District 25C Newsletter

From the Desk of DG John Waymire

Hello Fellow Lions of 25 C,

In a quaint village nestled between two emerald hills, there existed an old typewriter shop owned by Mr. Penrose, a gentle soul with ink-stained fingers and a heart full of stories. The villagers often gathered to hear his tales, but today he faced a peculiar dilemma: the typewriter had jammed. As Penrose tinkered with the keys, he couldn't help but notice how each letter seemed to resent its fellow letters for their roles. "I'm the most important!" declared A proudly. B puffed up its chest, insisting it was vital for words like "brave" and "bold." C twirled dramatically, proclaiming that without it, "cat" would simply be lost. Mr. Penrose chuckled softly at this quarrel and decided to teach them a lesson about unity. He placed an empty sheet in the machine and began typing slowly: "Once upon a time..." The letters clattered against one another chaotically as they fought for dominance. "Stop!" shouted E, who had watched quietly as chaos unfolded. "We all have our place! Without me in 'the', or U in 'you', these stories can't come alive." Realizing their folly, the letters fell silent. One by one, they typed together—A formed alliances with B and C; T embraced S; E extended its hand to I—and soon a beautiful story emerged on the page. When Penrose read aloud their collaborative creation, it flowed seamlessly—a tapestry woven with every character's essence. The typewriter hummed harmoniously; every letter proved indispensable. From that day on, not only did Mr. Penrose's tales flourish but so did the camaraderie among the letters: vivid reminders that every voice matters in crafting something magnificent together.

BE THE SERVICE DIFFERENCE

Thank you for allowing me to serve as your District Governor.
Thank you for all you do for the Lions and your communities.

District Governor 25C

District Meeting Timelines

The **District Meeting scheduled for May 10**, in Brownsburg will be devoted to officer training. This will include Zone Chairs, Presidents and Vice Presidents, Secretaries and treasurers. By early May, most officer elections will have been held and **ELECTION RESULTS REPORTED TO LCI IN THE PORTAL** so that new officers have an opportunity to understand their duties as club leaders and ask questions about policies, procedures or expectations.

District Goals 2024-2025

To increase reporting of District 25C clubs Service Activity Report (SAR). As of today, **78% of District C clubs** have reported a service activity. Please report to LCI and the local media what Lions are doing. We are the best kept secret. Let your communities hear your LION roar. District GST chair Lion Cindy Russell or District Administrator Lion Gretchen Xinopoulos can assist you in promoting and reporting service activities.

To increase our membership by the end of June 30, 2025. Currently we have 1163 Lions in District C and we are **a +2 in membership and 56% in member retention**. One simple technique to recruit new members is simply to ASK them to join. Remember this simple formula: **More Members = More Hands = More Service**. Contact GMT Tom Robbins for help in recruiting new members. It can be as easy as just asking a friend to help at a service project. I have New Member packets if you need them.

To increase attendance at 25 C District Meetings and District Convention and State Convention. All meetings and all conventions are open to all District C Lions. District meetings are where district business is conducted, and decisions made. Come be a part of the decision-making process and see how your dues money is being spent.

Provide Officer and Zone Chair Training. Officer training is scheduled for May 10th in Brownsburg. **(The schedule appears later in this newsletter.)** A PowerPoint presentation on president's leadership responsibilities is available from GLT John Wilkins. There are You Tube videos available on the Portal about using the Portal and leadership training.

Keep the District 25 C Calendar up to date. District C website is: www.e-district.org/sites/25c/. Check it out. Email me any items you would like posted. Let the rest of the district know when and where activities and, service projects are happening.

Establish longer and Actionable PDG meetings. The PDGs will meet as part of the State Convention activities in Shipshewana.

A Message from FVDG—Paul Scheetz

Greetings Lions,

Just a reminder, please ensure your incoming club officer email addresses are up to date. Starting in July, club treasurers will have to download their international dues invoices from the portal. LCI will no longer be mailing invoices to clubs. Invoices should be available around the 10th of July and the 10th of January. Clubs can pay their dues electronically to LCI. State and District dues will be ready shortly after that time. State and District dues can be mailed directly to the District Treasurer. The district **does not** have electronic payment capabilities. There are several instruction sheets/videos on how to download the invoices. I will also be glad to assist as well.

I am putting on one of my other hats, as one of your Indiana Lions Foundation Trustee's. At our last meeting we received the latest report for club and individual W.P. Woods Credits. Keep in mind that this report is updated regularly. If you have any questions, you can contact Lion John Wilkins, PDG Ray Collins or myself if you have any questions.

A Message from LCIF Dr Patti Hill

Dear Lion Leaders,

On behalf of Lions Clubs International Foundation (LCIF), thank you for your generous support of LCIF grants and programs. Your donations help fund grants and projects that offer quick relief in the aftermath of natural disasters, improve the lives of people in vulnerable areas of the world, and provide positive health outcomes with long-term benefits for people in need.

