Current: Pat Henninger

Hello to my 'F'avorite Lions 'F'amily: "F"ebruary. The month normally known for love and, has thrown those of us in the far northern and southern parts of Indiana for a loop. Disaster response here is under way with an LCIF Emergency grant application filed by the District Governor (me). Supply needs have not yet been asked for but will be as the water starts to recede.

If your club wishes to help now, please consider donating to LCIF – marking it specifically for disaster response. We would also be glad to accept donations directly to the District Disaster fund. You are welcome to send donations to the District Treasurer clearly marked for flooding assistance. Funds from these accounts go specifically to the Lions Clubs in areas affected, we do not send to other relief organizations.

Emergency Grants provide up to US\$10,000 for districts impacted by a natural disaster. Lions' district governors may apply for Emergency Grants to help meet immediate needs such as food, water, clothing, and medical supplies. LCIF typically awards nearly US\$2 million in emergency grant funding each year. I have attached general information LCIF disaster grants, please be aware that these may only be applied for through the District, not clubs or individuals.

This LCIF grant for our area is only made possible by the generosity of Lions like you worldwide. Some Lions have wondered where the funding goes, especially if it appears there are more disasters overseas than here in Constitutional area 1. CA-1 includes North America, the Bahamas, even as far as Trinidad and Tobago! While this may sound like a commercial, it is the shortened version of the impact globally that we support locally.

The Lions year of 2017-18 will go down as a time of great need, specifically in North America because of the hurricanes, wildfires, and now flooding. This year we will have received much

more than we have given, a true blessing. Earlier in the year, my appeal to you and your clubs asked that in lieu of any gifts for the DG visit, a donation be made to LCIF for Disaster Relief. Many clubs have done this. I cannot fully express my appreciation for this, Lions of 25-F have risen to the occasion, as always.

25-F will also have the chance to share our needs personally to the International Director, Connie LeCleir-Meyer, who is visiting us for our District Convention this weekend, March 3rd. I encourage you to attend and hear her message on LCI's efforts to help improve the lives of our organization, our Lions and of course, our communities.

I will send updates as I have them, please hold our affected Lions and the areas they live in good thoughts.

Never forget that Lions will always bring the best of our past with us as WE SERVE into the next century. Lions truly are The Real Thing.

Take care of yourselves and each other - I thank you for all you do from the bottom of my heart –

Yours in Lionism,

DG Melissa Baker <http://www.indianalions25f.org/>

BEECH GROVE (9715)	Collection of Amber Pill Bottles	Health & Wellness	health / support services	February 24, 2018
The Beech Grove Lions Club collects amber pill bottles which are then given to a free clinic in Franklin, IN. The clinic serves uninsured and low-income residents in Johnson County. These amber pill bottles are used by the clinic in giving out prescriptions to its providers. By the Lions Club helping the Clinic it has enabled the Clinic to free up this budget line item so that it can be used for other purposes within the clinic. By saving these pill bottles we are also protecting the environment by not throwing them in the trash. We collected 100 amber pill bottles for the month of February.	<ul style="list-style-type: none"> ✓ Shared ✓ District-wide Activity ✓ Signature Activity ✓ Environment 			
CLERMONT (9726)	Lent Fish Fry	Fundraising	Fundraising Event / Campaign	February 23, 2018
On Wednesday before the fish fry, members of the club prepared the club by setting up tables and chairs. Many members were busy boiling eggs and potatoes in order to make baked beans, potato salad, cole slaw, and pasta salad. On Friday evening members of the club brought a variety of homemade pies and desserts. We welcomed about 150 members from the community for the annual Lent Fish Fry. Music was provided by Grassland Blue Grass Band, and as always, they were wonderful. Many positive comments were made from the best fish and baked beans ever, to the wish that we provide a fish fry more often! If Not You, Then Who?

1st VDG Ron Bigham CW Trustee

Greetings Fellow Lions of 25F,

Last month I wrote about “Stepping out of your comfort zone.” Now that you have had time to consider what you read, have you considered where you fit in to help your fellow Lions on committees, zone chairs, and other district teams that need your help, your input, your talents?

