### We are Lions

Our 45,000 clubs and 1.35 million members make us the world's largest service club organization. We're also one of the most effective. We get the job done.

We recently:

Brought 3,000 volunteers together to build a playground for children of all abilities in California, USA.

Fed 60,000 people in a township in South Africa. It's something Lions do there every day.

Sent a team of eye surgeons to Honduras to treat more than 100 adults and children.

Everywhere we work, we make friends. With children who need schoolbooks, with seniors who need transportation and with people we may never meet.

Just a short note this month...

May looks like it will be a quiet month for Lions activities with bingo being the only fundraising activity. Let's make sure there are enoughworkers out for every night. When I last spoke with Lion Owen he said he was short a few hands for each upcoming night.

We have some dates for cooking luncheons coming up on June 1 - Community Care and June 11 - Dragon Boaters. Lion Owen will be looking for workers for these events.

See you on Monday!

## This Month's Taste of the Past

(A regular feature by Lion Harvey Moore, Club Historian)

- On April 21, 1952, our guests were the officers and players of the R.C.A.F. Flyers, who were the Trent Valley Hockey League Champions in 1951-52.
- On May 5, 1952, Lion President Mark Scanlon announced a plan to establish a blood bank at Trenton Memorial Hospital for Brighton patients. The three finalists from the High School Speaking Contest spoke at the meeting. They were Gay Bonisteel, Gail Ireland and Frances Hatfield.
- At the May 12, 1952 Directors' meeting, \$10 was donated to the Salvation Army Red Shield Appeal. A picture of the Queen was purchased for \$3.15. Arrangements were made to transport patients to the Crippled Children's Centre at Port Hope on May 14th. On May 19th, it was reported that twelve children had gone to the clinic.
- On June 2, 1952, the Easter Seal Committee reported \$315 collected. Two indoor toilets and sinks were ordered to be installed at the Summer Camp at Presqu'ile. Ten Lions received 100% attendance pins.
- On June 16, 1952, the Easter Seal Committee paid \$65 for braces for a three year old girl. The Officers for 1952-53 were installed. Lion Roy Spencer became President. (Lion Roy at a later date, became Deputy District Governor. He was the 1st Brighton Lion to be a District Officer.)

Alice & Georgina have never looked so gussied up!

Alice & Georgina are, of course, the streets in Brighton which marked the beginning and end points of the territory allocated to the Brighton Lions for cleaning up in the *Clean Sweep* project of the local municipality.

Again Lion Denys coordinated the efforts of his team of 4 Lions (himself and Lions Owen, Lion Pres. Don, and Astrida), down a few bodies from past years. But they must have the work down to a science now, because in spite of smaller numbers they were all finished by the time your faithful photographer arrived on the scene.

But he *did* promise Lion Denys some photos. So here are a couple from last year!!

## THEY ONLY REMEMBER THE WINNERS

It is hard to believe that the month of May has arrived so quickly. Next month we will begin to make final plans for our trip to Seattle for the international convention. As I reflect on this Lions year I am reminded of the words of my high school track coach: "Son, it is not how you started, it is how you finished. They only remember the winners."

Our goal this year was to re-engage Lions in service to be a Beacon of Hope. As you look to complete your year as a Lion, I hope you will finish strong. My track coach had me train at a distance 10 percent longer than the race so that I was still going strong as I crossed the finish line. With the global action campaigns completed for this year we must continue to make sure our community service continues strong across this year's finish line. The people we help will always remember us as the people that helped them be winners!

There are almost 1.4 million of us, and if each Lion did one act of meaningful service each month, it would amount to 17 million acts of kindness in one year. If our service was one act per week, we would celebrate more than 73 million instances of Lions making a difference in the lives of others. As you look over your life's accomplishments, I believe you will agree that the most memorable events are those times when you made a difference in someone's life. I've read that what we make is a living, but what we give away is what makes a life. To meet the need of someone else is indeed being a Beacon of Hope.

I thank you for your service and ask you to continue to serve with passion.

# From the Podium....

... providing a forum for any Lion to raise an issue, express an opinion, say " thanks" to someone, talk about his/her pet peeve ...... This month Lion Harvey prepares for his term as president by taking steps to promote and organize committees

#### Fellow Lions,

As you know I'll be coming in as Lion President for the 2011-12 year. I'd like to get some things clarified as soon as possible. First up are the Committees for next year. I'd like to have the Chairpersons of the various Committees presently listed on the back inside page of the Bulletin, let me know A.S.A.P. your intentions for next year. There will be a couple of changes as the M. & A. Committee Chairperson changes annually. Also, Lion Ruth needs to be placed in as Chairperson of the Eye Glasses Collection Committee with me as the 2nd member. She does more of this than I do and has for a few years now.

I also need, A.S.A.P., the feelings about Committee assignments for those who are not Chairpersons. There are a few Lions, mainly our newer Lions, who have not been on any committees. For those in that situation, I'd ask that you look at the Committees list and consider where you'd like to put your Committee efforts. I have a list of Committee Job Descriptions should you want to find out what these various groups do. You could also speak with the Chairpersons of the Committees for their take on things.

A great deal of the work of a Lions Club is done through Committees, so they are important to continuing our development of activities and programs.

I'd like to have this task covered by the end of May, so I can concentrate on other things. So please consider this right away. I'd appreciate it.

Lion Harv

The fattest knight at King Arthur's round table was Sir Cumference. He acquired his size from too much pi.

A rubber band pistol was confiscated from algebra class, because it was a weapon of math disruption.

During a visit to my doctor, I asked him, "How do you determine whether or not an older person should be put in an old age home?" "Well," he said, "we fill up a bathtub, then we offer a teaspoon, a teacup and a bucket to the person to empty the bathtub."

"Oh, I understand," I said. "A normal person would use the bucket because it is bigger than the spoon or the teacup." "No" he said. "A normal person would pull the plug. Do you want a bed near the window?"
