

District 25-G

Service with a Heart

District Governor Mary Klempay

Hello, District 25-G! When you receive this newsletter, I will be getting ready for my trip to the 102nd Lions Club International Convention in Milan, Italy...just a tad further than Milan, IN! I will be out of the country from July 3 through July 10. Watch for my posts on Facebook!

I want to give special thanks to PDG Jim Reeve, and many of the PDG's before him: Tom Polk, Peg VanNevel, Vic Fischer and Marty Juel for their guidance. So glad to be part of this TEAM!

Every year, you hear the new goals of the incoming District Governor, and many times, they sound familiar. Why is that? Because we all want our District to succeed, and to do that, we need involved, active clubs,

who bring in new members, new ideas and serve their community.

You can find my goals for this year on page 8 of this newsletter, but let's think about how we can get there with tangible ideas and plans. For membership, think about local groups in your communities that already enjoy RV's, camping, and motorcycles. What a prospect for a Specialty Club!

Please plan on attending my Banner Night on August 24! There will be a prize drawing for those bringing a First Aid item that can be donated to our schools. Bandages, gauze, tape, sanitizer, antibiotic cream... get creative!

But the biggest opportunity I am asking

your club to consider is working together on this year's District-wide Service Project – hosting a Health Fair. This is not something that one club needs to shoulder alone but would be best with three or more clubs.

I can provide you with area contacts for your Lions Clubs to provide blood drive, vision screening, and diabetes screening just to start. What a great way to showcase your clubs, possibly find new members, and provide Service with a HEART!

DG Mary Klempay

1st Vice-District Governor Brian Thomas

Greetings to all District 25-G Clubs! As incoming 1st Vice District Governor, I am excited to begin the 2019-2020 District year under the leadership of DG Lion Mary.

I hope to visit as many of your clubs as possible, so if you have a meeting or function that you would like me to attend either

alone or in tandem with Lion Mary, please let me know.

I would like to focus on three items as 1VDG, and carry over the effort as Governor – reviving or restarting clubs we have lost, or who are below our minimum membership levels, starting several Leos Clubs and

fostering more inter-club interaction.

Another of my main interests is in the area of Diabetes control, so I look forward to learning what local clubs are doing in that area.

Look forward to meeting you all through the year!

1st Vice District Governor Brian Thomas

CS Ann Haffner — *Please share this information with Club Officers and Board of Directors*

As the Lions of District 25-G begin a new year, it is my privilege to again serve as your Cabinet Secretary.

Dues: In July, your club will receive your July-December State & District Semi-Annual Dues Statement from Cabinet Treasurer Ron Guth. You will be billed \$9 per member on record at Lions Club International on July 1.

In addition, LCI will bill your club \$21.50 per member for July-December dues. For spouses and family members recorded as a Family Unit on MyLCI, you will be billed \$10.75.

Dues are payable within thirty (30) days to both CT Ron and LCI. Checks for International dues should be made out to “*International Association of Lions Clubs*” and mailed to LCI at the Chicago address (not Oak Brook) in the upper right - hand corner of the billing statement.

District and State dues checks should be made out to “District 25-G” and mailed to:

CT Ron Guth
2386 W. Broadway
Bunker Hill, IN 46914.

Your club should be collecting at least \$61 in dues per year from each member.

Family members enrolled in a Family Unit (except for the Head of Household) should be paying at least \$39.50 per year in dues. (Family members’ international dues are \$21.50 per year, rather than \$43.)

Dues must be paid from your club’s Administrative Fund, not from your club’s Activities (Project) Fund. All money raised from the public must be used for charity.

Monthly Reports: Club Secretaries, it is extremely important that you file the Monthly Membership Report on MyLCI by the last day of each month. After that, it is considered late, and may jeopardize your club’s chances of earning the Club Excellence Award for 2019-2020. As of July 1, 2019, Monthly Activities should be reported each month on the new MyLion website, rather than on MyLCI.

Club Excellence Award: If your club finished positive in membership for the 2018-2019 Lions year, you may be eligible to receive the coveted “Club Excellence Award” if you fulfilled the other requirements. The form can be downloaded from the LCI website or I can email you a copy. Complete the form and mail it to:

PDG Jim Reeve
P.O. Box 1647
Warsaw, IN 46581.

