Hearts of Lions

District Governor Ken Faulkner

Here we are in month two, February, for Lions it is month number eight and where has the time gone. By the time you read this we have had a virtual Mid Winter Conference. Did everyone enjoy the meal? If you did please let the committee know. HA HA! Seriously if you enjoyed any part of it, send the committee feedback. If you don't know who to send it to, email it to me.: Kenneth-faulkner25F@gmail.com.

Many events are scheduled for February and here some of my favorites:

Our 3rd District meeting scheduled for February 13th in Greensburg will be virtual and the information to attend is in this newsletter. Please join us for some fun and good information from around our district. I would like to thank the Greensburg club for preparing to host it in person. It takes a dedicated group of Lions to host this event. Even though the in-person meeting was changed to virtual, I would like to acknowledge and thank them for their efforts.

Our District Convention will be held in person, hosted by the Clermont Lions Club. Our guest speaker will be ID Bob Block from Dyer, IN. The Convention committee has some things planned to make the even it fun and enjoyable. The food will be outstanding as usual as it will be prepared by Clermont's own Lion Joe Shead. Registration form is included in included in this newsletter.

Also included with this month's newsletter is the State Convention registration form. The State Convention is being held right here in Indy with the Speedway Lions Club hosting and planning it. The other Governors around the State are looking forward to getting together and having a few laughs as well as take care of some business. This will be our last chance to come together as a group this fiscal year. I hope to see many of you there!

NOTE: Please send Newsletter content and requests to lions25f@gmail.com .

Both conventions are looking for Silent Auction items. Who doesn't love to shop with some suspense built in? It is for a good cause on both fronts. To donate to the District Convention please contact Lion Cheri at Clermontlionlady58@yahoo.com or Lion Angie at mwam2893@gmail.com. To donate to the state convention please contact Lion Henry Havlik at hphavlik@msn.com.

I have had the opportunity to visit many clubs, meet many Lions and share fellowship. There is nothing better! Please schedule your visit whether in person or virtual with Cabinet Secretary Ed can assist in either. When planning your upcoming events, whether fund raising or serving your community, keep thinking outside the box! Send your events to Lion Andrea at newsletter25f@yahoo.com so all Lions around the district can come to support you.

As family, we all need to support each other, take the time to call another member. Club Presidents call other Club Presidents to check on them and see what they are doing or borrow an idea or two. Many things have happened and many more will, too but remember why we are Lions, We Serve.

I'd like to Thank You all who texted, called, sent cards and commented on Facebook on the passing of Mom. Your sincere kindness has made a huge difference. She was a one of kind lady who taught me many things and we have many things in common like our love of coffee. We drank it differently but we both loved it strong. Can't wait to see you on the other side, Mom, know you are loved! See you all soon.

United in Kindness & Diversity as We Serve,

DG Ken

February

2nd VDG Linda Scott

We are entering February. It is the shortest month of the year and the end of winter. Hope this finds everyone safe and well. I wonder if the groundhog will see his shadow. I am hoping he does not see his shadow. I am ready for an early spring! This month we also think of hearts and flowers. I know clubs who are trying to use their hearts and serve their communities the best they can during these times.

I was able to participate in a fun project at the airport for TSA! We went and were decoys for dog training purposes. I had a training device on me and walked through a line to see if the dog would catch me. I was caught three different times by three different dogs. That was a fun service project, but it was hard not to pet the dogs. They

are working and doing their job well! It was done safely keeping social distance and wearing masks. They are always looking for volunteers.

The International Convention in Montreal is going to be a virtual event. The decision was made with the health and safety of all involved with the convention in mind. Registration is \$50 until March, after that it will be \$75. Your understanding is appreciated. New Delhi, India will be the location of the 2022 convention.

Keep up the good work you are doing. Your projects are important to your community and an important part of Lionism. We serve!

1st VDG Notes

VDG Jeffrey Locke

As Another month has passed us, Christmas and New Year's celebrations are over. We honored MLK on January 18th and seen the Inauguration of a new President of the United States on the 20th. Yet, we still battle Covid-19, but there is hope and maybe a light at the end of the tunnel as many of our Lions, friends and neighbors are now getting the vaccine. I remind you to still mask up, wash up and social distance.

