Lion Year # 102

The three year Centennial celebration is almost over as I write this. The 102nd year of Lions is about to begin with a FIRST for our organization. On July 3, Lions will induct our first female International President, Gudrun Yngvadottir, who is from Iceland. I am looking forward to hearing more from her.

Time to leave for the District Governor Seminar and the International Convention is almost here, and I am feeling butterflies of anticipation. I am looking forward to meeting Lions from around the country and the world and sharing information and ideas.

Our logo has two lions, one looking back and the other looking forward. The start of a new Lion year is a good time to assess our progress, both individually and as a club. Last year, did your club maintain or increase membership, complete three service projects, advertise your activities on social media, and attend training to improve your club? If so, your club should complete and submit the Club Excellence Award form. See it in this newsletter. If you missed one of the 4 areas, plan to improve in this Lion year and earn the Club Excellence award for 2018-2019. The form is quite easy. Look forward to starting a new service project and a new fund raiser.

This year, I will be encouraging every club to report membership, as well as service projects, every month. Expect to hear me remind you to make the reports. Looking back, 65 % of the district clubs filed their membership report (MMR), and only 23 % reported an activity in April. Looking forward, we can do much better! Reports can be done on the computer through MyLCI or on a smart phone through MyLion. Paper reports have been eliminated, but our district has a person who can help club secretaries and presidents with their reports.

I have already had some wonderful contacts with clubs as I worked on the District Directory. I have two of my official visits scheduled already, and hope to hear from your club soon. Get your date while the calendar is open and the weather is nice.

I am looking forward to seeing you around the bend at meetings and events.

Lion Isabel Atcheson

District Governor 25-D

GREETINGS FROM YOUR 25-D VICE GOVERNORS

Hello Lions of 25D! This is Vice District Governor Dan Wilcox writing to you from the southern reaches of the district. My name may be familiar to you. I was first a District Governor in 2012-2013. That year, Wayne Madden became Indiana's third President of Lions Clubs International at the Convention in South Korea. What an exciting time.

It is an honor to be joining the 25-D District Governor leadership team again. I am even more pumped this time. It is not often that a person gets a second chance to make a difference in the same position. I am looking forward to serving you alongside District Governor Isabel Atcheson and Second Vice District Governor Mike Imbler. We have big plans for the Lions of our district.

SVDG Mike and I have already met with DG Isabel as she laid out her goals and plans for this Lions fiscal year. DG Isabel has designed a foundation for SVDG Mike and me to build on. Together we are working on three and five-year plans to strengthen clubs, increase membership, and enhance the overall effectiveness of Lions Clubs and Lions in our district as they serve their communities.

We cannot do this alone. We need you. We want your enthusiasm. We want your ideas. We want you and your leaders to work side-by-side with us to strengthen our organization. Think outside the box. Think crazy. No idea is silly or wrong.

And most of all . . . plan to have fun, fun, fun. We will be, and you should, too.

VDG PDG Dan Wilcox

Hello Lions!

I want to take a few minutes and introduce myself to the 25-D Lions. I am Mike Imbler. I live in Greentown, Indiana and belong to the Greentown Lions Club. I was born in Kokomo, In. and grew up in a small town in Indiana called Hemlock. I graduated from Kokomo High School. Got a job at the Chrysler plant in Kokomo. Within the first year of my employment at Chrysler I got an apprenticeship and graduated at the age of 22 as a journeyman "Machine Repairman". During my apprenticeship I enrolled at Indiana University Kokomo. I graduated from Indiana University with a degree in "Industrial Management". I then was promoted to a supervisor, draftsman, engineer and senior mechanical engineer at Chrysler's Kokomo Transmission Plant. I retired from Chrysler after 35 years. After retirement I purchased and operated an industrial painting company called "Mid-States Painting Company" for 15 years. Today I own and operate "Imbler Properties", a commercial and residential rental property company.

