25D District Digest

What is a Lion!

April 2024

Lions of 25D,

As I shared in July, my theme for this year is: **What is a Lion?** Lions are many things and my newsletter articles and club visits will highlight some of the many answers. My hope is that when you are asked that question, you will be armed with your answer and ready to share the great things that Lions are.

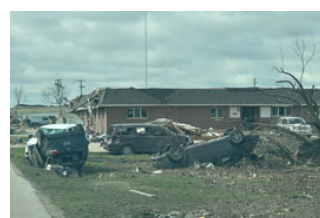

This month, the answer is: **Someone aiding those impacted by disasters.** I had no idea when I listed this answer last summer that we would be offering aid to our own right now, but I am grateful for so many who have stepped up to assist our Lions and so many others in Selma and Winchester. As I've shared in my visits, the Lions Club International Foundation has emergency grants ready when natural disasters occur. When the tornadoes struck on March 14, our state LCIF coordinators were reaching out that evening to offer assistance with the grant application. We were able to submit the grant request on Friday, and received funds in our district account the following Tuesday, which let us purchase \$10,000 of needed totes, gloves and other supplies for the clean up and recovery efforts. DGE David 'Rocky' Simpson and especially 1VDGE Jim Dubeansky were present on the ground, talking to our Selma and Winchester clubs and the local Homeland Security/FEMA folks and getting our supplies to where they could be appropriately distributed. Lions have called to volunteer their labor and Lions in other districts in Indiana have donated funds to assist. Our prayers are with our fellow Lions as they work toward recovery.

If you or your club would like to make a direct donation:

Continuation of DG Julia's April 2024 Message

Later in April, District 25D will host the Indiana State Lions Convention at the Embassy Suites in Noblesville, April 26-28. I hope you will join us for the weekend as we share fun, fellowship and fulfillment together. There are two district endorsed candidates for International Director and we will be voting on a candidate to endorse for all of Indiana on Sunday. Additionally, we will hear from Past International President Frank Moore, former Miss America Katie Stam-Irk, and share in a number of great education sessions and a Strides for Diabetes walk. Plan to join us in Noblesville!

None of us know when we can offer aid or when we will need aid, but we know as Lions that we are prepared either way to *serve a world in need*.

Yours in Lionism,

DG Julia

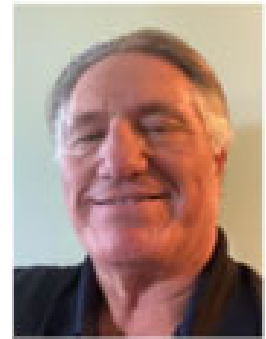

What kind of trouble will the Grapes get into this year?

Message from District Governor Elect Rocky

Thank You Fellow Lions

Happy April and Spring Time for all us Hoosiers!

I want to give out a shout to all the Clubs that stepped up for the people in Selma and Winchester. I got to see first hand what the tornado did to these communities and the quick response from the Lion's community was nothing less than AWESOME !

There was significant damage to both communities and I drove to both locations twelve hours after the tornado hit. Folks, there were people already on the ground with meals, water and support. I couldn't be any happier for all the Lions who responded. Our District Governor was calling for information for the emergency grant before the sun came up. IVDGE Jim Dubeansky was up most of that night and was also in the path of the bad weather and he coordinated the delivery of materials. Things happened quickly and the Team put it together. Great Job !

Also, the lady that was paralyzed in Gas City, has a temporary ramp and many Lions Clubs have donated to the installation of the permanent ramp. We are still collecting money for this cause and I couldn't be happier for the response by fellow Lions Clubs who have stepped up.

If you're going to have a fundraiser this month, put out a bucket for either the Tornado relief or the Gas City Ramp, two major projects for Lions to concentrate on.

I'm so proud of our District stepping up.

I THANK YOU ALL.

Yours in Lionism,

DGE Rocky

Message from First Vice District Governor Elect Jim

Hello Fellow Lions:

I hope you're all doing well and that you're all registered and ready for the State Convention at the end of this month. This will be my first time attending so I am ready for adventure and a learning experience. Even better, I get to see everyone again which is always a great time for sure. I know the convention committee has worked extremely hard to make this a fabulous state convention for us all and I thank them for their hard work.

