels, which is a fun time of itself! If anyone is interested in getting more information on getting this project started in their club, please feel free to contact me at [jpmq77@yahoo.com](mailto:jpmq77@yahoo.com).

Isn't it great to be a Lion!

## Pursuing New Horizons with International President, Gudrun Yngvadottir

The hard work of every Lion is critical to our global impact. We each bring hope and dignity through service, but there's only so much we can do on our own. With the support of Lions Club International Foundation (LCIF), our global Foundation, we can accomplish so much more together.

That's why LCIF launched Campaign 100: LCIF Empowering Service. Campaign 100 will empower the service of Lions around the world, helping us do what Lions do best – serve. Keep watch to see how 100% of your generous financial gift supports your causes, your programs and your service.

In friendship,

Gudrun Yngvadottir

Your International President

## 2019 Indiana Lions State Convention Fort Wayne, Indiana (26-28 April 2019)

To quote IP Gudrun, *"We serve the world and our local communities with pride, compassion and kindness. But there's a world of service yet to be reached, one that lives within our collective aspirations. Once discovered, it will open a level of humanitarian good the world has never seen. It's out there, somewhere **Beyond the Horizon**."*

Indiana Lions are known throughout the state as the group that meets needs in our communities, is there in times of trouble, and joins together to celebrate the victories great and small. Let's showcase our Indiana clubs by making this the largest State Convention ever. Let's come together and share with each other the work we are doing in our own communities, and encourage even more service. Save the date now and make plans to attend the 2019 Convention at the Grand Wayne Convention Center in Fort Wayne.

Reach "Beyond the Horizon" as our Indiana Lions family gathers to share ideas, celebrate our successes, and be part of this historical year. Follow the Indiana Lions State Convention on Facebook and at [www.indianalionsconvention.org](http://www.indianalionsconvention.org) for all the latest information.
