

District 25-G

Our Pride is Lions

April 2021

Volume 14, No. 10

A Message from District Governor Brian Thomas

"I can't go out because of the virus" sounds a little whiny and boring for my taste, so I'm going with *"I've sworn an oath of solitude until the pestilence is purged from the lands. I will then sally forth from my fortress to impress the townsfolk with my bravery and courage as I help slay the dragon known as Covid."* That sounds more heroic and people might even think I wield a sword! Seriously, as we pass a year plus of certain uncertainty there are definite glimmers of hope in our lives. Lions Clubs are starting to meet in person again with reports of renewed service projects and much needed fundraisers. I was able to visit Syracuse the other night and found they remain vibrant and active with planned membership activities and a drive-thru fish fry. I also travelled to Merrillville to the District 25-A Convention; I had a great time reconnecting with Lion friends and brought back several ideas for DGE Marlyn to use.

Speaking of District Convention, we conducted our District 25-G meeting on Saturday, March 13 via Zoom. We had 53 Lions registered for the Saturday session. We had a Friday social time followed by the actual Convention on Saturday. We were able to welcome two Lions from Barbados that joined us for both Friday and Saturday. All business was appropriately conducted with 1st VDG Marlyn Fast being elected as incoming District Governor and Lion Jason Smith elected as 2nd VDG.

My thanks to PDG Paul Russell for setting up the Zoom platform, taking away the stress of technology from me. Also, thanks to Chaplain Lion Laura Doty for conducting an excellent Necrology Service and kudos to my executives team for their guidance and support. Special gratitude to PID Tom Matney from Kentucky for stepping in at late notice and providing us with an informative and thought provoking message as our featured speaker.

An additional piece of business at the Convention was to have myself elected to a second term as 1st VDG and thus a second term as District Governor for 2022-23. This was somewhat necessitated by the lack of someone running for the 1st VDG position for next year, but mainly for the feeling that I had left a lot on the table as far as goals and objectives for the District due to the pandemic shutdown and not being able to fully experience the position of Governor. One of the main goals for myself and DGE Marlyn for next year is to recruit a line up of future leaders to fill the 2nd VDG, 1st VDG and Governor positions. We will be conducting several training sessions for those interested thru the year.

There are three months left in this Lions' year and I remain available for visitations either in person or via Zoom. Plans are being made for an in-person Cabinet meeting on May 8 hosted by the Baugo Township Lions Club and, of course, State Convention is set for April 30-May 2 in Indianapolis.

Remain safe, remain vigilant, but ready yourselves for renewed activity in your Lions' lives.

Our Pride is Lions
Brian Thomas
District Governor 2020-21

Lion Marlyn Fast Elected District Governor for 2021-2022

1st Vice District Governor Marlyn Fast of the Dunlap Lions Club was elected District Governor for the 2021-2022 Lions year at the District Convention held via Zoom on Saturday, March 13, 2021.

Lion Marlyn joined the Dunlap Lions Club in 1969. Over the years, Lion Marlyn has held nearly every position in his local club, serving as President at three different times. He was Zone Chairperson in two different zones, and he is currently a Trustee for the Indiana Lions Foundation and Treasurer of the Foundation. The Dunlap Lions Club honored him with a Melvin Jones Fellowship in 2005, a progressive Melvin Jones Fellowship in 2017, and a W.P. Woods Fellowship in 2019.

Lion Marlyn and his wife, Lion Amanda, have been on twelve Lions Eyeglass Missions to various locations in Mexico.

Lion Marlyn and Lion Amanda have three children, six grandchildren, and one great-grandson. Most of Lion Marlyn's "spare time" is spent on his Hobby Farm raising beef cattle.

Lion Marlyn was born in Minnesota and went to college in Kansas. Following graduation, he accepted an offer of a position in Business Management and Accounting in Elkhart, and has never left this area or this vocation. He retired in 2005 after 41 years in Financial Management, mostly in non-profit settings.

Lion Marlyn's non-Lions volunteer activities include serving as church treasurer for 30 years, and filing income taxes for the elderly and low-income people through the IRS VITA program for 10 years.

