Serving 22 Counties!

### Ask1 Governor's Corner

Fellow Lions:

Communication, communication! Communication about membership, service, reports, leadership training, meetings and all other aspects of making our District function properly is critical. Two-way communication is vital. So, communicate.

#### Upcoming Events:

- 18 Aug: Pig in the Park-Seymour
- 25 Aug: Mt. Olympus 50<sup>th</sup> Anniversary
- 20-22 Sep: USA-Canada Forum – Columbus, OH

Membership is a central issue with every club. Our clubs are losing some members because of aging and some just because. One member talking with another who seems to not participate or come to meetings could resolve an issue and prevent the loss of a member. Retention may be improved just by making members feel a part of the club. In order to grow membership some clubs may need to communicate their need to a District Officer to obtain help. We need to change our approach to membership. Clubs need guides to grow their membership. At the same time, we need to form new clubs to fill voids left when other clubs have closed. Communication is the critical ingredient to bring about the necessary changes. Last year we started the changes necessary to communicate better in the Cabinet Meetings. This year, assuming our plan goes well, Cabinet meetings will continue with important reports, but will also have programs our lions need and even workshops. To be successful, more lions need to engage in dialog with their club officers, zone and region leaders and district leaders as well. To improve, the activity must occur at the community level. For that to happen we all need to participate.

Reports are very important to LCI activities. In addition, electronic communication is also becoming essential. First I want to address Reports. Monthly Membership Reports are just that; monthly. These reports must be submitted every month because LCI cannot assume membership is the same every month. Membership is important not because of numbers, but because they represent the lions available to do service as Diabetes Awareness projects. The same is true of Service Activity Reports. Even our club meetings are service activities. If an activity is repeated every month we need to report it every month as LCI cannot assume it is ongoing. These reports are utilized by LCI to obtain partnerships with other organizations to assist us in our goals for service. Again, Diabetes Awareness is an example. LCI has partnered with an organization to gain information and data about Diabetes and what LCI can participate in is use the reports to say these Members are actively working to spread the information about the dangers of Diabetes. Then they can report how we are doing spreading the educational information. Without these reports LCI cannot know how many of us there are or what we are doing.

Digital communication is the method LCI is using for several reasons. Younger people use this method almost exclusively, so to reach them we must communicate the same way they do. Cost is another reason. Printing the Indiana Lion is becoming prohibitively expensive which is one reason they have gone to quarterly publications. Already LCI has gone digital for the International Magazine. My Lion has been rolled out for smart phones and the plan is to have an "app" for computers this year. Next year Service Activities must be reported on My Lion instead of My LCI. My LCI is also undergoing revisions with information concerning the changes to be released soon. Therefore it is necessary to have a lion in our clubs knowledgeable with digital communication. This is not only needed for our internal reporting, but to communicate our activities to our communities. Most print outlets utilize digital files and communication methods to publish community activities and news.

Eight new members have been added at this writing to our District. You can see the clubs contributing to our growth later in this newsletter. However, we have a net negative 5 members so far.

You will be hearing much more about Campaign 100 in the future. LCIF would like to have a 100% participation of clubs in our Multiple District. I think it is possible for our District, but club contact is important to accomplish this goal.

It is a start of a new Lion's Year. School is starting soon for children in our District 25-E. Some clubs do vision screening in the schools. Has your club scheduled with your local School Nurse? Does your club members need training on the Optecs 5000 machines? Clubs that hand out dictionaries to the 3<sup>rd</sup> or 4<sup>th</sup> grades, are you ready to hand them out? Are you interested in the Dictionary Project, but don't know how to start? Clubs that do the Backpack Programs for schools, are you ready to go with school starting soon? Does your club want to start the Backpack Program? How about buying school supplies for schools? What about the Lions Club International (LCI) Peace Poster program, do you think you might want to start it but just don't know what to do? How about Liberty Day with the students? Do you do this for the 8<sup>th</sup> and 11<sup>th</sup> graders in your school? These are some of the great programs that are done in our District. These questions can be answered by someone in our District. That is what your District Team is for. To help answer your questions or get you to the people that can help. Call or email one of the people on the District Team: District Governor Ron Edwards, 2<sup>nd</sup> Vice District Governor Kenny Williams, Cabinet Secretary CC Keith Thomas, PDG Mark Clark, me or a Region or Zone Chair.

