ROAR!

Hello to my 'F'avorite Lions 'F'amily: What a month January was! Weather, flu, and surgeries. That can't keep the Lions down though:

ROAR!

- By the time you receive this, INDIANA Lions will have screened over ONE MILLION school-age children in our state since 2007. Tell your neighbors, tell your friends – the Lions will be back again!
- Lions ACROSS THE GLOBE will have served over 200 MILLION people! This is double the number we aimed for when our Centennial Service Challenge began two years ago. Lions, you are amazing <3
- 2018 Mexico Mission to Pachuca – 4,620 people screened and fitted in only FIVE days. Way to go team!
- \$10,000 – Amount of money Indiana Lions raised to sponsor the Indiana Special Olympics Winter Games at Perfect North Slopes, Lawrenceburg, Indiana. The games would NOT have been held had we not stepped up! Keep an eye out for volunteer opportunities and fundraising efforts so we can do it again next year.
- Peace Poster Contest – District 25F's entry (sponsored by the Decatur Central Lions club) WON at the State level. This was voted on by the Council of Governors out of entries submitted from around the State. It's on it's way to the International level – keep your fingers crossed! Look for the picture later in this newsletter.
- Lions International Essay Contest – District 25F's entry (sponsored by the Indianapolis Washington Township Lions Club) ALSO WON at the State level! This is also on its way to the International level – as soon as we know, you'll know.

Please, won't you send a note (or a copy of this newsletter) to your local newspaper, radio station, go to your local school board meeting, let's get the tales out about this!

Three new club officer possibilities.

New Club Officer Positions Can Help Clubs Increase Impact in Local Communities

On the LCI website, additional information on three relatively new positions are detailed. While not mandatory, they are suggested for clubs' consideration to help make them more effective in providing service to their respective communities. The **Club Service Chairperson** will assist clubs implementing impactful service an fundraising projects, increasing service project engagement of members, and elevating awareness of Lions' collective impact in fulfilling global humanitarian needs. The **Club LCIF Coordinator** will help educate each club's members about Lions Clubs International Foundation programs and initiatives, as well as the many benefits of supporting LCIF. The **Club Marketing Communications Chairperson** will play a led role within the club, using social media to motivate and excite new adn existing members. Each of these positions had additional links to useful information for the position. You can access this page from the LCI website <http://members.lionsclubs.org/EN/clubs/officers/>

Vision Screening Milestone Can Increase Awareness of Lions Service

Indiana Lions Clubs have reached an incredible milestone that shines a bright light on the "We Serve" pledge. And what exactly is this achievement?

We've surpassed the 1 million mark for children's vision screenings. Think about that for a moment.

1 million.

It's this kind of success and dedication that shows what Lions are really about. It is a tangible and measurable result that can help boost the public's awareness of Lions service

projects, and accomplish other important goals as outlined by State Vision Services Chairman, PDG Charlie Short:

- Increase awareness of pediatric vision problems in schools and pre-schools.
- Attract the interest of potential sponsors for vision-related efforts and raise \$50,000 for vision support by June 30.
- Add 1,000 new members statewide as supporters of vision and service by June 30.

The 1 million milestone provides an excellent foundation for clubs to promote their participation in vision screenings in local media as well as an opportunity to let the public know about other Lions endeavors -- which could help attract new members and broader community support.

Stepping Out of Our “Comfort Zone”

1st VDG Ron Bigham CW Trustee

Greetings Fellow Lions of 25F,

Below are a couple of articles I ran across the first part of 2018 and wanted to share them.

Two of our biggest fears are failure and criticism. And they never completely go away. You can overcome them, but they'll show up when you face your next challenge. In accepting fear as part of life's journey instead of running from it, you learn to conquer it. Indeed, as you look back at what you've already overcome, you realize that most times failure doesn't do permanent damage -- you actually grow stronger through it.

An unknown poet wrote: “I used to have a comfort zone where I knew I couldn't fail; the same four walls of busy-work were really more like jail. I longed so much to do the things I'd never done before but stayed inside my comfort zone and paced the same old floor. I said it didn't matter that I wasn't doing much; I said I didn't care for things like dreams and goals and such. I claimed to be so busy with the things inside my zone, but deep inside I longed for something special of my own. I couldn't let my life go by just watching others win; I held my breath and stepped outside and let the change begin. I took a step, and with new strength I'd never felt before, I kissed my comfort zone goodbye, then closed and locked the door. If you're in a comfort zone, afraid to venture out, remember that all winners were at one time filled with doubt.”

When you challenge your fears, you master them. When you wrestle with your problems, they lose their grip on you. When you dare to confront the things that scare you, you open the door to the future.

A wise man once said, “Take the bull by the horns until you have him screaming for mercy.”

Author John Mason writes: “The desire for safety stands against every great and virtuous dream. Security, many times, is the first step toward stagnation. Boldness in vision is the first, second, and third most important thing. If you dare nothing, you should expect nothing.” So whatever opportunity or obstacle you're facing today; what you have is always greater than whatever you lack.

I wanted to share these thoughts because our District is always in need for Lions to step out of their “comfort zone.” Many Lions have served as trustees or on committees. Many have served for years and would appreciate taking a break and having new Lions step up into leadership roles and help guide our District into the next 100 years. By being involved, you help set the precedents for the future of Lions.

I will tell you that I was stuck in my comfort zone and our minister at that time preached a sermon about “our comfort zone.” A dear friend came to me about 12 years

ago (about 2 weeks after the sermon) and told me that they were in need of a basketball coach for their Special Olympics Junior team. I had virtually no basketball experience and had been around special needs youth only a very small level. I had a meeting with the parents of these youngsters who agreed to give it a go. So I stepped into the coach's role after reading 3 to 4 books for guidance. As it turned out, I was blessed so much more than I ever dreamed.