Some of you may have heard, we had a EF3 Tornado hit Randolph County, Indiana on March 14th in the evening around 8:00 pm. It did a lot of damage to several homes in Winchester and some in the Union City area. It had wind speeds of 165, so it was really close to being a EF4 Tornado. Selma, Indiana had a separate tornado hit them that night. It was an EF2. There were no fatalities, thank God, but a lot of homes destroyed and businesses gone. With the help of our District Governor Julia, we worked together and were able to obtain an LCIF disaster grant for \$10,000 for Randolph County Tornado Relief assistance. Plus all the Lions clubs in the District 25D area that brought donations to Union City Lions club as we were the housing club for donations for the Lions. I was the person on the ground, taking stuff back and forth to the donation site. The area of the tornado strike was restricted as a Red Zone, meaning there was no entry. But being a Homeland Security person I was allowed in and out. I was communicating with the officers in charge of what was needed as donations and spreading the word.

I kept our District Governor updated as needed on the progress, what was needed and how things were going when we received a semi with 10 pallets of products for the tornado relief assistance. The pallets were broken down by a group of Lions from Union City and Saratoga Lions. They loaded up and took items to the staging area in Winchester.

This all just shows that all of us Lions are stronger than people realize and that we're here to do one big thing and that is SERVE our Community. We help where we can. And that we did. I say thank you to all that donated and brought stuff to Union City, it was very busy time for me but I survived it and I did it with Lion Pride every moment.

I ask if I would've done anything differently, no. I've got the best support troop in the world behind me and they are called the Indian Lions. We serve our community with Pride, no matter what. We're here front and center to serve.

The Big Eclipse is coming April 8th and the Union City area is in a perfect viewing area so anyone wanting to watch the eclipse - come on over I have room at my place to watch it!

My new adventure as the upcoming First Vice District Governor is approaching and I am ready to be there to assist our incoming District Governor Rocky with whatever I can do to help him. I have a lot to learn in the new year and I want thank our District Governor Julia! She's been an outstanding District Governor and a friend to me. It seems like we've been through a lot the last few weeks but we survived. She is a good leader and explains stuff, which helps a lot when you're a new and learning 1VDGE.

Sorry my message is so long this month, but I wanted everyone updated on the tornado information and again, THANK YOU!

1VDGE Jim Dubeansky

GMT/GET—Global Membership Team and Global Extension Team

Greetings to all Lions of 25-D!

Well, we may be out of March, but the basketball madness continues with the Final Four.

I love this time of year as 64 (66, 68, whatever it takes) teams vie for the title. All of the fans cheering and hoping that the underdogs will take down the higher seeds or that the higher seeds to win and move on or just that their favorite team will do well! This time of year, I become a fan of all of the Big Ten teams, even Purdue! It is a great adrenaline rush but all too soon it is over.

How does this relate to Lions (you know, it seems I get that question every month!)? I would say in reverse. We start small, maybe one person or one club. We don't compete to eliminate each other, but build so there are two, then four, then eight, then...well, you get the idea.

Over the last one hundred years, we have grown to cover the world. Do you realize that at any moment of the day, there are Lions somewhere on the planet doing service for others?!?

The main thing we are missing is the fans and the applause. But know that you do have fans and people cheering you on. There are people whose lives you have changed and they appreciate it.

So give yourself a standing ovation and be proud of what you do as a Lion! The world is glad we are all part of the ever-expanding Service Madness (I just coined that!).

Past International President Frank Moore III

J. Frank Moore III, of Daleville, Alabama, was elected as international president at the 2001 convention in Indianapolis. Past President Moore is an educator by profession and a former superintendent of education for the Daleville City Schools in Daleville, Alabama. Past President Moore has held key leadership positions in Lions International including the office of Executive Administrator and Secretary of the association from 2017-2021. He served as chairperson of the Centennial Action Committee, as LCIF vice chairperson of Campaign SightFirst II, and as vice chairperson of Campaign 100—the most successful fundraising initiative in the history of the Lions Clubs International Foundation. Past President Moore has received numerous awards in recognition of his service to the association, including the Friends of Humanity Award presented by LCIF and the Ambassador of Good Will Award. Past President Moore is an LCIF Humanitarian Partner. In addition to his Lions activities, he is a member of the Army Aviation Museum Foundation Board of Directors, the Friends of Fort Novosel, a lay speaker in the Methodist Church, and a former chief executive officer of the Association of the United States Army. Past President Moore and wife, Rita, also a Lion and progressive Melvin Jones Fellow, have two daughters and a son—who also are Lions—and seven grandchildren.

