SOME DISTRICT HISTORY

DG BILL UHRIG

In a six day period from 13 April through 18 April I was honored to participate in the 70th anniversary chartering celebrations of the Centerville and Decatur Central Lions Clubs. That means these clubs were chartered in the 1940s. It got me thinking. How many clubs were chartered in the decade of the 40s and of those how many in 25F were chartered during the time the United States was involved in World War II? I looked at the period from December 8th 1941 the day after Pearl Harbor through August 15th 1945 the date President Truman announced the Japanese had surrendered ending WWII. During that year I learned we added fourteen clubs for the almost four year period of WWII. Using our current roster book I noted we chartered twenty four clubs from January 1st 1940 to December 31st 1949 which, of course, included the fourteen of the war years. Total clubs added in the 1940's far exceeded any other decade. If you are keeping score at home of the sixty-three existing clubs the break down shows the number added in the decade of the 20's was 6, 30's had 8, 50's had 8, 60's had 3, 70's had 6, 80's had 4, none in the 90's, 2000 had 3 and 2010 had 1 (Greater Greenwood). (I know at points during the past 90+ years we've had other clubs who have relinquished their charters and these statistics are for the existing sixty three).

Why all this? Why did we add fourteen during the war years? Was this a result of patriotism? Was it because there were individuals who because of health, or other reasons, couldn't serve in the military but felt an obligation to "serve" in some capacity. They decided joining the Lions and "serving" with them satisfied their desire to be of assistance? I don't know. When I think of all these clubs and the impact they've had in their communities it is hard to comprehend the number of hours devoted to "service" along with the individuals impacted by the works of the individual Lions and their clubs beginning with the District's oldest Club Indianapolis Downtown chartered February 2nd 1921. I know the figures were, and continue to be, astronomical in hours served and lives impacted as "We Serve" down through the years and will continue as "We Serve" in future years.

Greetings Lions:

April showers bring May Flowers as the rain is falling gently outside my window this morning while writing this article. I trust your month has been productive as we wind down another year on the Lion calendar and begin to make plans for the start of another. Officer elections should now be completed for the 2015/2016 year and I look forward to meeting new leaders across District 25F. We kicked off our club officer training across the District with record numbers attending meetings at Clermont and Franklin! What a great opportunity to meet fellow leaders and develop the Strength in the Pride. Check the District Calendar for future training dates in the month of May.

This past month we celebrated two club anniversary's with the Centerville and Decatur Central Lions Clubs celebrating 70 years in Lionism. Both Clubs did an excellent job of showing the pride of past club history and accomplishments as well as looking towards the future with club spirit and growth. I think about what motivated those Hoosiers during the war years to have the courage to start a club and assist their fellow man is what we still have today over three generations later. Speaking of starting a club. Lions from all over District 25F have been working hard in North Vernon, Indiana to bring Lionism back to this great community. I want to tip my cap to all the Lions who made this happen and for your time and dedication in chartering this club in April, 2015!! On a final note it looks like we will exceed our attendance goals for District 25F at the State Convention! What great job the District Convention Team did headed up by PCC Sue Topf and with the encouragement and the daily promotion of our great District Governor Bill Uhrig! Let's all Celebrate!!

Sincerely,
DGE John Brown

**Great News!
A New Lions Club Formiing in
North Vernon/Jennings County!**

District 25F will soon have a new Lions Club in the North Vernon/Jennings County area. Some of you may remember that several years ago, in fact, there was a North Vernon Lions Club. However, membership dwindled and the club turned in its Charter.

That is not the case today! There are already 21 confirmed members with more to come. You can see that they know there is need in the community and the new members are willing to serve to help the needy.

Starting a new club is not an easy task. PDG Frank Ruane from District E has helped us to spearhead this project. His knowledge of the area has been very beneficial. Members of our district including DG Bill Uhrig, DGE John Brown, 1st VDGE Wayne Karanovich, 2nd VDGE Melissa Baker, PCC Steve Winegardner, CC Reed Fish, Lion Pat Vehorn and myself have made several trips to the area to spread the word that the Lions are coming!

The new club had a preliminary organizational meeting last week, and will have another more formal meeting next week. Then we will be able to work on getting the new club chartered. The club will be chartered this Lions year! A date has not been set for any charter night festivities to begin. News about that will come later.

If any Lion knows of anyone in the North Vernon/Jennings County area who might be interested in joining a service club, please contact any of the names above, and we will reach out to them.

It's a great day to be a Lion in District 25F. As always, I am proud to be a Lion and hope you are, too!

PCC Sue Topf

CLUB OFFICERS/ZONE CHAIRS TRAINING

District 25F Club Officers and Zone Chairs training will be conducted as follows:

3 May 2015 Camp Woodsmoke, Greensburg LC sponsor
9219 E. CR 640 N.
Greensburg, IN 47240

30 May 2015 Camp Woodsmoke, Greensburg LC sponsor
9219 E. CR 640 N.
Greensburg, IN 47240

Training held at Camp Woodsmoke will start at 2:00 PM.
Training will last approximately 2 hours.

