Spotlight Club—Cloverdale

The Cloverdale Lions have been proudly serving southern Putnam County for eighty-two years; since March 25, 1943. We are a small but mighty club of eighteen members, and our Leos Club has fifty members.

A few years ago, to increase member involvement and retention, we set out to have a club sponsored activity for each month of the year. For a small club that is a big undertaking, but now we have multiple activities each month for our members to participate in and serve our community. With that said, let's take a ride through those activities!

- Equine Roundup (and other events) – Did you know that the State's largest indoor horse arena is in Cloverdale? Throughout the year, our club will collect admissions and help with parking to fund our scholarships and other activities.
- Back to School Haircuts – This annual event is provided in conjunction with our local barber shop. Free haircuts for boys and girls, as well as, door prizes such as bicycles.
- Scarecrows/Snowmen – Our town places scarecrows in the fall and snowmen in the winter on the light poles to spread holiday cheer. We offer up “punny” Lions versions for the community to enjoy and spread awareness that we are here to serve!
- Civic Award & Appreciation Dinner- for the last twenty-nine years, we have held a dinner to recognize and celebrate a member of the community that goes above and beyond. At this award dinner, we invite past winners as well as first responders and other community members. It gives us a broad audience to recognize the winner as well as promote our club and encourage new membership.
- Food Baskets – Over the years we have provided food baskets for needy senior citizens, stocked the “Care Closet” at the local school. Imagine being a low-income teenager and being told and/or teased that you are stinky. Most food pantries do not provide personal hygiene items. The care closet provides toiletries and personal care items for children whose families cannot afford them.
- Vision Screening – For the last five years, Cloverdale Lions have ensured the vision screening of our entire county, over 1,000 kiddos at five schools – that's a lot of logistics! We work with other Putnam County clubs: Greencastle, Bainbridge, and get help from nearby clubs Martinsville, Spencer, Brazil, and others as well.
- Preschool Vision Screening – We were the beneficiary of a generous donation from an unaffiliated civic organization that allowed us to purchase our own Plus Optix machine. Owning our own Plus Optix affords us the opportunity to quickly schedule and test young kids. Our member even made a special trip to meet concerned parents at a local Cloverdale event this year. The goal is to test and identify potential eye problems before they become a problem.
- Dictionaries – We provide dictionaries to 3rd graders at Cloverdale and South Putnam school systems.
- Cloverween – A Halloween tradition in Cloverdale, we participate in the parade and offer vision screening to preschoolers as part of the event. One of our members have represented the Cloverdale Lions Club on the planning committee since its inception in 2015.
- State Fair – Each year our members enjoy volunteering at the State Fair for LCIF.
- Scholarships – Speaking of scholarships, we provide two to three each year to students at Cloverdale. We attend the scholarship public interview sessions and have community service criteria for selection.
- ISBVI Service Day – While not happening for 2025, each year members of our club volunteer and help clean up the school grounds for graduation.
- Trash Pickup – One to two times a year, we will pick up trash along the side roads of our community, typically after our homecoming, Cloverween, and Christmas parades. This helps beautify the community as well as keeping pets out of the street – seeking those missed candies, as they could be hit by passing cars.
- Park cleanup – Our local park is owned by the town, but twice a year we spend the day sprucing up the facilities by painting, spreading mulch etc.
- Playground cleanup – The two elementary schools in our community get some love as well, we power wash their equipment, paint, pick up trash, etc.
- Light Poles through Town – Some of our able-bodied members string the lights and garland on the town street lights for the Holidays.
- Clothe-A-Child – A local holiday gift fundraising event called “Just Dessert” is a variety show of local performers. Our club bakes desserts and provides the wait staff for the event.
- Blood Drives – We sponsor three to five blood drives a year, saving countless lives.

Poland Community Lions Club

The **Poland Community Lions Club** (PCLC) dedicated the Dodson-Smidley Trail on Saturday, Oct. 25, 2025. A grant from the Terre Haute Association of Realtors (THAR) helped make the dream of a walking trail at Poland Park a reality for the Poland Community.

