Governor's Corner

Hello Lions,

Thanks for making my Banner night a success. I am making my official visits now. I am really enjoying seeing everyone. If your club has not made their official visit date please call me at [812-582-3367](tel:812-582-3367) or email me at treamcc@gmail.com.

My theme this year is "Will you give a cup of water?". I challenge the district to go out and give that cup of water. Our International President Robert Corlew's motto is New Mountains to climb. We can put both together and meet the needs of our District and climb the mountains to new heights.

District Governor
Trea McCandless

1st Vice DG Corner

Greeting Lions,

A few days ago, DG Trea had her Banner Night and had a great turnout. It was good seeing everyone there. I trust everyone had a good time. The next big function for the district is the August Cabinet Meeting in Bedford. I hope to see a large crowd there.

With schools starting up, now would be a good time to consider sponsoring the Peace Poster Contest in your community. The peace poster contest is open to students who have turned 11 to 13 on or by November 15, 2016. This year's theme is "A Celebration of Peace". To enter, your club has to order a peace poster contest kit which costs \$11.95 and includes everything needed to sponsor one school* or organized, youth group. Kits are available until October 1, 2016. Use the following link for additional information on the Peace Poster contest.

<http://members.lionsclubs.org/EN/serve/contests/peace-poster-contest/index.php>

**Clubs can sponsor more than one contest in either the same or multiple school(s) and/or youth group(s) by purchasing more than one kit. Clubs will send one poster per each contest sponsored to the next level of judging.*

Another contest, this one for visually impaired young people is the Lions International Essay contest. This year's theme is "Share Peace". This contest is open to students who have turned 11 to 13 on or by November 15, 2016. The 2011-2012 winner is from Indiana (District 25A), so nothing is preventing local kids from using their talents to write a winning essay. Use the following link for additional information on the Lions International Essay contest. <http://members.lionsclubs.org/EN/serve/contests/essay-contest.php>

Since we are on the topic of contests, here is one open to Lions and Leos, the Lions Environmental Photo Contest. Use the following link for additional information on the Lions Environmental Photo Contest. <http://members.lionsclubs.org/EN/serve/contests/environmental-photo-contest/index.php>

Since most of this article has been about back to school, a project for many of our clubs in the dictionary project. The dictionary project has become a service many clubs are providing to their schools' 3rd graders. In our digital age, it may seem silly to spend money on a 'paper' dictionary. This resource helps students learn to do research, provides an additional resource to teach from, and provides a great section of additional information such as the longest word in the English language. Plus, a 'paper' dictionary doesn't breakdown and doesn't need to be recharged. The clubs in my area have been choosing "*The Student's Dictionary*" (picture on right).

<https://www.dictionaryproject.org/bookshelf/index.php?route=product/category&path=75>.
The cost of the dictionaries is \$60 per case of 24.

Thanks,
1st VDG Keith Thomas

Fellow Lions,

This past month has flown by and I have met District Governors, Past District Governors, 1st Vice District Governors as well as 2nd Vice District Governors. Everyone is looking forward to a very positive growth year for our Multiple District in membership, clubs and service projects. After years of increasingly declining numbers of clubs and members the trend has slowed and with some additional effort can be greatly reversed. Our District has a goal of adding one new club and having a positive member growth for the year. Each one of us can affect a positive influence on this goal by diligently looking for and recruiting members who have a desire to serve others and be participants in the leadership of our clubs and district.

As we strive to replace lost members we must seek to add to our membership to regain the manpower needed to reclaim lost or new community needs. Lions want to be busy and enjoy fellowship with likeminded people so we need to also evaluate our resources to fill needs not being met elsewhere. Keep in mind as we approach prospective members to have a plan to deliver enthusiastically.

Prayer List:

Our thoughts and prayers are with those Lions and their family members or friends around the world that are sick or in the hospital or at home, and all others whose losses were unknown to us at this time.

Lions if you have prayer requests, please let me know so we can add you to the prayer list. Prayer and trust are powerful in our lives.