I joined the Greentown Lions club in 2014. I have been chairman of the membership committee, 3rd VP, 2nd VP, 1st VP, and currently Immediate Past President. At the District level I have served as Zone Chairman in Region 1, Zone A for two years and was on the 2018 Indiana State Convention Committee. In 2017, I received an International President Certificate of Appreciation and a Presidential Leadership Award from International President Robert Corlew for leadership during the 2017 Kokomo, In. tornado. I completed the 2016/2017 Emerging Lion Leadership Institute (ELLI) in Chicago. I have taught "Emergency Preparedness & Disaster Planning" at the Fall Leadership Conference. In 2017, the Greentown Lions Club presented me with a Melvin Jones Fellow award.

I enjoy fishing, reading, and bird watching. I have been married to my wife Brenda for 51 years and have two daughters and one son. We have seven grand children and three great grandchildren. All of them like fishing also.

I look forward to meeting and serving beside my fellow Lions. Together we can make a BIG difference in our District and our communities by serving others.

Thank you.

THE LIONS INTERNATIONAL CONVENTION - 2018

During the International Convention, all incoming District Governors wear a ribbon which shows everyone that they are stepping up to be District Governor. During the last day of the convention, after the new Governors take the oath of office, the ribbons are pulled off. PDG Kathy Lozier pulled now Governor Isabel's ribbon.

OUR NEW 2018-2019 COUNCIL OF GOVERNORS

Indiana has seven districts so there are 7 District Governors and one Immediate Past District Governor who is elected by the new Governors and serves as Council Chair.

From left: Doug Eversole 25-C, Isabel Atcheson 25-D, Ron Bigham 25-F, Council Chair Keith Thomas in grey, Dennis Brown 25-A, Jim Reeves 25-G, Ron Edwards 25-E.
Missing: Alan Arnold 25-B.

Before the Ribbon Pulling, DGE Isabel visited the parade area where groups of Lions from around the world are in native dress. Sometimes the parade lasts 3 to 6 hours. (That is not a typo.)

Keep current with what is happening at the **LionsClubsInternational** page on Facebook.

SHARE THE ROARS

I recently received a message from a secretary who had not received the *ROARS* for a year and didn't know where the Cabinet Meeting is to be held. There are at least three problems here:

1. If you miss an issue of *ROARS*, please contact the editor so the situation can be corrected as soon as possible.
2. Why aren't club officers sharing the *ROARS* in your meetings?
3. Maybe I goofed or there was a glitch in my program which I wouldn't know about until someone tells me they aren't receiving the newsletter.

The more Lions receiving *ROARS*, the more information is being shared.

Thoughts about training and International Convention

What an interesting, challenging, inspiring, tiring week! I arrived in Las Vegas and was taken to the MGM Grand. Quite quickly I learned how large the MGM Grand and Convention complex is! Most of the DG's from Indiana started out by having dinner together at the Hard Rock Cafe which was at least a half mile walk away. Next, we had a chance to have our picture taken with Gudrun Yngvadottir, the then incoming president of Lions Club International.

District Governor Elect Seminar followed with three days of classroom work covering leadership styles, team dynamics, service journey, Lion's image, and more. I had the opportunity to share ideas with Lions from Massachusetts, Connecticut, New York, and Maryland. The seminar was concluded at a Celebration dinner.

Along the way, I learned more about our new president. Although her motto is "We Serve", her theme is "Beyond the Horizon" She reminded us that her ancestors worked together as a team on their boat to sail beyond the horizon. Lions need to work together as a team to gain and retain members, increase leadership development, promote fellowship, and share our stories.

We learned about the new initiative from LCIF. It is called Campaign 100 - LCIF - Empowering Service. More information will be coming in the future. Also covered was additional information about the diabetes initiative. A mother told about her daughter's treatment for type 1 diabetes. A physician reported about a study of an indigenous group which had no diabetes.

