

District 25-Digest - March 2023

District Governor Eric Schuman

TOGETHER...WE CAN SERVE MORE!

LOTS GOING ON!

We're in March and with it comes lots of upcoming events as we all prepare for spring and summer.

As we watch a new Muncie Lions Club get formed, let's all remember to bring new members into our own clubs as well. This morning, LCI showed our District down only 12 members. We've gained from last month so let's keep it going! And a big well done to our team working on Muncie. 1st VDG Julia and GMT Jeff Kozicki, MD25 GMT Charlie Short, PDG Steve Holtzleiter and PDG Betty Weist are all doing a great job. Let's get it chartered soon!! J

April 1 is our District Convention! I hope to see many of you there that I've met over this past year as your District Governor. Registration opens at 9am. We promise to have lots of fun and there will be a silent auction, 50/50 raffle, good food and let's not forget the address by International Director Allen Snider (along with his wife Lion Susan) from Niagara-on-the-Lake, Ontario, Canada. The registration is included in this newsletter again so get 'er filled out and sent in.

I'm getting down there on my official visitations. According to my count, I only have 8 left to do, and I'm having loads of fun doing them.

Then from May 12-13, we have our Multiple District 25 (state) convention to be held in Bloomington. This is one you don't want to miss because our keynote speaker from LCI is none other than our International President Brian Sheehan from Minnesota! Lots of camaraderie, auctions, education, good food, and much more going on.

It's also getting to be donation time for most of our clubs. Remember all 6 of our state projects and LCIF. They all do good and needed work and your club's donation is most important to them.

And most importantly, our own club's service projects and fundraisers are starting again. Get out there and volunteer to help. You'll be helping not only your club in terms of manpower, but also the less fortunate of your community that we serve.

As I say in my official visit to all clubs... remember "Together... We Can Serve More"!

DG Eric Schuman

From FVDG Lion Julia Kozicki:

Lions of 25D,

One of the ways to show appreciation for others is through acts of service. As Lions, service is the name of our game, so this is always a great opportunity. We can show our appreciation for our communities through opportunities to serve such as picking up trash, planting trees or maintaining the parks and ballfields. We can show appreciation for our members by serving them when they are in need, whether that is bringing food or pitching in around the shop.

As a part of District Governor Elect training, all 750 First Vice District Governors from around the world were broken into small groups to develop new service projects. Whether the project focused on vision, diabetes, childhood cancer, hunger or the environment, we all thought of new ways to recognize the challenges in our communities and around the world. When we all came together in St Charles in February, we learned from each other how to serve more and appreciate our strengths and opportunities.

In April, I invite Lions across District 25D to join me in an act of service for our communities as we work to build up the strength of our district. On April 22, PDG Dave Wineman of Michigan, our outgoing Global Action Team Area 1 Leader, will be leading a Zoom discussion on setting the vision and goals for our district in 2023-24. I would appreciate your participation, and even more your hopes for Lions in the coming year, as we gear up for another great Lion year of service. Zoom link and details are here.

Yours in Lionism,

FVDG Julia Kozicki

Needed for 25D District Convention

Please consider bringing items for the silent auction at the 25D District Convention. The proceeds will go to Indiana Lions for Leader Dog, Inc.

One of our Lions is...

...in need of a community. Which may sound like an odd statement, as all of us have been part of many communities in our lives. However, I have been reading a remarkably interesting book lately. It is called "Younger Next Year" by Crowley & Lodge. One of their main points is there is a significant difference between aging and decay. We all age, but we can do it while living a great active life and avoid the steady decline that too many think of as "natural aging".

At this point, I am sure you are asking, what does this have to do with Lions and the topic of community. The answer is, they talk of three key factors in living a long life well: diet, exercise, and involvement in a community. This third point is as important as the first two. Involvement in a community that is doing something positive and interaction with other people doing positive things can improve our health because we are living a more fulfilling life. This sounds like Lions to me. And while this may not be a great opening line for talking with prospective members ("Hey, did you know Lions live longer?"), it is something to keep in the back of your mind. Our getting together and serving the community we live in or even just our getting together has a positive impact on us. And that sounds like a great service we can all be a part of without even realizing it!

