October 2016

Hello again Lions of 25D,

Here we are bringing in the month of October already. Join me in welcoming our International President Chancellor Bob Corlew visiting several stops in our great Lion state as he and Lion First Lady Diane travel through from an exciting and motivating USA/Canada Leadership Forum in the clean and picturesque city of Omaha. The featured speakers were all Lions with outstanding stories and lessons to help bring our association into the next century of International Lions Leadership. I encourage you to attend the next forum in Portland Oregon.

We need your help to reach our No. #1 goal of chartering two new clubs in our district before the rapidly progressing year ends. Our goal is to form a team of motivated Lion's volunteers able to commit a few days to spreading our mission of "We serve" to two communities. We are planning to focus on Muncie and another community. Muncie is important because the district will be hosting the 2018 State Convention there in the Horizon Center and our history is for the sitting International President to be our keynote speaker. Please contact me or Immediate PDG Lion Betty Weist or Lion GLT PDG Kathy Lozier to volunteer in reaching the goal. We will be assisted by a LCI New Club Counselor; this mission will be announced as soon as we have the counselor scheduled. "Success happens when preparation meets opportunity".

Yours in Lionism,

Lion DG Steve Holtzleiter

Minnetrista Display: In celebration of 100 years for Lions International

Lions International and several Lions Club have been doing events in celebration of 100 years of Lions. A little over a year ago, I was appointed the District Historian for District 25D. We had a meeting at the Minnetrista Center a year ago last spring. I had asked at that time, that clubs appoint a Lion from each club to represent your club. It is very important that each club participate, not only to show the Center visitors where Lion Clubs are located, how many people are Lions, what each club does as fund raisers and community service, but to show that you are proud to be a Lion and that your club is proud to be a part of the #1 service organization in the world. **ALL** clubs in District 25D are just as important - no matter their size. Thanks to all team sponsors; these funds benefit the ISBVI!

AND THE WINNERS ARE....

Placing first in the Adult Division is BEN DAVIS LIONS CLUB

2nd place in the Adult Division was Zionville Lions Club. (Are they really adults if they are riding trikes?)

Yazhi was really challenged while at the Trike Race. Trying to ignore children, teens, tricycles and blowing leaves.....it's just exhausting!

Despite the grey skies there was a good turnout and fun was had by all!

2nd VDG's Isabel's Insights

The weather has made a definite change to be more like fall. It is time to be pursuing new activities. Two I would like to mention are Operation KidSight and the Dictionary Project.

Operation KidSight is an eye screening program for preschool children which can detect a number of vision problems with a simple computer "picture" of the eyes. Since eyes are still developing until the age of six, early detection means more effective treatment, especially for "lazy eye". In addition, once vision problems are corrected, the child can learn normally. I have heard from more than

one visually impaired person that, as a child, they did not know their vision was different from others, and they wish their vision issue was detected earlier.

Although the Dictionary Project is an independent organization, many Lions clubs participate. My club gives dictionaries to every third grade student in the local public and private elementary schools. The premise of the Dictionary Project is that third graders are at the stage of switching from learning to read to reading to learn. Having their own dictionary helps them grow their vocabulary so that they can learn more. When I help deliver dictionaries, it is interesting to see children who have a well used dictionary that

had been given to an older sibling. Many teachers appreciate having every child have the same dictionary available.

It has been a busy month for me. In spite of spending more than 8 days with family while welcoming a new granddaughter, I managed to help my club in their meetings and activities. My oldest two grandchildren even helped make cotton candy.

May your Lion's Club be a blessing this fall.

Upland Lions Club

On Wednesday, September 28th, the Upland Lions Club participated in a town celebration for the Torch Relay celebrating Indiana's 200th birthday. The Upland Lions Club served a free picnic lunch to over 600 people including 300 elementary students. The Upland Historical Society served ice cream and cupcakes and the town pro-

vided US Flag for everyone to wave as the Torch passed. Taylor University Students, all the local elementary students, businesses and towns people came out to watch the Torch go through our town. It was very exciting being a part of this historic event.

Upland students release blue and gold balloons in celebration of Indiana's 200th birthday!

Anderson Noon Lions Club

Anderson Noon Lions hosted a delightful Banner Night for DG Steve Holtzleiter at Pendleton Middle School on September 3rd, with over 45 dignitaries and guests participating. Lauren Schaffter provided musical entertainment, and Zone Chair Mike Imbler gave a heartfelt report about how Lions in our district came together in response to the tornado tragedy in Kokomo during August.