## 2nd Vice DG Corner

Service is the biggest reason I joined Lions. I am hoping it is your biggest reason too. When I went to West Point, the motto was Duty, Honor, Country. Ingrained in the motto was service to my sense of responsibility (Duty), to my integrity on all levels, and self-sacrificing service to my country. I have tried to live up to those ideals almost my whole life.

When Gary Lawson, Richard Halladay, and Vern Tincher all talked to me about the Ellettsville Lions Club, it gave me an opportunity to perform service to my community and beyond. The "We Serve" motto of Lions is more than just a motto. It is a responsibility for all Lions to take part in their community to serve in whatever capacity they can. Not just in disasters and hard times, but year around in good times too. We serve those that can't afford glasses, medical care, and those things we take for granted in the sighted world. Being a "pre" diabetic, I am glad we are also serving where we can make a difference in diabetic treatment and awareness. You are awesome in the many service projects in District 25E.

All Lions have a great opportunity to leave this world better off than we found it. You can do this through service to community, country, and yourself. Lionism is a great place to start. We need to share this opportunity with like-minded people of all walks of life. Ask someone to join today. Get you one in August!

## “Secretary’s Challenge”

In July, **we had 75% Monthly Membership Reports (MMRs)** and a **43% on the Service Activity Reports (SARs)** submitted. This is not a bad starting point for the new Lion Year. Basically, we had 47 out of 63 clubs submit their MMRs and 28 clubs submitted a service activity report (SAR). Let’s try to reach the goal that DG Ron set for his service goals and have a more consistent reporting of each report.

**Need Help:** Call or email CC Keith Thomas, 812.354-4637, [kthomas@threeidesign.com](mailto:kthomas@threeidesign.com) **anytime!**

## President's Message

Growing up in my home country of Iceland has helped shape who I am today. It is a small but beautiful country with tight-knit communities of people who rely on each other and work together to meet new challenges. Just like Lions. This spirit of unity is a cornerstone of our motto and my presidential theme, "We Serve."

We serve the world, our local communities, our neighbors and each other with unmatched kindness and pride. We are a global force for good with a century of experience and compassion. When we channel the power of more than 1.4 million Lions, we can reach new horizons of service together.

We can do it by finding creative solutions to the challenges facing our communities. We can achieve more when we embrace new technologies. We can go further than we've ever gone before when we invite caring men and women to join us in service. It's true, we have achieved so much in our first 100 years, but together we can unlock our true potential in our communities and around the world.

When we embrace our ambitious future together, we will serve in a way the world has never seen before. It will be my honor to stand side by side with you as we serve beyond the horizon.

In friendship,

Gudrun Yngvadottir  
**Your International President**

## 2019 Indiana State Convention – 26-28 April 2019

Indiana Lions will host International President Gudrun Yngvadottir and PID Dr. Jon Bjarni Thorsteinsson in Fort Wayne April 26 – 28. You will want to take this rare opportunity to meet President Gudrun as she makes limited appearances in the USA. She is a biomedical scientist from Iceland, and the first woman to lead our organization in its 101-year history.

To quote IP Gudrun, *“We serve the world and our local communities with pride, compassion and kindness. But there’s a world of service yet to be reached, one that lives within our collective aspirations. Once discovered, it will open a level of humanitarian good the world has never seen. It’s out there, somewhere **Beyond the Horizon**.”*

Indiana Lions are known throughout the state as the group that meets needs in our communities, is there in times of trouble, and joins together to celebrate the victories great and small. Let’s showcase our Indiana clubs by making this the largest State Convention ever. Let’s come together and share with each other the work we are doing in our own communities and encourage even more service. Save the date now and make plans to attend the 2019 Convention at the Grand Wayne Convention Center in Fort Wayne.

Reach “Beyond the Horizon” as our Indiana Lions family gathers to share ideas, celebrate our successes, and be part of this historical year. Follow the Indiana Lions State Convention on Facebook and at [www.indianalionsconvention.org](http://www.indianalionsconvention.org) for all the latest information.

