A Message from District Governor Ron Guth

Happy New Year Fellow Lions!

Or should I say happy mid-year? As you all know, we Lions start our "Lions" year on July 1st, and January 1st marks the midpoint of our current 2023-24 year. I asked our 5-year-old granddaughter what I should talk about this month and she thought that a gingerbread house she and her mother made was important. It took careful planning to put the house together just like we as Lions plan on how

we can serve others and grow membership during the year. When the house was about half done and getting ready to frost the roof slipped a little and they had to add frosting and supports to keep the house strong. We also slipped a little in Lions membership. We are down 6 members and 1 club (Sidney) from the start of the year. The house survived the roof slip and with the guidance of her mom the house came out of construction with a glorious paint job of snow frosting and gum drop trim. I believe our team of Lions will also have us emerge with positive membership growth and increased service to our communities and increased project support for the second half of the year.

Have you signed up for the Mid-Winter Conference on Saturday January 20th yet? It looks to be a great chance to meet fellow Lions and learn more about what we as Lions can do to help others. As always, we need to keep asking others to join us as Lions and what better place to find new methods than the MWC.,

I've been looking at our district clubs' Facebook pages for ideas to share and find that some have not been updated for a while. Facebook is a great way to talk about your club's achievements and service to others, but it must be maintained to keep it fresh and inviting to prospective members. Take a look at yours and contact your site administrator with new information.

(continued on next page)

A Message from District Governor Ron Guth

(continued from previous page)

One of my goals this year is to visit every club in the district at least once, and thus far, Lion Beth and I have visited or scheduled 29 clubs with 16 clubs remaining that haven't contacted me for an official visit. Please give me a call or email this month to set up a visit so we can share your club's great ideas with others clubs.

We had unexpected price increases with the Honeywell District Convention location and although a great location the costs were too high and would have diminished attendance. Instead, we will be returning to the Argos United Methodist Church for our District Meeting/Convention on March 9th. We are working out the details after the change so look for our convention flyer in the next few weeks.

Remember, we are "Lions in Action"

Lion Ron Guth, District Governor

A Message From 1st Vice District Governor Warren Allender

Ha, yes, it's a new year, 2024, a time for all that goal setting stuff, right??? Well, yes, maybe, and maybe not. I would rather think of January as a month in which we can relax, kick back, and catch our breath. We Lions are not beginning a new year we are just halfway through our year and the last couple of months have been very busy in our world of service to others. Christmas baskets, bell ringing, food pantries, the joys of Christmas giving, the Lions spirit of service was very much on display in each and every one of our/your communities. I recently read an article by Barbara Danza entitled "The Joy of Giving", in which she describes the numerous benefits of giving. That's what we Lions do with our service, is it not? We give of our time and talents in the service to others. She says that "Generosity is an immediate mood booster-a happiness quick fix".

Apparently, scientists have connected generosity to better physical and mental health as well. It's no wonder that the Lions are such a cheerful bunch. Ms. Danza continued by saying, "Giving motivates you to live up to your potential so that you may continue to fulfill your responsibilities and act in service to others. It inspires those around you to also be generous and kind, spreading like the best possible contagion." So, Lions, look forward to the new calendar year knowing that you are of sound mind and body, and your/our acts of kindness will be contagious within our communities. Lions serve and others see that. It is from that visible act of service that our recruitment is best achieved. Thus January, while taking a breath, is the best time to ask that potential new member to your club meeting. It's a time when we/you can tell your story of service, of giving back to your community. I'm going to close with this...make a new year's resolution to ALWAYS report your service projects on the Lions portal. It's quick and easy to do. If you need help just ask... Happy New Year.

Lion Warren Allender, 1st Vice District Governor

A Message From 2nd Vice District Governor Jackie Kurley

Happy New Year! I cannot believe we are already through half of this Lions year. It seems like just yesterday we were celebrating Banner Night and listening to our Governor's goals. I am certain we have accomplished some of the things we have wanted to do, and I am also certain we have more to do. Do not just write it off and give up just because you are getting a late start. It is never too late to pull up those bootstraps and get back on track. For some reason, all the "re" words have come to mind.

- **Recommit** to the goals you set for your club and yourself.
- **Reignite** your passion for service to others.
- **Recall** the reason you became a Lion all those years ago.