Twelve club members participated in roasted corn sales at the Anderson-town Powwow, our second year of participation in this event. We also had members who volunteered to help sell tickets and apply entry bracelets at the front gate.

Five Anderson Club members assisted District 25F in vision screening at Lapel, Anderson and Edgewood elementary schools and Highland Middle School.

Albany Lions News

The Albany Lions assisted with the Indiana Bicentennial Torch Relay Breakfast held at Heartland Hall on the Delaware County Fairgrounds (Muncie, IN). Nancy Carlson, Bicentennial Relay Chair, asked for assistance with a free community breakfast. IHOP provided the pancakes and beverages, Munsee Meats provided the sausage and the ladies from Delaware County Home Extension cooked the sausage links and helped with serving of food. All told, 325 people were served.

President Corlew Tours Updated Canine Development Center

On September 30, International President Chancellor Bob Corlew, First Lady Dianne, PID Esther LaMothe and ID Jenny Ware stopped by Leader Dogs for the Blind in Rochester Hills, Michigan on a tour that began in Omaha at the USA-Canada Forum and will wrap up in Wisconsin. IPC Corlew has visited the campus several times over the years but not since the renovation of the Canine Development Center.

"We are thrilled to have been included on their tour. Leader Dog and LCI have a special partnership and it's an honor to be a part of Lions' 100 year celebration," said Leader Dog President and CEO Lion Sue Daniels.

The group toured the recently renovated Canine Development Center which houses Leader Dog's veterinary clinic, canine villages, breeding center and more. The \$14.5 million project hit

its fundraising goal the end of last fiscal year thanks in large part to the support of Lions Clubs across the country and matching grants from LCIF. For more information on the Canine Center project, visit www.LeaderDog.org.

OFFICIAL VISITS – GET YOURS BEFORE THEY'RE GONE!

Club Presidents, please send DG Steve a list of dates and times your club meets and/or if there are specific dates that are good for an official visit. This would assist greatly with his planning calendar, and ensure your club gets their visit on a preferred date! THANK YOU!

Minnetrista Display, continued from page 2.

To be on schedule, we need to be meeting with the Ms. Gilliam from the Minnetrista Center early in October so she can give **each** club guidance in putting together their club's display. Please appoint a Lion from your club and send the following information to me ASAP: Lion's name, Club name, Lion's phone number and e-mail address.

I would like to get a couple of meeting dates set up with Ms. Gilliam for the convenience of those Lions to meet with her and get the information they need to gather items for their club's display. Some of you have given me items to possibly use for display but we need to get all displays organized and

determine what will be used.

We plan to have the displays up and ready for public view through the months of December, January, February and March. The Center has a lot of visitors through the holiday season and this would be a great opportunity for the Lions to spread the word about what we do. During the Christmas holidays, they even have a couple of days in which they do not charge admission. We could really do a lot on those days.

So.....all of our summer events are now done.....we need to get this important event planned and presented to the public.

Waiting to hear from you.....

Yazhi barking at the door prize!

Lion Katherine Holtzleiter and Future Leader Dog Yazhi at the USA /Canada Forum in Omaha, NB

Greetings Lion Friends!

Yazhi and I were busy in September, exploring new places and experiencing the sights, sounds and smells of fall. DG's banner night was Sept. 3rd, and FLD Yazhi was sure getting the love....she didn't know what to think about the giant stuffed Lion PDG Betty Weist donated as the door prize, and barked at it every time she passed it. After the event, her (working) scarf came off just long enough to get some loving from 25C DG Ross and Lion Jennifer Drapalik's daughter Danielle and PID Doug and PDG Kathy Lozier's granddaughter Katie.

The following weekend we volunteered at the Andersontown Powwow and saw and heard all kinds of music, dancing, drumming and chants, and the smells were delicious, and hard to resist!

The next weekend was the USA/Canada Forum, and Yazhi was a great sport about the car travel and hotel stay, and we walked back and forth to the convention center to burn off enough energy so she could sit through the sessions. She did very well for being less than 4 months old!

Our most recent adventure was Brian's Annual Trike Race at ISBVI, where Yazhi had plenty of practice avoiding distractions (well, for the most part!) She loves kids and blowing leaves, so it was a bit of a challenge. She kept me busy in between posting winning teams on the scoreboard. A fun day for everyone!

Please see the attached UPDATED registration form for the INDIANA LIONS FALL CONFERENCE. Seminars 17 and 18 are added, and Seminar #1 has been moved to a morning session. In order to accommodate that, Seminar 11 has been moved to an afternoon Session.
