

District 25-Digest - May 2023

District Governor Eric Schuman

TOGETHER...WE CAN SERVE MORE!

THE FINAL STRETCH!

This fiscal year is slowly grinding down to the end but there's still time for lots of fun and fellowship. If you look at my schedule for May, I've still got a lot of stops to make!

First of all, I want to thank all that came and made our District Convention such fun. We had a GREAT turnout for it, and our International speaker, ID Allen Snider and his wife Lion Susan, were so fun. We enjoyed getting to know them greatly including our little trip to IMS. We had a lot of first timers there too. Thanks to all of them for coming. And congratulations to all recipients of awards.

The new Muncie Lions Club needs a few good members and we'll be ready to charter. They currently have 15 so they only need 5 more to turn in the charter application. I'm sure there's a few out there that know service minded individuals near or in Muncie. Let's help them out and recommend a couple people as prospective members. I'd like to see them charter in May.

Remember to keep ASKING when it comes to recruitment for your club or any club. Let's finish up the year with a positive in our District! If we will all put forth a little effort, it can happen. Remember, you were asked; NOW is time to return the favor! I'm so excited because I'm getting calls to "revisit" clubs and bring them more membership applications and/or kits. Way to go 25-D – but let's keep it up. By the way, I'm also available for installation of your club officers. Just drop me an email or give me a call.

May 12-13 will be our Multiple District 25 (state) convention in Bloomington. This is one you don't want to miss because our keynote speaker from LCI is none other than our International President Brian Sheehan from Minnesota! Lots of camaraderie, auctions, raffles, education, good food, and much more going on.

Has your club made their donations yet? I've had several clubs give me checks for the projects when I visited them. A big thank you to all of them and for the rest, try to be a 100% club for our District. Remember all 6 of our state projects and LCIF.

Finally, remember "Together... We Can Serve More"!

DG Eric Schuman

From FVDG Lion Julia Kozicki:

Lions of 25D,

Thank you to the Lions who were able to join our Build a Vision zoom on April 22. Lions International encourages the use of the Global Membership Approach which looks like:

Build a Team > Build a Vision > Build a Plan > Build Success

On the 22nd, we worked on building the Vision and building the Plan, but we are all on the Team to help build Success in 2023-24. One of the special goals I have for 2023-24 is having not just committee chairs, but actual committees. So, if you have an interest in learning more about any of our district committees listed on Page 6, here is your opportunity to get engaged in the bigger picture of Lions. Please contact me if you are interested in learning more about any of these committees.

Our session on the 22nd was led by Past District Governor Dave Wineman of Michigan, who is our current Area Leader for Michigan, Ohio and Indiana. He asked the Lions in attendance what is their expectation for the district governor, and they told me they want to see the DG and team be present, be a resource for leadership and education, and be positive. It's my personal goal to not just attend a meeting for every club, but to also attend at least one fundraiser or service project for every club. So please let me know when your fish fries, tenderloin dinners, pancake breakfasts, etc are happening. And definitely let me know if you're having a 5k or a street clean up – I'm going to need the exercise after all the pork, fish and pancakes! Email me at julia@thekozickis.org or call/text at 317-294-8064.

Speaking of service projects, another goal from the 22nd relates to what I expect we will hear from incoming International President Dr. Patti Hill. She has a focus on the environment, and I would love to see every club in the district perform at least one service project related to the environment in 2023-24. Street clean-ups and tree plantings are pretty easy, and if you need financial assistance to buy the tree, the Indiana Lions Foundation has matching grants.

Finally, PDG Dave asked us on the 22nd to share our joy of being a Lion. My joy is spending time with positive people making a difference in my community. I look forward to hearing what your joy is when I come to visit. Incoming presidents and secretaries, please reach out to schedule a visit.

Yours in Lionism,

FVDG Julia Kozicki

One of our Lions is...