Winter is Coming to Ukraine (WICTU) 3 is one example of how Lions, Leos and LCIF respond to the needs of the world, when and where people need us most. The mission of this project is to provide warmth to the many Ukrainian people living through the harsh winters without electricity. In 2023, the project raised US\$1.2 million and provided 8,100 wood burning stoves for heat and cooking, helping more than 50,000 people.

For the winter of 2024-2025, the goal is to provide 15,000 additional stoves to warm homes in Ukraine.

Your continued support of LCIF grants and programs make life-saving projects like these possible. All donations to LCIF from Lions, Leos, clubs, districts and multiple districts, including those in support of the **WICTU 3** project are eligible for Melvin Jones Fellowship and Progressive Melvin Jones Fellowship credits.

Every gift to LCIF makes a difference to people in need across the globe, so thank you for your continued support of our global foundation. LCIF and our beneficiaries are truly grateful for your humanitarian spirit and generosity.

Yours in service,

Patti Hill

Dr. Patti Hill

A Message from ISBVI

An Indiana Lions State Project Since 2008

Hello from your District 25C ISBVI Trustees. Things continue to go smoothly for the staff and students and the Lions continue to work to help the students meet their goals.

School Updates

All buildings that were scheduled for demolition have now been torn down and the campus is closed to everyone except for construction crews.

Superintendent James Michaels and some ISBVI staff were able to visit a blind and deaf school in Florida to learn what they could do here to prepare for the upcoming Indiana schools relocation to a shared site.

James Michaels has expressed an interest in working with VIPS and parents of preschool age children to develop a solid preschool program at our ISBVI.

The Greenhouse is up and running and students are learning about plant life and how to plant.

Nineteen students from around the state took part in the Braille Challenge. While the students were participating in the challenge, parents attended meetings to help them learn how they can help their children.

Trustee Activity

- We encourage all clubs to contact one of us for a presentation. Presentations can be made to clubs, zone meetings or at other events. We can report on all specific donations and answer any questions at your club or district meetings.
- We were able to help with the first Beeping Egg Hunt! There were huge smiles as the students hunted for eggs. For some it was their first opportunity to hunt for eggs. The Easter Bunny even made a visit.
- The Trustees voted to donate \$25,000 toward a new phone system for the school. The phones have screen readers so all staff and students can use them. Phone emergency notices can go out at the touch of a button both on and off campus. It also links to the teacher's cell phones so parents can reach them easily. The Wi-Fi system from the College Ave. campus was able to be moved to serve all buildings being used at this time and will be moved back to the College Ave. location once construction is completed.

Continued from previous page, ISBVI

ISBVI FELLOWSHIP

- The Indiana Lions for the ISBVI fellowship is available for a donation of \$500.00. A club or individual may also accumulate \$500 in a 3-year period, starting July 1st of 2022. This award is to recognize an individual or entity for their service or accomplishments. A certificate of fellowship, which is overlaid in braille, will accompany a beautiful and useful etched vase with the ISBVI logo and a quote from Helen Keller. *"Alone we can do so little; together we can do so much."* Contact one of us for a Fellowship application and additional information.

Thank You Lions for Your Support!

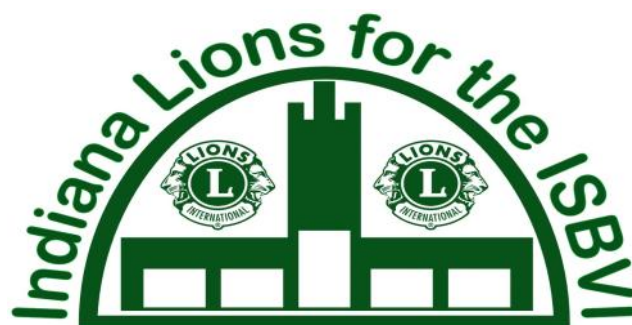

Your donations help with the expenses to cover the costs of the ever-changing media and electronic devices and to help with education. Some of the tools that are extremely helpful and costly are smart boards, electronic magnifiers, and 3-D printers. You have helped underwrite expenses of the school's Summer programs, Cane Quest and Braille Challenges. The school has also been able to provide financial support for students to attend conventions for the blind and visually impaired. These programs help develop leadership skills in addition to independence. Whether it be a monetary donation, participating in the Annual Brian's Trike Race or Disc Golf Tournament, helping at Spring Workday or any other type of support, please know that it is greatly appreciated, and we look forward to your continued support.

A Message from Indiana Lions Foundation

Indiana Lions Foundation Indiana State Fair Project

We may be shoveling snow from the sidewalk and scraping ice from the car windows now, but it's not too early to start thinking about fun and fellowship with other Indiana Lions at the 2025 Indiana State Fair. This is the Foundation's single largest fundraiser. Proceeds support the operation of the Indiana Lions State Office Building and provide funds for the Foundation's new Community Service Grants.

We have spoken to our contact at the Indiana State Fair and do not anticipate any major changes for the 2025 State Fair. The Fair will be held in Indianapolis, August 1-17, 2025, and we will need volunteers to work at six gates during the Fair.

