Hello Lions,

You look forward to being governor have things you want to accomplish. Then Suddenly you realize the year is half over. Where does the time go?

I'm trying to get all the clubs scheduled, so if your club has not scheduled a meeting with me, please do so. If there is a problem with a scheduled meeting, please let me know too.

The District Convention is coming up on March 11, 2017 at The Season's Lodge in Nashville, Indiana. Please send in your registration as soon as you can or go online to our website to register online using your Paypal. If you want to set up a display table, please let me know that too. We canceled the District Rebuilding Lions Training in January due to just a few Lions signing up. We are planning on having this training at the District Convention. I apologize to those who came to the training, and appreciate you taking the time to come.

If you club has not put an ad in the program book for the 2017 State Convention, please contact Lion Bill Schulz at 812.867.2900.

On March 10, 2017 we will be having a meet ID Richard Leibno dinner at The Season's Lodge in Nashville, Indiana. Please see the registration form for price and more information.

1st Vice DG Corner

Hello Lions!

I hope everyone enjoyed and got some use out of my last two articles. This month's article is going to be a bit different for me. Most of my articles have been educational or helpful information, this one will be more informative.

I have been working on my district cabinet and committee positions and I will soon be working on Zone and Region Chairs. I am still looking for a Retention Chair and an Environmental Chair, so if anybody is interested, please give me a call!

Also, to my knowledge, no one has submitted a letter to PDG Dale Leffler (Nominations Chair) to run for 2nd VDG. I will say, that it does take an investment in time and little bit in money, but overall the experience has been rewarding. I look forward to see who will step up and serve as my 2nd VDG. Whoever it is, the LCICon (Lions Clubs International Convention) that they should travel to becoming DG will be in Milan, Italy! That would be an awesome trip!

In February, I will have the last two of my DG Training Sessions prior to the BIG DGE School in Chicago right before the convention.

I am starting to set my dates and locations for next year's club officer orientations and the district assemblies. The reason for orientations and assemblies instead of trainings and cabinet meetings is that I want these sessions to be more than we traditional have had in the past. I also want to increase attendance at the club officer orientation sessions this year as we will be discussing the new initiatives from LCI for the clubs. This is an exciting time to be a **LION**.

DG Trea has been very busy making plans for the District Convention in Nashville, which is coming up quickly in March. I am sure there is a page somewhere in this newsletter promoting it and have a registration form on it. Please sign up to attend. Besides socializing and conducting the normal business of the District, we will be electing a trustee for each of the 5 State Projects, the Indiana Lions Foundation, and the District Special Projects. We will also be electing a District Governor and a 1st and 2nd Vice District Governor for 2017-2018 and endorsing PDG Mark Clark as an International Director Candidate.

Saturday evening, after the convention, the district is looking to hold a club rebuilding training session. This training is open to any lion that wants to help rebuild membership in their club or is willing to help build up other clubs in the district. A lot of clubs have been asking for help in rebuilding their membership, so I hope this session is well attended. If you are planning to attend this training, please RSVP with me so we can provide enough handouts.

I hope to see you all at the Spring Convention in Nashville.

VDG Keith Thomas signing off.

PARTICIPATION

Repetition is a necessary part of learning, or making a point. Sometimes we don't want to hear the same old message again, but just maybe this bears repeating. All our clubs have an ongoing issue of filling leadership positions for various reasons, but primarily a lack of sufficient number of members or members who think someone else would do a better job. Each of us has unique experiences, talents and abilities needed to sustain activities and operational functions.

The club operation is critical for the community and to the District, State and International Organizations. On the other hand, the District, State and International are important to the local clubs. District activities allows the local clubs to partner with each other, participate in a wider range of projects, learn of additional services and fundraiser activities which will widen their areas of outreach. State projects allow us to be involved in much larger service projects as Cancer Control equipment procurement and treatments, vision screening equipment procurement, treatment of diseases, transplantation, research, participation in larger foundations and grants for our own projects. The international organization expands our outreach worldwide and allows participation in our own foundation LCIF as well as being part of a wider area of service projects. We can be part of any of these by participating or serving in any of the positions available each year and share our talents and abilities to serve other clubs.

Many opportunities exist beyond our local club for your own outreach. By being part of the larger Lions organizations is both a learning experience and service experience. It makes possible communication directly with other leaders of like and different interests enabling you to bring a richer knowledge base to your local club. This allows the larger organizations to become familiar with your local club and its members.