Lion Brian Thomas Elected 1st Vice District Governor for 2021-2022

District Governor Brian Thomas of the Elkhart Lions Club was elected 1st Vice District Governor for the 2021-2022 Lions year at the District Convention held via Zoom on Saturday, March 13, 2021.

Lion Brian joined the Elkhart Lions Club in 1992 and has held almost every position in the club, including serving two terms as President. He is currently serving as District Governor of District 25-G.

Lion Brian is a retired business owner and a member of the Elkhart Common Council. In addition to his Lions service, he is a volunteer at Elkhart General Hospital, Elkhart Botanical Gardens, and the Lerner Theater.

Lion Brian and his late wife, Mary, who was also a Lion, have two children, two grandchildren, and a great-granddaughter. In his copious spare time, Lion Brian enjoys golfing, exercising, landscape gardening, and reading.

Lion Jason Smith Elected 2nd Vice District Governor for 2021-2022

Lion Jason Smith of the Dunlap Lions Club was elected 2nd Vice District Governor for the 2021-2022 Lions year at the District Convention held via Zoom on Saturday, March 13, 2021.

Lion Jason joined the Dunlap Lions Club in 2014. He has served the club as a project chairman, Director, and President, and has also served as a Zone Chairman.

Lion Jason is the store manager for Tractor Supply Company in Goshen.

Lion Jason has 6 children; 5 still live at home. He enjoys camping, gardening, bowling, and spending time with his kids.

In addition to his Lions activities, Lion Jason is a 25-year member of the Fairview Grange and a member of the Indiana Freemasons.

A Message From 1st Vice District Governor Marlyn Fast

According to my calendar, Spring has officially arrived. We know that will bring some warm days, some warmer than others. It also means clubs will need to have elections. April is the month for club elections and the results need to be reported to both our District and Lions Clubs International. This also is the time in our clubs when goals for the year and year-end events are planned. Winding things up for the incoming officers is always good.

On March 13th, our District Convention occurred via Zoom. A gracious thanks to all that helped to make it happen. Also, thanks to DG Brian Thomas and Lion Jason Smith for stepping up to be 1st Vice District Governor and 2nd Vice District Governor for the 2021-2020 year. Just a couple of positions are still open however: two Trustees for the Indiana Lions for Leader Dog and two Zone Chairs. Is there someone from LaFontaine, Rich Valley, Roann Covered Bridge, Urbana or Somerset that would be willing to serve as Zone Chair for Zone R4-Z2? Or, someone from Akron, Argos, Culver, Mentone, or Rochester to fill the position of Zone Chair for Zone R3-Z1? Let me know. If we all do our little part, it will make our District stronger.

It seems necessary to urge all to continue to be involved in Lionism. Stay in contact with your members and think of new and old ways to serve our communities.

Kindness in Action

District Governor Elect Marlyn Fast

 **Your dues
payment ran into
a problem and
needs to
resubmitted.**

**Don't let the BSOD
get you frustrated**

Most of us have experienced Microsoft's BSOD message (Blue Screen of Death). Sometimes it's a simple fix, sometimes it takes a repair by a computer geek. We are at the time when secretaries should be planning their members' dues statements. Early, you say? Not really. You should be sending out dues statements by the middle of April or beginning of May to give your members time to submit their payments in time for you to make your dues payments to LCI and the District Cabinet Treasurer for the

district and Indiana Lions dues. Here's the scenario. If your members don't get their checks to you PRIOR to July 1 and you haven't determined whether the member is going to renew or not (heaven forbid!), then on July 1 or shortly after, your club will be billed by LCI for all members, including those who were not dropped. If you drop a member after July 1, your club is still responsible for the

first six month's dues at LCI. A few years ago we were all informed that LCI would no longer give credit back on the August statements for members who were dropped in July. This is why you need additional lead time for your members to respond to your first (and second, and sometimes THIRD) dues notices, so if they did plan not to renew, you will have time to drop them from LCI BEFORE July 1. If you have any questions, please give me a call at 574-534-8868 (home) or 574-322-1660 (cell).

PDG Marty Juel, Cabinet Secretary
marty@martyjuel.com

How Happy Is Lion Amanda?

