Please start letting me know when you want your governor visit. There are several things I would like to do this year. The District blood drive is one. You will be hearing a lot about that.

I hope by this time I have moved into my new home. There has been so many changes in my life the past year. I hope and pray that each of you understand and when I act little off at times you don't take it personal. I know once I get settled I will get back together.

My new address is 1206 E. Main Street, Petersburg, Indiana 47567

My new Phone is 812-582-3367

My new email is treamcc@gmail.com

I hope to see most of you at our District 25-E Banner Night planned for Saturday, July 16 at the Glezen Revival Center, 245 S Glezen Center Street, Petersburg, Indiana (just south of Petersburg on Hwy 57). Details have been sent to all club officers, Region and Zone chairs and those Lions that have an email address attached with their Lion's membership in Lions Club International (LCI). In addition, you can also visit our website at www.lions25e.org to find out more information.

Again looking forward to hearing from you.

Invite a U.S. Veteran to Join Your Club

Did you know that since the **Involve a U.S. Veteran** pilot program began in 2013, over 90% of veterans who joined a Lions Club are still involved with their club? Show your support by inviting veterans to participate in your club activities, such as your next club meeting or next service project.

The **Involve a U.S. Veteran** program waives the charter or entrance fee for any qualifying veteran who joins a new or existing Lions club. Eligible veterans include retired U.S. military personnel or honorably-discharged members of the Air Force, Army, Coast Guard Services, Marines, National Guard, Navy or Reserves. Those currently serving in the National Guard or Reserves are also eligible. This special pilot program is offered only in the United States.

Visit the [Involve a U.S. Veteran](#) Web page to learn more about this special program. You can download a fact sheet, promotional flyer, certification form and a sample press release to help promote your Lions club.

1st Vice DG Corner

Greeting Lions,
Welcome to the first newsletter for the Lions year 2016-17. We finished DG Glen's year with a loss of 54 Lions, so DG Trea is starting her year with 1544 members. A loss of 54 members sounds really bad, and it is. That is a roughly a loss of 3.5% for the year, but that is an improvement over the last two years.

Has your club gotten into a rut or just looking to try a different project? I would suggest you check out the Lions Clubs website's member center (link: <http://members.lionsclubs.org/EN/serve/index.php>) for some possible ideas. This link has suggestions projects in different areas like Sight, Children and Youth, Literacy, Environment, Diabetes, Hearing, Community Outreach, Global Outreach, and Disaster Relief.

The past couple of years, the region chairs have had a hard time getting interest in members to attend the region meetings. Is this because members don't want to attend another meeting or because the meetings don't have a specific purpose, or some other reason? We don't know, but we are going to try to make sure these meetings have a purpose and something for everyone. The district leadership is suggesting that the region and zone chairs try adapting a region or zone project as a way to boost participation in our region and zone meetings.

I don't want to steal DG Trea's thunder, but I do want to touch on it. DG Trea has a Blood Drive dedicated to Buster's memory this coming year and this is a project we are wanting to be geared as a Region project. DG Trea will be providing more information on this.

Last year as I visited clubs, I noted the need for orientation/reorientation of our club members. I was surprised to learn a lot of members didn't know much about our State Projects, committees and the other things Lions do throughout our nation and world. Because of this, we are considering having orientation/reorientation sessions at the region and zone meetings. Hopefully these reorientation sessions will help 're-spark' interest in Lions.

We recently completed our three officer training sessions and had decent attendance at each. In an attempt to reach even more officers, CS PCC Jeff Schafer has been hosting a series of Go-To-Meeting (GTM) trainings for those who either missed those sessions or would like a refresher. Please feel free to contact CS PCC Jeff to schedule an upcoming training session via GTM.

I would like to thank everyone who attended the District Picnic/Cabinet meeting at Fayetteville Community Lions on June 25th. I know Erica and I had a great time. I would like to thank the Fayetteville Community Lions for hosting. I really enjoyed seeing their baseball field and the restored barn.

