WHAT A GREAT DAY TO BE A LION!

The new Lions year is off and running. The trip to Hawaii was an experience of a lifetime. Not only was it the most beautiful place I've ever seen, the friends I made and the Lions experience from around the world was priceless. From the 3 days of classroom DGE training, with my table friends from India, Alabama, my new friend Colin from Australia and our instructor from New Zealand, to the International President's reception, with our new friends from Japan, Lions because we share a common others and make our place in the world theme is **Dignity. Harmony. Humanity.** throughout the year. Lions in District D others in their communities with Dignity and continue to do. I ask you to save the dates September 5th as Children's Dignity Week benefiting youth in your community. Send a picture and story to the newsletter editor PDG Sandy Price or to our PR Lion Katherine Holtzleiter. Both of these great Lions are doing a fantastic job in promoting our District.

we found that we are commitment; to serve better. IP Yamada's We will hear these words have always served Harmony as we will of August 30th to and plan a project

One of the Centennial goals is to serve 100 million people by June of 2018. There are 4 Global Service Action Campaigns: **Engaging Our Youth, Sharing the Vision, Relieving the Hunger, and Protecting Our Environment.** We have reached the 40 million mark. These numbers come from the Activity Reporting that our secretaries do at LCI. Please keep your reports current. If help is needed, please contact PDG Sandy Price or CS Dan Richison.

Please mark your calendars for October 3rd for District D Banner Night. It will be held at the Pendleton Heights Middle School and will be a casual fun evening with a Betty Boop theme (of course). Information will be coming to you in the near future.

Thank you for all you do!

DG Betty

NOTES FROM THE CABINET MEETING Our first and longest Cabinet Meeting is now over. The money the Tail Twister collected, over \$45, will be donated to the Lions Diabetes Committee for the Youth Diabetes Camp at Noblesville. We look forward to seeing even more Lions at the rest of the meetings. For future meetings only the Committee Chairs, who have indicated before the day of the meeting that they have information to share, will be included on the agenda. This does not apply to the Region & Zone Chairs. See more from the Cabinet meeting on other pages in this newsletter.

ALOHA! Lions of 25D

Yes! It was an Aloha time in Hawaii, the word *Aloha* has several meanings; *Hello*, *Goodbye* (until we meet again), *Beautiful* and the greatest meaning is *Love*. Lion Katherine and I attended our first Lions International Convention in Honolulu along with many other Lions from 25D, Lions from all over Indiana, the USA and the World. The Hawaiian people are some of the most generous and polite people in the world, so Lions were right at home in the Hawaiian culture. Lion fellowship was evident in the beautiful convention center and everywhere in Hawaii as Lions wore their regalia, pins and Lions shirts greeting other Lions even when there was a language barrier because all Lions can speak "Lionism". PLEASE attend at least one Lions International Convention in your Lion life.

The 100th Lions International Convention will be in our founding city of Chicago in 2017. What a great opportunity to attend! Get involved in the many things being planned now leading up to the 100th year anniversary celebration in your district, Indiana and International. Be sure to invite someone new to share these great experiences!

Lion Katherine and I are looking forward to the USA/Canada Forum in September at Grand Rapids, Michigan. Lion Katherine has created a Facebook page for our Leader Dog puppy Nanook. Just search on FB for "Nanook, the Leader Dog Puppy".

DO YOU KNOW....

Lions International offers.... **1)** Family Membership - the first family member (head of household) pays full dues and up to four additional family members pay only half International dues. All family members pay the one-time entrance fee of \$25; **2)** Student membership - an individual furthering their education between the ages of 18-30 years old - entrance fee is waived and pay only one-half international dues; **3)** U.S. Veteran membership - eligible person's entrance fees waived **4)** Membership awards; **5)** Eyeglass Recycling and **6)** Conventions and **7)** LCIF; **Indiana State Lions offer...** **1)** State Projects' Trustees will speak to clubs to explain the state projects (Leader Dog, Cancer Control, Eye Bank, Speech & Hearing and ISBVI **2)** plus many other state service committees; **3)** state conventions **4)** club support **District 25D Lions offer....** **1)** District Trustees for state projects offer programs to explain the state projects; **2)** leadership training; **3)** district conventions and **4)** club support.

