## ***We are Lions***

Our 45,000 clubs and 1.35 million members make us the world's largest service club organization. We're also one of the most effective. We get the job done.

We recently:

Brought 3,000 volunteers together to build a playground for children of all abilities in California, USA.

Fed 60,000 people in a township in South Africa. It's something Lions do there every day.

Sent a team of eye surgeons to Honduras to treat more than 100 adults and children.

Everywhere we work, we make friends. With children who need schoolbooks, with seniors who need transportation and with people we may never meet.

## Greetings from Lion President Harvey

Fellow Lions:

Welcome back for another important year of serving our local and worldwide communities. I'm looking forward to a productive year in all aspects of our service to others. Don't forget what "LIONS" stands for – Loving Individuals Offering Needed Services.

A number of our members have already been working on fund-raising activities to raise money to allow us to carry on our vital work, and on service projects.

Applefest is coming up soon and for that we need plenty of bodies.

Lion P.P. Owen spoke with Mayor Walas and the upshot is that we will get the use of the Community Hall for our Bingos at the continued rate of "No Charge". You've probably already heard from Lion Owen. It's a good way to bring in a fairly good income, although not all we need by any means.

I've made some Committee changes. Please look over the list and be prepared to work on those committees to which you've been assigned. I still need a few of you to step up and accept a position or two, either as Chairperson or as Member of a Committee. You will note some of the names listed several times in

various positions. We don't want these Lions to burn out, so please offer your help, & let me know you have joined a particular committee. Many hands make light work & it works whether we are working as Committees conducting meetings or actually involved in a project that your Committee is organizing. Many of our Committees are for a fairly short part of the Lions year, but they are important nevertheless. Some run throughout the year.

Lion Membership & Attendance Chairperson Hugh will be discussing an important project at this meeting, and we are looking for EVERYONE to be prepared to get involved. IT'S VERY IMPORTANT TO THE FUTURE OF THIS LIONS CLUB!!! We are going to run a special meeting on Monday, October 24<sup>th</sup>, and we'll be expecting you to make a good effort to bring a guest to the meeting and participate.

Something we MUST DO is get fun back into the activities in which we are involved. This will be emphasized on the 24<sup>th</sup>. We also need good fellowship among our members.

Please be there on Monday, September 12<sup>th</sup>, ready to participate and make this one of the best years in the history of this Lions Club.

"It is not enough to say, 'We did our best'. We must do what is necessary to succeed."

Winston Churchill

"You can't live a perfect day without doing something for someone who will never be able to repay you."

Our thanks, as well to Lions John S, Derek, and Jim for regularly posting flyers at various locations in the community.

# VISION SCREENING ANNUAL REPORT

*By Lion John Harwood*

We started out in the Fall, as usual, with testing at Brighton School but had to abort due to our auto-refractor telling us that it needed re-calibration. We were surprised because we thought that having purchased a new auto-refractor it should not need calibrating after only one year's use. However, after checking with the technicians we found that it needs re-calibrating every year.

Upon receiving the auto-refractor back from re-calibrating we resumed testing as follows:

## **6 schools screened - Brighton, Spring Valley, Smithfield, Murray Centennial, Colborne, & Grafton.**

From these 6 schools 328 consent forms were sent out, and 191 were returned, for a return rate of 58%, slightly above normal. Of these 191 students tested, 118 passed our tests = 62 %.

Formerly, we tested 8 schools - S.Cramahé & Castleton in addition to the 6 listed above. S.Cramahé & Castleton have since been amalgamated into one new school called Northumberland Hills.

Since the new Lions' Club in Colborne came into being, it occurred to me to incorporate some of their members into the process of Vision Screening, since the schools in their area would come under their jurisdiction. So I asked PDG Dog Galt, who I understand is their mentor and one of their founding members, if he could provide me with names of their Club who have the necessary Police Checks.

I was pleased when he came up with 6 of their members, including himself, who were qualified & willing to do this. Accordingly, Lions Hugh McDonald, Denys Avis, Doug Galt (who has participated many times with the Brighton Club) & myself acted as self-appointed trainers to show these new members the ropes. It was really not our job to do this as Lion Susan Taylor, the District Vision Screening Co-ordinator, is the trainer. I hope she didn't mind us doing this, but it seemed appropriate.

