

District 25E

Volume 12 Issue 1 June 2015

Governor's Corner:

Where has this year gone! I have a few more club visits to complete in June, the District 25-E Picnic (June 20) and then we depart in late June for Honolulu for the Lions Club International Convention. The month of May was filled with quite a few club visits, club officer training, the Indiana Lions Leadership workshop, and the pre-council meeting which included tours of our State Projects. Again, I want to thank all the clubs for your hospitality and great food! Overall I've lost about 20 pounds this year as your District Governor. Not from the lack of eating your great meals, but being more active and taking smaller portions. So the saying that you're going to gain 40 pounds as DG just isn't true, in most cases!

Congratulations in surpassing our Lions Club International Foundation (LCIF) goal! We have exceeded our goal by \$3,700 up through May 2015 and thirty-one of our sixty-six clubs (47%) have made a donation! In addition, congratulations to Lion Jaline Spurgeon and PDG Nancy Lambert as our district coordinator and PDG Gary Ochs as our State LCIF Chair.

I hope to see most of you either at our picnic or at DGE Glen's Banner Night. See details in this newsletter or on our website (www.lions25e.org). While you're on the website, take some time and browse it. We have a calendar that list everything going on within our district (that has been reported), DG Glen's schedule, vision screening calendar, State Project's contact information, documents, membership data, and a list of club's with a website & Facebook account.

Finally, remember the "Keep One" program where we're trying to improve our retention. Keep your Lions gainfully employed because it's much easier to keep a member than it is to recruit a new member. Also, take the time to commit to "Ask One" person to join your Lions Club. Let's finish out these last two months with a positive growth vice the historical huge drop that most districts have in the month of May and June. Start the new Lion Year out right and keep your current members and "Add One!"

Molly's Corner:

What a busy month May and June has started! We have made so many club visits, training sessions and even a trip up to our lake house. In fact, on Memorial Day I had my first swimming lesson! It was pretty exciting and scary, but once I figured out what was going on and that DG Jeff was right there by my side, it was fun! Can't wait for July when it'll be warmer and we can play longer. Lil Ann doesn't like the water, so I'll have to convince DG Jeff to take me out!

During May I spent an entire day at the Eastern Greene High School with a bunch of students and DG Jeff talked about Leader Dogs for the Blind. I was able to show off some of my training and interact with the kids too. Later in June, we're planning on going to the Vincennes University Law Camp and visit with those students. Finally, we're planning on a road trip to El Paso, Texas to visit DG Jeff & Lion Sheryl's daughter, their two grandsons and two beagle dogs...I think DG Jeff will be leaving me there as he plans to fly to Hawaii for the LCIcon. He looked into taking me but there was too much red tape to clear. So I'll stay with Lil Ann and the two beagles. Maybe I can train them two misfits something!

I hope to see many of you over the next few weeks at the District's picnic and DGE's Glen banner night in July. Remember to ask DG Jeff if you can pet me before you do especially if I'm in my Leader Dog cape and on a leash. I'm still working on "greeting" folks and staying still, it's hard when you're still just a puppy. Finally, DG Jeff is planning on having me take my IFT (In-For-Training) evaluation in late August or early September. Anything you can do to help me pass the evaluation would be greatly appreciated.

Until next month, Woof Woof! - **FLD Molly**

District Governor Elect's Corner:

Lion's All,

Hello Lions, can you believe it, another year almost behind us. But yet the work in never done. We are always looking for new members and keeping the ones that we have. Please remember to do exit interviews on members that are wishing to leave. It will give you insight to things your club may not be aware of.

Next topic club activities. Did you know that attending meetings, buying hearing aids or eyeglasses or supporting an after school activity counts towards the District Points context and the Centennial Challenge! Did you and a second member of your club visit another club? These are things we need to know. It can also help our fellow Lions by sharing ideas.

We look forward to seeing you at the District Picnic on June 20th at West Boggs Lake, which is north of Loogootee on state highway 231. Come celebrate our District and see DG Jeff and DGE Glen off as they leave for the International Convention the very next week.

My banner night is July 18th at Wirth Park in Oakland City starting at 4pm Central Standard Time (CST). There is a form online and all the information is on that form. Please bring your club banner and an auction item. Dress attire will be Lions casual or Hawaiian casual. Please let CST Richard Kaiser know how many and send him your reservation form with a check made out to "District 25-E."