...inspired. I know I am and I hope every Lion is. Why am I inspired? Because of the fabulous District-wide meeting we recently had with Lions Area Leader Dave Wineman to discuss District Goals. Now this may not sound like an inspiring event, but getting the chance to talk with a fellow Lion who is working constantly to help Indiana, Ohio, and Michigan Lions succeed was a special treat. I just wanted to touch briefly on two things he talked about.

First, he asked everyone a very simple question, “What is your joy in Lions?”. While is a simple question, it can be difficult to answer. He encouraged everyone to think about this and come up with their own answer, because it can be different for every Lion. He further said that what makes Lions special for you should be on the tip of your tongue at all times. Feel free to tell people this, even if you aren’t trying to recruit them. The more people that know what we do, the better. And maybe someone will see your enthusiasm and they will be inspired to ask their own simple question, “What’s Lions all about?”.

Second, and possibly more important, write it down. Write what down? Well to start, your answer to the first question. Beyond that, a goal for what you want to accomplish as a Lion this year. It is amazing the power of writing things down, especially goals. You can talk forever about the vacation you want to take and never go. But if you start writing down where you want to go, and when, and with whom, and start looking up hotels and travel, suddenly it becomes more real and you go. The same is true with writing goals. If you commit it to paper and put it in front of yourself and tell others about it, it is much more likely to happen. So I encourage everyone to write down a goal to write down your Joy in Lions and to write down a goal of what you want to accomplish this year. It may be the same as what you did last year. That’s great. But you may want to try something new. It is entirely up to you but write it down. You might just get inspired.

As always, thank you! Thank you for being a Lion. Thank you for the service you give that inspires your community. Your positivity inspires me.

GMT Jeff Kozicki

If April Showers bring May Flowers !

Then what do Mayflowers Bring ?

Pilgrims

So, we kicked off May early and had bunches of things to do. I went to the Tenderloin and Fish Fry in Russiaville with my friend, Council Chair Scott Smith. Then went to Van Buren for their Tenderloin fry the next weekend with my wife Debbie. Clubs are getting started with the better weather fund raisers and I'm happy to see their success. Looking for other Lions fund raising operations continue that success for all our Lions Clubs in the Month of May.

May is such a busy month with many things for Lions to do and be a part of. Two major events are No.1 The Lions State Convention over the Mother's Day weekend. May 11, 12, 13 and 14th.

Many things to do there if you want or just relax with friends works too.

Then No.2 on May 20, a Saturday at Pendleton is Club Officer Training. I remember when I got training and all the information you get in the short three hours is most needed if you are going to be a successful President, Secretary, Treasurer or 1st Vice or 2nd Vice or 3rd Vice. All the information will be talked about how the Lions do things. How to set up meetings and a wealth of knowledge will be learned for you to better serve your club.

I remind everyone that is going to the training, that is like going on vacation, flying away on vacation, what do you really need to have for a successful trip. Planning ahead, a good itinerary, people you want to meet, hit the high points, and have fun!

District 25D Convention

Our 2023 District Convention is in the books as they say. All I can say is WOW! Great food, fellowship, auctions, raffles, and project displays. 75 registrants and 50 delegates, not to mention a bunch of 1st timers. Thanks to all for coming and making the convention so remarkable and fun.

If you were there, I'll bet some will put a smile on your face. If you were not, I'll bet you might want to go next year to enjoy.

I offer my heartiest congratulations to both District Governor-Elect Julia Kozicki and 1st Vice District Governor-Elect David "Rocky" Simpson. I know you'll both have a great year in 2023-2024. I look forward to serving on your Cabinet and helping in any way I can. Also congratulations to Lion Deanna Schuman on her election as Trustee for Indiana Lions for Leader Dog.

A special shout out to ID Allen and Lion Susan Snider from Canada. We've made a couple great new friends there in Lionism. We thoroughly enjoyed your visit and your message. Lion Susan, congratulations on your Miyamoto Fellowship! And thank you to PID Nick and Lion Gretchen Xinopolous for hosting them.

