District Governor Earl,

I am presenting Lion Mary Grace's second report for A-3 Gift of Life.

She and Past Region Chair Josef did not realize when they got married 40 years ago **today**; that there might be a conflict.

Thank you to Lion John Lougheed from Havelock for volunteering to be Gift of Life Zone Link for 43 North.

Since August report, Mary Grace has spoken on Gift of Life and beadonor.ca :

They also witnessed the actual preparation of the TGLN transport technologist as he was getting ready to go out to a hospital, to receive and to transport life saving donated organs.

TGLN have asked Josef and Mary Grace to present TGLN presentations in South Eastern Ontario

November 15 Josef and Mary Grace spoke to the Canada Revenue Agency in Belleville

November 14th Lions Al Beattie from Bath, Joan Benoit, Kingston Lakeshore West and Mary Grace from Amherstview opened and tallied the A-3 Gift of Life Surveys.

Thank you to all the Clubs that participated and provided priceless information. The response from the Clubs was much greater than anticipated. In particular we wish to thank the Clubs that had already received their Banner Crest for participating.

It is with pleasure to advice that Cobourg Lakeshore Club will be the 8th Clubs to receive this Banner Crest.

Would those representing Cobourg Lakeshore Clubs please come forward to receive their Gift of Life Banner Crest? Please remain for a moment to have your picture taken.

Contact PRC Lion Josef next week if you wish to arrange press releases.

A-3 Gift of Life Report to Cabinet November 20th 2011

Fellow Lions we are in phase 2 and 3 of our program.

Each Lions Club is challenged to review their planned activities to see if a Gift of Life display, an information session or a Community Gift of Life Event can be incorporated. If so refer to your Gift of Life Reference Manual for direction.

(Hold Up 3 beadonor.ca cards)

Each Lion is asked to carry **3 beadonor.ca cards** to give out at appropriate time. Why 3? Every three days a person in Ontario dies because their organ transplant did not occur in time. One of the smallest Lion's Service projects and it has the potential to save 24 lives and enhance the lives of 225 others.

(pause)

Whether it is wearing a Green Ribbon, a Gift of Life T Shirt or an event with 60,000 plus, I BELIEVE Lions have been and are out to change the statistics one signature at a time!

Thank you

Mary Grace Amann A-3 Chair Gift of Life