At one time each of us stepped out and accepted an invitation to be part of the largest service organization in the world. Since that time, you may have been asked to serve on various committees or offices in your local clubs which gave you an expanded knowledge base and opened new horizons of opportunities. If you have been asked to accept a position of leadership in your local club or at the district level, please seriously consider serving in that capacity to enhance your Lion experience, meet new Lions and enjoy service on an ever expanding field.

As always continue doing all you do in your Lion Organization for your communities and strive for continuous improvement.

Yours in Lionism

“Secretary’s Challenge”

In **January we had 70.7% MMR** submitted and a **32% on the Activity Reports**. This is a 1.5% increase in MMRs reported in December and the Activity Reports decreased by 4%. I’m requesting that the Club Secretaries take a few minutes each month to submit their MMRs via MyLCI online so we can reach our goal of 85%+ during the second half of the year for MMR submittals!

MMR Tip: Go into MyLCI at the beginning of the month and submit your MMR with “no changes for the month.” Then if you have changes in membership or contact information you can make the change and it will update your MMR to reflect the change (even though earlier you posted “no changes”). If you have no changes, then nothing is lost and you would have submitted your MMR on time and you don’t have to worry about it at the end of the month!

Activity Report Tip: If you have activities that are repeated month after month (or even annually), create a “signature” activity and all you have to do is select that “signature” activity each month and no additional key punching is required. The only way to contribute towards the Centennial Service Challenge is to post your “Activities” using MyLCI! Let’s get our clubs earning those Centennial Badges for your Banner!

Need Help: Call or email CS PCC Jeff Schafer, 812.325.3130, jeff.schafer1@comcast.net **anytime!**

Let’s keep up the GREAT effort and work!

Second Vice District Governor Qualifications & Duties

So you're thinking about being a District Governor (DG) someday... You ask yourself, "What are the qualifications to be a 2nd Vice District Governor (2VDG) so you'll be in line to be a DG 3 years later?" The qualifications for a 2VDG are:

1. Be an **active member in good standing of a chartered Lions Club** in good standing in their district;
2. Secure an **endorsement** from your Lions Club or a majority of the clubs in the district;
3. Have **served or will have served** at the time you take office as 2VDG:
 - a. As **President** for a full term or major portion of a term;
 - b. A **member of the board of directors** (secretary, treasurer, vice president, director, lion tamer, tail twister) for no less than **two (2) additional years**;
 - c. As a **Region or Zone Chairperson**, or **Cabinet Secretary (CS) and/or Cabinet Treasurer (CT)** for a full term or major portion of a term;
 - d. With **none** of the above being **accomplished concurrently**.

In general, the above basically covers 4 years (2 years on the board of directors, 1 year as President, and 1 year as a RC/ZC, CS, CT, or CST). So there you have it, not too bad and quite a few Lions in our District have met these qualifications. Now you ask yourself, "What are the expectations and timeframe if I do decide to move forward as a 2VDG candidate?"

As 2VDG you'll take directions from the DG. You'll be the liaison to the Global Leadership Team (GLT), which means you'll assist the GLT with new club officer training, Region/Zone Chairperson training and other training(s) held within the District. Work with the 1VDG in the preparation of the Vice District Governor budget. Assist the DG and 1VDG with membership, new clubs, and retention as needed. In addition you'll try to attend all of the Council of Governor meetings (1 per quarter), District Cabinet meetings (1 per quarter), attend additional leadership training given by the State GLT for 2VDG, attend the Advance Lions Leadership Institute (ALLI) (funded by LCI and District), help develop goals and plans for the District, and assist the Cabinet Secretary (CS) with the District Points Contest. If available, travel to clubs with or for the DG during their official visits. You may want to attend your Governor's Banner night which is typically in the July timeframe.