Anyway, the 6 Colborne members were very keen & quick to learn, and expressed an interest & willingness to continue with it. We were all able to test Colborne and Grafton schools on the same day. One of them volunteered to be their Club's co-ordinator, and

she said she would get back to me to set up a date for the Northumberland School testing.

Since then, I made repeated calls to the Northumberland Hills Principal who didn't return my calls, and I didn't hear back from the Colborne Club co-ordinator either. Meanwhile it got to be too close to the end of the school year to pursue it any further. So I guess it kind of fell by the wayside, as the expression goes. We did our best to get Colborne Club set up & trained for it.

I would like our club to know that, in response to tentative enquiries, I have made it clear that, regrettably, we would not be in a position to loan our equipment to other clubs. We paid over \$8,000 for our kit because we were frustrated with the embarrassment of the shared Zone equipment continually breaking down due to abuse during training & sharing with other clubs, so we carefully guard our investment. I understand that the shared Zone equipment has now improved with the addition of another auto-refractor for when one breaks down.

When I contact the school Principals to set up dates, it is my practice to leave my personal business card, and to tell them that if they become aware of any children who need glasses as a result of our testing, and whose parents are unable to afford to buy them, to contact me or write to Box 37, Brighton, and either I or our Secretary will refer it to the Public Service Committee. In the past we have responded to quite a few requests for this, but when I checked with Lion Jane she said that her Committee had not been asked to respond to any requests for help with glasses as a result of Vision Screening during the past year. Of course, this doesn't necessarily mean that none of the kids we tested ended up needing glasses.

I noted that in a Financial Report I believe it was stated that \$250 was spent on eye glasses, but this must have been for people other than those in the Vision Screening age range.

I asked Lion Secretary Marion if she would search the catalogue to see if there is an official Lions' business card, upon which we could have our address printed, so I could give it to the Principals instead of my own personal one. If so, this might also be a useful tool for the members for the purpose of contacting and recruiting new members. (continued..../9)

**"I believe"**

Many thanks to those who participated and made another successful Lions' Vision Screening year possible:

- **Brighton Lions** - Don Dorland, Hugh McDonald, Denys Avis, Al Fletcher, Jim MacKenzie, Theo Vreeburg, Astrida Jenkinson-Chalmers, and Owen Gibb.
- **Colborne Lions** - Pat Westrope, Brenda Dohla, Andy Zvagulis, Judi Eakins, and Doug & Cathy Galt.

- **Friends of Lions** - Ken Grieves, and Peter & Elizabeth Clark.

I am currently awaiting the return of the auto-refractor from its annual re-calibration (lesson learned from last year), and I am preparing to contact the Principals again to set up dates, for another successful Vision Screening year, with your support.

## Cricklewood Corn Maze ....& LFC Funding

Adapted from Cricklewood website

This is our 10th year of designing and creating our corn maze. During the winter months we have locked ourselves away refusing to come out until we have created the most challenging and unique maze we could think of. Cricklewood Farm beckons newcomers and veterans alike to take the challenge. Detailed information about booking, policies and pricing is contained on our website.

We are fundraising for the '**Brighton Lions Club**' and the money raised will go toward the Lions Foundation of Canada for dog guides. This Foundation breeds and trains dogs for the visually impaired, physically handicapped, deaf people, children with autism and people with seizures. We will donate a percentage of our maze sales to the Brighton Lions Club for this worthy cause. We hope to raise \$1500.00. Join us in our efforts and have fun at the same time!

The cornfield (6 acres) is in the shape of **2 dogs** and has over **2 miles of pathways** for you to explore, with the shortest path through being a mile in length. While navigating your way through, you can solve the puzzles and escape the maze, which takes about 1 hour to complete. With our **Escape Routes** you are able to challenge the maze for as long or as short as you want. Admission fees and times are listed on our website <http://cricklewood.ca/html/visitUsMaze.htm>.

Wing-Kun Tam, of Hong Kong Special Administrative Region (SAR), The People's Republic of China, was elected president of The International Association of Lions Clubs at the association's 94th International Convention, held in Seattle, Washington, USA July 4-8, 2011.