Later I had two much younger coaches who continued to grow the program, giving me the opportunity to grow with Lions, but I am still in touch with these families to this day.

It is not something that I had planned, but the rewards from it turned out to be immeasurable. So look at what Lions are doing that interests you and let District leaders know that you would like to serve in that area or if asked to serve please consider the opportunity.

The word for you today is: This year, get out of your comfort zone! Opportunity is knocking!

Bite'em!

Teaming Up

Don Mullen, 2nd VDG

It appears, during visit conversations, the same question is being asked. That question concerns membership growth.

One wonders what we do and don't understand about volunteerism in today's busy environment. We should never stop “just asking” someone to be a member. An old sales axiom states that standing on a busy street corner, asking 100 people to buy insurance, you'll get at least one person to say yes. Whether true or not, it's pretty inefficient. There's more to it than that.

There is more to recruiting new members, particularly young people. While the 45 to 60 age demographic is always good, there is nothing wrong with the 25 to 44 age range. Put time into understanding what young people find attractive and what they don't. While approaches may vary, we should educate ourselves to these facts. We obviously cannot wave a magic wand; it will take effort and commitment. Internally develop separate membership and service teams. They can work together by inviting a prospective member to a service project. Ask them what they feel would be a good service project. Ask them how they see themselves serving the community. Ask them what kind of time they realistically can give. Consequently, let them tell you how to recruit them. Invite them to bring spouse and kids to meetings (that may require a paradigm shift).

Many studies show that people volunteer to service but not meetings. Being flexible in this regard could reward the club. Continuing business as usual only generates the same result.

Moving forward, can this be considered an acceptable result?

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit as my just due, but to accept no profit or success at the price of my own respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's, to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not because the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticisms and liberal with my praise; to build up and not destroy.

In addition to the traditional Trike Race, the day will also feature:

- A Disc Golf competition
- Trophies created in the ISBVI's own 3D Print Lab
- other activities yet to-be-announced

A team application form is attached. Please encourage your club to send a team. If your club is not sending a race team, see if it would sponsor a local Leo Club, school or Boy Scout troop that would like to have a fun afternoon racing around the Letterman Track on adult trikes. All are welcome!

Indiana Special Olympics Winter Games Sponsorship Update

William J. McDonald, Special Olympics Committee Member, District F

To Lions all,

After a slow start we, The Indiana Lions reached our goal and commitment of \$10,000.00 for the Sponsorship of the Special Olympics 2018 Winter Games.

On December 9, 2017 Lions ID Nick Xinopoulos, PID Linda Tincher, PDG Steven Winegardner, IPDG Steve Holtzleiter, State Admin Sec PCC Sue Topf, CC Ross Drapalik and many other Lions met with Special Olympics CEO Michael Furnish at the Indiana Special Olympics Office in Indianapolis and presented a check from the Indiana Lions Clubs for \$10,000.00 for the sponsorship of the Special Olympics 2018 Winter Games.

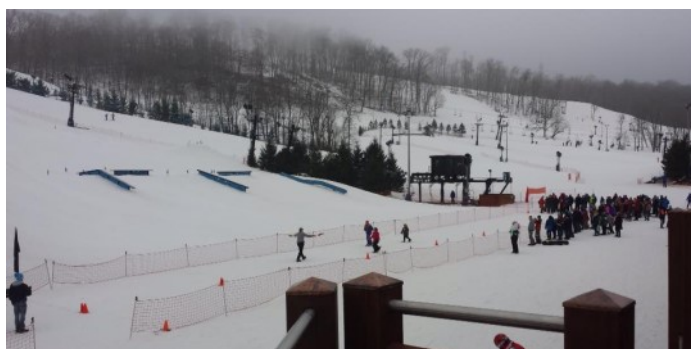

On January 7, 2018 at the Winter Games Opening Ceremonies held at Higher Ground Conference Center in West Harrison, Indiana over 28 Lions assisted with leading the Special Olympics Athletes into the Ceremonial Hall. Then all Lions were invited onto the stage and presented with a plaque to commemorate our 1st Annual Sponsorship of the Winter Games. The hall erupted in applause with appreciation for our support of the Winter Games with our Sponsorship.

On Tuesday January 9, 2018 at Perfect North Slopes in Lawrenceburg, Indiana, 10 Lions assisted with the Awards Ceremony, giving members a firsthand experience with the Special Olympics athletes.

It was an exuberant and moving experience for all. Many commented that they look forward to helping again next year.

Thanks for all your support of this partnership.

Remember \$1.00 per member for the 2019 Winter Games, start now.

At the stop sign, go straight. On the right are two buildings - Lambert Hall and Aldur Hall with a common entrance between the two. Enter there, and registration will be directly inside the main doors.

There are several parking areas near the buildings. ISBVI maintenance/grounds request that we **do not park on the grass!** This time of year it will cause muddy ruts and ruin the sod. Please stay in the area of Aldur Hall due to other activities on the rest of the campus.

Hoosier Lion Newspaper Survey

The Hoosier Lion newspaper has been Indiana's (MD25) method for communicating with its members for more than 30 years. As the change to more digital formats is occurring, the Governors of MD-25 have determined that it is important to survey the Lions of Indiana to determine if changes in the newspaper should be done. Please take a few moments and let us know what you think. The link to access the survey is <https://surveyhero.com/c/5165Ofc>.