What about the requirements/qualifications for a 1VDG? Well if you have successfully completed your year as a 2VDG, you're in line to be the 1VDG. **What else is expected as a 1VDG?** You'll be the liaison to the Global Membership Team (GMT), which means you'll assist the GMT with creating new clubs, rebuilding existing clubs, and retention. You'll have about 3 additional training weekends along with a weekend with the Area GLT and GMT where you'll meet other 1VDG from Michigan, Illinois, Indiana, Ohio. You may also consider attending a USA/Canada Forum (Columbus, OH 2018). You'll also get a chance to go to Leader Dogs for the Blind for a 2 day trip (all expenses paid) to learn all about them. In addition, you'll tour the other 4 state projects and the Indiana Lions Foundation to learn about those projects too. Again, you'll attend the 4 District Cabinet meetings and the 4 Council of Governors meetings. The Lions of Indiana will have a small budget for you along with the district budget for Vice District Governors. Again, you may want to attend your Governor's Banner night. At the end of your 1VDG year, you'll be the DG Elect for the upcoming year. As such, you'll travel to the Lions Club International Convention (LCICon) about 4-5 days before everyone else arrives to get additional training from LCI to learn more about what you're going to be doing as a DG. Your registration, transportation, lodging & meals will be paid for by LCI, and you'll have available about \$500 towards transportation for your spouse. You'll need to pay for your spouse's registration to LCICon and his/her meals. They will be able to stay with you in your lodging quarters. LCICon for this year's incoming 2VDG will be July 5-9, 2019 in Milan, Italy. Your district governor pin (if you desire to have one) normally comes out of your personal funds, however you have the opportunity to sell them to make a few dollars per pin to get your money back. Some DGs have success with breaking even and other don't break even.

As a District Governor you'll be expected to travel to all of the clubs in the district (currently 65 clubs), attend Council of Governors meetings (4), and Chair your own Cabinet meetings (4). In addition, you'll host a Banner Night event usually in July. You'll also attend the Council Chair's Christmas Party (in December), attend the Fall Leadership Training in November, and if possible a USA/Canada Forum (Spokane, WA). LCI will reimburse you for gas and meals for attending club meetings, for council and cabinet meetings, and for attending additional meetings with troubled clubs. In addition, you'll attend a number of functions with clubs (anniversaries, swearing in officers, Christmas and Holiday parties, etc.) along with training of new club officers and region/zone chair training. Finally, you have other responsibilities as outlined in the LCI Constitution and Bylaws along with the District and State Documents.

Overall, the time will go by very quickly and you'll meet some amazing people in our District, throughout the State of Indiana and across the World.

Please take the time to consider stepping up and placing your name on the 25E voting ballot as the 2nd Vice-District Governor. Please take the time to review the various constitution and bylaws and most of all pick up the phone and call a Past District Governor (PDG) or Past Council Chair (PCC) or our current District Governor Trea McCandless.

Thank you for all you do.

-Jeff Schafer, Past Council Chair (PCC)
Cabinet Secretary, 25E

2017 Traveling Trophy for District Convention Participation!

Traveling Trophy

Is there a club out there in the District that can take the Traveling Trophy away from the Petersburg Lions? What does it take to do this? The points are computed by taking the number of Lions from each club times the distance traveled for each day at the District Convention. So if you have 4 Lions attending the "Meet the ID Dinner" on Friday and then stay over or come back to the Convention on Saturday, and the distance traveled is 100 miles round trip (RT), then that club gets 800 points (= (4 Lions * 100 miles RT) * 2 (number of days)).

So let's get everyone from your Lion's Club to attend the District Convention in Nashville on March 10 & 11. Don't forget to check your mileage when you sign in.

Peace Poster Contest

Time to think about how to get started. Getting your school, schools, or any kid clubs in your area to do the Peace Poster Contest. This is a great way to get our kids thinking about Peace and the world around them. Only a Lions club can sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2017. Participating students are asked to create posters visually depicting the contest theme, **"The Future of Peace."**

How to enter Lions clubs must order a Peace Poster Contest kit from the Club Supplies Sales Department at International Headquarters. It costs \$11.95, plus shipping, handling and applicable taxes. Each kit contains everything your club needs to sponsor one school or organized youth group. Clubs can sponsor more than one contest in either the same or multiple school(s) and/or youth group(s) by purchasing more than one kit. Clubs will send one poster per each contest sponsored to the District for judging. This date will be put out around October time. Kits are available January 15 – October 1, 2017. To order Peace Poster Contest kits, submit form to the Club Supplies Sales Department at Lions Clubs International at club supplies@ lionsclubs.org; call (630) 571-5466 or 1-800-710-7822 or fax this form to (630) 571-0964.

If you would like to know more about The Peace Poster Project I am here to help you. Just call or email me.

President's Message

Dear Lion,

It's 2017, and our 100th anniversary has finally arrived! For the past three years, Lions have celebrated our Centennial by serving more than 120 million people, inviting new Lions to serve with us, and by making lasting gifts to communities around the world. But Lions' true legacy of service was built in our communities. That's why it's important for clubs like yours to plan your own Centennial celebration.