I know of a person who is not wealthy but also is not poor. She gets along in life with a roof over her head, food on the table, love in her heart, and gets the necessities. She has not splurged on anything she ever mentioned of consequence. But what she did this year was purchase a little something for everyone in her department. It was a small gift, but it was of meaning to each one of us. She appears to look at every situation as an opportunity to do something kind for someone else. When she was standing in the long grocery line right before Christmas, she saw a person with just a few items and let them go in front of her. She was caught in a traffic jam and allowed the car attempting to turn into her lane to get in front of her. She told me that she finds joy in her life by doing kind things for others. And that is what makes her life so worthwhile. And, yes, I am working on her to become a Lion. Some suggestions that should make you feel good about yourself: Carry a stranger's groceries to her car, leave a treat and a note in the mailbox for your mail carrier, volunteer at a soup kitchen or food pantry, read a book at a nursing home, leave a container of bubbles or a hula hoop in the park, return a shopping cart to the grocery store, leave a pack of baby wipes on a baby changing station, or just smile and say hello to a stranger.

Reimagine what this world could be like if we were all a little kinder to each other.

I hope to see you at the Mid-Winter Conference, January 20, 2024.

A Message From District Cabinet Secretary/Treasurer Lion Kim Polk

Tom and I finished our fall leaf pickup on December 16th as we were getting ready for our family Christmas gathering the next day. Fall leaves seem to be a never-ending project. We were blessed with celebrating Christmas early with family and then had a relaxing holiday vacation together in the mountains of North Carolina. It is

one of our favorite places to vacation. We hope that you have been blessed with a joyous holiday season celebrating with family and friends.

Lions International will send out dues invoices in January based on your club's member count as of 12/31/2023. You can expect a district dues invoice from me via e-mail in early January, after I receive the member count from Lions International. Invoices will be sent to the treasurer and/or secretary email address on record with Lions International. If no email is listed or the treasurer has requested mailed copies, I will send them out via postal mail. Please pay your dues promptly. Your payment provides the funds for the District to function.

If you have any questions, please contact me.

Global Leadership Team

Building Your Club/Team—Part 2

When I wrote the first instalment of this article, I wondered if I would hear from any Lions about my comments. I heard nothing. But I still do wonder what it takes to install the team concept for our Lions Clubs, either an individual Club or Clubs in general. What do we need to do to keep our Clubs successfully working together?

I suggested three things. First, remember that the Club is not the Club President's property. Second, regular communications are a must, and third, finding and using Club members' talents adds to the Club's abilities to serve.

In addition to these three major components of team building, I'd like to suggest a few more that will help ensure success.

First, have a vision and share that vision. It does no good if I know what I want to accomplish but don't share that with anyone else or explain why they need to participate. If I said we want to raise \$10,000 in eight months but don't share "why" or "how", should I really be surprised if there is some pushback. That could range from "we'll never be able to do that" to "I'll bet we could really raise \$12,000, if we tweaked this just a little". Allowing input to your vision could possibly lead to more growth than originally anticipated.

Second, word your goals so that each not only contains a challenge, but it also appeals to personal pride. Who doesn't like a challenge? Who doesn't want to be the best? Who doesn't want some bragging rights? We aren't kids anymore, but some recognition for selling the most pork chop tickets or bringing in the most pounds of used hearing aids isn't all bad.

And third, our expectations need to be realistic. How many hours should each member expect to spend on this project? Don't leave the impression that a few old guys working a few hours can raise that \$10,000 alone. If we really think that it's going to take a lot of time for each member, be honest and say so. No one likes the rules changed partway through a project.

Are you starting to see a pattern here? Yes, we want a successful team, and a large part of that success is getting our team members to buy into our goals. Everybody counts, all year long. In a silly way, it's like Smokey the Bear says, "Only you can prevent forest fires", except that here we are thinking that "Only you can prevent Club member loss". Remember, you can lose a member without having an actual resignation.

Until next time,

PCC Dave Eisen, Global Leadership Team Coordinator

Global Membership Team

"Together we can and Together we will"

A new year is upon us. Have we made some New Year's Resolutions? Did they include Lionism? Do we want to serve our community more? Remember our motto is, "We Serve".

Here are a few suggestions. First, resolve as a club to have a meeting to field ideas for new service projects. Be open to all ideas in helping your community.