If you qualify, he will sign it and forward it to LCI. At the top right of the form, be sure you list three SERVICE projects, not FUNDRAISERS.

The Club Excellence Award application for 2019-2020 will soon be available on the LCI website. Please print a copy and use it as your roadmap to success!

Budget: As your club’s Board of Directors plan for this new Lions year, I encourage you to prepare both an administrative and activities budget of income and expenses to be approved by your club’s membership. This will help to ensure that your club remains financially sound, provides well-defined guidelines for spending, keeps the membership well-informed, alleviates unnecessary discussion and disagreement during club meetings, and helps to establish proof that your club is a charitable organization.

If you have questions at any time, please contact me at 574-457-3054 or ann_haffner@yahoo.com.

Best wishes for a great 2019-2020 Lions year!

GLT Dave Eisen

District Governor Mary didn't know it, but by appointing me as 25-G's Global Leadership Team Coordinator, she gave me a clean sweep of the GLT position in our Multiple District.

I am entering my third year as Multiple District-25's GLT Coordinator. Now I am District 25-G's GLT Coordinator, and as our Club's First Vice President, I am our Club's GLT Coordinator. It doesn't get much better than that. Maybe I should have PDG Marty Juel design me a pin as a "GLT-3."

So, in this exalted position, what do I really do? At all three levels, my

job is basically the same. I work with the other Team Coordinators, Membership and Service, to do things jointly.

But first, I am in charge of arranging for training for Lions office, all the way from the State's 1st and 2nd Vice Dist. Governors, to broader State-level training events like our Mid-Winter Conference, to arranging for officers training here in 25-G, to training for officers in my own, or your, Lions Club.

That includes any specialized training for Secretaries, or just for Tail Twisters or Zone Chairpersons.

Secondly, my job entails assisting with locating individuals to fill Lions offices. This is a much more difficult part of the job, and I'm not often asked to do so, but I will. I will help identify individuals, but I don't do the asking. That's your job.

If your Club, Zone, or a group of Lions, wants some additional training, please don't hesitate to contact me at 574-250-1469 or d.eisen01@yahoo.com. I'll try to find the best trainers I can to help answer your questions.

Have a great Lions year,
Lion Dave Eisen, GLT

GMT Peg VanNevel

You may not expect it, but there will be a time during your Lion membership that you'll have an *AH HA* moment.

Whether it's seeing a child's face light up when they can get a new pair of glasses and can read their book or feeling the appreciation of a family in need of a handicap ramp.

Your membership in Lions can provide the opportunity for those moments to come at any time.

THOSE stories are one way to convince your friends, family and

co-workers to join your club. It's not about fundraisers! It's about helping others.

My moment happened one day when I stopped for a quick chat with a co-worker. He shared the bad news of his vision challenges - nine bleeders behind his eye, and no insurance to have the operation.

How has membership in Lions changed your life? How many lives have you changed?

Our club sponsored his application to the Indiana Lions Eye Bank. His surgery was scheduled AND successful, and he stayed employed!

Find your story! Share it with others...and gain some new members!

Not only for you, but for other clubs in need, too. Join me this year by visiting communities to help build club membership. I am looking for 25-G Lions to join the GMT effort - how about YOU? Contact me at pitchinpeg@yahoo.com or 574-220-2362. Let's have a great year!

GST Al Beehler

Let's start off this new Lions year by starting a NEW habit...at least for a few of our District clubs. It's simple, easy and only takes a few minutes each month. If you need help, that's why I'm here!

One of our goals for our new District Governor Mary Klempay is to **File your Membership and Activity reports before midnight each month.**

LCI has added two club positions who can file reports now as well: - Club GST members and Club Administrators.

If your club President or Secretary are unable to file this monthly report, let me know and I can help find a way!

Unsure of what qualifies to be reported? Club meetings - how many attended; Service projects - how many hours; the hours it took in PREPARING a newsletter, food for an event, building a lending library. It ALL counts and is important for possible grant opportunities.

When the Gates Foundation looks at the world-wide number of hours given each month, your reports

can make that difference! Even if your club doesn't meet some months, please complete the MMR reports.