President Tam is the chairperson of a multi-national group of companies specializing in aviation and travel business.

A member of the Mt. Cameron Lions Club since 1981, he has held many offices in the association, including Campaign SightFirst multinational coordinator and OSEAL recording secretary, SightFirst China Action executive chairperson, 2005 International Convention Bidding Committee executive chairperson and honorary Host Committee chairperson. He has served on the international board for 11 years and three years on the executive committee.

President Tam has been a member or chairperson of many government and community service boards and committees of the Hong Kong SAR Government. He

served as Hong Kong District Affairs Advisor before the establishment of the SAR in 1997. He has been the Hong Kong Convention Ambassador since 1995.

He is the recipient of Her Majesty the Queen's Badge of Honor, the Most Excellent Order of the British Empire and the Bronze Bauhinia Star from the British and Hong Kong SAR governments. He is a Justice of the Peace in Hong Kong and the appointed Honorary Consul of the Republic of Kenya in the Hong Kong SAR and Macau SAR of The People's Republic of China.

In recognition of his service to Lions Clubs International, President Tam has received numerous awards, including the Campaign SightFirst National/Multi-National Coordinator Award, the International Lion of the Year Award (2003) and the Ambassador of Good Will Award, the highest honor the association gives to its members. He is a Progressive Melvin Jones Fellow and Campaign SightFirst Lead Gift Donor.

President Tam and his late wife, Irene, have three children – Alvin, Tiffany and Andrew.

Our 2011-2012 international president's theme, *I Believe*, expresses the thought that the Lions of the world have created a culture organized around a belief in the value of giving back – and a belief that one person truly can make a difference.

# And now, Some Spicy Wit

.....SELDOM SAGE, BUT ~~ALWAYS~~ MOSTLY SAVORY!!!

The good *joke fairies* seem to have taken the summer off, so I'm obliged to dredge up some *seconds* that I've stored up for just such a situation.

This one came from an American friend, so it's not really Yank bashing:

A Bedouin wandering in the Sahara happened upon an American dressed in a bathing suit, flip-flops, a big, over-sized t-shirt and sunglasses.

The Bedouin gazed at him in amazement, "What are you doing all the way out here dressed like that!?"

"I'm going swimming," the tourist explained.

"But the ocean is eight hundred miles away," the Arab informed him.

"Eight hundred miles!" the American exclaimed with a whistle of appreciation.

"Boy, what a beach!"

A blonde joke you have never heard before:

Two blondes were walking down the road and the first blonde says, "Look at that dog with one eye!"

The other blonde covers one of her eyes and says, "Where?"

In times of need, one can always fall back on *the battle of the sexes*

A few minutes before the church services started, the congregation was seated, talking, in their pews.

Suddenly, Satan appeared at the front of the church. Everyone started screaming and running for the front entrance, trampling each other in a frantic effort to get away from evil incarnate. Soon the church was empty except for one elderly gentleman who sat calmly in his pew without moving, seemingly oblivious to the

fact that God's ultimate enemy was in his presence..

So Satan walked up to the man and said, 'Do you know who I am?' The man replied, 'Yep, sure do.' "Aren't you afraid of me?' Satan asked. 'Nope, sure ain't' said the man. 'Don't you realize I can kill you with one word?' asked Satan. 'Don't doubt it for a minute,' returned the old man, in an even tone.

'Did you know that I can cause you profound, horrifying AGONY for all eternity?' persisted Satan. 'Yep,' was the calm reply. 'And you are still not afraid?' asked Satan. 'Nope,' said the old man.

More than a little perturbed, Satan asked, 'Why aren't you afraid of me?'

The man calmly replied, 'Been married to your sister for 48 years'.

After being married for thirty years....a wife asked her husband to describe her.

He looked at her slowly...then said, "You're A, B, C, D, E, F, G, H, I, J, K."

She asks..... "What does that mean?" He said, "Adorable, Beautiful, Cute, Delightful, Elegant, Foxy, Gorgeous, Hot. She smiled happily and said...."Oh, that's so lovely..... What about I, J, K?"

He said, "I'm Just Kidding!"

His eye is still swollen....but it will get better.....

While creating husbands, God promised women that good and ideal husbands would be found in all corners of the world.....then He made the earth round.
