

ZONE REPORT–NOV.11,2011

Gov. Earl

Sept. and Oct.. have been very busy months as the clubs of 11 West are back in full swing after the summer. Clubs have provided meals and get togethers with entertainment for Seniors.

2 clubs continue to hold bingos.

Some clubs provided awards and scholarships for High School graduates at their Commencement celebrations.

3 clubs have completed their Vision and Hearing screening, 1 club is scheduled to begin theirs next week and 1 is booked for Feb. It is my goal to have all 8 clubs provide this service for our young children before the end of the year.

1 Club held a fund raising breakfast for the first time with many excellent comments from the community.

Clubs continue to sponsor sports teams and provide funding for much needed glasses and to help community people that are going through some troubled times.

Blood donor Clinics are sponsored by at least 2 of our clubs.

Verona Lions are working diligently on their hall renovations which will include a very large handicapped washroom that will accommodate the bigger electric wheelchairs.

Several clubs are busy planning Santa Claus Parades for Dec.

Sharbot Lake and District Lions celebrated their 60th Anniversary with much support from across the District.

Lion Dave and I also attended Kingston and Peterborough's anniversaries.

I attended the Region 11 Rally in Napanee.

I have completed one official visit with a second one to come on Monday night and held my first Zone meeting hosted by the Land O' Lakes Club, with seven of eight clubs in attendance.

I continue to stress membership to all and am encouraging clubs to call

Lion Jean Graham to get involved in the Club Excellence Program.

I am very pleased to report that Zone 11 West has had a net increase of 6 members for the 2 months.

As we near the Christmas Season I wish each and everyone of you a safe and happy holiday with friends and family.

Respectfully submitted,

Lion Dawn Hansen,
Zone Chair 11 West