Please don't forget to attend DG Trea's Banner Night on July 16 (information is in this newsletter) and the first cabinet meeting in Bedford on August 13 (details to be released soon).

Thanks,
1st VDG Keith Thomas

2nd Vice DG Corner

I first joined the Bedford Lions Club in June 1984. As a new member I was involved in club fundraisers and service activities the club was involved in. I had the opportunity to serve as club treasurer for three years, then I was elected club

President. Also I served as Zone chair, Cabinet Secretary/Treasurer then Region chair. In June, 2013 I rejoined the Bedford Club, served as President for the second time in the club (2014-2015). Currently I serve as a Region 2 Chair and Co-Chair for LCIF. My wife, Jo Hannah joined the Bedford Club in 2013 also as a new Lion.

My professional background is primarily in Engineering. Holding a license to practice privately in Indiana I worked in the automotive industry and glass industry. I retired from General Motors in May, 2006. During that time I supervised teams in both engineering and maintenance for construction. My responsibilities for the last five years were managerial.

On a personal level Jo Hannah and I have two children; one of each type. Our daughter, Hannah is married to a Chief Master Sergeant in the Air Force and they have two daughters. Our son is married to a teacher and they have two children; one of each type.

Finally, I look forward to serving the Lions of District 25-E as their 2nd Vice District Governor through the new Lion Year!

Yours in Lionism,
2nd VDG Ron Edwards

Fallen Lions in June: None

Message from our Outgoing International President:

Dear District Governor,

For the past year, I have had the privilege of leading hard-working district governors like you. We set out to achieve ambitious district and Centennial goals, and we accomplished so much this year by working hand-in-hand with clubs and Lion leaders to promote dignity and harmony through service.

Your dedication to our Centennial goals has helped make this year a tremendous success. Because of you, **Lions have impacted the lives of nearly 90 million people** during the Centennial Service Challenge. Your support has helped **nearly 3,000 clubs connect with their communities by completing Legacy Projects**. And thanks to your encouragement, **nearly 10,000 Lions have qualified for the Centennial Membership Awards**, with thousands more on the way.

I challenged you to strengthen your district by inviting new members and chartering new clubs, and you responded. In your year as district governor, **we welcomed nearly 175,000 new Lions and chartered 1,150 new clubs**, expanding our service impact and strengthening communities in the process. I look forward to recognizing those high-performing district governors at the conclusion of the Lions Dignity Award program.

Without your efforts, and those of Lions everywhere, none of this would have been possible. But there's so much left to do. As we continue our Centennial Celebration, I hope you'll keep working to strengthen our membership, increase our service impact and achieve our Centennial goals in your district.

Sincerely,

Dr. Jitsuhiro Yamada
Your International President (2015-2016)

Prayer List:

Our thoughts and prayers are with those Lions and their family members or friends around the world that are sick or in the hospital or at home, and all others whose losses were unknown to us at this time.

Lions if you have prayer requests, please let me know so we can add you to the prayer list. Prayer and trust are powerful in our lives.

DG Trea McCandles

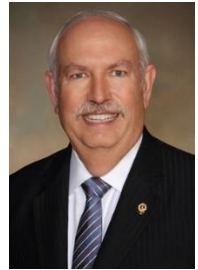

Lions Clubs International

2016-17 International President

2017 Party Train Gathers Steam

Kathy Singleton recently emailed Lions Clubs International. When she was a first-grader in Springfield, Missouri, the Lions club bought her first pair of glasses. "I still remember the joy I felt when I was able to distinguish that trees had individual leaves. It excited my heart to learn to see the world in its infinite beauty," she eloquently wrote us. "I pray y'all continue blessing many other kids like y'all did me."

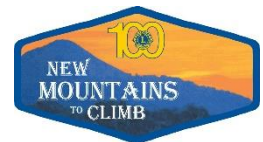

Yes, Ms. Singleton, for the next 100 years, we will keep on helping children as well as adults as we have for the past century. In our Centennial year, we want to honor and remember the past as well as move our great Association forward.