The Centennial year is the perfect time to take your club's celebration to the next level. Planning your own celebration is not only a fun way to bring your club members and your community together, it's also a great opportunity to highlight your club's contributions and show your friends and family what being a Lion is all about. And remember, there's no better way to celebrate—or demonstrate the spirit of Lions—than by helping those in need.

Download the [Centennial Club Planning Guide](#) to create a celebration plan and take advantage of new opportunities for growth, service and success. Let's make 2017 a year to remember!

Very truly yours,
Chancellor Bob Corlew
Your International President

Lions Clubs International
FOUNDATION

OUR FOUNDATION

LCIF Update – District 25E LCIF Coordinator – 2VDG Ron Edwards

Our Lions year is more than half gone and we must review where we are with our Foundation. There has been an increase in requests for grants worldwide so increased donations are important. First let us review the Foundation. Grant monies come from investment of our donations in various financial instruments which return interest and dividend monies. When the economy is good the returns are good, but in times of economic downturn the returns are less depending on the severity of downturn and details of the instrument. During these times, increased donations are necessary to maintain or minimize the effect of lost revenue. Some time is required for the new donation investment to have an effect also. The past several years have not been good years for robust investment returns so increased demands for grants has put a strain on our ability to honor grants desired. Our LCIF Foundation, again, is administered by Lions and grants are given to Lions Clubs. So this is truly our foundation.

Virtually every Indiana Lions project has been the beneficiary of LCIF. Also most of our clubs have been directly or indirectly a recipient of LCIF grants either from emergency or matching grants.

January results are not published yet, but as of December 31, 2016 District 25 E has donated \$1575.00. Last year District 25E donated \$8,599.16 to LCIF. The previous year we donated \$11,370.50. This past year we have a goal of \$12,000.00, so we are 13.1% along toward our goal and the year is 58.3% spent. Statistically we have some ground to make up. Notably some clubs send their donations at the end of the Lions year so there are donations yet to be received. Please keep in mind the Club Excellence award requires a donation to LCIF and the award is usually given at the state convention the end of April, so those clubs may wish to send their donations in accordingly.

I have visited some clubs so far this year, and if any club would like to have a short presentation about LCIF please contact me as soon as possible that I may arrange a visit. Each club is encouraged to support our LCIF Foundation with an ongoing budgetary commitment. For those who already have an ongoing commitment please consider increasing your commitment by 20%. A 20% increase on a current donation of \$100.00 would be only \$20.00.

Help me surpass our goal this year by a generous donation, or as much as your club deems affordable.

Thank you for your continued support and don't forget to utilize LCIF grants for your large projects or emergency relief. Also, thank you for all you do in support of your communities and state projects.

Special Notice: Melvin Jones Fellowship (MJF) Honors at the 2017 State Convention This Year.....

Any Indiana Lions Club or Lion that would like to receive their Melvin Jones Fellowship presented during the Indiana Lions State Convention on Saturday April 29 in Evansville, Indiana should plan for it NOW. Everyone will have this unique opportunity in that it will be presented by current Lions Clubs International President Chancellor Robert E. Corlew and Past International President (PIP) Wayne Madden (Auburn, Lions Club). What makes this a unique opportunity is because of three reasons. First, your MJF plaque will be presented by the current IP Chancellor Robert E. Corlew; Second, PIP Wayne Madden will be there to assist; and Third, this will be a great photo opportunity for you and your Lions Clubs.

Even if you do not have the actual MJF plaque during the Indiana Lions State Convention, we will make the presentation using a "sample" MJF plaque and then you'll receive your official plaque later.

Please contact PDG Gary Ochs, MD25 LCIF Coordinator by Friday April 21, 2017 at gochsinlions@att.net or call 812.275.7241.

OUR FOUNDATION

Dear Lions:

Perhaps you have heard that Lions Clubs International (LCI) approved a new service initiative in June. This is a very exciting time to be a Lion! Lions Clubs International Foundation (LCIF) is eager to support future Lions' service initiatives just as it has for nearly 50 years.

Lions, Leos and LCIF will continue working to save sight, fight hunger and protect our environment, just as we always have. But emerging global needs also require our attention. We are developing new ways to expand our capacity to serve in unique areas, including childhood cancer and diabetes, to ensure that we meet the needs of our changing world.

We have accomplished so much together, saving lives and offering hope to those who need us most. But our work is not done. I know that we will continue to have a positive impact all over the world and I am delighted to stand beside you as we head into a new and exciting era of service. Remember, LCIF stands with Lions and is here to help you make a difference.

