PROUD TO BE A LION

As we begin the second half of this Lion Year, I wanted to take the opportunity to talk about the last month of the first half of the Lion Year. As many, if not all of you know, my Mother passed away on December 19, 2021.

From the minute it was learned by many of you that my Mother had passed, I began to receive emails, text messages, phone calls and cards of sympathy. You can't imagine the feeling it gave me to see the outpouring of support during such a deeply personal and difficult time.

Many Lions from around the State came to my Mother's Funeral Service, and I was simply humbled and overwhelmed. District Governor Jeff Locke and his wife, Cabinet Secretary Angela Locke stayed by my side from the beginning of the day to the end.

I mention all of this to tell each of you that this very thing is what makes me proud to be a Lion. This is the second major event during my term as your District Governor that has taught me what it is to be a Lion.

I appreciate each of you, and I again tell you that I will continue to serve each of you to the best of my ability. After all you have done for me, it is the least that I can do to repay your friendship, support and your love.

God bless you, and God bless Lions.

DG Scott Smith

NEW YEAR, NEW BEGINNING

By FVDG Eric Schuman, PDG

2022 starts a new year for all of us.... It also starts a new beginning. A new beginning in so many ways and Lions Club is one of those ways.

Let us all start by re-dedicating ourselves to the ideals of Lionism, namely "We Serve". Our Lions clubs are more than just a club, they are a family. A family that supports each other in serving the less fortunate. A family that works together whether it's at the club, district, multiple district (state), or international level. A family that plays together by enjoying fellowship and fun at our meetings. And a family that brings in new members to continue the traditions of our service to others.

I often wonder - what if this Lions Club lapel pin could speak? What would the LIONS PIN say?

I think it would say - Don't overlook me, Lions - I am the LIONS PIN - right up front here - put the spotlight on me, because I'm proud to play a part in the lives of men and women who wear me as a symbol of their commitment to serve their community.

I'm worn by proud men and women in over 160 countries around the world - I've witnessed excitement - sadness - and happiness - I've been with my wearer as the eyes of a deceased Lion were removed for deposit in the Lions Eye Bank - so that another might see - I was there, too, in Ethiopia, when Lions Food Caravans arrived to feed thousands of starving human beings - fellow human beings - I've seen a Guide Dog instill in blind persons a new kind of confidence as they move about their sightless world - I've seen a Canine Companion make a person's life more complete - I am the LIONS PIN - I've heard the hearts of the retarded pounding with joy when the Lions come to visit - I've seen and heard the joy and laughter of children playing in Lions Parks - or playing on Lions-sponsored teams - Yes, I'm the LIONS PIN - I've travelled all over the world, and I can recall thousands of incidents where sadness was changed to gladness, because those who wear me made it so - I am a symbol of service to the world!

With all that in mind, as you make your new year's resolutions, re-dedicate and re-constitute yourself to give your fair share (and maybe a tad more) towards your Lions Club family. You won't regret it!

LeadeRship

Continuing through the letters of LEADERSHIP, this month's focus is R for Recruitment.

January is the month of fresh starts and new habits. What better time to invite a friend to a meeting and give them a new opportunity? Many folks make resolutions to do more service and become more engaged in their communities. We can help people achieve both goals by inviting them to join our clubs.

As you put away your holiday cards, think about which of your friends you will invite to your next club meeting. Then ask your club secretary or membership chair to have an application ready or a link to the online application on hand. Fortune favors the prepared, so be ready and let's recruit!

Yours in Lionism,
SVDG Julia

IMPROVING CLUB MEETINGS

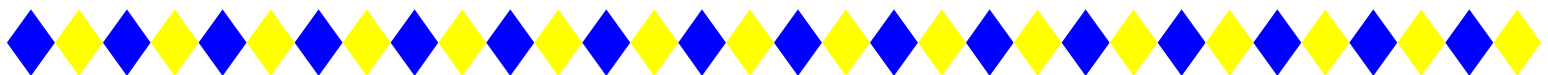

(PART ONE OF A TWO PART SERIES)

By PDG Mary Jane Bodnar

Increase Involvement!

- Share Your Enthusiasm – Attitude is Infectious
- Visit Another Club – Club visitations are a valuable way to strengthen your club and have fun while doing it.
- Share Praise Freely – Important to all members and especially new members is positive reinforcement for a job well done.
- Find the Key to Involvement – It is important to involve each member in the club.
- Use a Member to Give a Program – Have a member present a program or perhaps have a different member plan a program for each meeting.
- Communicate Constantly – Open communication is vitally important to the success of your club. It creates a comfortable, productive environment that will motivate members to do their best.