Harness the Power of Leadership

Lion Beth Slade, Director of Philanthropy for Lions Engagement, Michigan

Get ready to dive into the world of leadership in a fun and interactive way. You will learn how leadership is a bit like training guide dogs, and how it is all about building trust, giving recognition, and empowering others to provide service. Don't miss out on this chance to learn and have fun as we Harness the Power of Leadership together!

Global Membership Approach (GMA) for Clubs

Jeff Kozicki, Noblesville Lions, 25-D Global Membership Coordinator

The Global Membership Approach is a proven method to lead your club into greater recruiting, more new members, and membership retention. After using SWOT analysis (strengths, weaknesses, opportunities, and threats) of your club, club members select strategies to accomplish the membership goals. This session will go through this analysis of a club.

2024 NEW Charity Gaming Rules

Mark Mason, Assistant Director, Indiana State Gaming Commission

Will your Lions Club be conducting raffles, bingo, or other gaming activities as fundraisers to support your charitable contributions to humanitarian needs? If so, you need to attend this session on the updated and newly enacted laws and regulations in 2024 governing charity gaming in Indiana. This session will help you stay on top of these laws and how they affect your club, what forms and fees that you need to complete, and other requirements that may even involve modifying your club's constitution and by-laws.

LCIF: A Celebration of Impact in MD-25 and Legacy Gifting

Robert Kanonik, Lions Clubs International Foundation

The dedicated service and humanitarian spirit of the Lions of MD-25 (Indiana) continues to help change lives for the better. Throughout this presentation you will hear about the impact LCIF-funded Lions' service has made throughout MD-25 and worldwide. A special focus on the recently introduced Lions Legacy Society where you can make a difference by leaving a tax-free gift to Lions Clubs International Foundation upon your passing. As there are many options available, IRS regulations, and legal requirements to do this, Mr. Kanonik, an attorney and estate planner, will discuss the options and how you can leave your gift of all or a portion of your estate to LCIF. Giving to LCIF will demonstrate what we can accomplish when we unite for good and ensure that whenever there is a need, there will always be a Lion.

Parliamentary Procedure for Lions Clubs

PDG Patrick Rodriguez, Sr., District 25-A Parliamentarian

Keeping order in club meetings helps maintain harmony in membership and in getting the business of a club accomplished. Using Roberts Rules of Order and other club governing documents will assist in maintaining order.

Staying Cyber Safe While Traveling

Traditional vacation season is upon us. Maybe you're going out of the country or staying close to home. Wherever you go, it's certain that you'll take along a device that needs access to the internet. That means staying safe while traveling and while online.

Be overly cautious when using public Wi-Fi. Public Wi-Fi, including the free internet at coffee shops, hotels, and airports is often targeted by hackers just waiting for you to connect. While these locations try to protect your online security, don't blindly trust them. They often don't have cyber experts constantly monitoring security updates and threats.

Below are a few tips to stay safe when accessing public Wi-Fi.

- **Activate your Virtual Private Network (VPN).** A VPN will encrypt your data between endpoints so that it's unusable by hackers.
- **Access only password protected sites.** When scanning for networks, a secured network will have a lock icon by it. You're still not 100% secure, but your odds will be higher.
- **Ensure the Wi-Fi you're accessing is the Wi-Fi you think it is.** Cyber thieves may create an evil twin that looks like the official connection. For example, Hotel-Router looks a lot like Hotel-Routers, but only one is the official access point.
- **Never bank online through a public Wi-Fi.** If you must, always have a VPN activated. You also can use cell instead of Wi-Fi. Cellular connections are inherently built with more security than Wi-Fi. Data rates will apply when using cellular connections.
- **Never, ever use a USB cord to charge your device through a public charging station.** Always use the device's charging block and an electrical receptacle.