Lions Clubs are taking it day by day in 25F, some are meeting, some not. I and Lion Angela were honored to attend District Governor Ken Faulkner's official visit to the Franklin Lions Club on the 18th. It was great to meet new Lions and visit with Lions I have known for a while. I plan on tagging along with DG Ken to as many of his official visits as I can to meet the great Lions of 25F.

As your First Vice Governor, I have several different forms of training that I am to participate in. Normally 1st VDG's attend a training in St. Charles, Ill., in February, but due to Covid-19, that won't take place. I was placed in Group 29 of 1st VDG's by LCI, Group 29 has members from the U.S., Australia and New Zealand. Our Indiana State Lions also conduct training led by PCC Ross Draplik. All seven of Indiana's First Vice Governors are participating. PCC Sue Toft, State Administrative Secretary has also conducted a training for all 1st and 2nd VDG's that will aid us during our year as District Governor.

February 13th will be our next District meeting. I hope you can attend. I'm sure DG Ken will address this in his article. Remember to report any and all activities in your monthly MMR reports to LCI.

So, until we meet again, have a great February, and remember your sweetie on the 14th. My 3 year old Granddaughter has informed me she wants chocolate.

Revised Club Donation

CT Patricia Bigham

As we prepare for this marvelous year of 2021, you will notice a Revised Club Donation page within this newsletter. Please start using this form immediately. The only change is the Camp Woodsmoke contributions, and how exactly the club would like the funds to be distributed. All funds contributed in the past have been submitted to the general fund, unless it was noted directly. This new form gives all the clubs the choice on the many ways the funds may be appropriated. Should you have any questions, please feel free to contact a Camp Woodsmoke Trustee. Have a blessed year.

Beech Grove Lions Club

Mrs. Keeley and Mrs. Bastin, South Grove Home School Advisor/Counselors, spoke to the Beech Grove Lions at a recent meeting about the needs of our students and families in Beech Grove. They thanked the Beech Grove Lions Club for our continued support to the school.

Chapel Hill Lions Club Report

Although this has been a very difficult year, the Chapel Hill Lions Club has continued to have our monthly furniture and garage sales on a limited basis. These are our major fund-raising projects and we hope to get back into full swing in 2021. Lion Toni Robbins has assumed the role of family assistance coordinator for our club. So far this year our club has provided seven children with eye exams and glasses for six of them, one did not need glasses. Lion Toni works with the nurses at the various Wayne township schools to identify those in need.

Also, this year, she and past club president Lion Irene Snyder provided Christmas for seven families and seventeen children. They work with the school social worker who provides the information for the needy families.

We are proud that our club has been able to continue to "Serve" the needs of our community in these difficult times.

Best regards,

Lion Ronald Robbins

Purdue University: INTERNATIONAL FRIENDSHIP PROGRAM

(If any Lions Clubs are located by a College or University, you might check to see if they have a program like this, that you could get involved in.)

Lafayette Lions Club has 3 members and 1 non Lion , PDG Pat Short, PDG Charlie Short, Lion Larry Fisher and his wife Esther , busy with Purdue International Friendship Program by being hosts'to foreign students attending Purdue University. Here's what's involved. Purdue University has a program called Intercultural Learning/International Friendship Group.

No funds are provided by the Lafayette Lions Club. Students generally have their own funds. The hosts' are not there to support them financially, but are actually non official "parentis in loco" for these students....there to share our culture, and learn about theirs and also be someone they can call for assistance . The hosts' can take them places and pay for admission or meals. PDG Pat & PDG Charlie Short are currently hosting 2 new PhD students, one from India and one who is studying remotely from Moscow. They continue to host a student from Colombia, South America. It's a great program through Purdue...Intercultural Learning-Office of International Students & Scholars. Here is the link to check it out.... <https://www.purdue.edu/IPPU/ISS/Student/Programming/IFP/events.html>.

The Shorts and Fishers have been doing this for several years. The Shorts have "hosted" at least 10 students ...from India, Iran, Austria, China, Taiwan, Sweden, Colombia SA. In fact their 1st student did his undergraduate degree, masters and PhD here and now is a professor at The University of Kansas, married and they have a son. The student from Colombia SA did her undergraduate and masters here and is now working on her Phd. Another Purdue graduate is working in Dallas.

