## International President's Message

Dear Lions,

When we began our leadership year in July, I announced my intention to visit with as many club presidents as possible. Now, with one quarter of the year behind us, I have had many opportunities to fulfill that commitment.

In meeting with presidents in many diverse locations around the world, I have seen that most Lions Clubs are alike in very many ways...and certainly in all ways that matter. We all believe in Lions power to change our neighborhoods and the world through service and leadership.

In fact, most clubs remind me of the Mt. Cameron Lions Club which I joined in 1981. The members there made me feel welcome, immediately offered me responsible assignments and taught me what it means to be a Lion. They made me feel like a member of a family. Because they did, I became a Lion for life.

I believe that it is the club presidents who have the greatest responsibility and opportunity to make members' experiences more like that of a family. Presidents can set the tone. I hope the tone you set will be one of welcome and respect for the talents and ideas of all members. Presidents who are successful at this will find themselves at the head of a healthy- and growing- Lions club. Lions who are fulfilled in their desire to serve and happy with the club's camaraderie are our best recruiting tools.

Club presidents are also the key to motivating clubs to participate in projects like the **Global Service Action Campaigns** and this year's challenge to plant one million trees worldwide. Already there has been more than 150,000 of hours of volunteer service and 2,518,999 trees have been planted to date.

These projects are already changing the world in meaningful ways. They will be the legacy of our leadership and testimony of Lions motto: We Serve.

Thanks you for all you have done and all you will do to make our world a better place.

Sincerely,

Wing-Kun Tam

International President

## Global Service Action Campaigns

### Sharing the Vision

"We Serve" in many ways. One of the oldest, most important and most successful ways in which Lions serve is by protecting and restoring sight. This, along with helping visually impaired live more fulfilling, dignified lives, is the focus of this month's "**Sharing the Vision**" campaign. There is still time for your district or club to participate in this vital area of Lions work.

When your club has completed its project, please be sure to report the results using the **Service Activity Report** at the Lions Clubs International Web site.

### Relieving the Hunger

With more than one billion people in the world who do not have enough to eat, "**Relieving the Hunger**" may seem like an impossible task. But like every other Lions project, we can change the world one person, one life, at a time.

Your club can:

- Sponsor a community food drive to replenish a local food pantry.
- Volunteer to deliver prepared meals to elderly or disabled citizens.
- Serve meals at a soup kitchen or homeless shelter.
- Partner with local restaurants or food markets. Pick up donations of fresh food items for a women's or children's shelter.
- Collect infant formula and baby food for an organization serving young mothers at risk.

For more project ideas and help planning events see **Relieving the Hunger** at the Lions Clubs International Web Site.

### Engaging Our Youth,

In August's Engaging Our Youth Campaign, 1,250 Lions clubs planned and executed 2,343 projects and completed 272,168 of hours of volunteer service. In that amount of time you could sail around the world 141 times.

## Leos to Lions

Leos are the future of the Lions Clubs International family. Your club and your community will all benefit when you make Leos your active partners in service. Leos bring energy passion and new ideas about service. And no one understands the needs of young people in your community better than other young people.

Mentoring Leos is also a valuable opportunity for Lions to serve as positive role models for the youth of their communities and to demonstrate the skills and satisfaction that come with the dedication to volunteer service.

There can be no better preparation for a lifetime of service as a Lion that participation in an active Leo Club. Today's Leos are tomorrow's Lions leaders. To make the transition easier, Lions Clubs International has established the Leo to Lions Program which waves the usual entry fee as well as half of all international dues until the age 30.

## President's Message

Lions,

What a momentous occasion our club has just celebrated! 75 years of loyal service to the citizens of Peterborough and surrounding area, and to our country and the world!

More than that 135 Lions, lioness and guests joined us in the celebrations. As well we heard from a wonderful speaker, Lion Ted Fusco and gave several of our members and worthy recipients awards to show our appreciation for the hard work those individuals gave our club.

But the work doesn't end now Lions, no, we have the hockey tournament from October 20 to October 23, we are hosting the Zone Chair, and the Region Chair along with inducting 2 new members to our ranks on Octobers 24, which also happens to be a Pot-Luck Dinner.

We are preparing our club to take the Customer Service Training course required by the government of Ontario to become compliant with the Accessibility for Ontarians with the Disabilities Act, the AODA on November 14<sup>th</sup>, the business meeting and we hope to be joined by the East Peterborough Lions, the Peterborough Lioness and the Trent Campus Lions.