Though this isn't about security, if you're traveling outside the country contact your carrier to ensure you have international coverage turned on. You can turn it off when you return. Your wallet will thank you.

Stay safe and enjoy your time away.

PDG Dan Wilcox
25D IT Committee Chair

Musical Notes—Lion George Smith

“A Lion giving a speech. . .shouldn’t ask for a donation” Did you know? “It’s bad luck to be superstitious” - “No matter where you go, you’re there” Jimmy Durante always said, “You gotta start off each day with a song, Even when things go wrong”

Now then I’ve got your attention fellow Lions, I am the music information Lion for our District 25-D Governor Julia Kozicki. Past local, district, state and International organizer/pianist and a member and PP of the Anderson Noon Lions. Gov. Julia is bringing back singing into each club as she visits.

Now we must bring pianos back into each club to create more joyous sounds and enthusiasm. For years I took my Hammond organ to each club around Indiana and other states and International Conventions to make sure we had joyous merriment. Members of my club were in attendance at the 25-D convention held in Noblesville and each Lion belted out each song. Lion Jeff Kozicki used sound tracks for the music and the enthusiasm was like ‘Old Times’

We must feel from the inside out and ROAR Lions ROAR to understand that true victory happens in your Lions Den. Each one of us can be that cheerleader to spread enthusiasm amongst us. Don’t be timid about shouting to the world that we are proud Lions and that “We Serve” humankind everywhere. We are the largest service organization in the entire world. When you are either a participant or in the stands of a sport event no one yells “We’re number two!” Everybody says, “We’re number one!” I played the bass drum and cymbals in all games at Shortridge High School in Indianapolis. I know what was said and it was not defeat!

Never underestimate the impact of Lions motivated by loyalty to Melvin Jones in 1917 when a group of fellow men sitting around a table at a luncheon in Chicago, Illinois agreed with him that a club was needed to serve people all over the world who were, even then in need. Making a difference enriches our lives and adds an element of satisfaction and yes, adventure that other activities cannot match. I know from experience, not just writing a page in the District Governor’s newsletter that you can’t keep both feet firmly planted on the ground and get anywhere! As my saying was voted a few years ago at a Lions convention, “Lions, We’re On The Grow”. We can’t wait on the other Lions to jump up and make a difference . . .YOU are that fellow Lion!!! ID Ron Keller our speaker from Ohio knighted me with a title during his speech at the 25-D Convention. What was the title? You should’ve been there, by George! Now let’s ROAR Lions ROAR and Bite-em!

Noblesville Lions Club Welcomed Speaker on “Trust”

On Wed, March 27th, the Lions welcomed Robby Slaughter who highlighted the evening with his comments on “Trust.” He spoke on how Trust is basic for all that we do. And these days, Trust is down in government and many other areas. Two of the main areas needed for Trust are Consistency and Honesty (saying and doing the right things). A lot of details were covered that explained these areas. Being Lions in the public eye, this subject kept attention.

On April 8, 2024, Randolph County will be in the direct path of totality for the Great American Eclipse. The center line of totality will move through the county passing about a half mile south of Union City. The sun will be completely blocked for about 4 minutes. How many people will come to the county to view the eclipse is anybody's guess, but the committee is planning for many visitors.

After the recent tornado in Randolph County, IN, Lions 2nd Vice District Governor, Union City's Jim Dubeansky applied for and received a \$10,000 Lions Club International Foundation grant for disaster relief. The grant was awarded and used to purchase needed materials for Randolph County. The materials purchased included plastic storage tubs, construction safety helmets, disinfecting wipes, and work gloves. The supplies were delivered to Union City and distributed to some families around Union City and to Winchester to be used there. The Union City Lions, with help from the Saratoga Lions Club, unpackaged and took the supplies where they were needed. Thanks to LifeStream for allowing us to use one of their vehicles.

