Message from CC Bob Hrdy

August 23, 2023

To: MD 25 Past District Governors

Re: International Director Application and Endorsement

There has been an expression of interest from Senior Lions International Leadership in a potential International Director from the State of Indiana.

In line with our State Lions Constitution and By-laws, as amended at the Indiana Lions Convention in 2022, (Article II, Candidates for International Office), the MD 25, 2023-2024 Council of Governors voted on July 22, 2023, at the first Council Meeting to open the required endorsement period for the position of International Director to all Indiana Past District Governors.

The Lions International Constitution and By-laws states that notification of endorsed candidates must be submitted 60 days prior to the beginning of the International Convention. The 2024 Indiana Lions Convention will be held on April 26-28, 2024. This date is less than the required 60 day notice. Therefore the decision was made to open the required endorsement period now.

Candidates should forward their Candidate Letter and Club endorsement to their District Governors and PCC Sue Topf, State Administrative Secretary.

- 1.) Submit your Candidate letter/Qualifications to your Club President, for your Club's Endorsement.
- 2.) If endorsed, your letter and your Club's Endorsement letter must be forwarded to your district Governor for The District Endorsement.
- 3.) If endorsed by the District, the District Governor will forward the endorsement packet to the Council Chair (CC Bob Hrdy) and a copy to the State Nominations and Elections Chairperson (PDG Barbara Toosley).
- 4.) The State Nominations and Elections Committee shall review the qualifications of each candidate for Convention Endorsement.

2023-2024 Council Chair Bob Hrdy requires this District endorsement to be received by no later than midnight Sunday, December 3, 2023.

If MD 25 has one or more qualified candidates, a Special Convention will be convened at the January, 2024, Mid-Winter Conference for the sole purpose of endorsing a candidate for International Director. This will be done in order to meet the 60 day timetable set forth by Lions International.

The Special Convention will be called in accordance with the International Association of Lions Clubs, Constitution and By-Laws, Standard Multiple District, Fiscal Year 2022-2023, revised June 23, 2022, Article VII-Multiple District Convention: section 4. SPECIAL CONVENTION.

It is a great honor for us and our State, so let's get ready to place another great Hoosier Lion on the Board of Lions International.

Yours in Lionism,
Council Chair Bob Hrdy

Zionsville Lions / Leader Dog

Two Zionsville Leader Dog Puppy Raisers, left Dr Becky Porter and right Jennifer Means , came to the Zionsville Fall Festival to share, under the Pet Pavilion tent, what their responsibilities are to raise a puppy to be a Leader Dog.

ZLC Paula Krutz brought her Career Changed dog and explained what causes a Career Change. Laura Brown also stopped by with her beautiful female puppy, but that caused a bit of a attention problem for the male pups.

Martinsville Lions

Martinsville Noon Lions Receive \$150,000 LCIF Diabetes Grant

The Martinsville Noon Lions Club has partnered with the Diabetes Youth Foundation of Indiana to construct a cabin at "Camp Until-A-Cure" in Noblesville, Indiana. The formal announcement was made during the 82nd Annual PDG John Hurt Cookout on September 13, 2023 at the Jimmy Nash City Park in Martinsville.

Lions Cabin is a 2-unit handicapped accessible cabin which is capable of housing up to 10 campers on each side. Each unit shall have its own restroom and shower, and the cabin will be heated and cooled to allow camping into the off-season months. In addition, Lions Cabin will feature a laundry facility to serve the entire camp.