These projects are a great way to show prospective members what Lionism is all about. Second, have all members report their hours of service. This helps LCI attract corporate sponsors based on services reported. We can help multiply the results of our efforts simply by reporting them. Finally, each of us should resolve to sponsor a new member into the club. This begins with me first.

--Thank you for all the time and energy you put into your club and your community.

--Thank you for helping others understand Lionism.

--Thank you for being a Lion.

PDG Marlyn Fast, Global Membership Team Coordinator

Global Service Team

I hope everyone is doing well and enjoying this festive time of year with your families and friends. While we are not having a White Christmas, we can appreciate the warmth for this time of year. While it's nice outside now, we all know cold and snow will be here soon. So now is a good time to get ahead of the coming weather with service projects for the winter.

It's hard to believe that half of the Lions year is past. Have you finished with the fall projects on your club's schedule? It's not too late to finish them before we move into the spring projects. As we enjoy time with our families, let's not forget those who are not as fortunate. Clubs are supplying meals, gifts, and help in many ways. By doing these acts of kindness, we are helping to change our communities for the better. Keep up the great service work and activities for the remainder of the year!

LCIF Coordinators Update

Lions Clubs International Foundation

Helping a World in Need

LCIF MISSION: To empower Lions Clubs, volunteers, and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding.

An update for the calendar year 2023 is: 166 Grants were given for \$3,562,272. This was for 39 states, Jamaica and Puerto-Rico. The state of Indiana applied for four grants totaling \$172,000. This certainly proves that a Lions' share of LCIF funds stay locally.

We are all accountable for achieving District 25-G's 2023-2024 goal of \$31,374. To date, only 19% has been received, leaving a large portion to be received the last six months. Have your club or club members donated to LCIF this Lion Year?

I encourage clubs to come up with ideas for generating giving to LCIF. A recent fundraiser at my home club came up with a new idea that was quite successful. We used a blank calendar month to encourage our giving. Each Lion was asked to put their signature on a date of the month which corresponded with the amount they wanted to give. For example, I signed on the 5th and the 20th since I wanted to give \$25.00. (Our club is larger, so we actually used two months.) Our goal was to fill the calendar with signatures. We then collected the money for LCIF, noting the member's name and amount. The fundraiser was successful in that we collected over \$1500.00. This was sent to LCIF with the donors' names, membership numbers, and amounts donated.

I am sure each club can come up with other fundraiser ideas. The important thing is that members get credit for each donation.

Individual and club donations are very much needed and appreciated!

Previews of Coming Attractions

Coming Soon: Indiana Lions Mid-Winter Conference—Catch the Magic of Lionism

The 35th annual Indiana Lions Mid-Winter Conference will be held on Saturday, January 20, 2024 at the Crowne Plaza Indianapolis Airport Hotel. The theme for this year's conference is "Catch the Magic of Lionism".

Some Indiana Lions say the Mid-Winter Conference is "the best place for learning" about leadership, service, and all aspects of Lionism. We offer seminars on club administration, community service, fundraising, and membership recruitment and retention, as well as opportunities for service, fellowship with Lions from around the state, and plain old everyday Lions fun.

The registration fee is only \$50 and includes informative seminars, on-site service projects, coffee and pastries in the morning, lunch at noon with a motivational speaker, and fellowship with other Lions.

The keynote speaker at the Saturday luncheon had not yet been announced when this article was written.

The conference will be preceded by a dinner on Friday evening. The cost for this event is \$30. The after-dinner entertainment will be provided by magician Daniel Lusk. He has performed across the United States, overseas, for celebrities, national sports teams, and on national TV. His magic has not only been seen by millions, but Daniel also lectures at conventions for other magicians teaching his trade.

Conference attendees will be offered the opportunity to participate in two on-site service projects. After dinner on Friday evening, attendees will have the opportunity to participate in the Care-ing Cases project, using clean recycled hard eyeglass cases to assemble first aid kits and toiletry kits. Conference attendees are also encouraged to donate new socks, gloves, mittens, scarves, knit hats, and blankets to the Sock It To Me project. Collection boxes for these items will be available on Friday and Saturday. Our District Governors will share all items created/collected by these projects with those in need in their districts.

For more information about the conference and a registration form, visit the Indiana Lions website at indianalions.org and click on the link labelled "Printable Forms". The list of available forms includes a registration form with seminar descriptions and hotel information.

We hope to see you at the 2024 Indiana Lions Mid-Winter Conference.