Westfield Lions Help Prep for Post Office Food Drive *Club Members Fold 1000 bags for Postal Carriers*

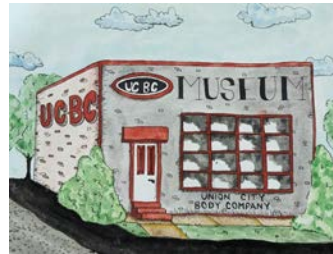

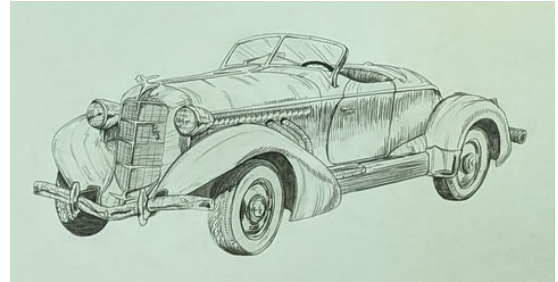

At the Westfield Lions Club's March 21st meeting the members spent time folding 1000 plastic bags that will part of the upcoming "USPS Stamp Out Hunger Food Drive" event that benefits the Open Doors Food Pantry. Over the past few weeks, Open Doors has been utilizing people in the community, along with the Westfield Lions Club, to fold approximately 60,000 plastic bags that will be delivered to homes by postal carriers around the Westfield/Carmel area. A post card will be attached to the bags that explains what the event is all about and encourages the public to put non-perishable food donations in the bags and leave them at their mailboxes for the postal carriers to pick up. The collection date for the food bags May 11th.

Union City Lions Club

The Union City Lions Club met on Tuesday, March 26, in the Union City Community Room. The members were served a meal of sandwiches and soup prepared by Diana Dubeansky. Union City Lion and Vice District Governor Elect, Jim Dubeansky, reported on the disaster relief grant that was applied for and used for tornado victims from Union City and Winchester. Jim reported that the materials received were distributed and that more help was arriving from around Indiana. The program was presented by UC Lion David Lenkensdofer. David is working on the beginnings of a Union City Body Company Museum. A building was donated to the Union City Development Corporation and the work has begun to develop that site. David showed the club a watercolor picture depicting the future museum painted by UCHS art student Sylaris Denney. There were also other pictures and pencil drawings that showed some of the vehicles made in Union City, including the earliest Auburn Cord Duesenberg. Over the years the Body Company built school buses, theater chairs, buses, and delivery trucks. The company changed hands a few times and today, known as Workhorse, is building all-electric delivery trucks.

Miracle League Pancake Breakfast Raises \$3500 Westfield Lions & WHS SOS Club Pull Off a Big Win

On Saturday, March 23rd, the Westfield H.S. SOS Club and the Westfield Lions Club held their second annual pancake breakfast at the WHS cafeteria. This year's event raised \$3500 for the Miracle League of Westfield – blowing away last year's donation of \$2500.

The SOS Club students cooked pancakes and sausage, staffed the serving line and drink stations, and operated a face-painting table (all with a little help from the Westfield Lions). The students also took an active role in promoting the event and soliciting sponsors.

At the beginning of the 2023-2024 school year the SOS Club set up a meeting with the Westfield Lions Club to discuss ways to work together to serve the community. At the meeting, the students and their sponsor, Megan Springer, made it clear that they wanted to hold another pancake breakfast to raise funds for the Miracle League (last year's recipient of the breakfast proceeds). They set their sights on beating last year's number and spent considerable time planning and prepping for this year's breakfast.

The turnout at the breakfast was phenomenal – about every sports team at WHS showed up in mass. The various school sports teams even had a competition to see which team could get the most players to attend the breakfast (the girls softball team won).

A special note of recognition should be given to the Westfield food services department for their assistance in making the breakfast a big success. Paul Sherrer, Director of Food Services, made sure the event went off smoothly. When it was discovered there were some significant last minute logistical problems that would jeopardize the event, he said he'd do whatever was needed to enable the students to hold the breakfast – and he did.

The Westfield Lions and the WHS SOS Club would also like to thank the sponsors of the event – the City of Westfield, Mark Heirbrandt, Busby Eye Care, Sobczak Construction, Compass Realty, Indy Eye Care, EPYK Realty, Sunshine Pediatrics, Heartland Growers, Lazar Insurance, and Chuck Goodrich for Congress. Without their support the breakfast would not have been as successful as it was.
