Ed. Notes dg – The cover on the Newsletter was sent to me by Lion Barry Patterson, Past President of the Norwood Lions Club. Lion Barry was the president during the year that Lion Wes was the Governor. The cover on the Newsletter provided me with the stats of the District Cabinet.

The newsletter cover on the next page doesn't mention it however I believe Lion Wes was also the editor of the Newsletter for that year and he was for the previous year when I was the Governor.

I will be forever grateful to Lion Barry Patterson for this contribution as well as for so many others that he has very kindly sent to me.

Lionism... a heritage  
challenging tomorrow