Preparing for a Potentially Tough Start to 2022

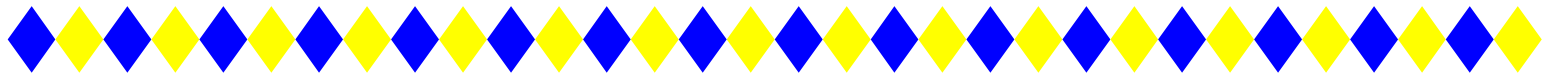

Jeff Larrison, Zone Chair – Region 1, Zone B

For a while during 2021 it felt like we might be on the road to getting our lives – and our Lions Clubs – back to something closer to “normal”. The clubs in District 25D were becoming more active and actually participating in service projects and fundraisers. *We were Lions again!* And then along comes the Omicron variant....

Hopefully we learned some lessons on how to run our clubs during the darker days of the original Covid-19 virus and its nasty cousin, Delta. It was not easy, and it was definitely a drain on our morale as clubs struggled to find ways to hold the members together and, at the same time safely serve our communities. If we learned anything, we learned that our desire to serve is deep, and it will persevere as long as we don't lose focus on how to balance our members' drive to serve with keeping them healthy and safe.

Each of our clubs' leadership need to take inventory on how their clubs functioned (or didn't) during our previous problems with the Covid virus. We can build on the things that worked for us and avoid the things that didn't. We can also draw from the clubs in the District that successfully navigated the earlier problems with Covid. Drive-thru events, low-contact interactions with the community and members, and virtual meetings may need to be considered if we are faced with another difficult round of Covid.

For more help or ideas on what your club can do to maintain the momentum you've regained from 2021, contact your Zone Chairs or District leadership. We are all in this together and we can all help each other through it.

Silent Auction Items Needed

There will be a silent auction at the Mid-Winter Conference on January 22. We are in need of items for the auction. If you would like to donate something, please contact PDG Alan Arnold at 260-216-1101 or email at pamalarn@myfibersolution.com. I would like a short description of the item so bid sheets can be created. Funds raised from this auction will go towards offsetting meal costs for the conference. MyLion Reporting

Global Service Team – Lion Cindy Wright

By the time you get this newsletter, all the club secretaries and club presidents will have received an email from me about filing your service reports in a timely manner. Which means, they must be filed by the 25th of each month so your club's name does not appear on Lions International's "naughty list". I know that time goes quicker than most of us think, but if you would get in the habit to post each of your service projects or fundraisers as soon as it is over, you would save yourself a headache. I have been guilty of this too. But I have worked hard to change my habits and even as much as put a post-a-note on the face of my computer as a reminder.

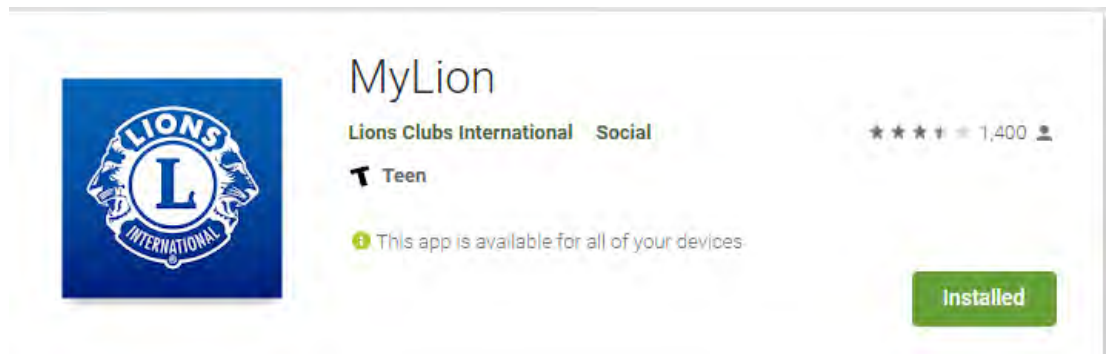

Part of the reason I got behind in filing my reports was that I could not figure out how to get on **My Lion** to file my reports. I'm not real computer literate and it was embarrassing for me to have to contact someone for help. I finally decided to bite the bullet and call for help. You have access to Lion Betty Weist or Lion Linda Tincher, if you cannot reach me. Either of these ladies will be more than glad to help you. Once you have done this a couple of times, it is really easy.

I receive a report each month from LCI informing me of the clubs that have not filed their reports for

the month and how many months you are behind. It is important that LCI has been made aware what your club has done so they will know the programs that have been designed and are working. Your reports are very important so Lions International can let all the clubs of the world plus the world to know what they Lions Clubs are doing as service to people.

Lions Clubs all over the world are very proud to be Lions. They are proud to be the largest service organization in the world. So you see how important it is to get your reports in. If you don't report to LCI, what is the use in doing service to your community at all. Let's live up to our motto "We Serve" and let's let everyone know what your club is doing.

Welcome

Have You Thought of This?

We are going to start providing you and your Club with ideas for service projects and growing members over the next several months. It never hurts to think outside the shoe.