Do you know your club's information.... **1)** meeting days/times/location, **2)** club officers, **3)** club's service projects, **4)** club's "fun"d raisers, **5)** members names?

Lions Clubs International Mission Statement is "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote understanding through Lions Clubs." Think about it...Lions Clubs DO this! Your club officers are responsible for all Lions Club members knowing this information. You can have Lions come to your meetings to explain the above or you can discuss it at your meetings. Brochures are available. Once you hear the whole program, it will click and you will understand the true meaning of being a Lion.

So....is this what holds you back from asking your neighbor, friends, family, church friends, people at work, your kid's friend's parents, etc., to become a Lion? If you knew even a portion of this information, you would probably feel more comfortable asking people to be a Lion. **An Idea!!** ...Like my local club....we have a brochure that summarizes our club's service projects and "fun"d raisers, and meeting information. This helps when talking to prospective members and leaves them with information to review after your visit. Don't forget to follow-up to see if they are interested. Wear your vest, hat, or pin to show you are PROUD TO BE A LION!

Law Camp 2015

I want to take a moment to thank our Lions for helping with State Police/Lions Law Camp. The Anderson Law Camp hosted 47 junior high school boys and girls from all over the State. Many of our Clubs donated money or supplies, sponsored a camper, provided a taco meal, pizza, water melon, drinks, cookout, transportation, and "hands", to make it all come together. We had a MOST SUCCESSFUL LAW CAMP- thanks to the LIONS. One or more of the campers that attended camp could be a future Law Enforcement Officer and will remember the positive Officers and Lions as they Serve and Protect. Lions Clubs International

We are pleased to share that Lions Clubs International is extending the *Involve a U.S. Veteran* program through June 30, 2016. This program waives the charter or entrance fee for U.S. Veterans joining a Lions club in the United States.

Eligible veterans include retired U.S. military personnel or honorably-discharged members of the Air Force, Army, Coast Guard Services, Marines, National Guard, Navy or Reserves. Those currently serving in the National Guard or Reserves are also eligible. Lions Clubs International will provide an entrance fee waiver of \$25 (\$30 for charter members) to qualified U.S. veterans that join a local Lions club.

Veterans have made so many great contributions and sacrificed so much to serve our country. As service members return home from serving in the military, let's offer them an opportunity to get involved in their communities.

Visit the ***Involve a U.S. Veteran*** web page to download a fact sheet, promotional flyer, certification form and a sample press release.

Make plans now to reach out to veterans in your community and offer them the opportunity to make a difference and change lives as Lions

SECRETARIES RETIRE

Lion Clayton Fleming retired after serving 10 years as Secretary for the Noblesville Lions Club. Lion Tana Craun retired from serving as Secretary for the Marion Lions Club. She has held that position for 17 years. Both Lions Clayton and Tana have done a great job with reports being on time and complete, besides keeping all the records current. Many thanks to these dedicated Lions for their service.

ADDITIONAL NOTES: PDG Weekend is September 25-27 in the Noblesville/Fishers/Carmel area.

For complete details, click here: [visit the website dedicated to this event](#)

Indiana School for the Blind and Visually Impaired Trustees will meet at 11:00 a.m. August 29th, with a carry-in lunch at noon. The meat or pizza is furnished. PDG Jane Ford is this year's Chairman.

INDIANA LIONS FOUNDATION WEBSITE UP AND RUNNING

(See what it can do. WOW!)

Our website has been completely revamped so users can easily navigate around it.

Our new website domain name is: indianalionsfoundationmd25.org

If you would like to avoid having to type it every time into your computer's search engine, we suggest you "Bookmark" the page. That way, all you will have to do is go to the bookmark and click and the website will appear.

When you look over the website, you may find a very few areas that aren't 100% completely finished. You will notice a photograph of our Indiana State Office Building with a photo of Helen Keller and a quote from her. You will also notice the Mission statement of our Foundation along with a "Call to Action" banner. This banner will change periodically as the Lions year goes on. In the spring and summer, our call to attention is the State Fair Workers Sign Up. Later in the year, we will focus on our Brick Paver Project, W. P. Woods Fellowship, and our Indiana Lions Distinguished Lion of the Year.

