

District 25F Newsletter

Ring in the New Year!

As I am writing this article of the January District 25F Newsletter, the holiday season is ending. I hope you and your family had an enjoyable Christmas and are ready for the new year. I am so proud of my fellow Lions in District 25F. I have had reports from many clubs of how they helped families in need in their community. Many pictures of these Lions projects have been placed online and clubs have received many positive comments from fellow Lions and members of the community.

Clermont Lions Club came up with a good idea for a new fund raiser. They are inviting their club members and Lions from other clubs to join them at their club house on New Year's Eve and help bring in the new year. They will supply food for the evening and so everyone gets home safely, they will not be offering alcoholic drinks. It is going to be a fun evening and a good time to be with your Lion friends. Other clubs that have their own club houses might consider trying this idea in your community next year.

We have several activities coming up during the month of January. The Winter Special Olympics will be on January 7 thru 9. If you have not attended and helped with this event, I encourage you to attend this year. The event takes place at Perfect North Slopes close to Lawrenceburg. The Mid-Winter Conference is January 19 and 20 and the meeting offers learning activities for everyone, both new Lions and "experienced" Lions.

I am getting ready for District 25F Winter meeting that will be on February 3rd in Connersville. If you are the leaders of one of our District 25F groups or a state group, please get your report into Cabinet Secretary Angela Locke by the middle of January so you can be placed on the agenda for this important meeting.

Looking forward to seeing my fellow Lions at these meetings as well as at Lions fund raisers throughout the district. We Serve!

Yours in Lionism,

DG Ed

We are on a Mission!

1st VDG Nancy Baxter

By the time you read this article, Christmas and New Year's will be over. I hope you had a wonderful holiday season.

Now it is time to get back to the job of being a Lion, Mission 1.5. As you know, International President Dr. Pattie Hill has a goal to build our membership to 1.5 million members by June of 2027. How do we do that? I don't know about you, but when I recruit a new member, I never say to them, "Do you want to be a Lion?" First of all most of them do not know what a Lion is and what we do. I ask them to join me at a dinner meeting. It might take them several dinner meetings before they decide to join. We take baby steps. First, I let them know what we do on a community level. Then, I tell them what we do on a State level, then at an International level. We need to make them feel needed.

The last two members I recruited joined because she asked me if the Lions would consider a movie night outside our club. I said I would check with our club and they were in favor. When I got back to her, I asked her and her husband to come to a dinner meeting to meet our club. They came to several meetings, our club set a date for the movie night, her husband brought his movie equipment, and the movie night was a great success. So much so, we decided to make it an on-going event. They have both been very involved in every project and service that we do. They not only became members, but brought a new idea for our club.

Being a member is more than a name on your membership roster. It is doing what you are interested in to serve the community. I think sometimes a potential member is overwhelmed when we start by saying we do this and we do that. After their foot is in the door, there is plenty of time for letting them know what all we do.

I remember when I was asked to become a Lion 18 years ago. I already knew what the Lions did in the community, but had no idea what they did at the State and International levels. Once I found out what a difference Lions made in the community, State and across the World, I wanted to be a part of this organization.

Not only do we need to get new members for our clubs, we need to keep current members. We need to keep them involved and help them understand they are just as important as a Lion who has been a member for 20 years. It is our job to not only get new members, but to urge them to become leaders. If every Lion will ask one person to become a member every month, we will reach the goal that International President Pattie Hill has set. Good luck with your part of that mission!

Don't forget to register for the mid-winter conference on January 19-21st. I hope to see you there!

Are you a Trustee?

Is 2024 your last year as a trustee for the state project you are currently serving on now? Not sure? Check the District Directory and the year in () next to your name is the year your term as trustee ends. If you don't plan to run again for trustee please let DG Ed know so we can let the district know of the vacancy.

Camp Woodsmoke -The Best!

Lions of District 25F, Christmas at Camp Woodsmoke was very successful this year. Saturday nights are the busiest evenings. Every child that listed an address on their letter to Santa received a letter that stated their letter was forwarded to Santa from his Camp Woodsmoke helpers.

I want to thank Chapel Hill Lions Club for their donations of artificial trees, lights, and other Christmas items. Also, I would like to thank Mary Bowser for her Christmas lights and Christmas blow ups that were donated to the Camp. It all contributed to the Christmas at Camp Woodsmoke experience.

We are always looking for donations for the Camp to continue to grow the Christmas at Camp Woodsmoke each year.

A new year has started by the time this newsletter is published. Now is the time to get out your 2024 calendar to mark the following date for Camp Clean Up.

Spring Clean Up Date: Saturday, April 6, 2024. Backup date if weather is inclement, Saturday, April 13, 2024. There will be plenty of work to do. Clean up the grounds, cut and haul fire wood, paint various items, and clean cabins. Plan to come and help. Even if you have trouble walking, need to sit to do a job, or anything like that, plan to come down and we will find a job for you to do.

I want to invite Lions members to come and visit the Camp whenever you get the opportunity. It truly needs more awareness in the community and in District F. We want more Lions and non-Lions to be aware that we are here.

As always, many thanks to the Clubs and individual Lions who continue to support Camp Woodsmoke “The Best” both financially as well as participation in the Camp events. Without you, we could not do all the things that we do at the Camp.

We live in the Land of the Free because of the Brave.

Yours In Lionism,

PCC Ron Bigham, CWS Chair

Coming Soon: Indiana Lions Mid-Winter Conference

The 35th annual Indiana Lions Mid-Winter Conference will be held on Saturday, January 20, 2024 at the Crowne Plaza Indianapolis Airport Hotel.

Some Indiana Lions say the Mid-Winter Conference is "the best place for learning" about leadership, service, and all aspects of Lionism. We offer seminars on club administration, community service, fundraising, and membership recruitment and retention, as well as opportunities for service, fellowship with Lions from around the state, and plain old everyday Lions fun.

The Early Bird registration fee – until November 30th - is only \$40 - \$5 less than last year - and includes informative seminars, on-site service projects, coffee and pastries in the morning, lunch at noon with a motivational speaker, and fellowship with other Lions.

The keynote speaker at the Saturday luncheon had not yet been announced when this article was written.

The conference will be preceded by a dinner on Friday evening. There is a separate fee of \$30 for this event. The after-dinner entertainment will be provided by magician Daniel Lusk. He has performed across the United States, overseas, for celebrities, national sports teams, and on national T.V. His magic has not only been seen by millions but Daniel also lectures at conventions for other magicians teaching his trade.

Conference attendees will be offered the opportunity to participate in two on-site service projects. After dinner on Friday evening, attendees will have the opportunity to participate in the Care-ing Cases project, using clean recycled hard eyeglass cases to assemble first aid kits and toiletry kits. Conference attendees are also encouraged to donate new socks, gloves, mittens, scarves, knit hats, and blankets to the Sock It To Me project. Collection boxes for these items will be available on Friday and Saturday. Our District Governors will share all items created/collected by these projects with those in need in their districts.

For more information about the conference and a registration form, visit the Indiana Lions website at indianalions.org and click on the link labelled "Printable Forms". The list of available forms includes a registration form with seminar descriptions and hotel information.

We hope to see you at the 2024 Indiana Lions Mid-Winter Conference.