So still undecided? So if it is not you, then who? Opportunities exist to help guide your District into the new century of Lionism. So if it is not you, then who?

Camp Woodsmoke “The Best” is the only Lions District-operated camp for special needs in the United States that I am aware of. We need Trustees from several zones to serve approximately 5 hours a month, including driving time. So you think someone else will do it, but if not you, then who?

Today we do not have sufficient growth in our District to just sit back and say, “Oh, I’m sure someone else will do it.” That someone could be you, but if not you, then who?

We have to work together as a team to achieve goals in our community; to serve is our motto. As Lions, we brag that “where there is a need, there is a Lion.” District 25F “Fantastic” is in need. Do we just serve those that are not Lions in need? To serve others, we have to be willing to serve with Lions as well, to grow, to improve, to be willing to change things when needed as times and society changes.

I make mention in my visits to Lions Clubs that a Lion can have commitment, but to what degree is that commitment if there is not involvement. So if it is not you, then who?

When commitment and involvement are combined, it creates achievement and accomplishment. Let us as Lions achieve and accomplish “Fantastic” goals in 25F. Every Lion is a valuable asset in growing and operating a District that we can be proud of.

Let’s lose the idea of “if it not you, then who?” Step up and let it be YOU!

Feel free to contact me at my email (ronbigam25f@gmail.com) or phone (317-695-0683) via text or voicemail.

Tax Filing, Officer Training Coming Up

Lion Patricia Bigham Cabinet Treasurer

Well, March is here already!

I presume by now, all clubs have filed a Business Entity Report online if needed. Remember it is now a 2-year coverage, so be sure that expiration date is written down someplace to not be forgotten.

We are approaching the filing in May for Personal Property Taxes. If you desire help with it, please refer to my Treasurer Manual that you were presented at the Officer Training Classes, or handed to you personally by me when visiting your clubs. Also, on that note, Officer Training Classes will be scheduled in the four quadrants of the District.

Please be sure that your President, Secretary and Treasurers try to attend these, or any interested Lion who might want to step into these roles. It is very informative and also a refresher course should rules change.

Feel free to contact me at any time if you need assistance with anything. I am working, but will try to contact you as soon as I can. Enjoy the Ides of March, green shamrock shakes at McDonald’s, and corned beef and cabbage!

For students being paid for by a Lions club please request a copy from your Law Camp chairman or print a PDF version of the Camp application at www.trooper.org but please Note: There has been a problem with this site printing the PDF version. It requires a google email address and an account password to get it to print! The ISP is working to correct this issue.

Lions Law Camp applications for printing are available by clicking on printable forms on the Indiana Lions MD25 web site.

In addition, some scholarship monies are available to Lions clubs wanting to send students. Please contact me or PDG Betty Weist....as always we ask that parents contribute something (if they can). Their financial contribution even if only \$20 ensures the child attends.

By sending the application and payment with all checks made out to MD25 and the child's name in the memo along with name of camp attending to PDG Betty or me, we can also assist you in getting your money back if the child you sponsor doesn't attend! We will process the application for you and your club will receive credit for participating in the Law Camp program.

All applications should be received 2 weeks prior to Camp.

This is a great Camp for all age groups. Be sure to attend the seminar at Lions State Convention April 28, 2018 or call if you have any questions.

LIONS CLUBS INTERNATIONAL FOUNDATION

EMERGENCY GRANT GUIDELINES FOR APPLICANTS

Lions Clubs International
FOUNDATION

Lions Clubs International Foundation (LCIF) Emergency grants provide immediate emergency relief assistance to victims of natural disasters through the service work programs of Lions clubs worldwide. Emergency grants in the amount of up to US\$10,000 are available to Lions districts for relief aid in the wake of tornadoes, hurricanes, earthquakes, typhoons, monsoons, ice storms, wildfires, flooding caused by excessive rains and similar natural disasters.

In addition to following the criteria listed in the Emergency grant application, applicants must follow these guidelines to ensure timely and efficient receipt of funds.

WHAT ARE IMMEDIATE NEEDS?