The Trustees of the Foundation are very excited and proud to have such a modern website. Some changes that have been made are:

1. You can **sign up to work the State Fair ONLINE**. Each day of the Fair, along with each gate the Lions are responsible for can now be signed up immediately. Jobs of sellers and scanners are also marked, and all you have to do is provide what date, shift, gate, and job you would like to work. You can also see who else is scheduled to work that day as well. You will be able to see the number of workers required for the job and if the gate is already filled. This should eliminate the "too many workers for one gate" problem. A reminder letter will be sent to your email address a few days before you are scheduled to work explaining directions, times to work, dress code, etc.
2. **Who We Are Category**: This section has the names of each Trustee and their district they represent. We haven't listed their email addresses or personal information. That information will be found in our "Contact Us" section. Also, we have incorporated our History of the Lions Foundation.
3. **"What We Do" Category**: Very simply, this is our *Project* area. This section will have our **W.P Woods Fellowship applications** (you can complete the application and pay for it online, even using your credits for working at the Fair, cash, or any combination). The WP Woods section will also have every recipient of the Fellowship. You can even sort as to District, Name, Club, or year received.

Indiana Distinguished Lions of the Year Application is also online and you can fill in the information and hit send and it will go immediately to the correct person within a few seconds.

Brick Paver Project: You may order and pay for a Brick Paver online. As you fill in the information to go on the brick, you will see how the wording will be placed on the brick you order. This section will also accept credit cards.

State Fair Workers: You have your choice of either using the home page "call to action" banner or using the State Fair Ticket Sales category. They work together, so whenever you sign up for one, the other category is also signed.

You will also find our **Foundation Grant and Dedicated Grant applications**. You can now complete them online.

Lions License Plates category: We plan to add more information in this category. Right now, once you decide to purchase a Lions license plate, just click the link and it will take you immediately to the Indiana Bureau of Motor Vehicles so you can buy a plate.

Trustee Center: This area is for Foundation Trustees. It requires a username and password to enter the site. It will be where trustees can upload and download information, reports, etc. for the required work needed to be a trustee.

Contact Us: There you will find a map of where the Indiana Lions State Office Building is located, and you can even get driving direction to get there. Also, there is a section whereby you can contact the Foundation if you have questions, comments, or suggestions. Leave us a message and we'll get back to you as soon as possible.

Please go online to our website and see what your Foundation is doing. We definitely did not plan to have our website down for over a year and we're very sorry that it has taken so long, but we feel the wait will be well worth it. This is YOUR Indiana Lions Foundation.

LETTER TO INDIANA LIONS

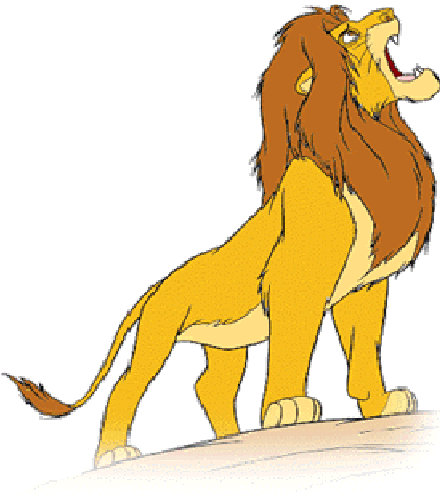

As your International Director on the International Lions Club Board I serve as vice-chairperson on the Public Relations Committee and as a Member of the Family & Women's Action Committee. I want to share an interesting video that Microsoft and Lions Club International recently posted on the Lions100.org site. Microsoft actually issued the video, but all the kids and the signs in the background have Lions shirts and logos. GO to LCI web page or lions100.org. When you see the billboard screen with the individual Special Olympic kids on it...scroll down and click **WATCH NOW**. **It's a nice joint venture between the two organizations.** You can also check out this video on YouTube: <http://youtu.be/UYggrDmolp4>

Another interesting note I'd like to make you aware of is that I received a list of Nielsen Ratings from the Lions Club International PR Department that Indicated WRTV Channel 6 in Indianapolis ran several Lions Clubs public service announcements around 1p.m on Saturday July 11, 2015. (It was nice that it was in the daytime!)