Last item, please contact me to set up your club's official visit. I look forward to seeing all of you! I am very honored to have your support as your incoming District Governor. I have about 6 or so clubs scheduled. DG Jeff has my visits listed on the website (www.lions25e.org under the calendar). Do you have a fundraiser you want in the newsletter? Please send it to me **and** my newsletter editor Jay Brines at jay_brines@yahoo.com, and please if you wish to submit photos we need names of those in the photo and a few sentences about what is going on in the picture.

Aloha,
-DGE Glen Georges

Congratulations are in order! Together with Lions Clubs International Foundation (LCIF), the World Health Organization (WHO) and the Chinese government, the Lions of China and Hong Kong have achieved something great. At last week's World Health Assembly in Geneva, Switzerland, the WHO officially verified that China has eliminated blinding trachoma as a public health threat, and Lions played a key role in that verification process. Congratulations Lions on all your hard work!

Alongside Ecuador and Colombia, which have both eliminated river blindness, China's accomplishment is a shining example of what is possible when volunteers, NGOs and governments join forces. I am reminded of what Helen Keller said: "Alone we can do so little, together we can do so much."

With your hard work, dedication and generous donations, we are preserving sight for millions of people all around the world. Thank you for your continued dedication to saving sight!

Sincerely,

Barry J. Palmer
Chairperson, Lions Clubs International Foundation

Stargardts's Eye Disease Treatment

Request for Donations

My mother had contacted you regarding my husband and my son. **They have an incurable eye disease called Stargardts macular dystrophy.** We are trying to raise funds for travel and doctor expenses in order for them to be seen by Dr. Nolan in Connecticut, whom is the only doctor in the US currently helping stop the progression and possibly improving vision in patients with this disease. We would greatly appreciate any amount that could be given to possibly help my husband's and son's vision be saved. I would like to tell you a little about them.

My husband worked at Memorial Hospital for 17 years. He is currently an active member at our church, White River Chapel, in Petersburg. He was a very talented carpenter, mechanic, electrician, and musician. He could do anything he put his mind to. In 2006, at the age of 35, he started having vision trouble and thought that he needed glasses. However, when he went for a routine eye exam he found out that his vision loss was permanent and this it would only get worse, possibly leading to complete blindness. He was sent to specialists in Evansville and Indianapolis. They diagnosed him as having Retinitis Pigmentosa and said there was nothing they could do for him and that he would eventually go blind. Then, in 2009, his vision loss had progressed so far that he could no longer do his job or drive a vehicle. Since that time, his vision has continued to decrease. Then in 2014, my 14-year-old son went for a routine eye exam and was found to be starting with the same condition as my husband. He was sent to doctors in Evansville and Indianapolis. This time, the doctors did not think it was Retinitis Pigmentosa. They ordered genetic testing which came back that they both had Stargardts disease. Stargardts is an inherited form of macular degeneration that causes progressive central vision loss usually to the point of blindness. My son does not notice much vision loss, at this time. However, **my husband** has very significant vision loss. He has wavy vision, blind spots, blurriness, impaired color vision, and difficulty adapting to dim lighting. He can no longer drive, work, read, or recognize faces.

We have very limited income [FYI, their 2014 1040 shows an AGI of just over \$8,100]. His Social Security Disability is our main source of income. We have 3 children, of all whom have a 50% chance of having this inherited disease (our oldest already showing signs). I am only able to work part-time as custodian of our church due to his physical limitations requiring my constant help and caring for our younger children.

We are desperate to stop his vision loss progression and to preserve my son's as well. We would so greatly appreciate any donation that could be given to enable them to be seen by Dr. Nolan in Connecticut. Thank you so much for your consideration. God bless!

Hello again. I just wanted to let you know we spoke with the Dr. in Connecticut that my husband and son are wanting to see. His charges are \$1500 each and \$45 each for eye drops. We would be required to stay a 4 days. Travel, hotel, and food expenses are great. Again, any help that can be given would be extremely appreciated. Thanks again for your time and consideration.

If your club is interested in making a donation, please contact Lion Mike Jones, Executive Director, Memorial Hospital Foundation, Jasper, Indiana

Evansville Eastside	Theresa Arvin	Christopher Naas
Jasper	Amy Gehlhausen	Jenny Goller
Salem	Thomas Springer	PDG Mark Clark
Sullivan	Evelyn Simmons	

For the month of May we had a net loss of -8. Our ending balance was 1,637 or -63 loss members for the year. We have added 115 members and dropped 178 members for the year.

Congratulations to Ruby Geary from the Elizabeth for adding 2 members and Tammy Puckett (Elizabeth), Chris Naas (Evansville Eastside), Jenny Goller (Jasper) and PDG Mark Clark (Salem) for adding new member this month.