Besides the learning opportunities, we had some great entertainment. At the seminar, we enjoyed the singing of the Hall Sisters as well as a troupe of dancers. Saturday was the Cirque Dreams Jungle Fantasy. The plenary sessions included entertainment such as The Rat Pack, and Winona. The Indiana Lions attended the show, Tournament of Kings, as a group.

I have already run on too long, but I have only told part of my experiences at the International Convention.

STATE FAIR ANNOUNCES NEW INCENTIVE FOR WORKING THE GATES

The Indiana State Fair Committee is announcing a new incentive for working the gates. Effective this year (2018 Indiana State Fair) anyone who rents a van/vehicle and transports at least 8 people to work the gates for the Indiana Lions Foundation will be reimbursed up to \$125.00. The feeling is that there are many Lions out there who would work, but do not want to drive by themselves. This would be a great outing for a club or zone, and a quick way to earn credits for a W.P. Woods Fellowship!

The reimbursement would come after the Foundation receives the payment from the fair. All that would be needed would be a copy of the van invoice, the date that the work was performed, and a list of those who worked.

Sign up online to work a shift at the Fair. Pick the date, shift, the Gate and whether to be a seller or ticket taker. IndianaLionsFoundation.org

Working the gate is fun and helps the Foundation, and you can earn credits for a W. P. Woods Fellowship for you or for your club. **Fair dates: Friday, August 3 – Sunday, August 19.** Our **25D designated work days are August 3 and 11.**

ALBANY MAN WINS JEEP AT ALBANY LIONS' GOLF TOURNAMENT

Michael S. McCrady won a 2018 Jeep while participating in the 5th Annual Albany Lions Club Memorial Golf Tournament on Friday, May 25, 2018, held at the Albany Golf Club. He made a hole-in-one on the 14th hole at the Albany Golf Club – an extremely difficult shot. The Mike McCrady team also won the Tournament this year and has been the winner three of the five years this Memorial Tournament has existed. The 2018 Jeep was donated by Bill Gaddis Chrysler-Dodge-Jeep-Ram of Muncie, Indiana. The Albany Lions Club has helped it's community for over 80 years and proceeds from this event will be used to help reinvent Albany's Christmas Lights and support major programs of the International and Indiana Lions Club organizations.

The Strides Walk for Diabetes flyer on the next page is the chance for 25-D Lions to help with the service project of another Lions club in another Indiana Lions District. Two of the reasons for working together is the way to increase public awareness of Lionism in a lot of areas besides gaining more Lion participation.

Why We Need to Fight

Diabetes afflicts individuals, families and communities including those we know and love. The statistics are startling, but we can change them through efforts geared toward awareness, prevention, and treatment.

Lions Clubs International is launching a campaign to fight diabetes like they recently tackled measles and river blindness. With the success of those campaigns they are now launching a fight against Diabetes.

We are beginning the program in Zionsville by initiating a campaign to alert our local community to the dangers of this rapidly growing disease. Please help us by joining us in the park on Sunday July 29th for a WALK or STROLL to raise the awareness of our new initiative.

Attached on the previous page is a flyer with more detailed information. Registration can be completed at www.zionsvillelions.com.

W.P. Woods Chair Reports Inactive Accounts holding Credits and Donations

You may be unaware that you have W.P. Woods credits or donations in an inactive account. An inactive account is one having no activity for five or more years. These credits and donations are waiting to be used for W.P. Woods Fellowships.

The Indiana Lions Foundation Board of Trustees discussed options for these forgotten credits and donations, and agreed to notify account owners or owners' clubs, and voted on the following options for owners:

- 1) Reactivate the account with a donation of \$5 or more;
- 2) Notify the W.P. Woods Chair to transfer the credits or donations to another club member;
- 3) Notify the W.P. Woods Chair to give the credits and donations to your District.

The Trustees will notify account owners, or their clubs, by mail. Credits and donations in accounts not acknowledged by owners or their clubs within sixty days after receiving the Trustees' letters will be transferred to the Districts in which they originated. Accounts of clubs that no longer exist will be transferred to the District in which the club once existed.