The Dodson-Smidley Trail was named in honor of Bob Dodson and Steve Smidley both men were instrumental in supporting and planning the walking trail.

Bob Dodson is a retired social studies teacher who loves nature and the outdoors. His gardening skills are reflected throughout the park in the many trees he has transplanted and the abundance of native plants Bob planted throughout the park. He has been involved in the trail layout from the beginning.

Steve Smidley was a charter member of the Poland Community Lions Club. He taught several years at ISU in the areas of Parks and Recreation. He often joked that his subject was to teach people how to play. He loved to help with anything that had to do with the park and its planning. Steve died in 2024. Although he did not get to see the completion of the trail in the park, we feel he would be proud of his efforts to make the park a pleasant place to play. He was noted for saying, "Live your life, go play!"

Special thanks to Perkins Construction for their hard work to build the trail.

Jamestown Lions Club

The **Jamestown Lions Club** has partnered with the Jamestown Community Partnership (JCP) and the Indiana Lions Foundation to provide new Christmas decorations in the town park, which was accomplished with a \$1,500 matching grant from the Foundation. The club is also planning further park improvements by assisting the town to replace the park's flagpole. In the above photo are Indiana Lions Foundation Vice-President, John Wilkins; Jamestown club President, PDG John Waymire; Jamestown club member, Lion Ed Tebaugh; Jamestown Community Partnership (JCP) member, Amanda Hankins and JCP Vice-President, Dave Smith.

Frankfort Lions Club

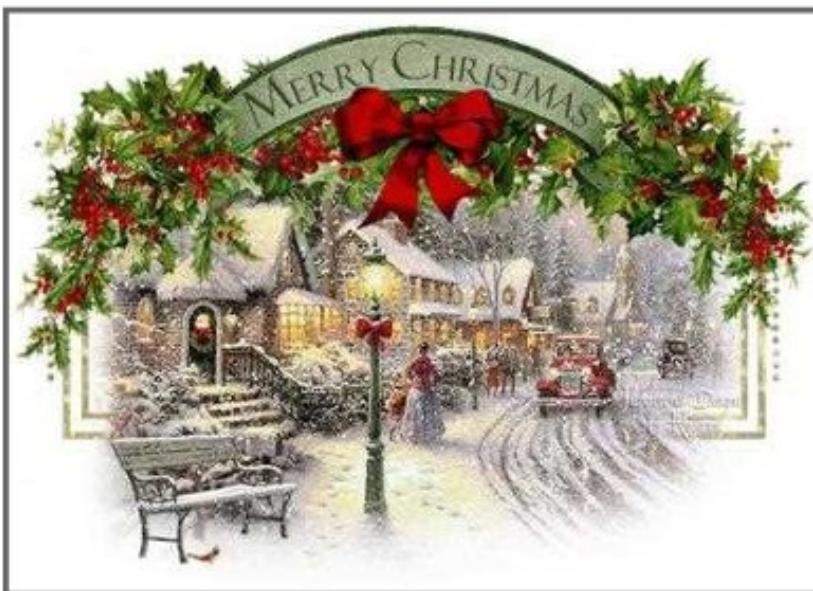

Chuck Tedrick of the **Frankfort Lions Club** spearheaded a project to plant 500 Daffodils in Dorner Park on November 15th. The Daffodils were donated by George Dorner. It was a community event with many youth clubs and other community organizations helping. Chuck served hot dogs afterwards.

Clinton Lions Club

The **Clinton Lions Club** held their annual veterans day dinner recently serving a smoked pork chop and all the trimmings free of charge to all veterans. During the event our District Governor Paul Scheetz dropped by and like any good lion he jumped right in and helped serve the 27 veterans in attendance. Pictured is DG Scheetz serving our first veteran to attend his free dinner. We appreciate the DG attendance and help. Photo courtesy of Clinton Lion Jerry Spurr