During our long history Lions not only reached out to individuals but also often impacted entire communities. After an earthquake and tsunami devastated Afognak, Alaska, in 1964, Lions built a new town for residents. Five years earlier in the tinder-dry cattle country of Texas, their town regularly threatened by prairie fires, Leakey Lions started a fire brigade including a fire truck. Long ago in 1925, alarmed by the inadequacy of schools, York Lions in Pennsylvania began a well-stocked circulating library. The pages of the LION from the last century are filled with tens of thousands of such examples of life-changing and often life-preserving service.

Our Centennial service goal is to serve at least 100 million people by June 2018. We are on pace to shatter that goal. Please have your club "join the party." Celebrate the Centennial in other ways, too, by inviting family and friends to serve with you and by planning a Legacy Project in your community. Find out how to participate at Lions100.org.

I am honored to serve as your Centennial president. I hope you are just as thrilled to be a Lion at this special moment in our grand history. The service we do today will echo down the decades as we invariably strengthen our Association and leave Lions Clubs in better shape than ever for generations to come.

Lions Clubs International
FOUNDATION

OUR FOUNDATION

Dear Lions,

As I look back on this past year, I am overcome with gratitude. Serving as Chairperson of Lions Clubs International Foundation (LCIF) has given me so much to be thankful for, and I would like to take this opportunity to express that gratitude to each and every one of you.

Thank you, Lions, for your creative and meaningful work this year. The sheer volume of grant applications you have submitted to LCIF proves that we are expanding our humanitarian reach. We are only able to do this because of your unending dedication to service.

I would like to also thank our LCIF Board of Trustees, LCIF District and Multiple District Coordinators, district leaders and everyone who helped promote LCIF. You have done a great job raising awareness and increasing donations this year. Your work is vital to what we do.

Thank you for your generous support of LCIF. The support LCIF is able to provide would not be possible without generous support from more than 80,000 individuals and 11,000 clubs around the world. Because of you, we are treating the people we serve with dignity and working together in the spirit of harmony, all in the name of humanity.

Lastly, Joni and I want to thank the Lions of the world for your warm hospitality and your genuine friendship. You have welcomed us with open arms and shown us the true essence of Lionism.

Thank you for allowing me to serve as your Chairperson. It has been a great honor to represent you and LCIF, the greatest foundation in the world!

Together in Service,

Joe Preston
Chairperson, Lions Clubs International Foundation

Walk the World with LCIF

Simply download the Charity Miles app on your smartphone, select "Sight for Kids," and take a walk! LCIF will receive a donation for every mile logged. Supporting this vital initiative has never been easier! Watch for updates over the next year to see how far Lions and our friends have walked to save sight.

Dear Lions,

For 100 years Lions have answered the call to serve those who need us most. We have made it our mission to reach out to the poor and underserved, to promote peace and understanding, and to bring help and hope to humanity.

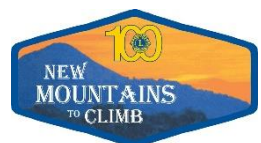

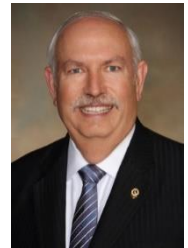

As we approach our Centennial in 2017, we have so much to celebrate. This once-in-a-lifetime event commemorates not just our association, but every Lion and club who has made a difference in the world. No matter where you are, there's an opportunity for each and every Lion to join the celebration.

This year, I encourage you to continue strengthening your communities by helping us achieve our Centennial Service Challenge goal of serving 100+ million people. I invite you to celebrate our Lions legacy by planning a Centennial Legacy Project in your community. And I'm asking you to take our clubs and association to new heights by chartering new clubs and inviting family, friends and neighbors to join us in service.

As members of the world's largest service club organization, we change lives. We serve because the world needs us now more than ever. And we can achieve so much more when we work together. I hope you'll join me as we celebrate our storied history of service, look toward our second century of service and show the world that wherever there's a need, there's a Lion.