LCIF Corner:

We embark on a new Lions year with a challenge in front of us. Many of our clubs have enjoyed the benefit of having received an LCIF grant to help our communities. As LCIF is your foundation, it remains ready to assist any club in need. Most grants are matching so half of the required funds need to be raised independently by the club. Some however do not require matching funds like for disaster relief. By remaining connected closely with community organizations like Chambers of Commerce, School Organizations, Medical Organizations, Churches, and so many others we can find numerous areas of needs perhaps requiring a grant for funding from LCIF.

All LCIF funds are put to use in the form of grants and the donations we make as clubs or as individuals make a huge difference. Donations are made by some other organizations also, but our help is certainly needed.

My home club, Bedford Lions Club received a grant to replace aging mosquito spraying equipment to provide better and more efficient mosquito control for Bedford. Our club could not handle the purchase without the help of LCIF and local donors. Local organizations provided half of the funding.

This year we should set a goal to increase our commitment to LCIF to provide funding needs they predict are necessary for the future. The goals they have set are:

2014-2015	US \$38.4 million
2015-2016	US \$41.3 million
2016-2017	US \$45.4 million
2017-2018	US \$50.0 million LCIF 50 th anniversary

Grants made to date:

US \$ 37 million to immunize millions of children against measles and rubella
US \$20 million to prepare and respond to natural disasters
US \$6 million to serve more than 240,000 special Olympics athletes and families
US \$18 million to teach critical life skills to 200,000 students annually through Lions Quest
US \$57 million to identify and support thousands of people impacted by diabetes

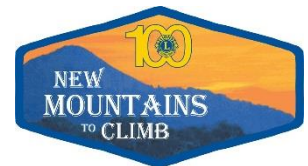

Last year District 25E donated \$8,599.16 to LCIF. The previous year we donated \$11,370.50. This past year District 25E donated the smallest amount of all Districts in MD 25 even though at the time we were the largest district. We met only 57.29 percent of our goal. So I am available to visit your clubs and present LCIF to your officers and club members. Please call to make arrangements for a personal visit.

Yours in Lionism,

Members willing to answer the call to leadership are also a great need. Sometimes a member may not know the responsibilities of a particular position. On the LCI website under membership and then resources can be found to answer all of your questions. Also online training is available within this site. I urge every member to take a little time to investigate these and other resources available through the Lions Clubs International website.

I'm looking forward to visiting many of our clubs during this Lion's year. If any of you have questions or requests about our District, please contact any of your leaders and I promise an answer.

“Secretary’s Challenge”

In July we had 85% MMR submitted and a 38% on the Activity Reports. “Thank you” Secretaries for the improved MMR submittal rate. Let’s keep up the GREAT effort and work towards 100% by the end of this year!

2016-17 International President

Dear District Governor,

Thank you for all your hard work at the DGE seminar in Fukuoka. Your commitment to service will be essential to the success of our Centennial goals over the upcoming Lion year.

My theme, New Mountains to Climb, is a call to Lions everywhere to join together to help the poor and underserved, promote peace and understanding, and take our association to new heights. And no one has a bigger part in achieving those goals than you.

Time and time again, we have shown that we can achieve so much more when we work together. Over the coming year, your leadership will be the key to strengthening our clubs, expanding our service impact and growing LCI to the largest it has ever been.

I look forward to working alongside you and your clubs to celebrate our Centennial, change lives through service, and prepare for our next century of service.

Very truly yours,
Chancellor Bob Corlew
Your International President

Earn Your District Governor Membership Award

You can earn special recognition for achieving consistent membership growth in your district throughout the year. There are three ways to earn your recognition:

- **Gold Pin**—Achieve positive growth higher than your 5-year average AND charter at least one club
- **Silver Pin**—Achieve positive growth higher than your 5-year average
- **Bronze Pin**—Negative growth but higher than your 5-year average

The District Governor Centennial Membership Awards run through June 30, 2017. Visit the [awards webpage](#) for more information and start growing your district today!

