## Winter Events...

Greetings Fellow Lions of 25F! I must say that for those who could not attend due to bad weather, you missed out on one of the best Mid-Winter Conferences that I have ever attended. Friday evening meal was very good and Craig Tornquist, from Mishawaka, was a very entertaining comedian involving the Lions there throughout his performance making us use the gray matter between our ears. On Saturday, the seminars were from 8:30 am to 12:30 pm each about 50 minutes long. There were new subjects and presenters at the seminars. Again, the lunch was very good. If you went away hungry from either meal it was not from lack of servings available. Jessica Michna spoke a small portion of Helen Keller's speech as the Lions heard it in 1925 then expounded on Helen's life history. Attendance was around 180 Lions. The Leos who had planned to attend, were not able to be there due to the poor weather. Make plans now to attend next year's MWC and enjoy visiting with your fellow Lions from throughout the State.

Well, the snow we had that weekend was a great benefit to the Special Olympics Winter Games. The games were a great success. I want to say thanks to Lion Toni, Lion Bill McDonald, and PDG Steve Holtzleiter who were integral in bringing this all together. On Tuesday, PCC Sue Topf, PCC Steve Winegardner, Lion Toni McDonald, PDG Steve Holtzleiter and his daughter Lion Adrianna Holtzleiter, Lion Cindy Russell, Rev. Lion Joe Foster, Lion Andy and Lion Janice Schwier, and Lion Judy Jordan. Many thanks to all who helped with this event.

Remember that each District of MD 25 have made a commitment to raise \$1500.00 per District to support the SO Winter Games. A \$30 minimum donation from each Club in 25F raises the money from our District to support this great event. Some Districts have had Clubs that have had fund raisers for their Winter Games support or a District wide event. If your Club is willing to donate more, thank you.

I want to thank the Decatur Central and Clermont Lions for their participation in Washington Township

Lions/ISBVI Leos in their Million Meals project on January 13th. The project packed enough meals for approximately 5,400 persons. I found out that on one of the cooking shows featured the Million Meals meal bags and the cooks were challenged to create their own meal from the base ingredients in the Million Meal meal bag. This is a great project that 3 or 4 Clubs could go together and help feed the hungry.

I want to thank the Clubs who have responded to my request to schedule my Official Visit with them. At the writing of this article, I have 11 Clubs to schedule. Please contact me or Lion Patricia Bigham and get your date on the calendar.

Thank you to the Clubs who reported their MMR's and Activities. Last month the District had 84% reporting MMR's and 66% reporting Activities. This is a very nice increase. We are getting there for my 100% goal. Remember Clubs, if you are reporting your MMR's, do your Activities at that time as well. Your monthly meetings count as activities. Please let me or one of the Cabinet members or Lion Denise Salsbery if you are having problems. Remember that LCI WILL NOT ACCEPT SNAIL MAIL REPORTING. If a Club does not want to take the time to go to LCI on line and make the report, send me a snail mail letter, an email, a cell phone message and I will make sure your information gets reported. Without reporting, we lose out on expanding our opportunity to reach out even further than our local communities.

So now ask "Why" should our Club do our reporting? For those who report, I thank you very much, but to those who don't, your VDG's and myself will be asking for some basic information when the Club is contacted. All Clubs will receive reminders to do the MMR's and Activities as a courtesy. So please, help me and your District. Why? It is the Lion thing to do, 100% reporting on both the MMR's and Activities.

Winter Cabinet Meeting is being held at Edinburgh High School on February 9. We will have guest presenters Debbie Corpus and Shirley Mullin who will present a program called Young Hoosier Book Award which is an excellent opportunity for Clubs to support their school libraries. Please contact Lion Ron Hazelgrove at 812-526-2571 to make your reservations. Cost per person is \$15.00. Reservation form is in the Newsletter.

District Convention will be March 30 held at St. Maurice Catholic Church at Napoleon, IN. Please plan to attend and enjoy the visiting with ID Tom Gordon. Registration form is in this newsletter. This location is as near center in the District as I could find and I am asking all Clubs to send at least one member to represent your Club in our District.

State Convention will be held April 26-28 at Fort Wayne. Registration form is in the newsletter and the Hoosier Lion. Come and enjoy visiting with other Lions and listening to our International President Gudrun Yngvadottir.

Well, in the last newsletter, I asked a very tough quiz question. In truth, I figured there would be maybe 2 to 3 persons who would know especially if they had attended Banner Night because the

answer for the brand of garden tractor was in the crossword puzzle that night. I received no correct answers but at least Lion Shirley Bocock from Milan Club will receive a prize for making a gallant effort and did get the color correct. Just for general information, the garden tractor that I have the most of is Gravely Tractors. The answer to the second part of the question was 5 complete tractors and 1 donor tractor. Lion Shirley said that they were "red" and she is mostly correct. Most Gravely Tractors were red and later were red and white combination with most attachments being red or white. They did make some commercial models later that were yellow and white. The new Gravely equipment today is red of the ones that I have seen.

