August 2023

Starting the Lions Year off Right!

I am sure that all of you have heard the old saying “Time flies when you are having fun.” That is very true for me when I think of the month of July. As I am writing this article for the August newsletter, my first month as your new District Governor is almost over. It has been a fun month but also a busy month for me. I attended the Lions Club International Convention in Boston, Ma. All seven District Governors from Indiana were in attendance and were sworn in to serve their district for the 2023/2024 Lions year. What a ceremony it was! Boston was a great city for our convention and the 11,000 Lions from all over the world. The convention was very well planned with activities, classes and informational meetings available for Lions to attend and learn more about Lionism. One of my favorite things about the convention was talking to Lions from around the world. It was interesting to hear how clubs function differently than my home club. But all Lions that I talked to were trying to achieve the same outcome – to serve the people that are in need. District Governors from around the world, about 750 of us, were in Boston for seven days. The parade of nations was on a very hot day in South Boston and covered a parade route of about a mile. There were thousands of Lions in the parade. I am sure glad I didn't have to organize that activity!

Three days after arriving back in Indiana District 25F met at Camp Woodsmoke for Organization Day. The morning began with training for Presidents, Secretaries and Treasurers. This meeting was well attended and much information was learned by those in attendance. After a pitch in lunch, presentations were made by PDG Linda Scott, 1VDG Nancy Baxter and DG Ed. The meeting was well attended and got the Lions 2023/2024 year off to a good start. Those clubs that were not in attendance to pick up their district packet that contained district directories, should receive the packet in the mail this week.

I started my club visitations and met with the Milan Lions Club this week. Milan is always the first to request a visitation date and they are the “test” club to see how the DG speech goes. They have a great club and it is always a pleasure to visit them. If you have not scheduled your club's DG visit, please do so some by contacting CS Angela Locke by text @ 765-259-1080 or by email at angbelc@iue.edu.

1st VDG Nancy Baxter

A lot has changed since my last newsletter. District Governor Linda Scott is now Past District Governor, 1st Vice District Governor, Ed Harper, is now District Governor and I moved up to 1st Vice District Governor. I have learned so much as 2nd Vice District Governor and am looking forward to going on Lion visits with District Governor, Ed Harper to learn even more.

I had the opportunity to go to the International Convention in Boston last week and had an amazing time! As I marched in the parade with 40+ Indiana Lions, I felt so proud to be part of this organization represented by people all over the world. Imagine 11,000 Lions from across the world in a room, all of us serving our communities. It was amazing!

I would like to thank Past District Governor Linda for a job well done and for choosing me as her 2nd Vice District Governor. I hope she enjoys a little rest from all her efforts!

1.5 Million by 2027

Lion Angela and I attended the Lions Club International Convention at Boston earlier this month along with several other Lions from 25F and across Indiana. I do believe everyone came away with something new while also having a great time.

One seminar I attended was on Mission 1.5. This is a mission to increase the membership of LCI to 1.5 million members by 2027 from the current 1.4 million members we now have. This mission is in the beginning stages, and I'll pass along more information as I receive it. In the meantime, I encourage you to go online or on Facebook and check out the Global Lions Forum. There are several videos that you can watch on a variety of subjects.

Upon being back Home Again In Indiana we attended the 25F Organizational Day at Camp Woodsmoke, The Best! I passed out information packets to all the clubs attending with several LCI publications that give great ideas on membership. If your club wasn't there and would like some info, please contact me.

Cabinet Secretary Angela Locke

It was great to see such wonderful Lions at Camp Woodsmoke for Organizational Day. It may have been a little damp that day, but we didn't let it dampen our spirits. Training for Treasurers, Presidents, & Secretaries took place that morning. Any secretaries who were not able to attend and would like the slide show emailed to them please let me know. We are still using the current system and the last we have heard it will be sometime in September before the new system will be rolled out. So stay tuned.

Packets with directories were distributed to the clubs who were at Org. Day and the rest have been mailed to the Secretaries address that is in LCI. Make sure you report your membership to LCI and your clubs service projects. LCI uses this information to show corporate donors what a great organization we have and all the hard work we are doing to help our communities. Also club presidents and or secretaries should have received an email from me to set up club visits with DG Ed Harper. Please respond at your earliest convenience to get your first choice of dates.

Camp Woodsmoke -The Best!

Lions of District 25F, Camp Woodsmoke has been greatly blessed by donations toward replacing cabin mattresses, range, and ice maker.

The Milan Legion donated \$6,000 toward mattresses along with several clubs and individuals that made this project come to fruition. Many, many **THANKS** to each and everyone.