Thank you to all clubs who are filing reports. Club reporting is at a higher rate than in the past...a fabulous 61% increase. There are just a few clubs who have not filed any reports in past years. Reach out and let me help you! Let's all get into this easy habit and get our District to a 100% reporting level!

Thank You for all you do as a Lion

Thank you from PDG Jim Reeve

Sheri and I would like to thank all the great Lions that made our year one of our best. All the Lions Clubs we visited, listening to all the wonderful things they have been doing in their communities, shows what Lions are all about.

To serve others is the greatest thing anyone can do. As we move forward, Sheri and I will continue to serve in our home club, the Lake City Lions in Warsaw. I am passing the banner on to your new District Governor, Mary Klempay. I know that all of us will support her efforts. May the Lord God keep you and your family in the palm of His hand forever. Thank You.

Milford Lions celebrate 75 years of service

Members of the Milford Lions Club were joined by Lions from throughout Indiana as they celebrated the 75th anniversary of the club's charter Saturday, June 8, at Camp Mack.

Special guests for the evening were Lions Clubs International Director Nick Xinopoulos and his wife, Gretchen, from Brownsburg and Past International President Wayne Madden and his wife, Linda, from Auburn. Xinopoulos was the evening's keynote speaker. PIP Madden installed the 2019-20 officers.

President Brandon Gall called the evening's activities to order and introduced D. G. (Bud) Seely, who served as toastmaster for the evening. Seely recognized the Goshen Lions, sponsor of the Milford Lions Club and introduced Xinopoulos, who talked on service and furnished tidbits as to prices and events in 1944.

Madden congratulated the club on its 75th anniversary and installed the 2019-20 officers who will be led by President Marcy Haab. During a time to remember Secretary Jeri Seely noted letters had been received from both Congresswoman Jackie Walorski and Indiana Governor Eric Holcomb congratulating the club on 75 years of service.

Milford Clerk-Treasurer and Lions Club member Tricia Gall read a proclamation from the town of Milford. The proclamation was officially presented to the club at Monday's meeting. Mike Webb, from the Leesburg Lions Club, presented a plaque to Secretary Jeri honoring the anniversary and noted the Milford Lions Club had sponsored the Leesburg club. Milford's treasurer, Steve Weisser, was presented a pin and plaque by Madden and Xinopoulos, naming him a Melvin Jones Fellow.

MELVIN JONES AWARD — Steve Weisser, center, received a Melvin Jones Fellowship. Weisser has served as treasurer of the Milford club for the past several years. The fellowship is named in honor of the founder of Lions Clubs International. Presenting the award are Past International President Wayne Madden, left, and International Director Nick Xinopoulos, right.

PRESIDENT'S CERTIFICATES — Milford Lions President and Past District Governor D. G. (Bud) Seely, who served as toastmaster for the evening's event, was presented International President's Certificates of Appreciation during the evening. Brandon Gall is shown in the photo below, on the right with International Director Nick Xinopoulos. Seely is shown in the center photo below, on the right of Xinopoulos.

PLAQUE FROM LEESBURG — Leesburg Lions Club presented the Milford Lions Club with a plaque marking Milford's 75th anniversary. Shown on the bottom left is Leesburg Lion Mike Webb presenting the plaque to Milford Lions Secretary Jeri Seely.

GOVERNOR-ELECT AT ANNIVERSARY — Then District Governor-Elect Mary Klempay and husband Mark are shown in the photo bottom right, talking to PDG Lana Wilson at the anniversary.

GREENE TOWNSHIP LIONS IN ACTION!

The Greene Township Lions just completed their 50th Strawberry Fest on June 7th and 8th.

We served approximately 2,077 shortcakes. Over those 50 years, more than 51,000 servings of strawberry shortcake have been enjoyed. There is no relationship between the total servings and the increased girth of Lion members.

The majority of profit from our efforts will go to Camp Millhouse. We take our train to Camp every Tuesday for the next 6 weeks.

All our invited to join and see Camp in full swing.
(Train rides start at 6pm).

We take the train to the Sunflower Fest and Camp Mac this fall.

Pizza, chips and drinks were served to all students prior to the program. Lion Denise Tahara handed out certificates to 21 students who maintained a 3.5 GPA in the eighth grade. She also gave out 70 medallions to students who had a 3.5 GPA in both the seventh and eighth grades.