I have a short trick puzzle and it's something that's common for most people: When is it that 90 and 130 are equal? As always (if I receive answers) all of the correct ones will be put together and one correct answer will be drawn and will receive a prize.

Now for all of you lovers out there, which I am sure we all are, don't forget the candy and flowers guys and have a Happy Valentine's Day and cherish the ones you love!!!! Many times they are no longer with us sooner than we expect.

Bite'em!!!!!!

## You Are Encouraged

*1st VDG Don Mullen*

In previous articles, we have attempted to provide information that encouraged clubs to think and act upon the issue of membership recruitment that would allow clubs to get younger and cement their future and the good works they do. If only one club has bought into this concept, that is a win for Lions.

This article is not about any of that. Wait, is that a collective "about time" we hear? Maybe not, maybe so. This article, instead, is one of encouragement. Simply stated, clubs are encouraged to attend the Winter Cabinet meeting on February 9 at Edinburgh, the District Convention on March 30 in Napoleon and the State Convention on April 26-28 in Ft. Wayne. If you haven't been to these recently, please consider doing so. We all have busy lives; we all have opinions concerning these meetings; and we all can find reasons for not attending. However, these are tremendous opportunities to connect with Lionism and Lions that can be instructive and fun; not to mention some pretty good food. Simply put, if you haven't been in a while, give it the benefit of the doubt; attend, bring other members, particularly new ones. Share the good times and most of all share the experience with your fellow Lions.

## Million Meals Movement

2nd VDG Ken Faulkner

Hello Fellow Lions.. February is here with Valentines Day, Cold weather, the NFL's Super Bowl, & NHL Hockey.. What else can make this month better, how about a love for service, it's what we do...

Last Month I was invited to be part of The Million Meal Movement with the Washington Township Lions Club & Indiana School for the Blind & Visually Impaired Leo Club, Some Decatur Central Lions, and faculty from the School, Even school Superintendent Mr. Durst and his Father participated. While making meals I observed several acts of Service from Lions engaging with Leo's to the Faculty engaging with their Students, as well as Lions working along side of everyone.. What a wonderful night of Service it was.. Thank You Washington Township Lions for the invitation, it is an activity I will never forget. Lions, If I didn't tell you about here, how were you to know?

I had my own President report it as a service activity... Did you know that you Club President, Club Secretary, or Club Administrator can report it?? Can you tell me what your Club doing in these Cold winter months?

Report It.. Please! I look forward to reading about your activities!!

As always, We Serve, better together..

Lion Ken Faulkner, Second Vice District Governor, District 25F, Indiana Lions, Clermont Lions Club, 317-847-7884

## Leadership Training Options

One characteristic of our Lions clubs that helps them to remain a viable presence in their communities is for their members to work to make themselves stronger leaders and officers. There are several opportunities within our organization to do that thru training and networking. This is offered from the district, state and International thru various seminars, conferences and training sessions.

Members can pick and choose what works best for them or what interests them the most. LCI offers the Emerging Lions Leadership (ELLI) and Advanced Lions Leadership Institutes (ALLI) and USA/Canada Forum thru the Forum committee; district F had five officers training sessions around the district this year; the state sponsors the Mid-Winter conference and stages training for Vice-District Governors as they proceed thru the offices.

To find the specific dates of any of these sessions they can be found on the state's web page calendar, LCI's page or contact the district Global Leadership team (GLT).

The next training opportunity will be the state sponsored Indiana Lions Leadership Institute. This is geared towards Lions who want to be club officers or ones who want to strengthen their skills for other positions. There is no cost for the training or hotel room - the only expense to the Lion is cost to get to Plainfield, where the Institute will take place this year, and back home. The dates are April 6th and 7th. Please contact Governor Ron Bigham if you are interested. There are limited seats per district!

# **2019 Indiana Lions State Convention Update**

The focus of Indiana Lions over the last several years has been vision screening. In the last 10 years, over 1,000,000 children have been served through Operation KidSight and Project School Sight. It could be argued that at least 100,000 people see better than they would have if they had not been referred for additional follow up. Hundreds, if not thousands, of Lion volunteers from all over the state have been invaluable in providing this service through the sacrifice of their time.

As part of the 2019 State Convention, the Lions of Indiana will honor these countless volunteers by hosting a party on Friday evening, April 26. We will celebrate all past and present screeners. If you are or have been a volunteer, make sure to make your reservation for the Convention and participate in the celebration Friday night. All Lions and guests are invited to the party.