A year ago, I was quite concerned about how we would raise enough money to buy 50 mattresses which the Department of Health required to be replaced since they had to be sanitized and the current ones could not. The Milan Sons of the Legion and Milan Legion Auxiliary donated \$3,000 dollars each along with REMC that provided \$4,200, as well as many Clubs and individuals who contributed funds toward a new commercial range for the dining hall kitchen. It is presently ordered and should be arriving in 4 to 6 weeks.

To add to the blessings, LEL Home Services purchased a new commercial ice maker for the dining hall kitchen. It has been delivered to the Camp and will soon be installed. These kitchen items have done well over the years, but they needed to be replaced.

Also, we have received more funds to be used for operating the Camp from many Clubs and individuals to be used for month-to-month expenses, which is greatly appreciated and needed.

Thank you all for blessing the Camp so that individuals with physical and mental challenges can come and use the Camp at "No Charge" to them and that we can continue to serve as Lions do to help others. Be sure to check out these great improvements to the Camp on your next visit.

Just as a reminder, any Lion who wants to go down to the Camp when they have time available, can contact the Caretakers and plan to work on a project for the benefit of the Camp. We have RV camping spots with electricity available, no water or sewer at the RV sites. A cabin is usually available for use as well if staying overnight.

Get out your calendars and mark Sunday, **September 24th** to attend **Pork Chop Sunday**. Dining will be held in the picnic shelter house along with drive-thru for those on the go. DJ music and tractor tours are planned as well. **An update, the meals are \$15.00 this year. In several of the bundles of the tickets, the first two tickets had a price of \$12.00. The other 8 are priced at \$15.00. The computer did not go to the very top to properly print the new price for the meal. Also, we included 4 tickets that are for those who do not want a meal but would like 2 pork chops only.** Just follow the instructions in the letter that was sent to all Clubs with the tickets. If your Club needs more tickets or if you have any questions, contact PCC Ron or Lion Patricia Bigham.

The Camp is asking Lions or other individuals to donate any Christmas lights, extension cords, use of generators of any size to help us in improving our Christmas at Camp Woodsmoke for next year. We had many positive comments this past year and we want to keep improving this each year.

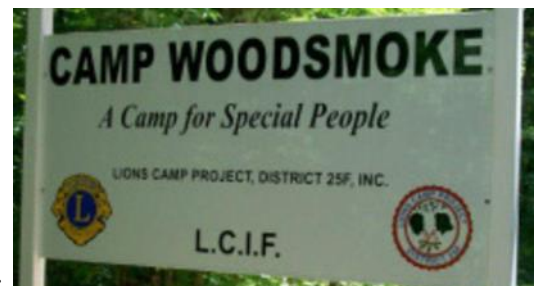

We are still looking for Lions to be part of the Board of Trustees at Camp Woodsmoke "The Best". The more Lions who participate as a Trustee, the more diverse of ideas and plans for the future of the Camp. Be sure to contact any of our Trustees to come and make a Camp Woodsmoke presentation to your Club.

As always, many thanks to the Clubs and individual Lions who continue to support Camp Woodsmoke "The Best" both financially as well as participation in the Camp events. Without you, we could not do all that we do at the Camp.

For those who have had problems locating Camp Woodsmoke, here are two routes that I use regularly.

First route: Follow I-74 out of Indy to State Route 244 which is the first exit past Shelbyville. Get off at that exit and turn left. Follow 244 through Milroy and Richland to County Road 450 E. Turn right and follow to T at County Road 1000 S. Turn left onto 1000 S and travel to 500 E. Turn right and follow to stop sign in downtown Clarksburg. There is a Camp Woodsmoke sign at that intersection. Turn left onto 640 N and follow to the Camp Woodsmoke entrance where there is a sign indicating right turn at Camp entrance. **FOR THE SAFETY OF OUR VISITORS, THE SPEED LIMIT IS 10MPH!!!**

Second route: Follow I-74 out of Indy to Greensburg and take the exit that goes north onto State Route 3. Follow State Route 3 north to 300 N. Turn Right on to 300 N. (There is a school on the north-east corner of that intersection.) Follow to 400 E. Turn left and follow to T at 640 N. (There is a church at the top of the T.) Turn right onto 640 N and follow to Camp Woodsmoke. You will travel through downtown Clarksburg before getting to Camp Woodsmoke. PCC Ron Bigham, CWS Chair

Thanks to the Fabulous Lions of District F

Hello Lions of District F.

Another great year has come to an end and another one begins.

Our Apologies for not having an article for July but LCIF was having issues closing out the year.

Let's recap last year. LCIF fundraising from District F was \$30,924 as of July 17 for the 2022-2023 fiscal year. Congratulations, "Fabulous" F Lions, you helped in raising \$67,904,255 for CA 1 (USA). For the District, we are still waiting on the breakdown of the clubs versus the individual Lions donation but that will come next month.