If you were like me and participated in the District Convention via Zoom on March 13th, you saw Lion Amanda sitting next to District Governor Elect Marlyn. And Lion Amanda was smiling. I am assuming that was because District Governor Brian offered to become the First Vice District Governor again following District Governor Elect Marlyn's term as District Governor. And we have new Second Vice District Governor Jason Smith following District Governor Brian, so that means Lion Amanda won't have to feed the cows for two years, only one. But you never know, District Governor Marlyn might like the job so much that he will volunteer again. Stay tuned.

If you read Past District Governor Marty Juel's Minutes of the District Convention, you know you missed a good one. District Governor Brian conducted the meeting in a very businesslike manner, and we actually finished well ahead of the agenda's proposed times. Congratulations to all the Lions who were elected to office. Sadly, we all missed the Tail Twister, but there is always next year. Tail Twister notes never die.

Please remember the District Meeting on May 8th at the Jamestown United Methodist Church in Baugo Township. This probably means we will have to endure the singing of the Baugo Township Lions Club song, but the breakfast will be worth it. But if this turns out to be a virtual meeting, you can always turn down the sound. Be there.

Yesterday I received an email from Lions Clubs International President Dr. Jung-Yol Choi. I was quite flattered until I read the fine print at the end of the letter that said the same letter had been sent to probably several thousand Lions. The letter was to alert Lions that at the 2021 Lions International Convention, there will be a new dues adjustment model up for vote. Since this will be a virtual convention, many of us may have a chance to vote on this. But whether or not you avail yourself of the opportunity, every Club should be planning for its possible passage.

The model calls for a \$3.00 increase effective July 1, 2022; a second \$2.00 increase on July 1, 2023; and a third increase of \$2.00 on July 1, 2024. My job is not to lobby one way or the other. My job is to ask you to begin planning and alerting your Club that such an increase may be on the way. Some Clubs already charge dues sufficient to absorb these increases without having to raise dues, but other Clubs are only charging the actual amount and will need to raise their dues. Perhaps Club Boards of Directors should consider starting an increase a year early or doing the three increases all at once. Or perhaps you may consider another strategy. But this does give District Governor Brian something to look forward to for his second term as Governor. And I think I see Lion Amanda smiling again.

PCC Dave Eisen, Global Leadership Team

Membership Notes: Worldwide Induction Day

Your work this year has inspired so many to start their service journeys as new members. Join us for Worldwide Induction Day on April 24 to honor your new members and recognize new Lions around the world. Even though the way we meet has changed, no one celebrates better than Lions.

Visit the Worldwide Induction Day website at <https://www.lionsclubs.org/en/worldwide-induction-day> to find a planning guide, special downloadable certificates and public relations tips for your event. Let's make it a day that new Lions will remember for the rest of their lives. And don't forget to share your event on social media using #WeServe.

Spring Is The Season For A Rebirth of Lions Service

As we move into the last quarter of the Lions year and hopefully the loosening of COVID restrictions, our Lions Clubs can get back to a more normal means of serving our communities. It is important that all members continue doing what is necessary to stay safe while still working hard on Lions service projects and fundraising events. We are moving into warmer weather which gives greater opportunities to serve those around us.

In a way, it almost seems like we will be experiencing a rebirth for many clubs. Therefore, let's remember why we joined Lions Clubs and keep in mind the purposes of Lions Clubs as stated in the Lions Constitution:

- a. To create and foster a spirit of understanding among the peoples of the world;
- b. To take an active interest in the civic, cultural, social and moral welfare of the community;
- c. To encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LCI's Vision Statement is: "To Be the global leader in community and humanitarian service." The Mission Statement is: "To Empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."

Please continue supporting the State Projects, Indiana Lions Foundation, and LCIF.

Continue the great work you're doing and let's all get reinvigorated in doing Lions service to become even greater.

WE SERVE

Lion Al Beehler, Global Service Team Coordinator

Culver Lions Club Holds Fundraiser to Support School-Related Projects

On Saturday, March 6th, the Culver Lions Club held a drive-through breakfast at the Vandalia Depot in Culver. Attendees were asked to make a donation to support the Club's school-related projects, including Liberty Day, the Dictionary Project, and Student of the Month lunches.

submitted by Lion Jill Neidlinger, Culver Lions Club

Lions present (L to R): Eddi Langenberg, Dan Adams, Jim Hahn, Warren Bickel, Bernadette Pohlmann, Dawn White, Charlotte Hahn, Marilyn Kelly, Annette Osborn, Louise Neidlinger (President).