## Join the Lions in Milan!

The 102<sup>nd</sup> annual Lions Clubs International Convention will be in Milan, Italy, July 5 – 9, 2019. The Indiana delegation will be marching in the Parade of Nations on Saturday July 6<sup>th</sup> and the parade route winds among beautiful historical buildings ending up in the square where the unique masterpiece of the Milan Cathedral stands. The Milan Cathedral or Duomo di Milano in Italian, is the cathedral church of Milan, Italy. Dedicated to Saint Mary Nascent, it is the seat of the Archbishop of Milan. The Gothic cathedral took nearly six centuries to complete.

### Italian Culture - a brief overview of Italian customs and traditions.

Italy is home to more than 62 million individuals as of 2017 and is ranked 23rd in population size when compared with other countries throughout the world. Italian culture is steeped in the arts, family, architecture, music and food. Home of the Roman Empire and a major center of the Renaissance, culture on the Italian peninsula has flourished for centuries.

Family is an extremely important value within the Italian culture," Talia Wagner, a Los Angeles-based marriage and family therapist. Their family solidarity is focused on extended family rather than the West's idea of "the nuclear family" of just a mom, dad and kids, Wagner explained. Italians have frequent family gatherings and enjoy spending time with those in their family. "Children are reared to remain close to the family upon adulthood and incorporate their future family into the larger network," said Wagner.

The Euro is the currency there and currently is worth more than the US dollar ( \$1.14 Euro versus \$1 US). You may want to check with your bank to see if it provides a better exchange rate than what is offered in Italy. While credit cards are accepted at all of the larger stores and restaurant, the smaller and individually owned businesses may only deal in cash. Also the culture in Europe is that tips are not to be added onto the bill.

### Art and architecture in Italy

Italy has given rise to a number of architectural styles, including classical Roman, Renaissance, Baroque and Neoclassical. Italy is home to some of the most famous structures in the world, including the Colosseum and the Leaning Tower of Pisa. The concept of a basilica — which was originally used to describe an open public court building and evolved to mean a Catholic pilgrimage site — was born in Italy. The word, according to the Oxford Dictionary, is derived from Latin and meant "royal palace." The word is also from the Greek basilikē, which is the feminine of basilikos which means "royal" or basileus, which means "king."

Italy also is home to many castles with the following in Milan. The Castello Borromeo d'Adda stands on the river banks of the Muzza at Cassano d'Adda, and dates from the 9th Century; restoration works here have even uncovered frescoes from the school of Giotto. In Legnano, the Castello di San Giorgio was built atop a pre-existing Augustinian convent in the 13th Century. In Cusago, the Visconti Castle is regarded as a major example of castle architecture in the region. And finally, in the zone south of Milan reside San Colombano al Lambro and the Castello Belgioioso, in addition to Casalpusterlengo, with its crenellated Tower of Pusterla.

Florence, Venice and Rome are home to many museums, but art can be viewed in churches and public buildings. Most notable is the ceiling of the Sistine Chapel of the Vatican, painted by Michelangelo sometime between 1508 and 1512. Opera has its roots in Italy and many famous operas — including "Aida" and "La Traviata," both by Giuseppe Verdi, and "Pagliacci" by Ruggero Leoncavallo — were written in Italian and are still performed in the native language. More recently, Italian tenor Luciano Pavarotti made opera more accessible to the masses as a soloist and as part of the Three Tenors. Italy is home to a number of world-renowned fashion houses, including Armani, Gucci, Benetton, Versace and Prada.

### Italian cuisine

Italian cuisine has influenced food culture around the world and is viewed as a form of art by many. Wine, cheese and pasta are important part of Italian meals. Pasta comes in a wide range of shapes, widths and lengths, including penne, spaghetti, linguine, fusilli and lasagna.

No one area of Italy eats the same things as the next. Each region has its own spin on "Italian food," according to CNN. For example, most of the foods that Americans view as Italian, such as spaghetti and pizza, come from central Italy. In the North of Italy, fish, potatoes, rice, sausages, pork and different types of cheeses are the most common ingredients. Pasta dishes with tomatoes are popular, as are many kinds of stuffed pasta, polenta and risotto. In the South, tomatoes dominate dishes, and they are either served fresh or cooked into sauce. Southern cuisine also includes capers, peppers, olives and olive oil, garlic, artichokes, eggplant and ricotta cheese.

Wine is also a big part of Italian culture, and the country is home to some of the world's most famous vineyards. The oldest traces of Italian wine were recently discovered in a cave near Sicily's southwest coast.

Questions about the Indiana delegation should be addressed to any of the committee members. If any of our members are interested in possible joining other Indiana Lions to form a group for airline tickets or group tours please let me know.