## Club Excellence Award Application

Will your club maintain its membership or have a net growth at the close of the 2017-2018 Lion year? Will it have participated in at least three service projects? Are you promoting your club’s events or activities to your community? If you answered yes to these questions, you may be eligible for the Club Excellence Award!

View the [Club Excellence Award Application](http://www.lionsclubs.org) at [www.lionsclubs.org](http://www.lionsclubs.org) for complete details and apply before August 31, 2018.

You know your club is excellent so get recognized for all your achievements!

## Together, We Can Stop Diabetes in its Tracks!

LCI has partnered with the International Diabetes Federation to make fighting diabetes, one of the world's most widespread diseases, a top priority for 2018.

As we count down to World Diabetes Day on November 14, 2018, we're counting on you to mobilize your fellow Lions and Leos. Please send them to our [Diabetes Service Journey website](#) for fun ways to get engaged and learn about the disease's impact.

Of course, we want you to participate too! Check out the website now to:

1. Enter a monthly contest for a chance to win a Fitbit Charger 2.
2. Share your views in our first monthly poll and see what other Lions and Leos think.
3. Learn how to better manage or prevent diabetes.
4. And much, much more!

Thank you for taking steps to fight Diabetes as an LCI Leader.

## Cabinet Secretary CC Keith Thomas

Hello Lions,  
Congratulations District Governor Ron. I hope you have a great year.

Ron asked me to write about the importance of club secretaries regularly submitting their membership and activity reports.

I will address the membership report first. It might be mentioned as the MMR. It is important to report your membership monthly as it helps both the District Governor and Lions Clubs International (LCI) know how many members are with the club. It is also important that new members are reported to MyLCI so that each person's time of service is properly recorded. Reporting also helps LCI and the District Governor monitor the health of the clubs. Without routine reports submitted, the membership status of the club is unknown; is the club active and growing or losing members and need help.

Activities reporting is just as important if not more so for multiple reasons. LCI needs the clubs to report because with these numbers, LCI reaches out to companies and other service groups to form partnerships. These partnerships help provide Lions Clubs International Foundation with much needed donations. The total numbers of service hours, projects and people served enable LCI and LCIF to access more funds and resources to help clubs be able to do even more great things in each community.

These service records help the current and future International Presidents develop and reach their service goals. The Past International President Naresh Aggarwal goal was to service 200 million annually by the year 2020. We missed the goal this last year by 1% from the clubs that did not report the activities that we know they all did.

But what does all of this really mean? When I was Governor, I used these reports to see what the clubs were doing. A club meeting is a reportable activity. Also, just because your club always does the same five things every month, unless it is reported, no one knows that you do those five things! So the team is asking that all club secretaries post your membership and activity reports each month to help us help you. District Governor Ron can use the information to provide you with information to enhance your existing activities and start new projects.

Please remember the district is here to help the clubs so if we can help, please let us know. If you need help to learn how to complete these reports, contact us.

## W.P. Woods Chair Reports Inactive Accounts holding Credits and Donations

You may be unaware that you have W.P. Woods credits or donations in an inactive account. An inactive account is one having no activity for five or more years. These credits and donations are waiting to be used for W.P. Woods Fellowships.

The Indiana Lions Foundation Board of Trustees discussed options for these forgotten credits and donations, and agreed to notify account owners or owners' clubs, and voted on the following options for owners:

- 1) Reactivate the account with a donation of \$5 or more;
- 2) Notify the W.P. Woods Chair to transfer the credits or donations to another club member;
- 3) Notify the W.P. Woods Chair to give the credits and donations to your District.

The Trustees will notify account owners, or their clubs, by mail. Credits and donations in accounts not acknowledged by owners or their clubs within sixty days after receiving the Trustees' letters will be transferred to the Districts in which they originated. Accounts of clubs that no longer exist will be transferred to the District in which the club once existed.

The W.P. Woods Chair may be reached at: Lion Sandy Ruane, 203 South Park Drive, Seymour, IN 47274