Syracuse Lions Club Signature Service: Reading Promotion

For many years, the Syracuse Lions Club has recognized the importance of literacy and has focused on promoting early reading proficiency as a core area of service to the community. Since Indiana recognizes third grade as a key transition milestone between learning to read and reading to learn, it measures reading proficiency in all third grade students in the spring semester. Syracuse Lions have long supported preparation for this critical evaluation by donating free books to third graders at Syracuse Elementary in the fall of each school year.

Lions Barb Grumme, Judy Jarrett and Jerry Wright distribute student dictionaries to Syracuse Elementary third graders.

From 2009 through 2019 the club donated student dictionaries, recognizing that the pages of a dictionary help build vocabulary, reinforce spelling proficiency, and also provide valuable historical, geographical, and other reference information. During that 11-year period the club donated approximately 1,100 dictionaries, distributing them in September to maximize the benefit they offer. Since 2014 this effort has been chaired by Past President Barb Grumme and has involved many club members.

In 2020 the "dictionary project" underwent a change in focus and leadership, co-chaired by Lions Marie Butler-Knight and Angela Himes. According to teacher liaison, Margie Slusser, a student shift to online study resources had greatly diminished their use of printed dictionaries. The club was asked to consider

donating a book that would stimulate reading while engaging students in activity. In coordination with Slusser, the club selected a coloring/reading/activity book: *My First Book About Our Amazing Earth*. Publisher Dover Publications provided the book at a special discount because of its educational use. The club was unable to distribute the books to students in person for the first time ever, due to Covid-19 restrictions, but we look forward to doing this again in years to come.

A companion project which promotes both early and adult reading through book sharing began in 2016 as the Syracuse Lions Club's legacy project. Chaired by Lion Marie Butler-Knight, the club's first Little Free Library was built by Lion John Searfoss, with help from Lions Cliff Wogoman, Joe Hibsichman, and Candice Fancil. It was painted by students, then installed at Wawasee Middle School in April 2017 with an initial donation of books.

Under the direction of Lion John Searfoss a second library followed in November 2017, donated with books to Syracuse Elementary School, whose students and art teachers painted and decorated the structure. The third library built by the same Lions team was decorated and painted by North Webster artist Judy Wagner and donated to the Syracuse Food Pantry in December 2018. A fourth library is under construction and scheduled for outdoor installation at the Wawasee Area Conservancy Foundation's education center and trails in the spring of 2021.

Osceola Lions Club Food Trailer For Sale

The Osceola Lions Club has a recently renovated 40'x8' food trailer available for sale. The price would be in the neighborhood of \$3000. Contact DG Brian Thomas if your club has an interest.

Greene Township Lions Club Loans Medical/Convalescent Equipment to Community Members

The Greene Township Lions Club has served the community for over 50 years. We provide medical/convalescent equipment to the St. Joseph County community free of charge. We started providing equipment after several items were donated to the club in the late 80's. Members let it be known that equipment was available to the community. Since that time items were donated and purchased as needed to try and meet any need. We usually deliver equipment as requested by any community member. We provide wheelchairs, walkers, crutches, commodes, transfer seats, hospital beds, lifts, and some motorized chairs. We have purchased hospital beds and some wheelchairs but most equipment has been donated to the club. We ask recipients to return all equipment when they no longer need it. One of our members has a barn that serves as our warehouse for all equipment. (We also store our train there.) For more information, or to donate or request equipment, contact Lion Keith Shearer (574-287-8169), Lion Ron Whitesel (574-288-9950) or Lion Bob Swank (574-274-5519).

District Governor's Thought for the Month

Life is like a book: some chapters are sad, some are exciting, but if you never turn the page, you'll never know what the next chapter has in store for you.

District Governor's Joke(?) of the Month

At any given time, the urge to sing "The Lion Sleeps Tonight" is just a whim away, a whim away, a whim away, a whim away.

