The member and club data is actual for the month of July. The LCIF and Club Participation Data is a representation of DG Dan’s goals. It takes time for the projects to report out the donations they receive from the clubs. The participation graph will be active in the September Newsletter.

7 Simple Words *Are you familiar with the Lions Club?*

Using these 7 Simple Words is an excellent way to break the ice with someone and open the door to sharing Lionism with someone new.

I often use these 7 Simple Words on a plane, while selling raffle tickets or working a Lions event. Some people ignore me, some people give me a polite smile and keep walking, some people stop and tell me a story about their knowledge of Lions and some people will stop and want to learn more. I always have a business card on hand to pass along. I ask this question of anyone regardless of where they live; they can live down the street or in Florida, Oregon or Mexico.

The main point of these 7 Simple Words is to spread knowledge of Lionism to many people who have little to no knowledge of what we do. I have used these 7 Simple Words hundreds of times; I have also sponsored 26 members of the Carmel Lions Club. I would say there is a direct correlation.

Ask this question the next time you meet someone new.

A theme I will be visiting a lot this year is change. Change can be hard and some people do not like change. A simple fact is Lions Clubs MUST change to be viable in the future. More to come.....

Noblesville Lions Club Cooking for Senior Citizens Center

On Saturday, July 20th the local Lions Club did cooking for the Senior Citizens Center. The Seniors were celebrating their yearly picnic and asked the local club to cook for them. The seniors brought other covered dishes. After enjoying the meal, the seniors were entertained by Elvis (Roy Renolds) with songs from the past!

August Newsletter – Thoughts from DG Dan

The 102nd Lions Clubs International Convention in Milan, Italy is over. Lion Tammy and I are back in the states after having spent a few extra days in Venice as well. We're happy to be back. Now it's time to get to the business of Indiana Lions.

Indiana Lions have many challenges ahead of us. Certainly, growing membership in the district and state is of primary importance. More members means Lions can increase service. The issues we face in attracting new members are similar to other organizations. But, we're Lions. We have unique Lions Clubs each with unique interests and projects. Surely, there is at least one Lions Club in our district that would appeal to a variety of potential members.

By the time this newsletter is distributed, I hope to have found that you were with us in Westfield at the first District Meeting of the year. If you missed it, there will be others. In October, we're meeting at the Tipton Lions Club and will have a Halloween theme. I promise, it will be fun.

One other event that needs emphasis is Banner Night, which is Saturday, October 5, at the Russiaville Lions Club. Come to enjoy Lion fellowship, entertainment, and a great meal. Details will be coming out soon.

Don't forget to reach out to me for an official District Governor visit to your Club. My calendar is filling up fast, but I can always make time to visit your Club.

Thoughts from Mike Imbler 1st VDG/GST

Hello 25-D Lions,

WOW, Isn't it GREAT to be a LION?

Lions are the largest service organization in the WORLD.

Think of all of the community events that our 25-D District Lion clubs do in their communities. Without these clubs some communities would not have a baseball diamond, soccer field, school eye screening, eye glasses for the needy, food pantries, scout troops, Easter Egg Hunts, Christmas and Thanksgiving baskets, school scholarships, free lunches for seniors. The list goes on and on. Every Lions club meets the needs of their community.

We LIONS have the best keep secret in our communities?

One of DG Dan's goals is to increase our service in our communities. We can do this. Why do we need to increase our service? So we can serve our communities better. In each community there are many other projects we can help with, but we need more LIONS to do these events. Just think if your LION club had ten more members what your club could do in your community? To do more service

we need more LIONS. Here are ten ways we can use to increase our membership so we can increase our service:

ASK SOMEONE TO JOIN

Bring a guest to a meeting

Invite family members to join

Have a special guest day

Make some meetings a social event

Provide guests with free meal

Wear your club pin

Have a booth at a fair or festival

Invite a friend to help on a project

Have FUN at your meetings

Don't talk membership, talk about SERVICE to your community.

Remember "WE SERVE"

Isn't it GREAT to be a LION

The **Kokomo Area Lions Club** presented a check for \$1,000 to Major Gary Cook of the Howard County Sheriff's Department. The money was to provide K9 Ballistic Vest for the K9 dog, Fero, a new officer in the Sheriff's Dept. Pictured Left to right Mike Farrington, Alan Harnish, Becky Farrington, Jayna and Elizabeth Hillis (granddaughters of Lions Mike and Rebecca Farrington).

Anderson Noon Lions Club received an **ILCF matching grant** to purchase Buddy Benches for Anderson Elementary Schools. The students collect plastic bottle caps that are recycled into benches.

What is a Buddy Bench, you ask? Children can decide to sit on a Buddy Bench during playtime, which signals to other children that they would like someone to talk to or play with. It's a piece of playground furniture that has the power to promote inclusion and empathy.

As part of the City of Westfield's "Trail Ambassador" program. The **Westfield Lions** picked up trash along Union Street from SR 32 to Cool Creek Park (approximately 1.5 miles). They were able to collect about 25-30

lbs. of trash. They discovered that it significantly improves Lion participation if they are provided free coffee and donuts prior to the work being done. It helped get quite a few Lions out there (including our illustrious DG Dan Wilcox!)

Other clubs take note!

INDIANA LIONS SPEECH AND HEARING, INC.

"I am just as deaf as I am blind. The problems of deafness are deeper and more complex, if not more important than those of blindness. Deafness is a much worse misfortune. For it means the loss of the most vital stimulus - the sound of the voice that brings language, sets thoughts astir, and keeps us in the intellectual company of man..." Helen Keller