Sincerely,

Dr. Jitsuhiro Yamada

Why Do I Serve?

Being a part of the world's largest service organization is an opportunity to positively change the lives of individuals throughout the world every day. As a Lion, I am proud to be a Volunteer in an organization that has members who come together to help make life better for others throughout our world. Indiana Lions State Convention Information

Happy Birthday Lions!

2017 State Convention Update

Hello Lions! I am so excited to remind you that the Indiana Lions 2017 State Convention is getting closer every day! The end of April will be here before we know it. What a great time to catch up with friends we haven't seen in a year and a time to make new friends from all over the state.

Please make sure to get registered and get your hotel room reserved soon to ensure your spot for the Friday night dinner on the LST as well as a room in the Double Tree Hotel that is connected to the Old National Events Plaza (ONEP). There are so many great things planned, I don't know quite where to start.

Friday morning at 10:00am, the International President Chancellor Corlew will be leading the dedication of the Memorial Tree Legacy Project at the Ford Center right across the street from ONEP. There are group tours of the LST (Landing Ship Tank) just for the Lions Friday afternoon before the dinner. We even get special commemorative tickets!

Saturday starts bright and early with district caucuses and then right into two sets of seminars. We are blessed to have several great speakers: Paul Fugate (USA/Canada Forum) speaking on Millennials and a new century of service; Susie Tittle speaking about the Legacy of Dr. W.P. Woods, The Power of Public Relations with 1st DG Tom Polk, as well as many others. There will be a great space for socializing in the hospitality area of the Double Tree Ballroom.

PCC Jeff Schafer has done a great job of making the convention website very user friendly. The site has pull down menus with links to the LST, Centennial merchandise for sale, several places to visit and eat in Evansville area, other hotels to stay in, and descriptions of all the tours scheduled during the Convention weekend. The website also gives you the opportunity to register and pay with your credit card through PayPal. The website is www.indianalionsconvention.org.

The wonderful news is that several lions are already registered. As of 1/28/2017, the Districts have the following numbers registered:

District A – 8	District E - 32
District B – 6	District F - 11
District C – 13	District G - 6
District D – 4	Non-Lion Guests - 1

Please remember that Evansville is in the Central Time Zone and you may need to adjust travel time accordingly. The Convention Committee can't wait to welcome you with Southern Indiana hospitality!

At the November 12, 2016 meeting of the Indiana Lions Foundation the Trustees passed a policy to deal with outdated credits and money that are shown on the received funds lists. This is credits earned by working at the state fair, race track, etc. or money donated by clubs or individual. The W.P. Woods Fellowship program began in 1995 and Lions have been working since to gain credits towards a W.P. Woods Fellowship.

Some of the credits or money were earned or donated as far back as 2006-2007 Lions Year. In an effort to use these older credits and moneys the Trustees are going to be contacting each of the older accounts to see what they want to do with their credits or moneys. The policy will take effect July 1, 2017.

Every effort will be made to contact the account holders to determine what steps will be taken. Also you do not need to wait for a Trustee to contact you about your club or individual account. You can contact them. You have 3 Trustees in each district to contact. They are listed in your District Governor's Directory and the State Directory.

Please see policy provided below for reference.

Thank you and I hope to hear from you soon.

W.P. Woods Sunset Policy

During the fourth year of inactivity of W.P.Woods accounts of credits and donations, the Foundation Trustees of each district will be notified in August by the W.P. Woods State Chair to make contact with each of the inactive account owners, or with the presidents of the clubs in which those owners are members, to explain the options for the inactive accounts. Method of use of credits or donations recorded in an account for a deceased Lion should be determined by his or her club. If an account owner cannot be located and his or her club has been dissolved, the appropriate District Governor shall be consulted for resolution. The options include:

1. Using the credits and donations for a W. P. Woods Fellowship; or,
2. Making an account active again through additional credits or donations; or,
3. Identifying recipients, other than the current owners, to receive the credits or donations toward W. P. Woods Fellowships; (recipients may be clubs and districts) or,
4. Permitting the Foundation to apply the credits or donations to the districts in which they were earned.

W. P. Woods credits and donations in accounts that have been inactive for five years or more will be moved to the account of the district in which they were earned.

2017 Indiana State Convention Committee is looking for a few volunteer photographers to help take photos during the event! If interested please contact Lion Erica Thomas at ericadthomas@yahoo.com or 812.766.0159