Scan the QR code above to go to <https://indianalionsfoundationmd25.org/what-we-do/indiana-state-fair-volunteer/> and sign up to work for the Foundation at the 2025 Indiana State Fair.

If you liked our ferris wheel and carousel pins, you'll love our new roller coaster pin. The proposed design is shown here. The only way to get one of these pins is to work for the Foundation at the Indiana State Fair.

When you work for the Indiana Lions Foundation at the Indiana State Fair, you receive W.P. Woods Fellowship credits. Work a morning shift and receive 1 credit; work an afternoon shift and receive 2 credits. You may redeem 10 credits for a W.P. Woods Fellowship for yourself or another individual.

This past July, the board of trustees of the Indiana Lions Foundation approved a proposal to allow State Fair volunteers to redeem W.P. Woods Fellowship credits for Community Service Grants to benefit Indiana Lions clubs, Indiana Lions districts, Indiana Lions state projects, or LCIF. For more information about Community Service Grants, visit the Indiana Lions Foundation website at <https://indianalionsfoundationmd25.org/>.

If you need assistance signing up for this project, please contact Lion Rose Russell at 574-250-0125 or RoseWRussell@gmail.com.

If you have question about the Foundation, please contact one of the Foundation trustees in your district.

A Message from GLT

New Member Orientation Materials District C GLT Coordinator John Wilkins, from the Zionsville Club, visited the Frankfort club recently to provide new member orientation training. This training involved twenty-two PowerPoint slides with information specific to the Frankfort club as well as information on LCI, LCIF, the state and district leadership structure, the five state projects and the Indiana Lions Foundation. The presentation takes about thirty minutes. In addition to the slide presentation, each club member present was given a booklet of the slides for their future reference and as a recruiting tool to give to their friends and neighbors as a way of informing them about the great opportunities to serve their communities via Lions membership. This club training can be easily customized for each club in District C. If your club would benefit from this training and having these club information booklets, please contact Lion John at jw6222@earthlink.net.

A Message from District C Special Olympics committee

INDIANA LIONS SPECIAL OLYMPICS COMMITTEE NEWS

**Tommy Sliva Wins Silver in Super G
at the Special Olympics World Winter Games in Torino, Italy!!!**

An athlete with the **Special Olympics Indiana Marion County-Northeast program**, Tommy Sliva was selected by Special Olympics North America to represent both the **United States and INDIANA** on the global stage in Alpine skiing.

Tommy Sliva won a Silver Medal in the Novice Super G division. Sliva, 34, completed the course in 47.43 seconds to earn runner-up status. The Games include athletes from 102 countries. Sliva later added a fifth-place finish in the Novice Slalom with a score of 38.350. His daily results are available here: <https://soind.org/tomas-sliva>.

Taking place March 8-15, the World Winter Games are the largest inclusive winter sports event in the world. The event brings together thousands of athletes with intellectual disabilities to compete in events such as alpine skiing, cross-country skiing, figure skating, snowboarding and snowshoeing. It includes nine days of exciting and inspiring competitions by athletes and for athletes.

Thanks to all of those clubs who contribute funds to support our Indiana Lions Special Olympics events. Achievements such as Tommy's show what mentoring and encouragement can do to enhance lives. Tommy is awesome for his competitive skills and all of you are awesome for reaching out and caring. Thank you.

The **Plainfield Club** has chosen the Hope Healthcare Clinic in nearby Avon as one of their service projects. This clinic serves the estimated 15,000 uninsured and under insured citizens of Hendricks County and depends entirely on individuals, service clubs and churches to fund the clinic as they receive no government funds. Last year, the club purchased a specialized refrigerator to store insulin at the clinic. This year the club identified a need to replace an examination light in one of the clinic's exam rooms. Funds for the light purchase came from the club's public funds account, a \$1,000 matching grant from the Indiana Lions Foundation and a \$400 community grant from the donated by one of their members using his state fair volunteer credits. Pictured with the outdated examination light are from left, Foundation Vice-President John Wilkins, Club President Worth Donaldson, Club Treasurer Thomas Iles and Hope Health Care Executive Director Cliff Sweazy.

LIZTON LIONS CLUB COLLABORATION WITH ABRAMS EYE CARE AND TRI-WEST HIGH SCHOOL

In March, the Lizton Lions Club collaborated with Abrams Eye Care (Indianapolis) and Tri-West High School Art Teacher Sarah Albert and her students on an art project. Abrams Eye Care (a platinum sponsor of the Lizton Lions Club) challenged the students to create "vision" themed paintings and covered the expense of any art supplies needed for the project. The judging was held on April 19. A total of 26 students participated in the project. Dr. Abrams and Dr. Tobe provided prizes for first, second and third places and six honorable mentions. The artwork will be displayed at the office of Abrams Eye Care. The students' "vision" of what they wanted to create was amazing. Even the doctors said it was difficult to pick the winners!