I also want to congratulate ALL the award recipients. You all exemplify what "serving" means in Lionism. From Melvin Jones Fellowships to W. P. Woods Fellowships to International President's Certificates of Appreciation to District Governor's Awards and Certificates of Appreciation plus all the others, you are all well deserving of your recognition. From the bottom of my heart, thank you.

We have 3 months left in this fiscal year to boost our club memberships, and work in service as well as raise funds – both for the less fortunate. So let's get organized and let's get to it!

This is why I joined 44 years ago.... Because Lions are a family and make a difference. All of YOU are a part of that. Enjoy the next 3 months and ASK someone to join. As of April 9, we are at a -1 for the year. We're close so ask that friend, neighbor, church fellow, golfing buddy, co-worker, et al to join the greatest service organization in the world.

THANK YOU for letting me be your Governor for 2022-2023.

Just ASK!

Your club can't get new members without asking!

According to DG Eric's calculation, **District 25D is up twelve this year!**

We can do better, if you have new members, be sure to add them to MyLCI as soon as possible. The system will be turned off to get ready for the rollout of the new Sales Force system.

Rumor has it the new system is going to be much more user friendly!

Indiana Lions Foundation State Fair Project Needs a Golf Cart

If you have worked for the Indiana Lions Foundation at the Indiana State Fair in recent years, you know that our project team members use golf carts to transport volunteers around the fairgrounds. In recent years, the State Fair provided a 6-passenger cart and a 4-passenger cart. This week, we were notified that the State Fair will be able to provide us with only a 6-passenger golf cart this year. Consequently, we hope to find someone who will donate the use of a 4-passenger golf cart for our use during the Indiana State Fair. If you know an individual or organization that might be willing to donate the use of a 4-passenger golf cart or rent a cart for a nominal fee, please make the initial contact with the potential

donor to confirm they are willing to work with us, then contact Lion Rose Russell (RoseWRussell@gmail.com or 574-250-0125) with the donor's contact information.

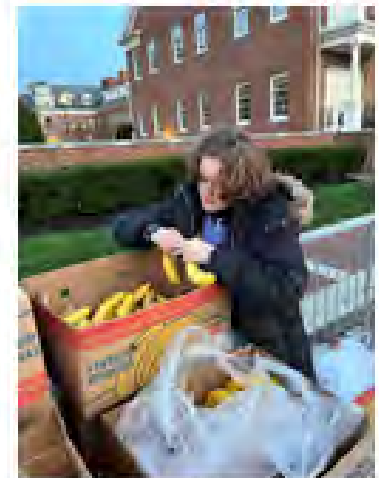

We have less than 100 days until Opening Day of the 2023 Indiana State Fair. If you have not already signed up to work, please do so today at <http://IndianaLionsFoundationMD25.org/>.

The Carmel Lions Club wants to thank the Carmel High School Softball teams. The wonderful group of young women approached the Lions and offered their assistance for our Spring Pancake breakfast. They made signs and stood on the sidewalks to encourage folks to stop in for breakfast, cleared tables, served dinners and made short work of cleaning up the clubhouse afterwards. Thank you for your community service!

If you have never chaired an event, you may not be aware of how much preparation goes into a pancake breakfast, or any fundraiser. Thank you Mr. Pancake, aka Lion Kyle Rich, for stepping into some large shoes and make the last two pancake breakfasts a success for the Carmel Lions.

Carmel Lions 1st Vice President-Elect Matt Best is always thinking outside the box. But here he and Lion Bill Ryan really thought outside the mailbox. No matter how often the eyeglass collection box was emptied, it was always full. Now, that should not be an issue—there is a hole straight into the shed that has a collection bin for the eyeglasses!

Can't wait to see where the Carmel Lions go under Matt's leadership!