On July 22nd LCIF held its annual CA1 strategy sessions in Chicago. This is where we get our goals and strategize with all the Area leaders, multiple district coordinators, district coordinators & our Chairperson, PIP Brian Sheehan. You would think he would slow down a bit but that couldn't be further from the truth. Goals were set and many ideas were exchanged, especially in the fundraising area. District F's fundraising goal is \$34,614.00 and is well within our reach. We are asking that all clubs please donate, the amount is up to your club. 100% participation is what we are looking for. Suggestions include \$145.00 in honor of Melvin Jones birthday, or \$5.00 per person in your club. Individual Lions will you donate \$27.50 for the year? That is \$2.30 per month, less than a cup of coffee at Starbucks. Lion Charlie Coombs and I will be speaking with our District Governor and at our district meetings about our goals and fundraising. The Multiple District will be unveiling their fundraising at Midwinter conference, and it will run through Friday April 26th at our Indiana State Convention. Stay tuned for that big announcement, but a hint will be, what is your favorite color?

Melvin Jones Plaques are still running about 6-8 weeks to be delivered, so please plan accordingly.

Here are a few tips we strongly suggest when you send anything to LCIF. If you are mailing anything, take a photo or an electronic copy before sending, it will make it easier for you (and us) if anything gets lost. If you are sending something electronically, please copy either of us (kennethfaulkner25f@gmail.com or ccoombs57@yahoo.com) so we can follow up and make sure they have received it. Last year LCIF didn't receive a Melvin Jones application and the club is still waiting for the plaque. Please email, text, or call with any questions or if you need me to assist.

We have been asked to ask all of you to save the date of Sunday June 2nd ,2024 as that will be the LCIF Tell-A-Thon, see flyer on the next page.

Respectfully Submitted,
PDG Ken Faulkner & Lion Charlie Coombs

Letter of Thanks to Lions of 25F

Lions of 25F,

I want to thank you for your willingness to help the tornado victims in Whiteland last spring. The information I had was that 179 homes were affected. As you know I applied for and received a \$10,000 grant from LCIF to help us out. I met with an advisory team of Lions who had received an emergency grant before me and the State Chair of Emergency Preparedness, Lion John Wilkins. We discussed how to move forward. Lion Bill McDonald, his wife Lion Toni McDonald, and I worked with Kerry Carmichael with the Johnson County Emergency Management Team. Lion Bill McDonald is a member of VOAD (Volunteer Organizations Active in Disasters.) Lion John Wilkins is now also a member of VOAD. I called on Lion Bill for advice on items needed for immediate use. He was able to work with Lowes and Home Depot to get us the needed supplies. We purchased tarps, hardware for tarps, work gloves, steel rakes, safety goggles, Trash Bags, Extension Cords, and plastic totes. PCC Sue Topf purchased needed food and dairy products and delivered them to the Impact Center there. The Franklin Lions Club and the Decatur Central Lions were on standby to go help pass out needed supplies or help with cleanup. Emergency management had so many community volunteers who stepped in to do this job, so we were not needed to pass out supplies or help clean up. A few of their needs could not be met with the grant money and I returned \$4,614.35 to LCIF. I feel we met the goals we had. The community is back on their feet. Kerry Carmichael, (Johnson County Emergency Management team), thanked us. She said she had not realized how much Lions Clubs were able to help when disasters occur. She was very thankful for all we did. The grant is now closed. We have some money from club donations we will be using to complete the needed help in their community. Some needs are later due to waiting on rebuilding of homes. Thank you, Lions, for your willingness to help others. Once again, we see Where there is a need, there is a Lion. We are **Loving Individuals Offering Needed Services!**

Want to visit the Indiana State Fair and save money? Work at the State Fair for the Indiana Lions Foundation as a ticket seller, monitor, scanner, or hand stamper and you do not have to pay either the admission or parking fees. Sorry, you still have to buy your own fair food! Work the morning shift and you'll be finished by 2:30, which is still plenty of time to visit the fair, or come in the morning, enjoy the fair, and check in at our booth at 2:00 for the afternoon shift.

Need a place to stay if you're volunteering for more than one day at the State Fair? There are two options this year. Three bedrooms are available for your use at the Indiana School for the Blind and 4 camping spaces at the Indiana State Fairgrounds are reserved for Foundation use. Both options are FREE and on a first come first serve basis. Call Lion Rose Russell, Indiana Foundation State Fair Committee member, at 574-250-0125 to make your reservation or for more information.

Who can volunteer to work for the Indiana Lions Foundation at the Indiana State Fair? A person need not be a Lion to volunteer at the Indiana State Fair. Ask your friends, your children, and grandchildren to volunteer – all are welcome who are at least 15 years old.

What are the starting and ending times for the shifts? There are four shifts available this year. The start time listed for each shift is the time you are expected to check in at our booth. These times have changed from previous years.