Club officers, especially Presidents, Secretaries, and Treasurers should plan on attending. Zone Chairs are encouraged to attend as it has been found that many responsibilities of that position are not being met.

In the past, we have seen the same clubs represented time after time. We would like to see some new clubs participate. The information is current and applies to your club, especially in the coming year, as it pertains to programs for our 100th year.

Any questions should be directed to: PDG Jack Salsbery, 317-409-5245, or dosalsbery@att.net

Jack Salsbery, PDG

Lions of 25 - F,

One word instantly comes to mind when seeing the number of Lions from "F" who attended the State Convention ----- AWESOME!!!

Thank you for showing to our association's International President that Indiana can conduct important business and have fun at the same time. President Preston remarked that this was the best convention he has attended during his year and he certainly felt the passion from everyone. Everyone I spoke to had nothing but great things to say about their experiences.

As always "F" accepts a challenge and rises to the occasion to tackle it like no other! Early indications are this was the largest attendance to our State Convention since 1999 and "F" had the largest representation of our seven districts.

Again "Congratulations" and thank you for all you do!

CC Reed

Financial Suspension Update Multiple District 25

Dear Officer,

The association views club fiscal responsibility as a principal element to encourage membership growth. As a result, the Financial Suspension Policy has been amended as follows:

Currently, clubs have 120 days to pay outstanding balances before they are in jeopardy of automatically being placed on suspension. Effective July 1, 2015, clubs will have 90 days. Cancellation will continue to occur after the 28th of the month following suspension if full payment is not received. However, clubs canceled more than twice will be ineligible for reactivation.

This amended policy has serious consequences for clubs that have traditionally paid their club balances in excess of 90 days. To prepare for this amendment, we recommend all club officers become familiar with the amended policy and prepare to schedule payments as required. Officers should also prepare to review and update membership by visiting www.lionsclubs.org and consider paying online.

Please feel free to contact us at membershipbilling@lionsclubs.org should you require additional information. We trust all clubs will review their statements regularly, and will send the necessary payments to ensure their active status is protected.

Helen Keller Day – June 1, 2015

In 1971, the Board of Directors of Lions Clubs International declared June 1 Helen Keller Day. Born in Tuscumbia, Alabama, USA, in 1880, Helen Keller developed a fever at 18 months of age that left her blind and deaf. With the help of an exceptional teacher, Anne Mansfield Sullivan of the Perkins School for the Blind, Helen Keller learned sign language and braille. A few years later, she learned to speak. As an adult she became a tireless advocate for people with disabilities. And in 1925, she attended the Lions Clubs International Convention and challenged Lions to become "knights of the blind in the crusade against darkness." The Lions accepted her challenge and our work ever since has included sight programs aimed at preventable blindness. A video of Helen Keller's Speech at the 1925 International Convention at Cedar Point, Ohio can be viewed at <http://www.lionsclubs.org/EN/who-we-are/mission-and-history/helen-keller.php> where you can also find a transcript of Helen's speech.

Lions Clubs International

Dear Lions District Officer,

Fiscal year (FY) 2015-16 is quickly approaching! There are four good reasons for the clubs you represent to report their club's new officers as soon as they have been elected:

[Find A Club](#) (the locator on the association's website) will display the new officers
The new officers will receive timely mailings from international headquarters and the district
The new officers will be able to access and utilize the MyLCI site
Timely monthly reporting by the clubs in your district will provide for up to date and accurate district/multiple district membership reports

Reporting the newly elected officers using [MyLCI](#) is easy for the club officers. Club officers can click [Reporting Next Year Club Officers](#) to view a three minute video demonstration. When the newly elected officers are reported, using MyLCI, the information is immediately available to your district, as well as international headquarters.

Alternatively, the newly elected officers can be reported using the paper [Club Officer Reporting form](#). (Mailing instructions can be found on the paper form.)

We have let the clubs in your district know that while reporting next year's officer assignments it is an ideal time to verify the new officer's mailing preference (home address or other address), as well as the contact information for the elected officers.

We appreciate you assisting the clubs in your district with reporting their 2015-16 officers and ask that this information be passed onto clubs that do not have email access or need assistance reporting club officers.

Should you or your clubs have any questions, please contact us. We will be happy to assist you.

ISBVI Work Day Saturday May 30, 2015

My Dear Fellow Lions,

Many years ago Helen Keller challenged Lions "...Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness? I thank you. " Lions answered emphatically, "Yes!"

The Indiana Lions for the Indiana School for the Blind and Visually Impaired State Project will again sponsor a work day at ISBVI in Indianapolis on Saturday, May 30, 2015. The huge campus of the ISBVI consists of 31 buildings located on 63 acres; and our work day provides the Lions of Indiana an excellent opportunity to put our "We Serve" motto into action as we contribute to campus beautification and improvement.

The jobs for the day have not yet been completely decided upon. The morning work session will consist of outside jobs and the afternoon work session will be inside jobs. Lunch will be provided by the school.

The schedule for the day will be:

- 9:00 am: Registration and donuts
- 10:00 – Noon: Morning work Session
- Noon – 1:00 pm: Lunch
- 1:00 – 3:00: Afternoon work session