Peru Lions Club Repairs City's Welcome Sign

The "Welcome" sign on U.S. 24 west of Peru was taken down by high winds. Lion Jack Holderman (pictured here) and Peru Lions Club President Jim Chandler repaired the sign.

Peru Lions Club Sponsors Peace Poster Contest

The Peru Lions Club has been sponsoring a Peace Poster contest at Blair Pointe School in Peru for the past 15 years. The club awards cash prizes for the top 5 entries. This year's winners were:

- 1st Place (\$75): Nikita Armstrong
- 2nd Place (\$50): Lydia Campbell
- 3rd Place (\$35): Izabella Pollock
- 4th Place (\$25): Ethan Wideman
- 5th Place (\$15): Katelyn Huffman

Nikita Armstrong took 1st Place in the District competition and 2nd Place in the State.

Wakarusa Lion H. Lamar Pippenger Receives 45-Year Chevron

Wakarusa Lions Club President Steve Birk (right) presented a 45-year chevron to Lion H. Lamar Pippenger (left) at the club's meeting on March 15th. The presentation had been delayed for several months due to COVID-19 restrictions.

Lion Lamar joined the Dunlap Lions Club in 1975, and served that club as a project chairman, Director, Secretary, Treasurer, and President. While in the Dunlap Lions Club, he was named Lion of the Year, and received awards for Outstanding Service as both Secretary and Treasurer. In 2002, he transferred to the Wakarusa Lions Club, where he has served as Treasurer and President. Lion Lamar is a Melvin Jones Fellow and has had

perfect attendance at club meetings and projects.

The Information and Technology Committee for the Indiana Lions is composed of a representative from each district. Regularly, the committee will provide information regarding all things technical that will help you remain safe, secure, and knowledgeable about the devices and platforms you use.

The following is the second of three parts on - **Domain Names - Get One and Keep It!**

Part #2 - Setting up Your Domain Registrar Account

Now that your club or district has selected and purchased a domain name, it's important to set up the domain name and account correctly. When setting up an account with a registrar and registering your domain name, you will need to provide three points of contact: Owner, Admin, and Technical.

You should always list your Lions club/district under the Owner section (this is very important as it identifies with the registrar who actually OWNS that domain name). Never change that or give it to someone else who may manage your website - it is the key to your account and you need control of it.

The Admin point of contact is primarily the contact that the registrar will use to contact you in the event of an outdated credit card or other billing or administrative issue.

The Technical contact is exactly what it sounds like: the person who can be contacted with technical questions. You may choose to put your club or district IT Chairperson as the technical contact for your domain name.

You should also set up your account for automatic renewal so that each year when the domain name is set to renew, it will automatically be charged and renewed with no down time for your website. Make it a part of your annual procedures to log into your account and make sure that all three contacts are accurate and up to date. Someone on that list may have left the organization, changed their email or phone number, etc. and it's important to keep those contact names and information current. In addition, be sure to write down the login information for your registrar account and keep that information in a secure place and known to your club/district officers.

Now it's time to make your domain name work for your club/district. We'll cover that issue in Part #3 of the series in a future newsletter.

submitted by Lion Al Konieczka and the Indiana State Lions IT Committee

LCIF Campaign 100 Continues To Grow

WOW! Campaign 100 continues to grow! As of Friday, March 19, 2021, the total stands at \$196,067,816!

I would like to speak to your Lions Clubs and remind them how much good LCIF does for the Lions, not just overseas but in the US as well. While we welcome Spring, it also brings heavy rains, tornadoes, and flooding to many areas here in the Midwest. Lions Clubs International Foundation has been there in the past and will continue to be there in the future, if we only help a little bit as well.

We are encouraging Lions to make an individual contribution. There is no set amount, what ever you are able to afford.

And now you can go online to the website and click Donate. WOW! It's easy. Consider making a monthly contribution using a credit card. That's what many Lions and other donors do and they never forget to make the payment!

LCIF will never send you a bill, but they will send you a THANK YOU for your contribution.

One more thing - you might like to participate in the Campaign 100 Tell-a-thon with IVP Doug Alexander on April 11, 2021 (see below for details).

LCIF District Coordinators would also like to say "Thank you" for continuing to support our organization, LCIF! Your efforts are greatly appreciated!

Thank You,

PDG Mary Klempay