Clubs are always looking for ways to grow and recruit new members. There are many things club members can do in order to attract new members. Here, you'll find close to a hundred viable approaches that one could use in order to recruit more members. If you have any other ideas, add them to this list and share them.

1. Use group email to promote your club
2. Put posters in public areas
3. Ask corporations and employers to sponsor or subsidize membership
4. Have a reward program for those who bring in new members
5. Create more fun
6. Give a money back guarantee—if after 3 or 4 months a new member does not want to be a club member, return their fees
7. Invite the media to cover well known speakers
8. Use word of mouth
9. Network with coworkers, friends, and family
10. Follow up with guests

Helping the place you love, doing the things you love.

Community service is exactly what it sounds like: services that you do to benefit your community. If that sounds a little broad, it's because it is -- community service can take a lot of different forms since there's SO much you can do to help folks out in your area.

Remember, if you are wearing a Lions vest/polo/t-shirt and representing the Lions, you can count it as a Service Project, people served, etc. AND collaborating with others, gets OUR message and who we are as Lions out to the community in broader ways.

Fix Things in Your Community:

1. If you see a problem in your community, consider doing something about it!
2. Clean up your local park.
3. Adopt a highway/street for regular cleanup.
4. Collaborate with other non profits/groups to plant trees/flowers/etc. create a community garden in an empty lot.
5. Help a neighbor or work with other community orgs. paint fences or building.
6. Spruce up a run-down playground.
7. Clean up empty lots, yards of abandoned houses/ bldgs. Etc.
8. Help the elderly and those in need with household repairs/yard cleanups.
9. Offer to patch and clean up clothes and stuffed toys for children in need.
10. Organize books at the library.
11. Give IT help to local adults.

Pendleton Lions Club

Each year the Pendleton Lions Club recognizes a local community member (non Lion) for his/her contributions to our community at its annual Christmas Dinner. The Club receives several nominations each year which the club members evaluate based on the Lions Motto of "We Serve".

This year's selectee as the Pendleton Lions Club's 2021 Citizen of the Year is Denise McKee. Denise was recognized for her total commitment to Falls Park as a staff member going above and beyond her normal duties to include the founding of the "Friends of Falls Park". Denise also stepped forward when asked to organize and then make possible the celebration of Pendleton's 2020 Bicentennial.

Currently, Denise works as a Town Hall staff member, routinely stepping forward again volunteering to serve on several town committees, one again epitomizing the Lion's Motto of "We Serve".

CLUB NEWSLETTER CONTEST

District Governor Scott Smith would like to announce the District 25-D “**Club Newsletter Contest**”. Individual clubs within the District should submit electronic copies of their newsletters to Cabinet Secretary Betty Weist. Since some clubs may produce newsletters at different frequencies (monthly, quarterly, etc.), the contest will involve evaluating the top two (2) newsletters submitted throughout the Lions year by each club.

Newsletters will be evaluated based on the following:

- Overall appearance
- Updates or announcements of upcoming club events
- Announcements of club news (new members, anniversaries, awards, etc.)
- Inclusion of photos
- Calendars (or lists) of upcoming events in the District or State
- Club officer contact information

The contest will be broken down into three (3) divisions so that clubs will be competing against similarly sized clubs. The different divisions will be:

- Clubs with 25 or fewer members
- Clubs with 26 to 50 members
- Clubs with more than 50 members

Service Projects

Indiana Lions Mid-Winter Conference Crowne Plaza Indianapolis Airport January 21-22, 2022

Greetings, Fellow Lions:

The 2022 Indiana Lions Mid-Winter Conference will include two service projects designed to help the less fortunate in communities throughout the state, and we need your help to make these service projects successful.

We will continue the **"Sock It To Me"** project we introduced in 2019, collecting **NEW** socks, winter hats, gloves, winter scarves, and blankets.

We will introduce a new **"Care-ing Cases"** project to make personal first aid kits and personal hygiene kits, using clean used hard eyeglass cases.

Please encourage Lions Clubs and individual Lions in your district to donate the following items.

For **"Sock It To Me"**: **New** socks, **new** winter hats, **new** gloves, **new** winter scarves, **new** blankets. **We need all sizes, from infants to adults.**

For **"Care-ing Cases"**: Soap, shampoo, conditioner, lotion, wipes, small combs, band-aids, small antiseptic ointments, alcohol wipes. **All items should be travel-size, like you find in hotel rooms.**

We will have a collection site for donations for each project set up in the hotel and we will ask conference attendees to help assemble personal first aid kits and personal hygiene kits after dinner on Friday evening.

At the end of the conference, the **"Sock It To Me"** donations, first aid kits, and hygiene kits will be divided between the District Governors to be distributed to those in need in their respective districts.

We hope you can help us make these projects successful and we look forward to seeing you at the 2022 Indiana Lions Mid-Winter Conference.

Yours in Lionism,

Lion Jennifer Drapalik, Lion Gail Robbins, Lion Erica Thomas
