Lions All:

Hello(Aloha) to my fellow Lions! As your District 25F Governor it is my pleasure to kick off the 2015/2016 year with "The Best" group of Lions in the entire world. As you read this I will be preparing for my year as District Governor in Hawaii with our Indiana Delegation of Lions. I will be representing Indiana at the International Convention in the proud tradition of our founding Lion W.P. Woods who helped coin the phrase "We Serve"! This will be my motto as Governor for it symbolizes so well what being a Lion is all about. I do want to thank PDG Bill Uhrig for his leadership and friendship over the past year as our District Governor. Along with Lion Patsy and PC Secretary Don Mullen we clocked many miles visiting the clubs of 25F and I learned so much from these great Lions about how to be a better District Governor. The great news is that Bill, Don and Patsy along with PD Treasurer Don Stowers will continue to serve 25F in different capacities in the years to come and we thank them in advance for their continued service!

When I return from the Convention I will be joined by 1VDG Wayne Karanovich and 2VDG Melissa Baker in preparing for our Organization Day at **Camp Woodsmoke on Saturday July 18**. Please look for the invitation in this Newsletter with all the details. Something new this year will be training for our Zone Chairs to held that morning at Camp Woodsmoke beginning at 9:30am. PCC Reed Fish and I will be conducting the training and it will be a very informative session. Our Cabinet Secretary Sarah Getts will be holding training for the District Secretaries at 9:30 at Camp Woodsmoke. We encourage all club secretaries to attend this educational session. Our Cabinet Treasurer Dick Getts will be updating us on the District Budget during our regular meeting.

On **August 22nd I will hold my Banner Night** at the Clermont Lions Club House in Clermont, Indiana. Please see the invitation in the District Newsletter and return your reservation as soon as possible. We are planning a fun filled evening and look forward to seeing everyone that night!

I do want to conclude with my goals for my year as Governor. One: To add a new Lions Club at Rushville, Indiana. Rushville is the largest community in SE Indiana without a Lions club and with the High School mascot a Lion it is time to have a Club in this great community. I have asked PCC Sue Topf, PCC Reed Fish and PDG Bill Uhrig to lead this effort! Two: To add at least one Leo Club in District 25F. I have asked PCC Steve Winegardner to lead this effort! Three: To begin work on finding other communities to add Lions Clubs in District 25F. 1VDG Wayne and 2VDG Melissa are already laying the ground work for future clubs. Four: To train our Zone Chairs to be the very best they can be because they are the future leaders of the District! Five: To have fun this year as we continue to move forward as a District and build on the legacy created by the great Lions of District 25F that proceeded me! I look forward to seeing all you very soon!

We Serve!

1st Vice District Governor Wayne Karanovich

How very exciting to be starting another year with such wonderful talented Lions. I am humbled and honored to serve as your 1VDG this year. Last year it was an honor to serve with DG Bill Unrig and 1VDG John Brown. DG Unrig did an excellent job with the loins of 25-F and it was a great learning year to serve as your 2VDG. This year with DGE Brown and 2VDG Mellissa Baker is already starting off with a great start. I had the pleasure of visiting the State office for the pre council meeting as well as touring the Indiana School for the Blind, Indiana Eye and tissue bank, Operation Kids Site building, and interesting talk and tour by Dottie Flack with Cancer Control as well as an insightful talk on Speech and hearing by PCC Steve Winegardener. One thing that I have learned is that Lions do so much more than most people know about. This year with DGE Brown will be an exciting and fun time as we help him with his theme "We Serve" This sounds familiarOh yeah that's the Lions Motto. I had the pleasure of being with the Bright Lions Club to see the induction of 5 new members as well as the honoring of a Lion with the Melvin Jones Fellowship. Each month this year I will endeavor to highlight one club that is doing something unique and this month that club is the Bright Club for their medical equipment that it loans to those in need. All you have to do is call them and they will arrange a pick up or deliver hospital equipment at no charge to those in need. They are loaned at no cost. Wow what a neat idea of how to serve our state. In closing I want to tell you a personal story that I hope you all can relate to. As I was preparing to go to bed last night I got a phone call from a club member who I sponsored this year. We had just had an official visit by the club at his business that was a huge success. Everyone in the club had great things to say about the visit. Did I tell you that this young man was elected as 2nd Vice President of our club? Well the day after the club meeting I get this call and he says Lion Wayne just got back from the hospital and they tell me that I have Lung Cancer. I had a persistent cough that would not stop so I went to the Emergency Room and they gave me an x-ray and CT scan and told me I have Lung Cancer.....I am scared and do not know what to do. I told him you know I know this lady named Dottie Flack who is our Cancer Control trustee in fact I just finished a tour with her last weekend. I will have her contact you and give you any information that she has, she will be able to give you good sound advice on how to navigate this whole cancer experience.

