From the Desk of DG Patti Foxx

Hello Team plus One!!!

Hello September!!

Did everyone survive volunteering at the Indian State Fair? Such a great way of meeting other Lions from different clubs, making friends and enjoying the day. I work at Gate 12 with PID Doug Losier. My club had 3 members that work the morning shift. Fellow Lions are Club President Lora Fenwick, Club Secretary Kathy White and Lion Rebekah Foltz.

I had my first District Governor Club visit!!! The award goes to the Brookston Lions Club which welcome me with open arms. I had a great time meeting all the lion's members that was at the meeting. They were getting ready for their Bingo game the next night. So, which club will be my next District Governor visit

Since this month is September, do you know what that means? (Drum roll, please) It's my 39th Anniversary month!! Woohoo so with that do you know of any other clubs who has September as their anniversary month?

We have change Hoosier Lions publication to digital and with a few publications. See more information in the newsletter.

Our next Cabinet #2 meeting will be at Lizton Lions Club on October 21st at 10am. We will also have an Official Call for Special District Convention for consideration of Endorsement Candidate for the International Director. See more information in the newsletter.

Message from Council of Governors

Updates to the Hoosier Lion

For many years, the Lions of Indiana have studied the Hoosier Lion. Multiple surveys have been conducted and various models from other states have been considered. The 2023-24 Council of Governors has voted to approve a proposal from 4th Hawk Media LLC to print three issues and publish six electronic issues during 2023-24. The electronic issues will be sent to all Lions with email addresses and the print issues will be sent to all addresses (one per address). This method reduces mailing costs and allows the publication of more information in the electronic issues. The new publisher will also print full color images in the print versions. We are excited to announce these updates and look forward to your feedback. Please send articles for publication to the district newsletter editor and district PR chair, who will forward them for Hoosier Lion publication.

The new email addresses for the Hoosier Lion are:

To: MD 25 Past District Governors

Re: International Director Application and Endorsement

There has been an expression of interest from Senior Lions International Leadership in a potential International Director from the State of Indiana.

In line with our State Lions Constitution and By-laws, as amended at the Indiana Lions Convention in 2022, (Article II, Candidates for International Office), the MD 25, 2023-2024 Council of Governors voted on July 22, 2023, at the first Council Meeting to open the required endorsement period for the position of International Director to all Indiana Past District Governors.

The Lions International Constitution and By-laws states that notification of endorsed candidates must be submitted 60 days prior to the beginning of the International Convention. The 2024 Indiana Lions Convention will be held on April 26-28, 2024. This date is less than the required 60 day notice. Therefore the decision was made to open the required endorsement period now.

Candidates should forward their Candidate Letter and Club endorsement to their District Governors and PCC Sue Topf, State Administrative Secretary.

- 1.) Submit your Candidate letter/Qualifications to your Club President, for your Club's Endorsement.
- 2.) If endorsed, your letter and your Club's Endorsement letter must be forwarded to your district Governor for The District Endorsement.
- 3.) If endorsed by the District, the District Governor will forward the endorsement packet to the Council Chair (CC Bob Hrdy) and a copy to the State Nominations and Elections Chairperson (PDG Barbara Toosley).
- 4.) The State Nominations and Elections Committee shall review the qualifications of each candidate for Convention Endorsement.

2023-2024 Council Chair Bob Hrdy requires this District endorsement to be received by no later than midnight Sunday, December 3, 2023.

If MD 25 has one or more qualified candidates, a Special Convention will be convened at the January, 2024, Mid-Winter Conference for the sole purpose of endorsing a candidate for International Director. This will be done in order to meet the 60 day timetable set forth by Lions International.

The Special Convention will be called in accordance with the International Association of Lions Clubs, Constitution and By-Laws, Standard Multiple District, Fiscal Year 2022-2023, revised June 23, 2022, Article VII-Multiple District Convention: section 4. SPECIAL CONVENTION.

It is a great honor for us and our State, so let's get ready to place another great Hoosier Lion on the Board of Lions International.

Yours in Lionism,
Council Chair Bob Hrdy

A Message from 1st Vice District Governor John Waymire

Hello Fellow Lions of 25 C,

I am using this month's column to introduce myself to District C Lions and clubs that I have not had the privilege to get to know or to visit yet.

I am a retired elementary school teacher and principal of 40 years of public-school service. I have served schools in Iowa, South Dakota, and in DeMotte, Union Mills, Mentone, Royal Center, and Jamestown, Indiana.

My wife, Kris, and I will have been married for 48 years come October. She is a retired, licensed media specialist having worked in South Montgomery and Lebanon Community schools as well as several public libraries. We have two boys. Our oldest is Johan, a speed metal drummer in Seattle and Tom, who is a licensed landscaper around Indianapolis.

I am the oldest of 7 children born in Rensselaer and raised on a farm outside of town. I learned early on to help raise my siblings and to also help others in the neighborhood. Over the years I have volunteered with 4-H Clubs, the Red Cross teaching First Aid and CPR, mentoring at the Boys and Girls Club, and now with Lions International.

As a Lion, I have served as club president, secretary, membership chair, financial committee, Zone Chair, Regional Zone Chair, District Reading Action Program (RAP) Chair and MD 25 State RAP Chair.

My passions include education, literacy, volunteering, and equality.

In my spare time I like to read, garden, bake, do woodworking, and DIYer.

Thank you for allowing me to serve as your First Vice District Governor.

A Message from 2nd Vice District Governor Paul Scheetz

We Serve.

Stepping up and out of our comfort zone.

In early fall of 2015, I was asked to become a Lion by a high school classmate. After joining the Lucerne Lions Club, I was helping the club by working their fish fry. This is the club's main fundraiser to support the Lions Park in our community. In the spring elections were held and since most members were or had been officers in the club, they were wanting some of the newer members to step up to become president. No one stepped up for president so I said I would do my best as president. After six months in the Lions I was now president of a club.