Noblesville Lions Learn About the Civil War and Indiana

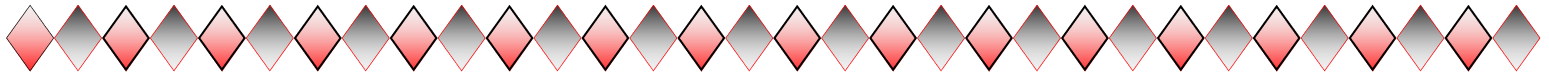

Last Wednesday evening the Lions Club hosted speaker Kevin Yaney and his Civil War history lesson. Kevin spoke in great detail about the war and its connection to Indiana. He detailed how cotton was a great financial factor to the country, and in 1860 was largest of US exports. He spoke on the many sacrifices of people and the states in the war, including Indiana. A Civil War is something the country never wants to see again. Kevin does marketing consulting, and has written books on the war. He can be seen at www.yaney.net.

The Union City Lions Club held its annual Lions Easter Egg Hunt at Harter Park on April 8th. It was a cool but sunny day and a big crowd of kids and adults came out to enjoy the weather and the hunt. Even Gus, the UC Lions mascot, made an appearance. There were age divisions for all kids 1-12 years of age and plenty of eggs. At 1:00 the signal was given and at least 150 kids started collecting the plastic eggs that were spread around the east end of the park. There were many numbered eggs that were traded in for a nice \$1.00 bill and all of the kids received a candy bar from the Lions Club. For the first time this year, the Wesley UMC partnered with the Lions Club and provided hotdogs, chips, and drinks for all who attended. They also had a raffle for some larger prizes including bicycles, a mini basketball hoop, 10 Lego sets, and other items. Any child that was not fortunate enough to win one of the raffle drawings was allowed to select from a large group of assorted toys. The whole event was a huge success and everyone had a great time. Thanks to the Union City Lions Club and the Wesley UMC for their dedication to the kids in our community.

On Saturday, April 1st, Jim Dubeansky was honored at the District 25-D Convention at Greentown, Indiana. Jim Received the Governor's Award for outstanding leadership as President of the Union City, Lions Club. Jim also was presented the Melvin Jones Fellowship Award for Dedication to Humanitarian Services. Melvin Jones was the founder of the Lions Club International for which this award was named. The Melvin Jones Award is one of the highest Lions Club International Awards and is a great honor for Jim Dubeansky and the Union City Indiana/Ohio Club.

The Union City Lions Club met at the Community Room on Tuesday, March 28th, for their regular meeting. Once again a delicious meal was prepared for the club by Diana Dubeansky. The club enjoyed a meal of breakfast casserole, potatoes, and a biscuit. The program for the evening was presented by UC Lion Blake Clevenger. Blake is the Technology Coordinator at Randolph Eastern School Corporation and the coach of the newly formed UCHS E-Sports team. This new program offers students the opportunity to compete in online gaming with E-Sports teams from other schools. The team had some success this year and now they are looking forward to next year when they can compete in the league. The high school's KISS-TV program even broadcasted some of the E-Sports competitions this past year. The Lions also welcomed two new members. Joining the Union City Lions Club are Chad Enicks and Terry Dowler. President Jim Dubeansky sponsored Chad and Terry.

The Union City Lions Club met on Tuesday, April 25th at the Union City Community Room. The evening started with a meal prepared by Diana Dubeansky. The program was presented by Union City Lion, David Hsia.

David is a new member of the club and the owner of Bear's Rootbeer in Union City, Ohio. David shared with the club his background and his work in Biotechnology. David's high school chemistry teacher in Taiwan encouraged him to study Biochemistry. He attended U.C. Berkeley and became a research assistant. Much of his work was in the field of Monoclonal Antibodies. They are instrumental in the development of vaccines, and antigen tests like pregnancy tests and COVID tests.

David established the GE Healthcare Life Sciences Tech Center in Shanghai, China where they developed a purification process for inactivated viruses that allowed high-quality vaccines to be produced. He also helped Korean LG Life Science build a recombinant flu vaccine plant.

We are very glad to welcome David Hsia to our club and the Union City community.

Cheryl Marcum was inducted into the club and becomes the newest member of the Union City Lions Club.

The Union City Lions Club would like to thank everyone who supported our Spring Pancake Day. We had a nice crowd and were able to raise money that will be cycled back into our community. Look for us again on the first Saturday in November for our fall version of Pancake Day.