Help Make Our Centennial Celebration a Success

You can help us achieve our Centennial Celebration goals by keeping your clubs on track for success. Take time this year to encourage your club leaders to continue to:

- Lead through service by hosting youth, vision, hunger and environmental projects as a part of the **Centennial Service Challenge**.
- Invite for impact by inviting family, friends and neighbors to join them in service and earning their **Centennial Celebration Membership Awards**.
- Connect with community by planning a **Centennial Legacy Project**.

Visit Lions100.org for more information on our Centennial programs, and download our [Club Centennial Planning Guide](#) and share it with your Lions on your club visits.

Important Reminders

- Encourage your clubs to host a service project that engages or benefits youth during the [Worldwide Week of Service for Youth](#), this **August 8-14**.
- Remind your clubs that each new member can impact the lives of an additional 50 people a year.

The [Youth Camp and Exchange \(YCE\) Directory](#) has been updated with an interactive map. The new directory makes it easy to report YCE Chairpersons, as well as to view details of upcoming Lions youth camps around the world.

Grow Your Club, Expand Your Service!

In celebration of our Centennial, I am asking Lions to take our association to new heights by inviting new members and increasing our service. Each Lion impacts the lives of 50 people a year, so imagine the impact your club can make when each member invites family, friends and neighbors to join you in service.

Visit the [Centennial Membership Awards page](#) to learn how your club can earn special recognition for inviting new members.

Lions Worldwide Week of Service for Youth in August

This August 8 –14, join incoming International President Chancellor Bob Corlew and Lions around the world for a special Worldwide Week of Service event dedicated to engaging youth in our communities. From organizing a new Leo Club to inviting youth to serve alongside you, there are countless ways to join the Worldwide Week of Service for Youth. To learn more about how your club can serve, visit Lions100.org and start planning your service project today!

District 25-E Centennial Coordinator is PCC Jeff Schafer, 812.325.3130 or email: jeff.schafer1@comcast.net

Engage Youth in Your Community

Young people have the imagination, courage and ingenuity to find lasting solutions to the world's greatest challenges. That's why Lions continue to provide opportunities for youth to express their ideas, develop their leadership skills and serve alongside Lions. There are lots of ways to engage youth in your community: work with a local school to sponsor a Peace Poster Contest; organize a new Leo club; or join Lions around the world on August 8-14 for the Worldwide Week of Service for Youth to help us reach our goal of serving 100+ million people! [Find more youth project ideas.](#)

Ways to Connect through Technology

There are plenty of ways to connect with other Lions online. [Lions webinars](#), or virtual training sessions, are offered on topics ranging from leadership development to membership growth. In the [Lions Learning Center](#), Lions leaders like club officers, district governors and zone chairpersons can take an online course specific to their role. [Social media](#) gives all Lions the chance to communicate their service activities to the world. Discover how technology can help your club make a bigger impact! (Please note: some webinars and online courses may be available in English only.)

2017 Lions State Convention Committee Hard at Work!

Indiana Lions State Convention Information

Happy Birthday Lions!

That is the theme for the 2017 Indiana Lions State Convention in Evansville on April 28—30, 2017.

Make your plans now to join Lions from across the state of Indiana at the 2017 Indiana Lions State Convention to celebrate 100 years of Lionism. More than 130 Lions have already pre-registered for the convention. The convention will be hosted by the Oakland City and Petersburg Lions Clubs, assisted by Lions from throughout District 25-E.

Lions Clubs International President Robert Corlew will be our special guest at the convention. IP Corlew will participate in the presentation of awards at the Awards Luncheon on Saturday, and will be the keynote speaker at the All-State Banquet on Saturday evening. Convention attendees will have an opportunity to meet IP Corlew during a seminar session on Saturday afternoon.

A frequently asked question about the convention is: "What is the dress code for the All-State Banquet on Saturday evening?" The District Governors and other Lions leaders seated at the head table will be wearing formal dinner jackets, but this is a Lions function and Lions apparel is always appropriate at a Lions function. Please plan to attend the All-State Banquet, even if you don't have a Lions vest or shirt. We want you there, no matter what you wear.