If I had not been aware of Dottie Flack and all the work she does I would not have known how to respond to this fellow Lion in my club. There are so many neat and wonderful things that Lions do all over this world and in Indiana. Get involved and make a difference. If you are reading this newsletter than you are better informed than most other of our Lions Members. There are so many opportunism to serve . Let's stand with DGE Brown and fulfill our motto and DGE Brown's motto "We Serve"

Happy Holidays! 2nd Vice District Governor Melissa Baker

Holidays? Yep, as we ring out one Happy Lions Year and bring in the new, many celebrations occur. The outgoing officers count the days with a sigh of relief. The new ones usually experience some nervousness, but many count like they are waiting for Santa! Lions' families travel to many different dens (clubs), gifts are given (inductions of new members) and trees are trimmed (installations of new officers) especially at this time of year. We've had a great year of reunions (conventions), cooking and baking (trainings), and open houses (visits). This new Lions year will bring new events at different 'decorated' locations around the district. I hope to see some new friends along with those I already know well.

As one of DG John Brown's new "elves" I look forward to working for you and with you. I consider myself fortunate to have already received the gift of support from the Lions of 25F to begin my tenure of 2VDG. Happy New Year!

"Changing of the Guard" Lion Sarah Getts,

Cabinet Secretary, District 25-F, Inc. 2015/16

It's that Time Again! The changing of Officers is not only for our clubs, but for the Districts as well.

I would like to say "Thank you" to Cabinet Secretary Don Mullen for a job well done. Sit Back and relax Lion Don, you've earned it.

Let me introduce myself. I am Lion Sarah Getts, Cabinet Secretary for 2015/16. My home club is the Pike Township Lions Club, "Best Club by a Dam Site" and am honored to once again be asked to be Cabinet Secretary for our district.

DG John Brown and I want to encourage all clubs to join in the fun for the **District Governor's Points Contest**. As of July 1, 2015, all clubs have zero points, so we all start the contest each year at the same place. DG John has revised the Points Contest form trying to make it fun for everyone. Please check it over. If you have any questions, please contact me, Lion Sarah Getts at: district25fsgetts@comcast.net and I will help you. DG John tried to put all your suggestions (from the Officers Training Sessions held this past Spring) into this year's Points Contest form.

Organization Day is Saturday, <u>July 18th</u> at Camp Woodsmoke. Please try to attend. I will be there to review the new Points Contest form. This will be an excellent opportunity to ask questions. There will be a special Club Secretary session at Organization Day the same time the PDG's are having their meeting, before lunch. You will receive your club "packet" at that time. It will include a copy of the points contest spreadsheet, 2 District 25-F, Inc. Directories, a "how to log in" to MyLCI, and more.

I have opened the Official Visititation calendar and have a couple clubs already booked . The clubs need to contact me to set up their visit. The Official Visits will not begin until after Organization Day. Mark your calendars now:

Effective with the July 2015 Newsletter, the following will be in effect:

Only e-mail addresses in the 2015-2016 District 25F directory will be sent the District Governor's newsletter.

Club presidents/Secretaries are responsible for ensuring that club members are furnished the newsletter, either by forwarding via email, or making hard copies.

The reason for this change is the number of email addresses that are no longer valid and are returned as "address not valid".

NOTE: If you are in the Directory and do not get the newsletter, let me know, and I will check to make sure we have the correct address.

Jack R Salsbery, PDG Public Relations Chair dosalsbery@att.net

Dear Lion

When I asked Lions to Strengthen the Pride last year, I had no idea just how strong we would become. It's been an incredible year thanks to you.

I asked you to strengthen your club, and we're stronger than ever. We have surpassed 1.4 million members because you made a commitment to growing your club to better serve your community and those who need us most.

We challenged Lions to help 100 million people through the Centennial Service Challenge, and you responded. More than 30 million people have benefitted from your service, which has strengthened communities and brought hope to millions around the world.

We've achieved so much together...and I hope you'll keep working to achieve even more. Keep inviting new members to position your club for success. Keep serving so we can reach our Centennial Service Challenge goal. And keep working to make the world a better place, which is what we do as Lions.

It has been an honor to lead dedicated, compassionate men and women like you. Thank you for the opportunity to serve as your 2014-15 international president.

Dear Lions,

Congratulations are in order! Together with Lions Clubs International Foundation (LCIF), the World Health Organization (WHO) and the Chinese government, the Lions of China and Hong Kong have achieved something great. At last week's World Health Assembly in Geneva, Switzerland, the WHO officially verified that China has eliminated blinding trachoma as a public health threat, and Lions played a key role in that verification process. Congratulations Lions on all your hard work!

Alongside Ecuador and Colombia, which have both eliminated river blindness, China's accomplishment is a shining example of what is possible when volunteers, NGOs and governments join forces. I am reminded of what Helen Keller said: "Alone we can do so little, together we can do so much."

With your hard work, dedication and generous <u>donations</u>, we are preserving sight for millions of people all around the world. Thank you for your continued dedication to saving sight!

Sincerely,

Barry J. Palmer
Chairperson, Lions Clubs International Foundation

Work Continues in Nepal

One month after a 7.8-magnitue earthquake struck Nepal, leaving more than 8,000 dead and thousands more displaced, local Lions are still hard at work. Thanks to the kindness of Lions around the world, LCIF has mobilized more than US\$400,000 in grants and donations from Lions for both immediate and long-term recovery efforts in Nepal. The Lions of Nepal continue to put the needs of their neighbors ahead of their own and will work for as long as it

takes to rebuild.