As always, thank you! Thank you for being a Lion. Thank you for the service you give to your fellow Lions and to your community in so many different ways. It is needed and appreciated.

P.S. Keep your calendar clear for April 22nd. There is a special event coming that is for EVERYONE in the District. More details are coming soon.

Plan on attending the 25D District Convention on April 1st

The 25D District Convention is being held at Greentown Lions Club on Saturday, April 1st. The doors open at 8am and there will be donuts and coffee! The meeting will begin at 9am. Lunch will be served at noon. See page 25 of this newsletter for more information and how to register.

Notice: All balances must be paid to LIC, MD25 and the District in order to vote at the convention.

3rd Cabinet Meeting

The third cabinet meeting for the 2022-2023 Lion year was held at Tipton Lions Club on February 4th. The meeting was well attended by Lions from throughout the District. The evening included a wonderful dinner and productive business meeting.

Lions Clubs International

Dear Lion Leader,

Lions International has been made aware of the increasing number of phone, text, social media and email scams. Most recently, fraudulent invoices have been sent to clubs by scammers requesting payment for products delivered or services rendered.

Be aware of scams that fraudulently use the Lions Clubs International, Lions Clubs International Foundation (LCIF), the International Association of Lions Clubs or other variations of our organization's name and logo. These types of scams are designed to trick people into revealing personal and financial information about themselves, which can then be used to commit identity theft, but they often misspell the name of the organization.

If you receive a suspicious mailing, email, text, check or social media message, please follow these guidelines:

- Do not reply, open any attachments or click on any links in the message.
- Be wary of any offer to accept a check or money order in an amount greater than you are owed or requests to return money to the check sender.
- Look carefully at every invoice and compare it to previous ones received that you know to be genuine – particularly the bank account details, the wording used and association name and branding.
- Do not immediately cash an unexpected or surprise check. Do not deposit it unless you are expecting a check and you are absolutely certain it is meant for you.
- Do not pay upfront for a promise like a grant, debt relief or financial assistance.

If you have any doubts about whether a Lions International or LCIF communication is authentic, you should contact us at privacy@lionsclubs.org before you act.

Fraudulent "scams" are increasingly common in our digital world, so it is important to remain vigilant. Read [How to Protect Yourself from Scams](#) to find more information on the steps you can take to protect yourself.

Regards,

David Kingsbury

Anderson Noon Lions Club

Zone chair and 1st VP Lion Jean Stiers, from the Anderson Lions Club, received a Key Award for recruiting 2 Lions. Presenting the award, from left, are PDG Steve Holtzleiter and President George Smith.

Carmel Lions Club

As part of February—American Heart Month—the Carmel Lions Club hosted Marv from the Noblesville Chapter 350 of Mended Hearts. Marv talked about how AEDs can significantly increase the survival rate of sudden cardiac arrest, AFIB, and congestive heart failure. Mended Hearts helped the Carmel Lions Club purchase an AED at a discounted price. The Club is working on making sure it is fully functioning and then we will mount it on the wall where it can be assessable by everyone. 700,000 people die each year from something heart related. The Noblesville Mended Hearts meets once a month at Riverview Hospital with a meal and speakers. See the next page for more information.

Carmel Leos Club

During February, the Carmel Leos had a guest speak from Prevail to talk to them for Teen Dating Violence Awareness Month. They also worked with the Zionsville Leos for a greenhouse clean-up at Watch Us Farm.

Carmel and Noblesville Lions Club

On Thursday, February 16th, the Noblesville and Carmel Lions joined forces to help Gleaners distribute food at Six Points Church in Sheridan. It was a chilly evening, although the fellowship made it warm!

Elwood Lions Club

The Elwood Lions Club recently donated to the Elwood Public Library for woodworking books in memory of Earl Watson.

Shown are the books which range from children to adult levels.

Greentown and Russiaville Lions Clubs

The Greentown and Russiaville Lions Clubs have been busy doing vision screenings. The photo here is of members of both the Greentown Lions Vision Screening team and Russiaville Lions who did screenings on 3rd and 5th grade students on February 15th at Kokomo's Pettit Park Elementary Technology Academy.

Greentown and Russiaville Lions Clubs

Members of the Greentown and Russiaville Lions Clubs joined forces on February 23rd to perform vision screenings at Kokomo's Boulevard Elementary School. They screened 3rd and 5th grade students. These vision screenings are done in a great partnership between Project Access Volunteers and Lions from Greentown and Russiaville Clubs.