Fulton-Liberty Lions

Fourteen Lions gathered together to serve the Fulton County REMC community's annual meeting June 24, 2019.

Our Lions group grilled, assembled and served the hot dogs throughout the event, which was enjoyed by everyone.

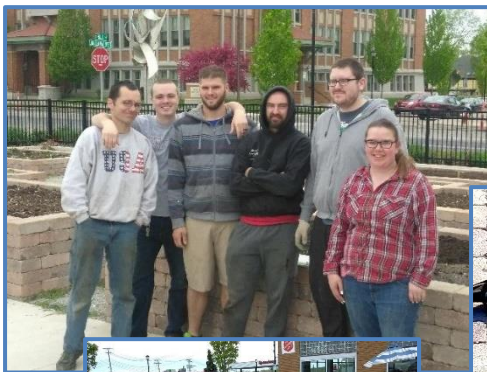

Mishawaka Lions Club – Memorial Day Parade and Food Pantry Garden

The Mishawaka Lions Club kicked off summer with some fun eyeglasses leading the Memorial Day Parade float!

Thousands of residents waved and cheered to the Mishawaka Lions – especially the costumed ones! The kids loved it.

Thankfully, a few growling dogs were on leashes!

The Evening Mishawaka Lions have taken on a summer project to plant and tend to the Mishawaka Food Pantry vegetable garden.

Prepping the raised beds, while not upsetting Mama Goose, was a fun challenge.

Nearly 40 tomato plants, dozens of green peppers, hundreds of peas, along with cantaloupe, zucchini, cucumbers and lettuce.

It's going to be a great summer of food for the Pantry!

Come one, COME ALL!

WE SERVE!

<http://lions25g.com/>

www.facebook.com/Lions25G/

Lion Mary joined the Lydick Lions in August 2009, and has become very involved, not only with the local club's activities and acting President and Secretary, but also with District 25-G as Speech and Hearing Trustee, Zone Chair, and supporting Leo and Law Camp.

DG Mary was also the Treasurer and Co-President for the Family Readiness Group for U.S. Army Reserves for the 855 Quartermaster in South Bend. Her duties provided services for the families while their loved ones served the country, deployed overseas or stationed in local communities. Fundraising was an integral part of the success of this program.

In 2014, DG Mary went on a Vision Mission to Irapuato, Mexico helping over 1,700 local residents receive eye screening, along with much-needed glasses that were collected throughout District 25-G. Being able to help so many young children who had dire need of glasses made a huge impression on DG Mary, knowing that her efforts would change their lives for the better.

District leaders saw the promise of an emerging leader and asked her to increase her involvement. She joined the leadership team at the District level, becoming involved during the Centennial Year of Lions. It was an exciting promise of being able to make our District succeed into the second hundred years of Lionism. Now, we will be providing Service with a Heart under DG Mary's guidance.

Send in YOUR brainstorm ideas for community service projects!

When you organize a Lions club service activity that is meaningful to your community, you can make a more significant impact on the people you serve. Whether you're just getting started or your club is in need of a fresh plan of action, here are some steps to help guide you through the process of organizing a meaningful, effective service project.

Make a list of possible programs.

Ask your club members the following questions:

- What do you like about your community?
- What do you want to improve in the community?
- What kinds of skills, resources, people and funding is required for the improvements you want to make?

Following the discussion, identify and rank the top five features and top five improvements to consider.

Appoint tasks.

Further discuss possible projects and identify three to five club opportunities. Set up task forces, or committees, to research each project further. Task force members should collect ideas for implementation, discuss possible action steps and recruit interested Lions.

Conduct research.

Make the necessary contacts in the community to find out more about your opportunity, and consider asking the following questions:

- Do you think this project will help the community?
- How do you think the improvement could be made?
- What resources do you have to help make the improvement?
- Are there other needs you think the club should consider?

Communicate with your contacts closely and remember to keep an open mind!

Write a plan.

Develop a written plan that includes goals and objectives, time frame, and people and resources needed.

Implement the plan!

Involve your members and reward their successes along the way. Include progress reports in club newsletters and meetings. When the project is complete, take a moment to review the actions, including what worked and what didn't work, and identify ways to improve for the next project.

SERVICE with a Heart!