Even though we have a total membership that is a net loss, we're on a positive shift towards not having as many drops for the year as we have had in the past. Let's make a concentrated effort in June to have a net gain in membership and together we can turn this ship around and we can finish up DG Jeff's year with a positive bang in membership and give DGE Glen a good shot in the arm to begin his year!

Keep up the good work and remember **"Just Ask One!" and "Keep One!"**

We have surpassed 1.4 million members worldwide! And we could not have achieved this without your hard work and dedication. We have a chance to achieve something special this year, so let's work together to finish the year strong.

Remind clubs in your district how critical new members are to a club's health and success. Keep working to charter a new club in your district before your term ends. And make sure Lions know they can earn special rewards through the Centennial Celebration Membership Awards.

Keep working, keep building and keep strengthening the pride! - Joe Preston, International President

Above Right Photo: The Bedford Lions recently held their 3rd annual Fitness Challenge 5K Race. Participating in the 2015 race were 117 runners and walkers of all ages and expertise. These participants along with the 9 sponsors helped the Lions raise over \$2,500 to help with the LIFE Blessings in the Backpack School Program. Shown in the photo are (left to right) Lions Jim Sowder, Judy Mitchell, Phil Mitchell, Judy & John Heichelbech working at the registration table assisting participants before the race.

Above Center Two Photos: The members of the Bedford Lions Club have been building handicap ramps for their community for 27 years and have faced many different challenges in constructing them but the most recent ramp for a tri-level home near Mitchell was the most challenging of them all. The Bedford Lions have now built over 170 ramps since 1989 ranging from 6 feet long to 60 feet long but this ramp coming off an existing back deck and running along the side of the house to the front driveway set a new record of 86 feet for these hard working and ingenious members of the Bedford Lions building crew!

RAP and Environmental Awareness

Lions around the world are addressing children's literacy needs through the Reading Action Program. Take your RAP volunteer work outside by organizing events related to April's theme of environmental awareness. Consider organizing a book-swap or nature themed story time at your local library or community center. Sponsor a family reading room with books about local wildlife and plants at a nearby nature preserve. Host a nature themed poetry competition for youth. However you serve, don't forget to report your activity on MyLCI! Happy reading!

District 25-E RAP Coordinator is RC Erica Thomas (812) 354-6725, ericadthomase@yahoo.com.

West Boggs Park, located in [Martin](#) and [Davies](#) counties, bills itself as "Southwestern Indiana's Best Kept Secret". **Call 812-295-3421 for reservations.**

Though technically a county park, it could easily pass for a state park. With a 625 acre lake and 1,500 total acreage it has the space to accommodate a lot of activities for a lot of people. The lake itself is obviously the featured attraction, but you will find over 200 large campsites (all of them with water and electric hook-ups), hiking trails, organized activities, shelter houses, a beach for swimming, play areas for kids and even an old amphitheater that is scheduled for renovation. They also have both pontoon boats and john boats available to rent.

For a change of pace, West Boggs also has a golf course and a lakeside restaurant on site. The restaurant is called Stoll's Lakeview and sits right on the lake. It features Amish buffet-style dining, and Friday night seafood buffets. Facilities include:

- Boating** - One (1) 3-lane Launch Ramp (launch fee required)
- Boat Rentals** - Fishing boats, PFDs
- Cabin Rental** - Pinewood Cabin is a housekeeping cabin with cookware, dishes, bed and bath linens provided. The cabin accommodates up to four adults or two adults and three children.
- Camp Store & Ice Cream Shop:** located by the miniature golf course (812-295-3421)
- Camping (Reservable):** 12 Full Hookup Sites (electric/water/sewer), 79 Electric & Water Sites, 53 Shared Electric & Water Sites, 91 Seasonal Sites (electric/water)-
- Dock and Post Rentals**
- Dumping Station** - located in the campground
- Fishing / Ice Fishing** - The lake has been stocked with bass, bluegill, channel catfish, and crappie. State regulations apply to fishing activity at West Boggs Park in addition to a 14 inch minimum size limit for Bass.
- Fishing Pier**
- Fish Cleaning Station**
- Picnicking / Shelterhouses (Reservable)** - most have electricity, drinking water, flush toilets (open when reserved), grills, and picnic tables. When not reserved they are available on a first come, first served basis.
- Playgrounds**
- Swimming / Beach** - modern bath-house provides showers, dressing facilities, restrooms, and food concessions
- Volleyball** - sand court located by the beach
- Waterskiing**