Hosting students doesn't mean they live with you, but the hosts' are supposed to keep in touch and get together at least once a month (during non-Covid). They generally take them around and show them Lafayette and Indy (maybe Chicago), state parks, events, etc. as well as take them to the mall for shopping, drive to the airport and have them over for meals (not now). Thanksgiving and Christmas are great times with them and the Shorts usually have about 10 guests. Sometimes they drive to Indy for students to take their English, as a 2nd Language, exams so they can continue their studies. Hosts' are also invited to join the students at international events on campus such as Diwali, plus the students usually cook great meals from their country. There is no stipulated agenda for the support and friendship. The Shorts and Fishers have met students' parents and family members when they graduate and formed lifelong friendships.

The International Friendship Program (IFP) publishes a newsletter, Bridging Borders, each semester to highlight stories about community hosts, student guests and IFP events. Check out the Spring 2020 issue.

Dear Lion Leader,

The coronavirus (COVID-19) pandemic is continuing to impact the work of Lions around the world. As you know, it has also created financial hardships for our Lions and the people for whom we care.

To support the incredible men and women serving with us, the International Board of Directors unanimously passed another resolution to help our clubs.

Here is an overview of the new resolution approved by the Board of Directors:

- **Charter and entrance fees waiver** – We have waived all charter and entrance fees from January 1 through June 30, 2021.
- **Flexible payments** – No clubs in good standing on December 31, 2020 will be suspended or canceled through June 30, 2021 for late payment of dues. Full payment is required to be received before June 30, 2021 to avoid suspension or cancellation.
- ***Please note that clubs placed on financial suspension on December 31, 2020 will remain on suspension until the full balance is paid.*** Those clubs will still need to address their outstanding dues or make arrangements for repayment with the Accounts Receivable Department at Lions Clubs International to avoid cancellation scheduled for March 1, 2021.

These additional measures will help Lions facing financial hardships and give our clubs the support and encouragement they need during these challenging times. For more than a century, Lions have taken on the greatest challenges facing humanity, and together, we will overcome this.

The world needs Lions now more than ever, so thank you for your outstanding service and commitment to our communities and the world.

Regards,

Dr. Jung-Yul Choi
International President

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Although disappointed that we cannot host the event in person, we're excited about hosting our first virtual international convention that can safely connect Lions from around the world. We're still finalizing details and will share those as soon as they are ready.

Here are some important details about the 2021 virtual convention to share:

- **Everyone's invited** – Our 2021 convention will be a virtual event that's open to all Lions and Leos around the world.
- **Registration fees** – The registration fee will be US\$50 until March 31, then \$75 beginning April 1. The registration fee for Leos will be \$30 regardless of date. Convention is currently scheduled for June 25-29. Additional event and registration details will be provided soon.
- **Current registrants** – Lions who are registered for convention will receive an email with more information about registration options.
- **Elections** – Executive officer and international director elections will be conducted electronically and voting procedures will be forthcoming.
- **Convention updates** – Check our convention website [LCIcon](https://www.lci-convention.com) for convention updates and details as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service.

We appreciate your understanding during this challenging time and thank you for your incredible service as a Lion.

Regards,

Dr. Jung-Yul Choi, International President

Virtual Mid-Winter Conference

Lions,

Usually at this time of the year the Indiana Lions would be sending in their registrations for the in-person Mid-Winter Conference hosted by the state global leadership committee. With everything being affected by Covid 19 and the uncertainty of ensuring the health and safety of a physical meeting, the 2021 Conference will be held on-line on January 23rd.

There are many pros and cons of virtual meetings.

Pros

- No long travel concerns.
- You don't have to worry about your wardrobe.
- No cost. It is free to attend.
- You can snack during the seminars without being seen.
- Four seminars that will take place one after the other and you don't need to walk to different rooms.
- You are in control of finding a comfortable chair!
- Attend one or all of the seminars - you just sign in.
- Help the members stay connected with the latest in Indiana Lions.

Cons

- No in-person contact unless you hold a "viewing party" (subject to health department recommendations).
- Not being tech savvy (see assistance on this in this article).
- Prior bad experience with people talking over each other or not being able to hear in a virtual meeting (attendees will be muted by administrators when others are speaking - you control the volume on your end).

Club Leaders - invite your club to "attend". Information shared in the Conference will help clubs with fundraising, membership, and conducting virtual meetings. Consider following up with your members who attended to see if it sparked any ideas!