Several exciting events and tours are being planned including a Friday evening dinner aboard the LST 325. LST 325 is a restored, fully operational, Navy ship that actually served our country in WWII. The LST is docked in Evansville on the Ohio River and will provide a unique dining experience. There will be a special breakfast commemorating Dr. W. P. Woods, LCI's first International President, who just happened to be from Evansville. Theme baskets are great items to bring for the Silent Auction. A great way for your club to participate in the convention. There will be many surprises throughout the convention.

There is no charge to attend the convention business sessions, seminars, or visit the exhibit tables. We have done our best to provide affordable meals at the convention, including children menus for the Saturday Luncheon, All-State Banquet, and Sunday Brunch. Walk-in registrations will be accepted during the convention, however, no meal reservations will be accepted after April 20. The deadline for meal reservations at regular prices is April 1. After April 1, the price for each meal will increase by \$5.00. We encourage you to register early to avoid the added cost.

We look forward to celebrating 100 years of Lionism with you at the 2017 Indiana Lions State Convention!

Lions Club Scholarship
1615 O Street
Bedford, Indiana 47421

Dear Scholarship Committee,

Please find my enclosed essay for your scholarship. Thank you for supporting college bound students with an opportunity for financial assistance. In May, I graduated 6th in my class of 356 students at Bedford North Lawrence High School with a 4.18 GPA. I earned 8 varsity letters while participating in cheerleading and softball and was a Scholar Athlete all 4 years of high school. This year, I served on the Student Athlete Leadership Team, and I was the co-captain of the BNL softball team. I was also named to the Indiana Softball Academic All-State Team and the All Hoosier Hills Conference First Team.

During my high school career, I was very active in Beta Club, National Honor Society, Renaissance Student Committee, Student Council, Key Club, Spanish Club and Prom Committee. I am also a ten year member of 4-H where I have served as an officer in the Lawrence County Dairy Club for 5 years. I have been a Lawrence County Junior Leader for 6 years, and have represented this club on the Lawrence County Fairboard for the last 4 years. I am also very active as a volunteer in our community.

This fall, I will attend Purdue University to study Agriculture Business and will also live and study as a part of the Purdue University Honors College. After graduating from Purdue University, I hope to attend law school to become an attorney that practices agricultural law. Thank you for taking the time to read my essay and consider me for this scholarship.

Sincerely,

Morgan Lambrecht
Morgan Lambrecht

Bedford Evening Lions awarded their annual \$1,000 Scholarship to Ms. Morgan Lemrecht from Bedford North Lawrence (BNL) High School. Her parents are Jeff & Missy Lambrecht and her accomplishments and volunteerism essay are to the left and bottom of this page. Left to right: Bedford Lions Club President David Pace, scholarship recipient Ms. Morgan Lambrecht, & Bedford Lions Club Scholarship Chairman, Dr. Jim Sowders.

Volunteerism is essential for producing future leaders in our community because the future of small towns depends on investing in the youth. I have learned many valuable life skills through my extracurricular activities, several of which rely on volunteers. Volunteers share knowledge and skills selflessly, without thought of repayment, to ensure that others learn and grow or have what they need. We can repay volunteers that have influenced our lives by volunteering ourselves to make an investment in our community and future generations. We must teach youth the importance of volunteering to ensure the cycle of volunteerism continues for generations.

This year at the 2016 USA/Canada Lions Leadership Forum, every Lion will receive a "PAW", developed by Poken. This will give you the ability to get more information about seminars you attend, the exhibitor's you see and other attendees at the Forum. You can plug your "Paw" into any computer PC or Mac to access all this information via a personal website just for you. You can also link your "Paw" to an App on your smart phone or tablet.

If you registered for the Forum, you will get an email from Poken about signing up on their website ahead of your arrival at the Forum. Please take time and follow the instructions sent to you to sign up as it will save you time when you arrive at the Forum and check in. You will receive your registration packet and your "Paw" when you check in at your hotel.

Hope to see you with your Paw at the Forum!