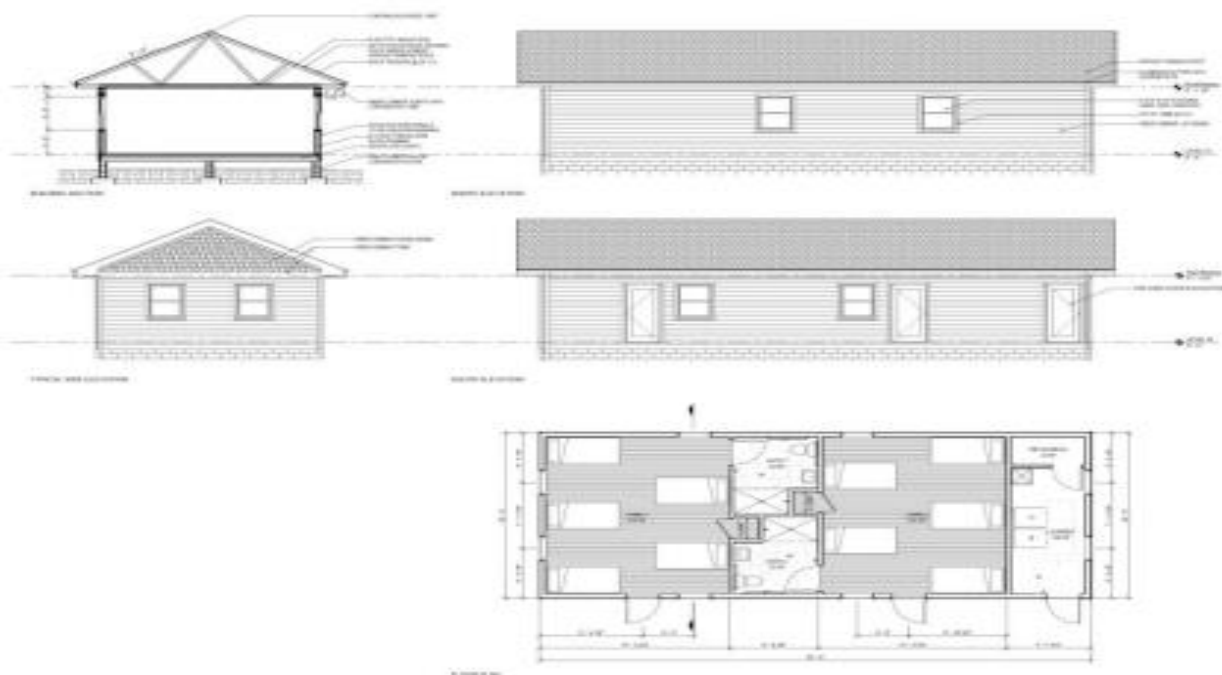

The cabin is being constructed in memory of Lion Roger Chalkley and PCC Terry Maxwell, both former members of the Martinsville Noon Lions Club, and the cost of the project is estimated at \$204,000. Funding for the project has been made available through memorial contributions received from the Martinsville Noon Lions Foundation, the District 25C Diabetes Committee, the Multiple District 25 Diabetes Committee, the Indiana Lions Foundation, the Spencer Lions Club, the Diabetes Youth Foundation of Indiana, and a \$150,000 matching diabetes grant received from Lions Clubs International Foundation (LCIF).

At the cookout, PCC Ross Drapalik gave a brief history of this partnership and the process of raising the \$50,000 matching funds and obtaining the \$150,000 LCIF grant. Jenna White, the Executive Director of the Diabetes Youth Foundation of Indiana, talked about the camp and its mission of serving children ages 5-15 years with Type 1 Diabetes. The camp helps kids learn to manage diabetes and allows them to just be kids.

The ground breaking for the cabin is expected in early October with the dedication of the cabin hoping to be the weekend of the 2024 State Lions Convention in Noblesville.

The Martinsville Noon Lions Foundation is an IRS 501(c) (3) charitable organization, and tax deductible donations can be sent to P.O. Box 1062, Martinsville, Indiana.

For more information about Camp Until-A-Cure and about how your club can participate with the camp, please contact PCC Ross Drapalik at ross.drapalik@sbcglobal.net or 765-346-2443. You can also visit the camp's website at www.dyfi.org.

A Message from 1st Vice District Governor John Waymire

Hello Fellow Lions of 25 C,

Some Random Thoughts to Consider:

Fall is my favorite time of year. School starts (I am a retired teacher and principal, but I still miss working with kids.), football begins (Go Colts and Da Bears.), pumpkin spice, the falling leaves, the smell of wood fires, and fall festivals. The weather is cooler and much more enjoyable. It is a great time to get out and serve others. Fall has it all.

Many Lions I know make this time of year a twofer. They attend a fall festival and then serve others while they are there (Sort of like taking tickets at the state fair.) You can contact the Indiana Tourism Bureau or contact your club officers to find out what fun events are happening in your district or around the state.

It is also the time to be proactive about your health. Get your flu shot and any other vaccinations your doctor says you should have to protect yourself and others.

Be sure your house is ready for winter (The Farmer's Almanac says Indiana will be a "Winter Wonderland" this winter.) Is your furnace ready to keep you warm? Are all the little cracks around your windows, doors and foundation sealed to keep out the cold and little critters looking to find a winter home? Do you have a backup plan if a blizzard socks you in for several days?

Most of us will be warm and comfortable this fall and into winter, but some of us will find this time of year very challenging. This makes for a great opportunity to serve others through contributing or helping out at food banks or supporting or serving at other community resource centers.

Indiana will elect a new governor, 1 senator and 7 representatives in November 2024. Make your voice heard. Be sure you are registered to vote for the May primary and the November general election.

The second Cabinet Meeting will be held on October 21st at the Lizton Lions Club House. More information will be forthcoming.