Emergency grant funds are limited to meeting disaster victims' most urgent and vital needs immediately following a disaster. Emergency grants are not intended for more long-term needs such as rebuilding homes and buildings or replacing household and personal belongings. (LCIF Standard grants may be available for long-term projects that address the need for vital community facilities.) Emergency grants address these immediate needs:

- food
- bottled water
- clothing
- blankets
- medicine and medical supplies
- cleaning supplies
- toiletries

DETERMINING NEEDS

Lions are encouraged to actively seek out and address the most pressing needs to maximize the use of funds. Lions are most appreciated when they make purchases and deliver supplies directly to victims. For instance, after the tornado in Joplin, Missouri, USA, Lions found out that a shelter had opened its doors to families left homeless from the tornado and was struggling to provide 120 additional meals each day. Lions used Emergency grant funds to take a staff member grocery shopping to ensure they purchased sufficient and correct supplies to meet their overwhelming needs. In Japan, Lions cooked hot meals and served to those left homeless as well as volunteer relief workers. After many days of eating canned foods, community members were appreciative of the hot meal. This is an opportunity for Lions to deliver a hands-on relief activity within their community. Be creative!

WORKING WITH PARTNERS

Lions are encouraged to work with partner organizations, such as the Red Cross, to combine efforts and have greater impact on devastated communities. However, Emergency grant funds are not available to present to another party; Lions must utilize the funds directly.

QUESTIONS?

LCIF can provide suggestions for appropriate use of grant funds and determining immediate needs. Please contact the Humanitarian Programs Department at (630) 203-3819 or lcifemergencygrants@lionsclubs.org.

LCIF47A0811

Disaster Grant Programs

Lions worldwide continue to prioritize disaster relief as one of their most important local service activities. Lions Clubs International Foundation (LCIF) now offers a wide variety of funding options designed to support Lions-led relief efforts during the various stages of disaster relief operations. Lions are key figures in their communities and play a vital role in this process. Lions are responsible for assessing the needs in their district to maximize their relief efforts. Depending on the needs within the community and the Lions' plan of action, expanded funding options from LCIF enable the Lions to have a greater impact in the communities where they live and serve.

A grant for every phase of disaster

Disaster & Emergency Preparedness

The **Disaster Preparedness Grant** is for Lions districts interested in partnering with local authorities and other community organizations to plan and prepare for future relief efforts. The goal is to determine the Lions' role in the community before the disaster strikes.

- Grants available in amounts of US\$5,000 – US\$10,000
- Districts may apply once in a three year period; clubs may not apply
- Local funds must account for 10% of the grant request
- Must be applied for in advance of a disaster
- Priority will be given to districts susceptible to regular and repeated natural disasters and those that appoint ALERT Chairpersons (or equivalent position).
- Funds must be spent within 6 months of receipt
- The request must detail how the Lions' project supports the community's overall local emergency and disaster preparedness plan

What types of activities are eligible? Lions participation in local emergency response and ALERT training programs; stockpiling of key materials and supplies for future response including assembly of ALERT kits; advance support for first responders, food banks, medical facilities and shelters; outreach activities to community preparedness, education and awareness

Brian's Trike Race

Brian's Trike Race 20th Running!

April 22, 2018

The Indiana Lions for the Indiana School for the Blind and Visually Impaired State Project's annual fundraiser "Brian's Trike Race" will be held on April 22, 2018. This change will better align with ISBVI's calendar and allow students and faculty to participate more fully.

This will be the 20th running of the Race and we are working to make the event more fun for all students while expanding the event to provide even greater visibility and benefit to the ISBVI and the community! This event raises funds to assist both resident and outreach students of the school through sponsorship of summer programs at the school, to underwrite costs of students attending national conferences for the blind & visually impaired and to assist with technology upgrades.

In addition to the traditional Trike Race, the day will also feature:

- A Disc Golf competition
- Trophies created in the ISBVI's own 3D Print Lab
- other activities yet to-be-announced

A team application form is attached. Please encourage your club to send a team. If your club is not sending a race team, see if it would sponsor a local Leo Club, school or Boy Scout troop that would like to have a fun afternoon racing around the Letterman Track on adult trikes. All are welcome!
