International President's Message

Dear Lions,

Welcome to our shared leadership year! I am looking forward to sharing this year with all of you, but especially with club presidents as I believe that the greatest strength of our association rests at the club level. I plan to have "presidents-meet-the-president" meetings wherever I travel and I will be relying on you to bring my message to your members

By now most of you know that the theme for my year as international president is "I Believe." "I Believe" is the attitude I hope that you and all Lions have toward our ability to change the world. Together, the 1.35 million Lions club members around the world make up the world's largest network of caring individuals. That makes us capable of great things.

It is also a personal statement from me. I believe in *you*. I believe that every Lion makes a difference.

I thank you for your part in the work we are beginning -- work that will make a difference in the lives of millions.

Sincerely,

Wing-Kun Tam

International President

Tree Planting Campaign

Anyone can plant a tree and many people do. But Lions campaign to plant one million trees this year serves a purpose beyond beautifying our communities. Trees cleanse and renew the Earth's atmosphere. There is little a single individual can do that does more to protect the environment than planting trees. Healthy, thriving trees will remind our neighbors for years to come of Lions commitment to the environment and the vital role that Lions Clubs play in our communities.

The trees will also be a constant reminder to ourselves that Lions can reach any goal we set. The "Believers Award" has been created to recognize those who demonstrate their belief in the power of service by planting a tree.

Read more information about the [Believers Award](#) and good reasons Lions in your club and district should be [planting trees](#).

Global Service Action Campaigns

Leos and members of the Cub Program are the future of our Lions family and every effort should be made to engage them in Lions activities. This campaign is the perfect opportunity to invite Leos, family members and other youth groups in the community to participate in a Lions Club service project. This year's first Global Service Action Campaign is already upon us! Please do not delay preparing your club or district for the Engaging Our Youth campaign, scheduled for August.

The schedule for Global Service Action Campaigns will be the same as last year.

August Engaging Our Youth

October Sharing the Vision

December-January Relieving the Hunger

April Protecting Our Environment

President's Message

Greetings fellow Lions,

We are nearly through our short and deserved break before we enter the new Lions year, yet requests for aid still pour in, and the executive still work to help as many as we can.

We are going to have a very busy year in 2011-2012. We have the 75th anniversary to look forward to, and plans for that prestigious event are well on their way to completion.

We also have committed to co-host the A-3 convention with the Keene Lions, and will have our work cut out for us in the planning and implementation of that event in order to make it the best Lions Convention in recent memory.

I must thank all the lions for committing to the various committees this year, and a special thanks to those lions who graciously volunteered to chair each of those committees.

We have a fantastic executive this year, and I believe Peterborough Lions will make some amazing progress in our lionism.

It is my greatest wish that this year our club grow in its membership, and that we continue to progress to the fulfillment of the action plan we implemented a year ago. I hope that we can evolve into a modern forward thinking group who will listen to each other and come up with new innovative ideas to make our club better for our sakes and our communities.

With that thought lions, I challenge each of you to bring a new perspective member to a meeting this year, and spread the word to all of the great work Peterborough Lions does for Peterborough and the surrounding area.

Let's make this a Lions year to remember.

Yours in Lionism,

Lion Jason King
President, Peterborough Lions

**Lions Clubs International
FOUNDATION**

Our International Convention ended on today with the election of Wing-Kun Tam as our 2011-2012 International President. Tam, a Lion from Hong Kong Special Administrative Region (SAR), The People's Republic of China, is the chairperson of a world-wide group of air transportation companies – and the first person from China to serve as international president of the world's largest service club organization.

President Tam's theme, "I Believe" expresses the thought that the Lions of the world have created a culture organized around the value of giving back. And a belief that one person truly can make a difference.

We're also pleased to announce that International President Tam will be joining this blog to provide special "President's Blog" posts. Through our blog, he will connect you to other Lions around the world – and their projects and activities.

Lions, LCIF Mobilize US\$15 Million to Help Japan

Lions around the world are continuing to help the Lions of Japan in their disaster relief efforts by donating generously to LCIF. As a result, we're mobilizing more than US\$15 million, which includes US\$8 million that Lions of Japan are raising. LCIF has approved an initial US\$1.5 million grant to provide a special assistance fund for victims and to support Lions' operation centers. The remaining donations will assist with ongoing disaster relief and long-term rebuilding efforts. [Read updates from Lions in Japan.](#)

A prince had a curse put on him when he was a little boy. He could only speak two words every year. But, if he didn't speak for a whole year, he would then be able to speak 4 words the next year and so on. One day he met a princess named Josie and he wanted to say "My Princess". The next year he saw her he wanted to say "My princess, i love you". The third year he saw her he wanted to say "My princess I love you, will you marry me?" But, the young prince, now growing older knew he would have to wait a couple more years. So, on the fifth year, excited to finally present his question, he visited the princess. He approached her respectfully and asked, "JOSIE, MY PRINCESS, I LOVE YOU. WILL YOU MARRY ME?" And the princess said, "Pardon?"

BUS RIDE....

A woman got on a bus holding a baby. The bus driver said, "That's the ugliest baby I've ever seen."

In a huff, the woman slammed her fare into the fare box and took an aisle seat near the rear of the bus.

The man seated next to her sensed that she was agitated and asked her what was wrong.

"The bus driver insulted me," she fumed.

The man sympathized and said, "Why, he's a public servant and shouldn't say things to insult passengers."

"You're right," She said. "I think I'll go back up there and give him a piece of my mind."

"That's a good idea," the man said. "Here, let me hold your monkey."

Ponderings

1. Why is it that when you're driving and looking for an address, you turn down the volume on the radio?
2. If you have your fingers touching a rearview mirror that says – "Objects in Mirror are closer than they appear", how can that be so?
3. Why is it so hard to remember how to spell MNEMONIC?
4. If someone invented instant water, what would they mix it with?
5. Why is it called a TV "set" when you only get one?
6. Why does your nose run and your feet smell?
7. Why does an alarm clock "go off" when it is ringing?
8. If pro is the opposite of con, is progress the opposite of congress?
9. Why does "cleave" mean both split apart and stick together?
10. Why is it, whether you sit up or sit down, the result is the same?

Wise Sayings!

A cardboard belt would be a waist of paper.
Man who streaks is unsuited for his work.
Man who eat many prunes get good run for money.

There are two kinds of people, those who do the work, and those who take the credit. Try to be in the first group; there is less competition there. -

Bulletin Editor's Note:

Well Lions,

Here it is. A little late, but I guess better late than never as the saying goes. What a wonderful summer it has been. All the awesome sunshine and warm weather has been great for those of us looking to get a nice glow. Just make sure that you stay hydrated enough and play it cool whenever you can. Me, I enjoy just relaxing with an ice cold beverage and sitting in the shade as often as possible!

You know, I keep wondering how I can cut back on this newsletter so that people don't get bogged down with stuff that doesn't interest them or bored with the things I find interesting. But there is just so much happening in the world of Lions that it is so hard to pick out what should or shouldn't be in print. Even in our own club everyone is working so hard that it is almost impossible not to mention everything.

President Jason has been working hard to put together the committees he feels will serve the club best and our new executive is busy working behind the scenes to make sure that everything runs smoothly for him. I think we are in for another great Lions year.

Take care Lions and please stay in touch with each other during the summer months. Just because we don't have meetings doesn't mean we can't meet for a coffee or something. Pick up the phone and call your fellow Lions sometime. Who knows, you may find you have more in common than just Lions.

Yours in Lionism and friendship,

Frank Hewitt