Noblesville Lions Club

This past Wednesday evening the Noblesville Lions Club hosted Dr. Daniel Hile, Noblesville Schools Superintendent. The evening was also the club's Valentine Night entertaining of spouses or significant others.

Dr. Hile was guest speaker, and outlined his past experiences as Teacher to Superintendent. Two added things the school system is adding are the "Connect Newsletter" and monthly "Newsletter" by email. Dr. Hile pointed out that our school system has 10,519 students, with over 50 different home languages spoken. The school system has over 1500 total employees including 700 teachers. Dr. Hile also discussed the many accolades the school system has accomplished.

Noblesville Lions Club

This past Feb 13th and 14th the Noblesville Lions Club provided members to assist Adriene's Flowers in making Valentine Day deliveries. Each year Lion Steve Craig provides the Lions Club with a donation for their help in making flower deliveries for Adriene's Flowers. Lion Steve Craig is the owner of Adriene's Flowers, and also fills in as mascot Stanley the Lion, who is noticed at most of the club's fund-raising events.

Russiaville Lions Club

Congratulations to the Russiaville Lions Club on the induction of 6 new Lions as members of our Russiaville Lions Club. We Lions welcome these new Lions and certainly appreciate seeing our RLC membership grow. We Lions were also pleased to witness the unveiling of our new RLC banner. Several of our Russiaville Lions will be serving at the Western Schools festival this Saturday, Feb. 25, afternoon while watching some of the Peru Circus performers.

I had a phone conversation with Mr. Andrew McKean who is the President of "Liberty Lives Forever" - a nation wide NPO focused on the goal of helping USA students (Middle & HS grade levels) become more knowledgeable about our US Constitution and our form of US Constitutional representative government.

Andy McKean told me he has been invited to a conference of Indiana Social Studies teachers, scheduled for **Friday, Feb. 24th** in Indianapolis. This is a link to information about proposed IN 6th grade civic standards which could potentially expand the scope of the Indiana Lions "Liberty Day" audience (currently 8th & 11th grade students) to also include 6th grade students.

Lion PDG Bill Willis and I have promoted various Lions Liberty Day assemblies in several Indiana schools over the years. Neither Lion Bill Willis nor I are available to attend this Social Studies Teachers conference on Feb. 24th. Andy is seeking assistance from some Indiana Lions, who may be familiar with the Liberty Day assemblies, and who could assist him at his "Liberty Lives Forever" display table at the conference. It has been a busy month for the Sheridan Lions Club. Members welcomed Indiana Lions Club District Governor Eric Schuman at its Jan. 18 meeting. He urged the group to continue service to the less fortunate.

"Together we can serve more," Schuman stressed.

Before he left, the Sheridan Lions handed Schuman six checks to benefit the following state projects and foundation: Indiana Lions for the Indiana School for the Blind and Visually Impaired, Indiana Lions Speech & Hearing, Inc., Indiana Lions for Leader Dog, Inc., Lions Cancer Control Fund of Indiana, Inc., Indiana Lions Foundation, and Indiana Lions Eye

Bank/Vision.

The Sheridan Lions also enjoyed other guest speakers at later meetings, including the town's new police chief, Tony Craig.

The group is now preparing for one of its most popular fund-raising events: the annual Mark Sims Memorial Pancake Breakfast. This year's breakfast, which will be Saturday, March 11 at The Community Center, is

open to everyone and the price is right. A complete breakfast is just \$7 per person and children aged 8 and younger eat for free.

Sheridan's Community Center is located at 300 E. Sixth St. Tickets can be purchased at the door.

The breakfast menu consists of biscuits and gravy, pancakes, eggs, sausage, orange juice, coffee, and milk.

Union City Lions Club

The club welcomed three prospective new members to the meeting who were visiting for the first time and some guests from our Indiana Lions Zone and District. FVDG Julia Kozicki spoke for a few minutes and emphasized that working together for service makes for an enjoyable time. Julia also presented Union City Lion, Curt Brooks, a 30 Year Service Chevron. SVDG Rocky Simpson gave the club this bit of advice: If you want to be happy for 1 hour - go to a movie; if you want to be happy for 1 day - go to an amusement park; if you want to be happy for 1 week - go on a vacation. But if you want to be happy in life - give yourself to others. Also in attendance were our Zone Chairman, Jeff Manning from the Saratoga, IN Lions Club, and Anita Hines, secretary of the Saratoga Lions Club.