Four Aces for the Westfield Lions Club, Poker-For-Sight[®]

WESTFIELD – April 17, 2023 - The Westfield Lions Club: Spring 2023, Poker- for-Sight[®] tournament took place this weekend, April 13th, and 14th, at the Hamilton County Fairgrounds. The two, Poker-For-Sight; Texas Hold'em tournaments held each year, are among the largest in the Midwest with nearly 300 players vying for the \$25,000 purse with \$10,000 going to the last man or woman standing!

A tradition with the Westfield Lions Club is the awarding of a big check to local charities at the start of each of the three qualification rounds and the championship round. This year the Indiana Blind Children's Foundation, Indiana Hoosier Veterans and Families, Indiana Diabetes Youth Camp, and Third Phase Homeless Shelter, along with the Indy Edge Beep Baseball team were the recipients of the donations from the Lions Club at the tournament.

Bryan Weigel, of Fishers, took home the lions' share of the purse along with a gold winner's coin and custom leather flight jacket for his first-place effort. Ted Ison, from Kokomo, took the second spot, with Jonathon Wallace in third place.

As usual the top twenty-five finishers of the Poker-For-Sight tournament, are "in the money," with a share of the \$25,000 pay out.

"We want to thank all the players that support our tournament. It allows the Lions to give so much back to the community. It is what we love to do," said Lions Club poker chairman, Mike Birk, "Thanks also to all the Lions club members and friends that help make these events possible."

1st Place get \$10,000, a Lions Poker Gold Coin and a custom leather flight jacket.

Lions Tracy Rogers, Rodney Besson, Carl Wurtz, 1st place winner, Bryan Weigel, Lion Mike Birk, John Wardlow, Bill Nesbitt, Bruce Bowman, Keith Sanborn, and Joel Davis.

LEADER DOGS FOR THE BLIND

LEADER DOG NEWS FOR LIONS

Meeting My Match: A Leader Dog Diary

Excerpts from Joey J.'s blog post on LeaderDog.org

Day 1: We had our first "Juno" walk, which is a human holding the harness while I give her the directions. Kind of "practice" before handling my actual dog. Then we broke for lunch and had some free time. We headed downtown for another "Juno" walk, this time a couple city blocks around the other [Leader Dog] facility. Once back we had a fire drill and GPS training, as they give you GPS units that help with traveling by yourself. It's a \$900 device that they provide for free. Pretty cool stuff.

Day 3: Well, to state the obvious, today was issue day. Man, is Tucker full of energy! After I received Tucker, we spent a little time together in the room and then practiced "heeling" in the hallway. Then, we had our very first walk in harness, and let me tell y'all, this is where he shined. Very fast walker, stopped at every curb like a champ, maneuvered around a tree branch for me. Just spectacular!

Day 5: This morning we had three scheduled "traffic checks" where [Leader Dog instructors] pulled out in front of us while Tucker was guiding me. He nailed it every time. This pup isn't gonna let me walk out in front of a car.

Day 19: Celebration Day. We had a wonderful catered lunch, a few speeches with some tears mixed in. Then we took some great pics. To say this has been the experience of a lifetime is an understatement. All that is left is to pack our suitcases and try and get some sleep tonight. Because me and Tucker... are going home tomorrow! Officially a Leader Dog Guide Team.

DONATIONS WANTED!

The Indiana Lions State Convention is quickly approaching. The Convention Committee is asking for silent auction items to help achieve our mission of providing relief to those in need. We can use items unique to your geographic locations. Perhaps there are very talented members in your local clubs that love to craft. And...who can't use a spa/relaxation treatment, or maybe a movie night would interest people. Please bring your auction items to the Convention Center. If you know in advance what item(s) you are bringing, contact me and I will prepare a bid sheet.

Thank you in advance.

If you have any questions, please contact Lion Cheri Faulkner at 317-271-3314, via text or voicemail or you can email me at clermontlionlady58@yahoo.com.