Club Presidents, if you have not scheduled your official visit from DG Patti, be sure to call her to set up a visit.

If I can assist your club, please contact me.

Thank you for allowing me to serve as your First Vice District Governor.

A Message from 2nd Vice District Governor Paul Scheetz

Stepping up and out of our comfort zone. Part 2

Taking on leadership roles in a relatively short period of time, with little knowledge of Lions was challenging. With the help of the District Officer, Past District officers, and Committee Chairs I was able to forge ahead.

Working with the clubs in the zone and attending cabinet meetings I was learning more about Lions. A year later I was asked to consider a nomination as a trustee for the Indiana Lions Foundation. I thought about it and decided to submit my name as a candidate for trustee. I was elected, and I am now starting my second year of a three-year term.

In a year or two I was going to submit my name as a candidate for Second Vice District Governor (SVDG). This year no one stepped up, so I decided to go ahead and submit my name as a candidate for SVDG. Thank You to everyone I was elected your SVDG.

The moral of this story is to stretch your comfort zone. Don't be afraid to challenge yourself. If we don't challenge ourselves, we don't know what we might accomplish. Don't be afraid to ask for advice or help. There are a lot of Lions who have gone through it before you. So, step out of that comfort zone and roar.

Together WE SERVE.

A Message from Indiana Lions Speech and Hearing

ACADEMIC SCHOLARSHIP PROGRAM INDIANA LIONS SPEECH AND HEARING, INC.

The disciplines of Audiology, Speech-Language Pathology, and American Sign Language/English Interpreting include trained specialists providing services in a variety of educational and healthcare settings. Each year brings new knowledge and advancements that will help individuals overcome difficulties associated with speech, hearing, and language deficits. Advances in medicine and an increasingly aging population necessitate numerous additional professionals in these fields.

Colleges and universities throughout the United States offer degrees in these fields. A degree in one of these areas requires a minimum of a Bachelor's Degree. Encouragement by Lions throughout Indiana may be a decisive factor in a career choice for an Indiana youth to select one of these professions. **Indiana Lions Speech and Hearing, Inc. (ILSH)** may provide scholarships of \$750.00 per student for up to four students per academic year. Students who are entering their *junior* year or above are eligible to apply for this scholarship. If more than four applicants per year, the scholarships will be awarded based on academic achievement. Please refer to the eligibility requirements listed on the application for further information.

Students are eligible to receive the scholarship for a maximum of two years. *Renewals are not to be considered automatic. The student must repeat the application process to be considered for a scholarship for the second year.*

Once approved for the scholarship, the student will be notified by one of the Trustees of Indiana Lions Speech & Hearing, Inc. A check will be issued and sent to the appropriate department at the university in which the student is enrolled.

FOR A STUDENT TO BE ELIGIBLE, S/HE MUST:

- ① Be majoring in a program in the field of Audiology, Speech-Language Pathology, or American Sign Language/English Interpreting;
- ② Be entering their 3rd or 4th year in said program, or into graduate school at an accredited college or university offering a minimum four year degree in one of the above mention fields;
- ③ Make application to a ILS&H Trustee or Indiana Lions Club and be sponsored by a Lions Club in Indiana;
- ④ Demonstrate an accumulative GPA of a 3.0 on a 4.0 scale or higher;
- ⑤ Verification of meeting eligibility requirements by University advisor or department faculty member;
- ⑥ Submit an essay of at least 200 words explaining how the scholarship will be used.

FOR A LIONS CLUB TO PARTICIPATE, THEY MUST:

- ① Promote career paths consistent with ILSH scholarship program and seek out deserving students who may require financial support;
- ② Consider providing financial support in addition to the \$750 from Indiana Speech & Hearing, Inc.;
- ③ Furnish eligibility date and the recommended support to a District Trustee of Indiana Lions Speech & Hearing, Inc. 120 days prior to the enrollment date;
- ④ Recommend the student for scholarship renewal for the second year with satisfactory progress and the club's continued support; and
- ⑤ Complete the application form.

Updates to the Hoosier Lion

For many years, the Lions of Indiana have studied the Hoosier Lion. Multiple surveys have been conducted and various models from other states have been considered. The 2023-24 Council of Governors has voted to approve a proposal from 4th Hawk Media LLC to print three issues and publish six electronic issues during 2023-24. The electronic issues will be sent to all Lions with email addresses and the print issues will be sent to all addresses (one per address). This method reduces mailing costs and allows the publication of more information in the electronic issues. The new publisher will also print full color images in the print versions. We are excited to announce these updates and look forward to your feedback. Please send articles for publication to the district newsletter editor and district PR chair, who will forward them for Hoosier Lion publication.