Union City Lions Club

Amy Roessner, Third Grade Teacher at Mississinawa Valley School, and Brody the Therapy Dog, made a presentation to the Union City Lions Club Board of Directors on Tuesday Feb. 21.

Mississinawa Valley is excited to announce that an Animal-Assisted Intervention (AAI) program is coming to the school to promote social/emotional well-being. AAI is designed to promote improvement in human physical, social, emotional, behavioral, and cognitive functioning. Amy is the handler of Brody, a Bernadoodle, who is being trained to be a Certified Therapy Dog.

The Union City Lions Board of Directors, after hearing Amy's presentation, voted to donate \$500.00 to help with the expenses involved with Brody.

Pictured: MV Elementary Principal, Stephanie Kemp; Amy Roessner; and UC Lions President, Jim Dubeansky; along with Brody, the Therapy Dog.

Union City Lions Club

The Union City Lions Club met for its first regular meeting of February on the 14th, Valentine's Day, in the Community Room in Union City. A meal of lasagna, garlic bread, and lettuce salad prepared by Diana Dubeansky was served to the members present. Tyler Dubeansky presented the program for this meeting. Tyler works for NewPark Resources. The company is based in Louisiana and has an office in Portland, IN. NewPark places Dura-Base mats for companies like AEP to give heavy equipment access to their power poles for replacement or repair. Tyler said the patented mats are made of composite plastic and are rented to companies that need to use them. The mats weigh about 1000 lbs each, are 8 feet by 14 feet in size and are all manufactured in Louisiana. The mats are completely recyclable and when they are worn out or damaged they are sent to Louisiana where they grind them up and make new mats. Thanks for a great program, Tyler.

Westfield Lions Club

On Thursday, February 2nd, the Westfield Lions Club added Cole McCulloch as a new member. Cole was inducted into the Club by Past District Governor Dan Wilcox and sponsored by his neighbor, Lion Jeff Schneider.

Cole is relatively new to the Westfield area and he was looking for a way to get involved and serve the local community. The Westfield Lions' numerous service projects and fundraising events offered the perfect opportunity for him to do this.

Westfield Lions Announce Grants to Westfield Education Foundation

On Thursday, February 9th the Westfield Lions Club, and the Westfield Education Foundation (WEF) made surprise grant presentations to two of the classes at the high school. The Westfield Lions make an annual donation of \$4000 to the Westfield Education Foundation, with \$1000 of it going to the Food & Culinary Sciences (FCS) program, \$1000 to the school's choir program, and \$2000 going to teacher grants for classroom projects.

The Westfield Lions Club has worked extremely hard over the years to develop a strong connection with the Westfield school system. In addition to the annual grants to the WEF, the Lions have supported the students and teachers by providing numerous grants and donations, including to the robotics teams and the "Leader in Me" program, dictionaries for every third grader, and vision assistance for students needing glasses. The WHS Culinary Arts and Choir programs are especially important to us. The WHS Foodies, part of the FCS program (and the Lions' "official caterer"), have provided numerous meals at Lions Club events over the years and Signature Sound Choir entertains the Club every year at the Club's annual Christmas program.

If you'd like to share a past event or an upcoming event at your Club, please send that information and a photograph or two to Lion Christine Woodward at woodward1999@sbcglobal.net. The deadline to appear in the next district newsletter is the 25th of each month.

Does your club have a special event coming up that we should be sure to put on our calendars?

Just send in the event and date and we will be sure to include in the District Newsletter.

WANTED

Pictures and news from your club!

We can't support your club if we don't know what you are doing.

Let's Get Going—Just ASK Someone

Where there's a need, there's a Lion. It isn't a secret that our Lions are getting older. To continue serving our communities, we need to continue recruiting new Lions. All you have to do is ask someone. Do they know what Lions do? Have an elevator speech ready. What is an elevator speech? A short, memorable description of what you or your Club does. Only 30—60 seconds, the time you might share an elevator ride with someone.