If a member has not attended a Zoom meeting or does not remember how to connect, please refer to the instructions in our District's June newsletter. It can be found on IndianaLions25F.org under the newsletter tab. Or Google connecting to Zoom and there are several YouTube videos available. I hope to see you at the Conference!

PCC Reed Fish, District Leadership Chair

What's keeping you from this great offer?

Think about this- FOUR great seminars to help you and your club's officers (and even all your members!) with improve their proficiency and knowledge of items of interest. **PLUS**, there is **NO travel** involved. You can attend one or all of these sessions from the comfort of your own home. **PLUS, PLUS**, you will have the greatest meals, since you'll do your own! **PLUS, PLUS, PLUS** there is **NO COST** to participate.

This year's Mid-Winter Conference will be a trailblazer on many fronts in Indiana Lions leadership history. Most significant will be the online format, being the first such leadership opportunity offered to Lions throughout the state.

Of course, there will be several items missing from the conference due the uncertainties of what restrictions the coronavirus might have by the January 23, 2021 date. Gone are the numerous displays by state projects, the silent auction, other Lion-sponsored programs, and projects, as well as the opportunities for personal, one-on-one interactions among Lions and visitors to the MWC.

This year the conference will have four seminars, allowing all attendees to attend. Earlier this year, past MWC attendees were surveyed to help the organizing committee plan and schedule seminar topics that were identified as the most interesting and useful. The list was narrowed to four in attempt to respond to the requests of over 100 previous MWC attendees.

The 2021 MWC will begin at 9:30 a.m. with an introduction by a special LCI guest. Seminars will be at 10 a.m., 11 a.m., 1 p.m. and 2 p.m., with a one-hour break for lunch. The conference will conclude at 3:15 p.m., allowing all attendees to return home by, well of course, 3:15 p.m. There will be NO SNOW cancellations.

The four topics follow.

Conducting online meetings and seminars- Lion Jennifer Drapalik, a seasoned organizer and moderator of several online meetings, including Zoom, the one that will be used to host this year's MWC, will de-myth the mysteries of setting up, hosting and handling other details in holding a successful online meeting.

Everything you want to know about recruiting new Lions- PDG Charles Short will moderate this panel discussion, featuring winning programs and tactics from successful club marketers, area specialists, and recruiters from around Indiana and the Great Lakes Region. Special guest Dave Wineman, LCI's North American Membership Initiative Regional Chair will be on the panel.

The 'magic' of membership retention- PCC Ross Drapalik will talk about the two most significant reasons Lions leave our organization: They are either 'pulled' away or we 'push' them away from our organization. His powerful presentation has received recognition from those groups where his seminar was given.

Putting 'FUN' in FUNdraising- Even with restrictions imposed on clubs by the Covid-19 pandemic, PDG Mary Jane Bodnar will moderate this discussion that will feature several innovative fundraising projects that have proven to be profitable as well as FUN. MWC participants are encouraged to share their experiences.

Mentioned earlier was the 'no registration fee' feature of this year's MWC. Holding our conferences previously was extremely costly. Several years ago, we were forced to move our conferences from the school buildings in Plainfield, which severely restricted our ability to expand the conference and required travel from hotel facilities to the conference location. Few hotels matched our needs in terms of meeting rooms, banquet areas and affordable overnight accommodations. In addition, hotels required our use of their food service. The MWC had to highly subsidize previous conferences to bring the cost to their previous registration fees. This year's MWC virtual conference eliminates all these associated costs and will allow the first NO FEE conference of its type in Indiana Lions history.

Even with no fees required, ALL MWC ATTENDEES must pre-register for the conference. Details to host the online conference requires the committee to have enough capacity in the Zoom meeting that will accommodate those who want to attend. An online registration form is available at <https://bit.ly/in-lions-mwc-2021-reg>. Facebook posts on the MWC page, <https://www.facebook.com/IndianaLionsMidWinterConference>, will also have information and registration forms. All Lions who register will receive additional information about how to login to the MWC, including the password required. For those who need additional information about how to participate in a Zoom meeting format, a FAQ sheet will be available. The MWC Zoom meeting is available to Lions via either a computer, a tablet or smartphone with an internet connection, or through a regular telephone.

Black tie or pajamas, the choice is yours! But the decision to attend the virtual MWC requires registration. Make your decision and complete your online registration NOW.