Very truly yours,

Chancellor Bob Corlew

2017 Indiana Lions State Convention *Evansville, Indiana*

Message from the 2017 Lions State Convention Committee

I am so excited to announce that as we celebrate 100 years of Lionism, our State Convention will be held in Evansville, Indiana April 28-30, 2017. There are lots of great events planned for this memorable weekend. There are events set up just for the children, tours and a hog roast on the LST, a breakfast honoring Dr. William Perry Woods with his family, and some great seminars.

We are looking forward to the opportunities for you to connect with old friends, meet some new ones, learn something new and remember the reasons we all became lions as well as why we continue to help others in need.

We will do our best to show you southern Indiana Hospitality and inspire you to show your communities that "Where there's a need, there's a Lion."

You are cordially invited to sign up and attend the 2017 State Convention.

Bloomington Lions in Action!

Update from Bloomington Lions Club

The Bloomington Lions Club was particularly busy in the spring, and this one has been no exception. Not only did Club President Lion Dixie Patterson take the lead on our Bingo Fundraiser, but Lions Dale and Jerri Hepfer gathered us to make chili for the Homeward Bound Walk, and Lions Paul and Betty Schoonmaker and Lion Barb Buker share the work of gathering and delivering car loads of glasses and hearing aids to the State. Most recently, we hosted our annual Scholarship Banquet for local high school students, in partnership with the Foundation for the Monroe County School Corporation.

Add to that, more than a dozen of our club were extras in a bingo scene for the film "The Good Catholic" that was shot here in Bloomington in late January. Lion Ryan Juskiewicz was the first assistant director on this family-friendly film, which featured actors John C. McGinley and Danny Glover. Lion Ryan also made a short promotional video for our club's Facebook page and website in honor of the Centennial.

Top Left Photo: Lion Ryan Juskiewicz directing the extras, which include Lions Russ Working, Aileen Scales, Phyllis Durnal, Pat McCormick, Gary Arvin, and Ed Hitchcock.

Top Right Photo: A shot of the leads in the front row, while Lions Russ Working, Aileen Scales, Gary Arvin, Ed Hitchcock, Phyllis Durnal, and Pat McCormick are in the background crowd.

Indiana Lions Foundation Needs Your Help

Please volunteer to work at the Indiana State Fair

The Indiana Lions Foundation provides ticket sellers and ticket scanners at four gates at the Indiana State Fair. The fair runs Friday August 5th—Sunday, August 21st. Over 600 shifts need to be filled over this 17 day period. This is the single largest fundraiser for the Foundation and the money is used to provide Foundation Grants to individual clubs.

Working at the State Fair as a ticket seller or scanner is much easier than it has been in the past. The computer terminals worked very well last year and selling tickets requires pushing only three buttons. Scanning tickets requires only that the worker hold the hand held scanner over the bar-coded ticket and press the trigger.

Most positions are sitting and two of the four gates have air conditioned booths for the ticket sellers. Only the Tunnel Gate may require standing, although that is not normally a busy gate.

Two shifts are available to work. The morning shift is 7:30 a.m.—3:00 p.m.. The afternoon shift is 1:30 p.m.—9:00/9:30 p.m..

In return for working the Indiana Lions Foundation is offering W.P. Woods Fellowship credits for workers—one credit for the morning shift and two credits for the afternoon shift. It takes 10 credits to earn a regular W.P. Woods and 12 credits for the Centennial Plate. Bring a car load of Lions and friends and join us at the Fair this year.

You may use the Foundation website to volunteer. Click on the link below

Please check your calendars and sign up to work at the Indiana State Fair. Over 150 positions have been filled, with around 600 left. It is very easy to do, just go to the indianalionsfoundationmd25.org website, pick a day, click and enter your information. An email confirming your sign-up will be sent to you almost immediately. This is a great way for you or your club to earn credits for the centennial WP Woods medallion! This is also one of the ways the foundation receives funding to give grants to clubs who need help with their projects. If you would like more information about the Indiana Lions Foundation, please feel free to contact your trustees. - **Erica Thomas, Foundation Trustee**