I knew very little about Lions. I was really out of my comfort zone. It is one thing to step up to a position you are familiar with, but to step up to something you have no knowledge about is something quite different. I was not left out in the cold. The Governors and Past District Governors steered me in the directions I needed to go. After about a year and a half I was asked by the current governor to become the Zone 2 Chairperson. I said I would, and again I had stepped out of my comfort zone. Now I was president of a club and a Zone Chair.

After being Club President and Zone Chair I was asked if I would consider being the District Sergeant at Arms. Yes, I stepped up again. I was now doing three jobs. At this time, I thought, "Wow! I need to step down when elections come up." By this time, I had been club president for five years. I told the club for the next election the club needed to elect a new president, to suggest new ideas. (To be continued)

A Message from MD25 GST Coordinator Lion Cindy Russell

Introverts in Service Organizations

While introverts might prefer to spend time alone or with a few close friends, involvement in a service organization will involve speaking with many different people. It is important to keep in mind that being introverted, for many, doesn't equate to being anti-social. Many introverts love being around people, although they tend to value, or even require, frequent periods of "downtime" or alone time to "recharge."

Introverts often keep their thoughts to themselves, but they need to remember that others can't read their mind and they need to realize their ideas hold the same amount of validity. In addition, some introverts are inclined to handle situations by themselves, without asking anyone for help.

Club and District leaders need to use this information when soliciting ideas and when approaching members about serving on committees. An introvert has a high probability of taking on the entire responsibility of a project and risk burning out. Consider having an introvert become your Club Administrator. He/she can work with the Secretary and take on the responsibility of entering the service projects into MyLion.

Some may not realize I have an introverted personality. My comfort zone is in front of my computer entering and tracking data, but I really enjoy talking to others. However, if the conversation is too long, I will start feeling uncomfortable and want to get away. After attending a function with more than a dozen people, I will need to "recharge" by being alone.

I was able to spend several days volunteering at the Indiana State Fair and had a blast. Now I am completely exhausted and need to recharge. And I will do it again next year, and I'll still attend Cabinet meetings and conventions because I know I must operate outside my comfort zone to grow and learn.

Embrace your personality.

Lion Cindy Russell

MD 25 GST Coordinator

A Message from Indiana Lions Speech and Hearing

The Dr. Richard T. Miyamoto Fellowship

Indiana Lions Speech and Hearing has established the Miyamoto Fellowship to honor Lions and others for their dedication to their Lions Clubs, to Lions Clubs International, and to those in need in their communities around the world. Dr. Richard T. Miyamoto retired as Chairman of the Department of Otolaryngology-Head and Neck Surgery at the Indiana University School of Medicine. At Riley Hospital, he served as Medical Director of Audiology and Speech-Language Pathology.

In the 1980's, a grant from Speech and Hearing was provided to Riley Hospital and Dr. Miyamoto to expand the use of cochlear implants for children. Dr. Miyamoto's pioneering work has been recognized around the world, and he continues his close relationship with the Lions of Indiana.

A handsome plaque has been designed to honor the recipients of the Miyamoto Fellowship. For a \$500 donation to Indiana Lions Speech and Hearing, Inc. within a two year period, one plaque may be ordered in the recipient's name to be presented by the donor Lion or Lions Club. There is no charge for the plaque. Please contact any Indiana Lions Speech and Hearing trustee in your district for information or to order a plaque.

Observations of two District 25C Volunteers

The Fair is now over and thankfully before the current heat wave hit us all. Unfortunately, this year, I was only able to work a couple of shifts the last weekend, but wanted to share the joys I had.

First of all, PDG Charlie and I worked on "Military and 1st Responders" day when these great folks were given free admission for their services- past or present. What a delight this was..... meeting people who serviced in all of our military branches, (including the Coast Guard), currently or as veterans. I met a couple of older men who served in the US air force stationed in the UK. Good to be able to thank them for helping we Brits through our "darkest" hour." However, the most meaningful encounter was when PDG Paul Russell was filling in for PDG Charlie on the front line. PDG Paul identified his service and engagement during the Vietnam War and one of the veterans identified his ...held out his hand to shake Paul's hand and then said "Welcome home!" What moment..... my eyes teared up as did PDG Paul's. This happened several times and if you know anything about the non-welcome/insults etc. our "boys" received at the end of the war, it was a truly meaningful. I learned a lot about it from Lion Paul. (Thank you PDG Paul for your service.)

Other observations: fair goers ran the gamut – young (2 weeks), old (85), different nationalities/languages, fleet of foot and some in wheelchairs, on walkers or with canes, many, many little girls wearing pink princess outfits; mothers bringing 1 to 4 children with a couple in a stroller and maybe very pregnant. Realized I didn't have the high energy I thought I had. Also I realized that PU is not the hotbed of fashion or hair styles– no surprise there.

PDG Charlie and I took one new member from our club and her friend with us on Sunday to get a feel what Lions do as ticket sellers, scanner, etc. Many of you have met Lion Aki Kamsali who just loved scanning and like PDG Charlie, has never known a stranger and loves to "talk". Here is what she had to say about working the Fair:

"It was so cool to see folks from all walks of life totally pumped about that one thing they couldn't wait to experience at the fair. And the crew behind the scenes made the whole thing feel like a walk in the park."

Although I hadn't worked at the Fair for a few years, I had forgotten what fun it is --- meeting up with other Lions, meeting fair goers, taking time to see some of the events and lots of animals. It will be a commitment on my calendar for 2024! I hope we've made it sound like something you'd like to do too.