In addition, the June United Airlines "Hemisphere" magazine had a full page ad on Lions Clubs. As you know I travel through many airports, and I have seen several electronic billboards, promoting Lions. They have been right beside the arrival and departure signs, which are great locations! The Public Relations Department at LCI is trying very hard to let people know - **We are not a well-kept secret!** – and at the same time spend our advertising dollars wisely – worldwide. This is not an easy task. Please share this information with your club members. I believe there will be another video with another corporation in the near future. When it is available I will let you know.

My committee has been advised that just as soon as all the language translations have been made, **the District centennial grant applications (\$1500) with 20% match should also be on the Lions100.org web site.** I encourage the District Governors in MD 25 to discuss this with their Centennial coordinators, make an action plan, and apply for this one-time grant ASAP. The grant can be used to plan a celebration for the Centennial between now and 2017. Be sure to read how these funds can help your district celebrate the Centennial and promote membership and service in Indiana

Hearing Aids Provided to Recipients in District 25-D

Your Speech and Hearing trustees wish to thank 25-D Lions Clubs for your donations to this deserving state project. We want to tell you how your donations help many people in need in our district who cannot afford hearing aids. During 2014-15, your trustees provided 69 hearing aids using the Indiana Lions Hearing Aid Loaner Program and the LCIF Affordable Hearing Aid Program. Top quality behind-the-ear digital hearing aids were provided to low income recipients in the following communities: Albany, Anderson, Carmel, Chesterfield, Cicero, Fairmount, Gas City, Greentown, Hartford City, Kokomo, Marion, Muncie, Ridgeville, Sheridan, Swayzee, Summitville, Upland, Van Buren, Westfield, and Winchester. We Lions have provided over \$100,000 retail value of hearing aids to 25-D low income persons in the past year. Congratulations to the Lions of 25-D! If you know of anyone needing hearing aid assistance, contact one of your District 25-D Speech and Hearing trustees:

WHAT DO LIONS DO?

People often ask what do Lions do? To see one answer, go to YouTube.com and enter <http://youtu.be/UYggrDmolp4> then enter. The video was made by Microsoft, but notice all the shirts have the Lions logo. Without mentioning Lions, what a great ad for one of the ways we Serve!

STATE FAIR Volunteers are needed to work for the Indiana Lions Foundation as ticket sellers and ticket scanners at the Indiana State Fair, August 7-23 in Indianapolis. This is the Foundation's largest fundraiser and the proceeds are used to provide grants to Lions Clubs throughout the state of Indiana.

If you haven't worked at the Indiana State Fair in a while, you might be pleasantly surprised at the changes that have been implemented in recent years. All jobs can be done while sitting and some are in air-conditioned ticket booths. The checkout process for tickets sellers has been streamlined.

Schwartz father, son save Lions' day

By Carley Lanich

Glen Schwartz and his son Steve Schwartz made a surprise donation to the Noblesville Lions Club at its Wednesday evening meeting - a Big John Country Club commercial grade grill, valued at more than \$4,000.

The club had already been in contact with the Schwartz family, considering a fundraiser to replace its previous 55-gallon custom-made charcoal grill. Last month, all of the grates had been stolen from the club's grill, rendering it useless.

"We were between a rock and a hard spot," Lions Club president David Marsh said during the Lions' meeting at Jim Dandy restaurant. "And the Schwartzes stepped up and provided a grill for us and saved our day."

Glen Schwartz (second from left) and his son, Steve Schwartz (right), who donated this grill to the Noblesville Lions, pose with Lions Gene Beck (left) and David Marsh (second from right). The Times photo by Carley Lanich

The Schwartzes, who are unaffiliated with the Lions Club, made the personal contribution because of their respect for the club's community involvement.

"They were in dire need and they were considering a fundraiser," Glen Schwartz said. "And fundraisers take time. I wanted to present them with something they could use for a long period of time, something that would last years."

The Lions Club will be able to use the new grill for its regular pork chop dinners that benefit local charities. Steve Schwartz estimated that the new grill could cook more than 100 pork chops at a time.

"It's a very nice grill," Steve Schwartz said. "The show must go on."

The Schwartz family also donated a lifetime supply of propane to the Lions Club.

"Those people work very hard to do what they do and I wanted to be about of it," Glen Schwartz said. "They're just good Noblesville people and I wanted to give my support."