We also have many other projects we will be continuing to work on like the Walk for Guide Dogs, the Christmas Hampers and of course the A-3 convention.

Lots to do still Lions, so keep up the fantastic work!

I would also like to extend my thanks to the Peterborough Lions for their guidance and experience as I work my way through my first year as President of this amazing club.

Thank you Lions,

Lion Jason King

President, Peterborough Lions Club

## Newsire

In our October issue, you'll learn about our disaster relief efforts for Hurricane Irene victims, the Lions Clubs International Contest, the new Global Leadership Team and more. Read on for the latest Lions Clubs International news and information.

### **Lions Providing Disaster Relief for Hurricane Irene Victims**

Last month, several areas of the United States experienced widespread flooding and damage from Hurricane Irene. As always, Lions are bringing aid to the people affected by this disaster. LCIF has awarded US\$110,000 in emergency grants to districts in Massachusetts, New Hampshire, New York, North Carolina, Vermont and Puerto Rico for disaster relief. Our members are using these funds to provide immediate assistance to people in the hardest hit areas.

### **Enter the Lions Clubs International Contest**

The Lions Clubs International Contest gives Lions the chance to showcase their hard work and creativity. Clubs, districts and multiple districts are encouraged to submit their entries for this year's Contest in four categories: Newsletter (Bulletin), Trading Pin, Friendship Banner and Web site.

### **Global Leadership Team (GLT)**

The new GLT provides a concentrated focus on active leadership development. Beginning this year, the GLT will encourage the identification and development of leaders at all levels of the association, while providing valuable information, guidance and motivation. Through representation at the district and MD levels – and by including DG teams – the GLT structure provides a global platform to develop more qualified leaders from the club level up, and encourages regional training and development to meet local needs.

### **Take Part in Our Commemorative Coin Campaign to Help Raise Millions for LCIF**

How much is a Lions' silver dollar worth? About \$8 million! That's how much we hope to raise for LCIF if Congress passes a commemorative coin bill honouring our centennial in 2017. Getting Congressional approval is not automatic. Congress passes only two commemorative coin bills per year. Many Lions – including past international presidents, past international directors and other members – are lobbying their congressional representatives to pass the legislation.

### **October Service Action Campaign: Sharing the Vision**

Every five seconds, someone in our world goes blind – and a child goes blind every minute. Lions have an opportunity to show the strength of our worldwide network during a special service action campaign, "Sharing the Vision." During October, we invite your club to join Lions around the world as we lead the fight against blindness.

I am hoping to be able to help them better promote their events and the wonderful things that the Lioness does for not only Lions, but the City of Peterborough and the world as well.

I hope you enjoy this first attempt at this venture:

The following information was passed along to me and I just thought it might be of interest to anyone that plans on attending visitations whether it is to other clubs or other Lions events. If you haven't been able to attend meetings in your own club at times this is an excellent way to keep informed about Lions. Plus it is so great to see what other clubs or events are doing both in and out of your own district.

Ok Lions,

Here we go with another issue for your enjoyment. Although I don't like to be negative on here, I do apologize for not getting some more members' photos into the newsletter for the events that we have been doing. Especially for the 75<sup>th</sup> Anniversary that we just celebrated. Unfortunately, due to work I was unavailable to attend the event although I understand that the committee did an outstanding job on hosting the event and it was enjoyed by many from Lions both inside our Club and Lions from other Clubs. Congratulations to the committee on an excellent job well done. So if anyone has any photos of the event please forward them to me and I will make sure that I get them into the next newsletter.

Also, I do apologize for not getting my committee in gear much quicker than I am. Again, unfortunately due to my job I am out of town much more than I expected to when I took on this position. However, I am a Lion and regardless of the reasons and excuses I will do my best and strive to give all that I have to give to any position that I accept in Lions. So, as soon as I can, I will pull my committee together and together we will make this one if the best committees the Peterborough Lions Club have ever seen! So please bear with me, it will happen!

Also, I understand that many members want me to make sure I enter this bulletin in the "Bulletin Contest" which is an honour for me to think that they think this document is good enough to represent this club. Thank you. But honestly, all I really want is to make sure everyone sees the many benefits of being a member of the best service club in the world.

This Club is a great forward moving club that not only shows the pride of Lions but also the enthusiasm and thrill of being a Lion. It's a club that I am proud to say I am a part of.

Yours in Lionism,

Bulletin Editor Peterborough Lions Club