If you have a potential new member in mind, but don't know how to approach them—try using the cards attached and give the information to your Club so someone can reach out to that person.

Consider using these cards to present potential new members to your Club

GLOBAL LEADERSHIP OPPORTUNITIES COMING UP IN DISTRICT 25D

As we approach the new Lion Year in just a few more months, it is that time of the year for Club Officers Training and Zone Chair Training. FVDG Julia Kozicki is excited to share her thoughts and ideas for the District with Club Officers and Zone Chairs at both of these events.

On April 23, 2023 there will be a Zone Chair Training session online at 2:00pm. Information will be sent out by IPDG/CC Scott Smith later this month, and reminders will be sent leading up to that meeting.

More importantly there will be a District Club Officers Training session on May 20, 2023 in Pendleton at the Pendleton Public Library located at 595 East Water Street from 10:00am-1:00pm. There is no cost for the event, so come and share ideas and learn more about the job you will be doing for your Club.

Training will cover Club Presidents, Club Secretaries, Club Treasurer's and Club Membership Chairs, but anyone is welcome to attend.

An information flyer will be in the April and May newsletters.

Brian Tracy, a Canadian-American motivational speaker said, "Those people who develop the ability to continuously acquire new and better forms of knowledge that they can apply to their work and to their lives will be the movers and shakers in our society for the indefinite future."

Cancer Control Project Expanding to Address Childhood Cancer

For more than 75 years, Indiana Lions have supported cancer treatment, research, and education through our partnership between the Lions Cancer Control Fund of Indiana, Inc. and the Department of Radiation Oncology at the Indiana University Medical Center campus in Indianapolis. The department serves cancer patients of all ages, but the vast majority of the patients are adults.

In order to better serve pediatric cancer patients in Indiana, the Board of Trustees of the Lions Cancer Control Fund of Indiana, Inc. has voted unanimously to establish a partnership with the pediatric oncology programs at Riley Hospital for Children. We will kick off this partnership with a \$25,000 commitment to support ongoing research by Dr. Jennifer Belsky and her team at Riley to address severe neuropathy experienced by more than 50 percent of the children undergoing chemotherapy.

We look forward to this new partnership with Riley Hospital for Children, even as we continue our long-standing relationship with the Department of Radiation Oncology.

If you would like to learn more about the Lions Cancer Control Fund of Indiana, Inc., please contact one of your district's Cancer Control Fund trustees. Their names and contact information are listed below.

DONATIONS WANTED!

The Indiana Lions State Convention is quickly approaching. The Convention Committee is asking for silent auction items to help achieve our mission of providing relief to those in need. We can use items unique to your geographic locations. Perhaps there are very talented members in your local clubs that love to craft. And...who can't use a spa/relaxation treatment, or maybe a movie night would interest people. Please bring your auction items to the Convention Center. If you know in advance what item(s) you are bringing, contact me and I will prepare a bid sheet.

Thank you in advance.

If you have any questions, please contact Lion Cheri Faulkner at 317-271-3314, via text or voicemail or you can email me at clermontlionlady58@yahoo.com.

ISBVI WORKDAY

ISBVI WORKDAY IS BACK ON TRACK AFTER AN ABSENTS DUE TO COVID.

This is an opportunity to show others our motto WE SERVE.

INDIANA SCHOOL for the BLIND and VISUALLY IMPAIRED will once again start up its annual workday for Lions and anyone that wants to participate. This event is held at the school in the spring on the weekend before graduation. Coffee and donuts along with lunch will be provided. If you want to bring a covered dish to share that would be appreciated. This event is free we will not be asking for donations or hitting you up for funds. All we need is your help to clean windows, pick up grounds, pull some weeds in main entrance flower beds and maybe place some bark chips in playground areas. We give certificates to any college or high school student that helps this certificate will look good on a college application form or job interview resume. Work starts at 8:30 am with registration and donuts/coffee (of course) Work hours 9am- 1pm. Lunch 1pm (provided by the school)

After lunch tour of school for those interested. (This is worth taking)

After lunch Afternoon work session until done or you are worn out.

Event will be Saturday, MAY 20th 2023.

If interested contact your ISBVI District Trustee or contact
